G'Day Mates! Jean and I, along with DGE Gary Fedorcha and Lynne, have returned from the Rotary International Convention held in Sydney, Australia. It was another powerful boost to my Rotary spirit and enthusiasm.

This is our third International Convention in the past four years and we will be taking a break until the 2017 Convention, to be held in Atlanta, Georgia. I strongly encourage every Rotarian to plan on attending at least one International Convention in their life, and the Atlanta location will make it the most economical in terms of travel costs.

What makes the International Convention so awe-inspiring? It is the physical presence of

being a participant in the worldwide spirit of the world's most prominent service organization. John Osterlund (far left) and Ron Burton watch as Peace Corps Acting Director Carrie Hessler-Radelet and Rotary International General Secretary John Hewko sign a letter of collaboration on a one-year pilot program in the Philippines, Thailand, and Togo.

In an effort to promote global development and volunteer service, Rotary and Peace Corps have agreed to participate in a one-year pilot program in the Philippines, Thailand, and Togo.

Under the agreement, Rotary clubs and Peace Corps volunteers are encouraged to share their resources and knowledge to boost the impact of development projects in these three countries.

Opportunities for collaboration include supporting community projects, training, networking, and community education. Through the Peace Corps Partnership Program, Rotary clubs can continue to provide small grants to support volunteers and their communities.

twenty-five thousand people from over 200 countries and territories, to celebrate the common humanitarian goals of “doing good in the world”.

In addition to hearing the addresses of the current RI President Ron Burton, RI President-Elect Gary Huang and RI President Nominee K.R. (Ravi) Ravindran, there were several presenters that shared their “Rotary Story” with the Convention attendees. All these presenters provide a vivid description of how they were able to accomplish major contributions to the lives of others, because they initially sought help through a Rotarian or Rotary Club.

Jack Sim, frequently referred to as “Mr. Toilet”, is the founder of the World Toilet Organization and BOP HUB, a non-profit organization. It provides sanitation to homes and communities in underdeveloped countries. The results are a major reduction of diseases caused through unsanitary disposal of human waste.

Professor Martin Silink AM, Past President of the International Diabetes Federation, tells an amazing story. A UN Resolution on Diabetes, after several years of failed attempts, was finally adopted in quick order once he approached Rotary for help. The Worldwide Rotary Network encouraged ambassadors from key voting countries to support the resolution, which in turn, caused other countries to follow suit.

Tommy Spaulding, NY Times Best Seller Author and President of the Spaulding Companies LLC, tells his story of personal and professional success. It all started because a Rotarian recommended him to a RYLA program when he was in High School. The experience set a foundation of leadership and self-esteem which led him to ever increasing achievements, and ultimately to community and worldwide humanitarian service as a Rotarian.

The list goes on for four days and includes updates on Polio Eradication, ShelterBox, and the impact of the Rotary Foundation, Rotaract and Interact.

The emotional impact is similar to the feeling of accomplishment experienced by those attending the District Conference, only on a worldwide basis. It makes you proud to be a Rotarian and instills the desire to do more through your local Clubs and the tools of the Rotary Foundation. You may wish to travel to Brazil in 2015 or South Korea in 2016, but Atlanta in 2017 is an opportunity you do not want to pass up.

Well, this is the last of my messages to you as the District Governor of D-7430. It has been a wonderful experience serving you and the

and the Rotary Clubs for the 2013-14 Rotary Year. I am most grateful for your support and all the things you do to perpetuate the ideals and actions of Rotary in your communities and the world.

Please remember to fulfill your commitment to the Rotary Foundation before June 30, continue to seek new members to maintain the health of your Clubs, continue your support of Polio Eradication, Shelter Box, Youth Services and Service Above Self in your community and the world. WHY? Because we can and we care!

Peace Corps Acting Director Carrie Hessler-Radelet and Rotary International General Secretary John Hewko signed the letter of collaboration on Monday, 5 May, at Rotary's headquarters during a ceremony that was attended by RI President Ron Burton and RPCV Rotary staff. In his remarks to the audience, Burton applauded the collaboration and both organizations' commitments to service.

"Today's announcement is particularly meaningful for me because I come from a family of Rotarians," said Hessler-Radelet, referring to her father, grandfather, and aunt. "We are eager to join together in common efforts to inspire volunteerism across the country and around the world."

Hewko noted how both organizations are committed to improving lives and building stronger communities by addressing the root causes of violence and conflict, such as poverty, illiteracy, disease, and lack of access to clean water and sanitation.

The two organizations also agreed to explore expanding the collaboration to more countries based on the results of the pilot. Rotary will enlist the support of its members in recruiting Peace Corps volunteers and involving returned Peace Corps volunteers in service projects at home.

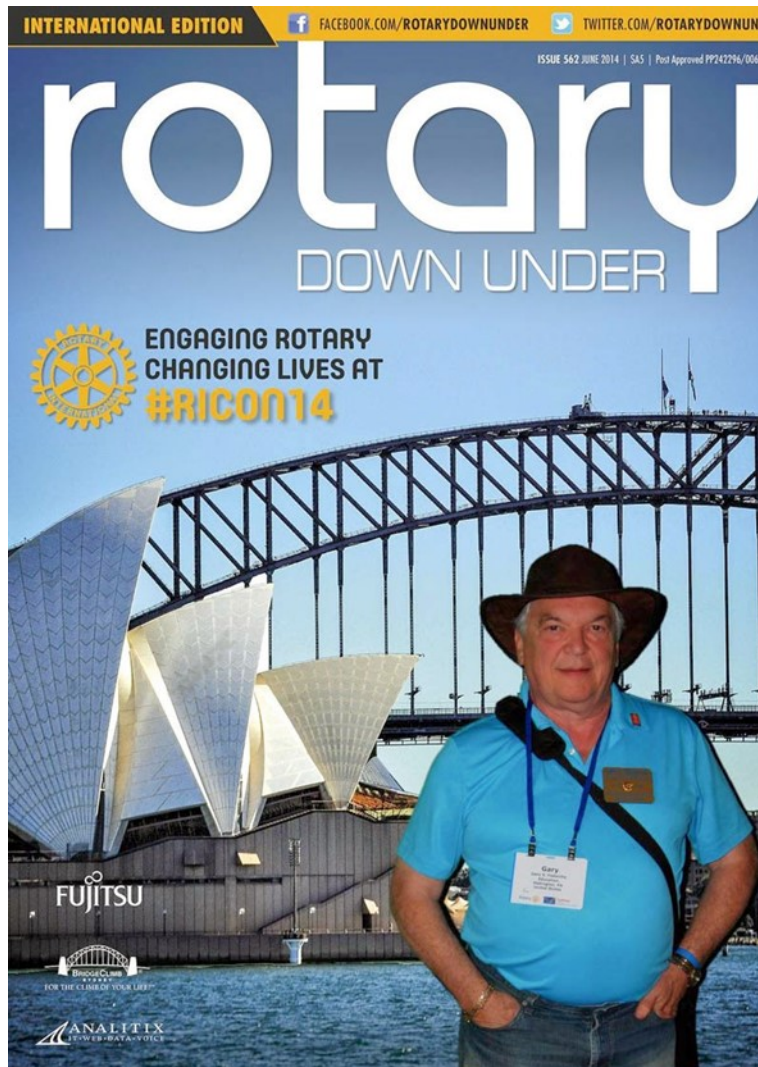

Polio Update

Rotary supports WHO's recommendation on recent polio transmission

Rotary supports the World Health Organization director-general's statement that polio is a public health emergency of international concern. Additionally, Rotary echoes WHO's recommendations for residents and long-term visitors in Pakistan, Cameroon, and Syria and in polio-endemic countries to receive immunizations against the disease before they travel.

Rotary International Conference

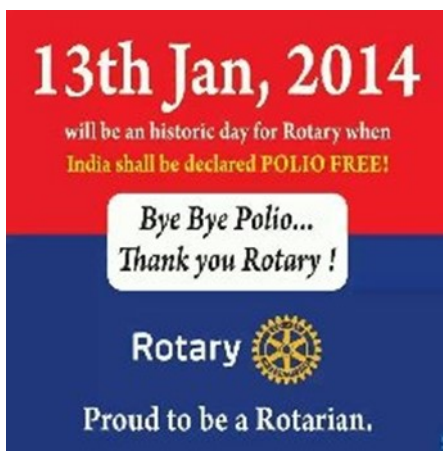

Sydney, Australia * June 1-4, 2014

The conference was truly fantastic! It began with a warm Aussie welcome by Prime Minister Tony Abbott and an inspirational speech by Rotary International President Ron Burton. The impressive presentation of flags by our RI Director Julia Phelps followed. There were many great plenaries and many choices of electives. DG Frank, Jean, Lynne, and I had great opportunities to meet and share ideas and stories with hundreds of wonderful Rotarians from around the world.

Sydney is a beautiful city...very clean and modern with amazing sights such as the very unique Opera House and the incredible Harbor Bridge. The conference was held at the Sydney Olympic Village which was a ferry ride or train ride away from the Circular Quay where we stayed. The venue was huge, but with all the thousands of Rotarians, two opening plenary sessions were needed!

It was a wonderful four-day conference, and Lynne and I were fortunate enough to be able to extend our visit and do some touring. I would recommend putting Sydney on everyone's list of cities to visit, even though it was an exhausting 22-hour flight! Most of all, I would encourage every Rotarian to attend a Rotary International Convention. The camaraderie and emotion must be experienced to be believed!

2014 District Training Assembly a Success

Over 100 Rotarians gathered at Bear Creek Mountain Resort in Macungie on Saturday May 17th for the annual District Training Assembly. This event was hosted by DGE Gary Fedorcha and Trainer PDG Tony Jannetta. Twenty seven of our 44 Rotary Clubs were represented by their P-Es or a Proxy. Breakout sessions were conducted for the P-Es, RC Secretaries and RC Treasurers.

The Opening Plenary Session began with a Welcome & Opening Remarks by DG Frank Romano. Then DGE Gary presented the new RI Theme & Goals. There was a business meeting during which the 2014-2015 D7430 Operating Budget holding the dues at \$40 per member was approved by all voters.

DICK WHITTAKER

Inducted into Downingtown, PA Hall of Fame

Dick Whittaker was inducted into the Downingtown Alumni Association's newly created Hall of Fame on April 26. The program is designed to recognize and honor graduates who have made "significant contributions to the district, their community, or their profession."

Dick was chosen because of his service to PMMC as the chairman of the board and his military service to provide medical care to the soldiers and civilians in Panama, Dessert Storm, Bosnia, and Haiti. He was also recognized for his service to Rotary, especially his efforts to the Polio Plus Program of the Rotary Foundation. Since 1986, he has been chairman of the District's Polio Plus Committee that has raised more than \$650,000 to be used in programs to help to eliminate polio worldwide.

From all of us in District 7430 - Congratulations Dick!

Beginning January 1, 2015, club officers can say goodbye to the semiannual report and hello to a simple one-page invoice that clearly states the amount owed for subscriptions, membership dues, and outstanding balances. Club officers will no longer need to recalculate bills, make adjustments, or fill out the eight-part semiannual report (SAR).

Bethlehem Morning Star

May 19 – Happy and Proud to be a Morning Star Rotarian! I feel so happy and proud to be a Morning Star Rotarian! Eleven of our members participated in the District Training Assembly on Saturday – the most by any of the 44 clubs in the District! (In addition to those pictured below, Tom Hartzell was a presenter.)

We met the leaders for the coming year, heard about exciting plans and programs, and learned about resources available to help us do good locally and around the world. From district events, to hands-on projects, to fundraisers and social events, Morning Star members are truly “engaged”!

Membership Tips

Your Membership Plan should emphasize the need to change members' attitude about asking candidates to consider Rotary.

When you ask another to be a Rotarian please do not think that you are imposing upon them.

In truth, when we ask others to be Rotarians, we are offering them something wonderful -- the chance to share in the marvelous benefits of helping other people here in town AND all over the world.

"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well."

Rotary Announces New Member Sponsor Recognition Program

Sponsor a new member and you'll not only strengthen your club, you'll also get recognized for your efforts. Through the [New Member Sponsor Recognition program](#), sponsors will now receive a specially designed Rotary pin and recognition on Rotary's website.

Simply enter new members into your club's records and identify the sponsor. Each week, Rotary will send clubs a packet containing the names of newly identified sponsors along with Rotary pins and as many as four different-colored pin backers. The color of the backer depends on the number of new members sponsored, ranging from blue for one member to gold for six or more.

Keep track of the number of members you've sponsored by checking your My Rotary profile page. Gold-level sponsors will also be listed in the [Membership Recognition Gallery](#), and if they attend the convention, invited to join the RI president for a special recognition event.

All new members and their sponsors must be designated in club records in My Rotary to participate in the program. Sponsors of members who joined Rotary on or after 1 July 2013 are eligible.

Create Your Own PR Program

By Peggy Hebden, Zone 24 East Public Image Coordinator

Public Image must be a priority for all of us. Now, while PR Grants are in hiatus and under review, it is even more important than ever that we make our public image dollars count. At the recent Zone 24E Success Seminars, participants had the chance to practice creating PR plans. We quickly learned that solid plans answer these questions:

1. What is your goal for this project?
2. Who is your target audience for your campaign?
3. What role will Rotarians or the community take in the project?
4. What are the key messages for your target audience?
5. What type of outreach will you use?
6. What is your marketing approach?
7. How will you measure the success of the campaign?

Here is an example of how these questions help support a straight-forward service project such as the Dictionary Project:

- ☐ **Goal:** encourage literacy to third grade students; set budget; Rotarians present dictionaries to class
- ☐ **Key Message:** Rotary is a champion for literacy worldwide; Educate and Engage Youth in Rotary; Targeting youth clubs, partner with “Me to We” and have Rotary speakers at their events (Day of Giving as an example)...involves Rotarians, Interactors, and Rotaractors
- ☐ **Outreach** through social media, websites, PSAs, logos on clothing. Promote more joint projects, joint meetings, provide student bursaries and scholarships
- ☐ **Key Message:** Rotary serves humanities...a service organization
- ☐ **Measurement:** More awareness and engagement of youth and Rotarians.

The same questions can help craft a more amorphous project, such as the ongoing need to Increase Membership:

- ☐ **Goal:** raise public awareness of Rotary in community
- ☐ **Target:** People who want to make an impact
- ☐ **Messaging:** Club impacts community by supporting our neighbors at home and abroad, so if you are looking to make a difference, Rotary is the place for you
- ☐ **Outreach;** update website including “you can make a difference button,” Social media, post activities that support community/world impact, direct followers back to club website for more info. Meet your local media to talk about what the club does and determine media support. Organize an open house, invite potential members, key community leaders. Offer prizes for business cards with email ad-dresses and add to newsletter list. Consider options that provide more flexibility, like Associate Membership, Corporate membership or spousal membership, as well as ways to cut costs of meetings
- ☐ **Measurement:** Measure membership outcomes in medium- and long-term; not by short-term gains

Remember, PR is something that is up to every one of us, but none of us are expected to accomplish it alone. Key resources for guidance on these projects include: www.rotary.org/mediacenter, and your Rotary Regional Public Image Coordinator (RPIC) .

In Memorium

We note the recent passing of Rotarians, their spouses, partners and family members.

Hazel (Frick) Hartman, long-time Lansdale resident, beloved wife of Dr. Paul G. Hartman, Jr. for the last 66 years, died Tuesday, May 8, 2014 at the age of 88. Husband Paul was Rotary District 7430 Governor in RY 1988-89.

Richard (Dick) John Wagener, 78, of Harleysville, formerly of Lehigh, passed away May 26, 2014 at The Abramson Center in Montgomery Twp. Richard married Carol M. Hopkins, and together they raised five children and enjoyed 57 wonderful years together.

Dick became a Rotarian in the 1970's and soon after served as the President of the Newark, New Jersey Rotary Club, and later of the Lehigh Rotary Club. During retirement, Richard and Carol remained extremely active in Rotary, including a term as Governor of Rotary District #7410 and as current members of the Harleysville Rotary Club.
