## TJ's "Magic Carpet"

By the time you read this I will have visited all of our 45 clubs along with various committee meetings and

other district business events. In these first 8 weeks I have traveled over 3,000 miles in our district.

I'm writing this with honestly truly mixed emotions.....

The "highs" included meeting so many of our district Rotary family and feeling the pride and passion they have shared with me as they describe the many things their clubs do in our communities—and around the world.

Other "highs" are inducting new members, and recognizing many of our Rotarians for their generous Foundation Giving. Another pleasure was receiving checks from clubs on behalf of RI to go towards Polio Eradication. Meeting with 45 different club boards found them again all sharing

## Huang to be 2014-15 President

Gary C.K. Huang, a member of the Rotary Club of Taipei, Taiwan, is the selection of the Nominating Committee for President of Rotary International in 2014-15. Huang says his vision for Rotary is to increase membership to more than 1.3 million.

"To increase our membership, we must go beyond borders to wherever we see growth potential, such as the countries of China, Mongolia, and Vietnam. I will put an emphasis on increasing female and younger members," Huang says. "I will also encourage former Rotarians to once again be part of our Rotary family."

A Rotarian since 1976, Huang has served as RI vice president, director, Rotary Foundation trustee, district governor, International Assembly training leader, regional session leader, task force member and coordinator, and committee member and chair.

what they do, as well as their expectations for our year ahead.

Then there were some interesting exchanges with some members on perhaps how things could be done or looked at in a different way -- without meaning any offence or seeming ungrateful for their hard work. Of course there are 45 different ways to do things, but at the end of the day we all agreed we in Rotary do make a difference, and we are proud of what we all achieve.

Next month I will share an overview of what I saw during my visits -- the good, the bad and the ugly!..... seriously, there

is no ugly. It'll be just some of the highlights and challenges our club Rotarians face.

I also was able to attend the most enjoyable Youth Exchange "Rebound Picnic" where our returning outbound students of 2011-12 come to share their experiences of a year abroad. This is something I would recommend any Rotarian to attend. It is totally fascinating listening and a joy to see how these students have grown and developed with Rotary's help.

A Trip to Philadelphia's Citizens Park for the "Strike out Hunger event was awesome. And we thank the many clubs that had members that attended and the great fellowship we all shared -- despite another close defeat for our beloved Phillies.

The upside was the money raised for our foundation, the food for the hungry and the many men woman and especially children that our clubs took to the game. It was especially heartwarming to see the Bethlehem Club members with their busload of excited youngsters, and then there was the Pottstown Club who trumped everyone with

3 busloads! But "Hey," I had the highest seat in the house; it does not get much better than that! And we will share some pictures next month.

Clan Harleysville

I would also like to endorse what all club Presidents have been telling you. This month we have two very important learning events, and there is still time to register; both are in the King of Prussia area. RLI is on Sat. Sept. 15<sup>th</sup>, and The Foundation Seminar is on Sat. Sept. 29<sup>th</sup>. Please consider attending these; you will learn many new things and also enjoy sharing the fellowship that is always a big part of these events

Clubs will also have had notification that applications are being asked for our future

District Governor in the year 15/16 ( It's a big commitment but the experience of a life time!)

The Foundation Golf tournament is coming up on October 8<sup>th</sup>, and UN Day on Nov 3<sup>rd</sup>. With all of this I also met with our district Rotaplast Mission Team that is going to the Philippines in October. And I heard details of our incoming Friendship Exchange Rotarians that are visiting us from Australia later this month.....it's all go!

## TJ's Magic Carpet continued

This is just some of my month; I am sorry I could not share everything, but I stand firm on my message "Yes, we are all fired up.....Yes this is Rotary, and we are all doing great things and inspiring each other as we do....."

The Low is that I have to sign off for now as my Magic Carpet is fueled and ready to whisk me off on the next stage of this great adventure.....'til next month my Rotary Family...I thank you for all you are doing....DG Tony

## Huang to be 2014-15 President continued

Huang created 19 new clubs in 1986-87 as governor of District 345, which included Hong Kong, Macau, and Taiwan.

Huang is a recipient of the RI Service Above Self Award and the Rotary Foundation's Citation for Meritorious Service.

## D7430 Friendship Exchange

### One of Rotary's Best Kept Secrets

Rotary has so many opportunities for learning about new cultures and people around the world. The Friendship Exchange is one of these opportunities. Two districts from anywhere in the world agree to send a group/team to visit their district for the sole purpose of friendship and cultural understanding. (Through an international "matching board").

The teams can be anywhere from 6-12 people and can include Rotarians' spouses. The time period is 10 to 15 days and is agreed upon between the districts. Team members pay their own transportation and in country costs-- but stay in Rotarian homes. An itinerary is planned and agreed upon prior to the exchanges. Earlier in 2012 a group of 9 people from our district 7430 traveled to District 9650 in Australia (north and west of Sydney). It was magnificent.

In September of this year ,our district will be hosting the reciprocal exchange with 8 people from District 9650 staying with us for 15 days. The Saucon Valley, Allentown West, Emmaus, Ambler and Blue Bell Clubs will be hosting our visitors.

If you are interested in speakers for your club and interested in Friendship exchange, please contact Cindy Hornaman, Chairperson at: [hornamca@ptd.net](mailto:hornamca@ptd.net), or call at (610) 965 4151.

### Mount Penn

Patrick H. Gallen, a senior at Exeter High School, won Rotary International's Outstanding Student Award for Denmark.

A member of Rotary's Student Exchange Program, and sponsored by the Rotary club of Mt. Penn, Gallen has returned in July from nearly a year in Denmark. He was one of 200 exchange students in that country and the only one to win the award.

## Spotlight on an Outstanding Rotarian \*\*

### Dr. Richard P. Whittaker, MD, Rotary Club of Pottstown

Dick Whittaker always is first in line to help others. As a skilled orthopedic surgeon his broad talents can be used to help many people and have for decades. During Desert Storm in 1991 Dick was recalled back to active service in the U. S. Army Reserve to provide medical support.

Dick spearheaded a project to aid the Phuket area in Thailand following the 2004 Tsunami, traveling there to deliver the assistance personally. He was part of the first wave of doctors to arrive in Haiti in 2010 after the earthquake. He provided much needed surgery to its victims for weeks.

As a Manager and a passionate Rotarian Dick leads the D7430 efforts to Eradicate Polio from the world. He has been active in Rotary's Polio Plus program since the initial campaign in 1986. He has led the efforts that have so far raised over \$1.3 million in contributions from District 7430 Rotarians and friends. His passion for eradicating this disease stems from the sad personal experience of losing a brother to the disease years ago.

Besides his fund raising work, Doc and his wife Peggy have participated in at least one National Immunization Day (NID) in India in 2008. There they gave Polio vaccine to children. And he was an Inspirational member of the committee that planned the first D7430 Purple Pinkie Day 5K run at DeSales University in April 2011.

In RY 2003-04 Dick was presented with the Rotary International "Service Above Self" award. This was in recognition of his service until then and it continues today.

Dick has consistently supports and participates in the annual Rotaplast Auction ever since it started. His two daughters were Rotary exchange students during High School, and his older daughter, Laura, later became a Rotarian. And Dick and his family have hosted many exchange students over the years.

Among his many projects Doc promoted and supported the "Rotary Pavilion" at Pottstown's Riverfront Park. He pushed for the construction and he obtained partial funding. And he serves on numerous community boards of directors, including as Chair of the Board for the Pottstown Memorial Medical Center.

Dick served as the President of the Rotary Club of Pottstown in RY 2007-08. An enthusiastic promoter of Rotary, he has sponsored more new Rotary members than any other Pottstown Club member. He and Peggy have opened their home to many Rotary events like the picnic and the clambake.

**\*\*"SPOTLIGHT"** each month features an outstanding District Rotarian who does extraordinary things that only a few of us know about.

Did you hear the one about our DG and his Scottish abbreviations that got misunderstood here in America ? His printed schedule reads "Meet w/RC at Lunch - B/M after; and Meet RC for Breakfast - B/M after." He thought B/M meant "board meeting."

### Membership Tip:

Be passionate and be persistent.

"I don't hesitate to drive to people's places and come back again," says Villaça-Crestia of her recruitment style. "I don't wait for them to get back to me and tell me they don't have time. I insist and go after them until they understand what Rotary is all about and the good it will do them to join."

Villaça-Crestia says her favorite thing to say to prospective members is that by being Rotarians, they can be a bridge between the millions of dollars available through The Rotary Foundation and the poorest populations of the world. "Knowing that, and not becoming a Rotarian, is almost criminal," she says.

Don't just play in your own RC sandbox !

## Joint DSG Project Success

*wrap yourself in  
Rotary*

Two Rotary Clubs in Area 4, Spring Township Centennial and West Reading-Wyomissing, did a joint project using a District Simplified Grant to help fund it in May. Jackie Hill of the Spring Township RC was the Project organizer and leader and its title was, "Learning About Ourselves through Junior Achievement of Greater Reading."

### The Project Objectives were:

- To promote the principles of Rotary to young people through volunteerism and engagement using the "4 Way test".
- Deepen the connection between classroom learning and area economies using Junior Achievement's "Pillar of Student Success – Entrepreneurship, Financial Literacy and Work Readiness Program".
- Enhance the capacity of area schools and organizations to expand learning opportunities for students.

*Senior Moment*

Joint RC Celebration: (from left) Chris Luppold, President of Spring Township Centennial RC, Ellen Albright of Junior Achievement receiving congratulations, Terri Simmons, President of West Reading-Wyomissing RC and Jackie Hill Project Leader.

Judi Simmons, President and CEO of Junior Achievement of Greater Reading and Lehigh Valley receiving congratulations from Area 4 AG Richard Gromis of the Spring Township RC.

The Project's focus was to show Elementary School Students of the Fourth and Fifth grades the relevance of education to the workplace through a sequential business and economic curriculum. The Project engaged in the use of the "4 Way Test" and focused on ethics in our free enterprise system.

The Project was done at three elementary schools in the Wilson School District in Spring Township, PA. The beneficiaries of our Project were 221 students with the support and training staff being 11 Rotarian Instructors, 7 Wilson School District Teachers, Educators and Superintendent, 11 Rotarian Committee Members and 2 Junior Achievement Staff. The project lasted for five weeks with the Rotarian instructors holding class with each of the elementary school instructors.

### Foundation:

RotaryDIRECT has made an impact and this method will continue to be emphasized in programs at Clubs and other venues.

Current EREY status: Conrad Weiser is 2 members and \$325 shy of EREY status; and Harleysville needs ONLY \$100 from 1 member to reach EREY Club designation.

Events –District Foundation Seminar: Planning continues for the September 29th joint effort with District 7450 at the DoubleTree in King of Prussia. Transition to the new Foundation grant structure will be a major focus.

District Golf Tournament: October 8th at Brookside Country Club in POTTSTOWN! Sponsorships still are available.

District/District Simplified Grants: RCs should go to the district website to get application forms. Deadline is October 6th.

Global / Matching Grants: Clubs have been very active in developing proposals with 10 in various stages. All matching DDF for this RY is now spoken for. Proposals that are not ready for submission by 30 September may well have funds reallocated to others that are ready for submission.

Future Vision Transition – Grant Management Seminar – Part 2 will be presented on September 29th. Plans to present the Part 1 session again by GoToMeeting at sites around the District will be during the week of September 10th.

### District 7430 ROTARY FOUNDATION APF PROGRESS

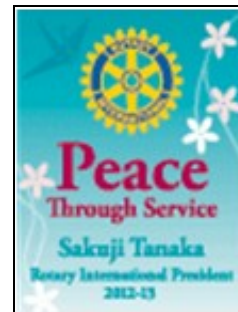

## Did You Know?

### Paul Harris Society

There are over forty Rotarians in D7430 who have committed to donating \$1,000 or more to our Rotary Foundation every Rotary year.

This commitment automatically makes you a member of Rotary's Paul Harris Society, and new members always are welcome.

### RI and Directors & Officers Liability Insurance

Last month, information was provided on General Liability insurance provided for by Rotary International to member clubs. This article will focus on Directors & Officers Liability Insurance coverage, which is a separate insurance than General Liability, and is also automatically provided to member clubs by Rotary International.

Directors & Officers Liability (D&O) insurance provides coverage for claims made against club/district directors and officers that result from their activities, such as managing the financial affairs of and establishing policies for the organization. D&O insurance protects the club/district as an organization and each director and officer individually against claims/lawsuits arising out of alleged wrongful acts committed in good faith, subject to policy terms and conditions.

#### LIMITS:

\$ 2,000,000 per Claim

\$ 20,000,000 Aggregate

\$ 25,000 Deductible (the deductible is paid for by the assessments collected from U.S. Rotarians)

The Directors & Officers Liability insures against wrongful acts, which is defined as an error, act, omission, neglect, or breach of duty actual or alleged to have been committed by an insured person in their capacity as a Rotarian. An insured person includes current club and District officers, member Rotarians, plus past and future directors and officers.

Like any other insurance policy, coverage is subject to policy terms, conditions, and exclusions. Additional information can be found on the Rotary International website or you can contact Tom Hartzell, District Insurance Chair ([thartzell@hmk-ins.com](mailto:thartzell@hmk-ins.com)).

### Rotary Facts:

As of May 31, 2012, The United States has 7,847 Rotary Clubs and 348,762 Rotarians. The World Totals are 34,404 Rotary Clubs and 1,230,551 Rotarians.

### Summer Youth Exchange:

**D7430 HAS A SUMMER YOUTH EXCHANGE PROGRAM**

It provides a short term alternative to a student that does not want to commit to a full year exchange. It allows a unique opportunity to live in a foreign home, be part of that family, and enjoy a rich cultural, linguistic and interpersonal experience. For more details contact P. Charles Walter, Jr. at [cwalter@imsonline.com](mailto:cwalter@imsonline.com), or Patti Smith at [psmith@materialsresources.com](mailto:psmith@materialsresources.com)

### Letters from the RI President:

#### **YOU CAN HONOR SPECIAL ROTARIANS**

RI will provide any RC with a letter or citation to recognize its special Rotarians. For example for more than 25 years of service, or for a special birthday such as a 90<sup>th</sup>. # "Come Join Us"

A Rotary Celebration  
at the  
Beautiful Skytop Resort

**April 26-28, 2013**  
**District 7430 Conference**

The 2013 conference will be a little different, as the program is a **full weekend package event**, starting Friday afternoon and closing mid-morning on Sunday. This allows us to take full advantage of the venue and its beautiful surroundings to celebrate all that is Rotary; enjoy fellowship & fun with old and new friends, exchange experiences to enrich our knowledge and inspire each other to continue Rotary's great work into the future.

I invite you to **"Come Join Us"** for this celebration – our exciting event promises something for everyone including non-Rotarian guests!!!

**DON'T DELAY – REGISTER TODAY!**

I look forward to welcoming you on Friday April 26<sup>th</sup>, 2013.

DG Tony
