In Mbale Uganda

Mbale Rotary Club & Blue Bell Rotary Club / D-7430

Put soap or ash on the hands.

Rub the palms, back of hands, between fingers, under finger nails and wrists repeatedly. Give special attention to the area between fingers and under the nails. This is where most dirt is found.

Rinse hands until all the soap or ash is off.

Dry your hands by shaking them dry. Do not use public towels to dry your
