Rotary District 7430 Newsletter www.rotarydistrict7430.org July 2018 Vol. 1, Issue 1

Simply Stated.....

Welcome to a new Rotary Year!

We belong to such a *special* organization... Imagine that each year starting July 1, 1.2 million Rotarians around the world change all of their officers and their organizations and start fresh--- and without a hitch!!

Why is that?—it is because of YOU!! We all make the change together and then we go on and continue to do good things all around the world!

Our District 7430 with all of our 45 clubs, does so many good things both locally and around the world. So, as we start this Rotary Year—let’s all think to do something different. Although we are 45 separate clubs, we are all one team of Rotarians.

Do Something Simple...
Something Special...
Something Different...

Throughout this year, we will be highlighting all of those different things that our clubs are doing to make us grow and do more service.

It is an honor to be your District Governor and I look forward to meeting as many members as I can.

Happy July!

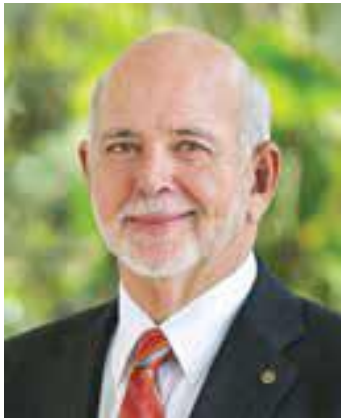

DG Cindy

2018-19 RI President Barry Rassin wants Rotary members to Be the Inspiration

RI President Barry Rassin last January laid out his vision for the future of the organization calling on leaders to work for a sustainable future and to inspire Rotarians and the community at large.

Rassin, a member of the Rotary Club of East Nassau, New Providence, Bahamas, has the 2018-19 presidential theme,

Be the Inspiration.

He said “I want you to inspire in your clubs, your Rotarians, that desire for something greater. The drive to do more, to be more, to create something that will live beyond each of us.”

Rassin stresses the power of Rotary’s new vision statement, “Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.” This describes the Rotary that leaders must help build.

To achieve this vision, the president said, Rotarians must take care of the organization: “We are a membership organization first. And if we want to be able to serve, if we want to succeed in our goals — we have to take care of our members first.”

Rassin asks the district governors to “inspire the club presidents, and the Rotarians in our district, to want to change. To want to do more. To want to reach their own potential.

Rassin noted that one source of inspiration has been Rotary’s work to eradicate polio. He described the incredible progress made over the past three decades.

District 7430 Changeover Dinner

2017-18 =====>2018-19
Passing of the Gavel!

D7430 Changeover & Awards Dinner -- A SMASH HIT

On Thursday evening, June 28, 2018, about 100 Rotarians and guests gathered at the Brookside Country Club in Macungie to celebrate the closing Rotary year and to induct our next District Governor.

A cocktail hour and reception came first, with a sumptuous dinner soon after.

Emmaus RC's incoming President, Rick Zayaitz was the Emcee for the event, and he did a great job with humor and alacrity.

Our 2017-18 District Governor, Rick Gromis expressed his heartfelt thanks to all Rotarians for the many significant accomplishments of the 2017-18 Rotary year in our fabulous district. We maintained the District Headcount Equally significant was the continued marvelous generosity of our members in support of the RI Foundation.

When DG Rick mentioned our Administrative Assistant, Sharon Rittenhouse, there was a great amount of enthusiastic applause.

DG Rick announced the Governor's awards earned by our district Rotarians for their clubs during 2017-18, A list appears later.

As is our tradition, each of the eight Past District Governors at the dinner was introduced and brought forward to form a line leading to DG Rick and then DGE Cindy Hornaman. A gavel was passed down the line and into Rick's hands who handed it to Cindy signifying her becoming our D7430 Governor for RY 2018-19.

Then there was the changing of the Leadership lapel pins to show their new positions.

DG Cindy gave the District Governor Elect pin to Herb Klotz.

DGE Herb presented the District Governor Nominee pin to Janet Kolepp.

The tradition of the District Governor's Home Club banner having its name changed to "Emmaus" was the next official act.

After a standing ovation DG Cindy addressed the crowd. She reminded us of just how great our district really is -- thanks to all Rotarians. She said "As we begin a new Rotary Year, let us continue to make our district outstanding by working together and 'Being The Inspiration.'"

Cindy told the interesting story of how she first got involved in Rotary things. Eventually she found herself here tonight.

Cindy expressed her thanks to many individuals and to all who are "Being an Inspiration." Some gifts and some flowers were given out.

Before DG Cindy called this changeover closed, her Co-Chairs told us all about our District Conference scheduled for May 5th thru 7th in Allentown next year.

Camp Neidig Success!

2018 Camp Neidig (RYLA) Report

It was a GREAT camp!

Camp Neidig 2018 officially closed at 7:00 p.m. on June 18th with 124 campers and approximately 162 Rotarians, Parents and Guests in attendance. Everyone who attended Camp Neidig as either a Camper, Staff, Parent or Rotarian left the camp feeling invigorated and hopeful about the future.

Keeping with tradition, the campers showed their appreciation to the 35 Rotary Clubs that supported the camp with an original closing ceremony. The closing ceremony theme illustrated how campers came “piece by piece” and eventually full circle to become united as one positive force at Camp.

The guests were treated to beautiful songs performed by the chorus and an emotional autobiographical poem read by the author about self-acceptance in a world ruled by physical beauty. Co-chair Charles Incalcaterra encouraged campers to make a difference in the world by educating themselves on issues and casting their votes so their voices could be heard.

Camp Neidig Success! continued

The 2018 Camp Neidig Yearbook is dedicated to the memory of our dear friend and fellow Rotarian, Dan Ritter. Dan was a graduate of Boyertown High School and Lehigh University (Class of 1958). Dan was a beloved member of the Camp Neidig family, and he served on the Rotary Camp Neidig Committee for more than 40 years. He spent much of that time as the Camp Neidig Treasurer.

Dan also was instrumental in encouraging the Camp Neidig Committee to include female students in Camp Neidig starting in 1990, a year after Rotary welcomed women as members. Dan was a dedicated Rotarian and had perfect attendance at meetings of the Rotary Club of Ambler for 50 years. Rotary and Camp Neidig, in particular, were near and dear to Dan's heart, and he will always be near and dear to our hearts.

Camp Neidig Success! continued

The program remained exceptional with a combination of outside speakers, problem solving activities and athletic competitions. Camp Director Shawn Hinkle and his staff could not have put together a more effective four day agenda. The committee is already working on ideas to improve the registration process so that more students can take advantage of this amazing program.

Also we need to look at ways to improve the acoustics of the closing ceremonies so the amazing voices are not lost. If any Rotarians have access to audio visual expertise, please contact the Camp Neidig Committee.

In conclusion, Camp Neidig 2018 was a huge success and we thank all of the Rotary Clubs for their incredible support.

Rotary International Convention

Finding inspiration in Toronto

The opening ceremony of the 2018 Rotary International Convention took place Sunday at the Air Canada Centre. Chief R. Stacey Laforme, of the Mississaugas of the New Credit First Nation, welcomed Rotary to Toronto, while RI President Ian H.S. Riseley reflected on the diversity that both Rotary and Toronto value and celebrate. This is the fifth time the convention has been in Toronto, second only to Chicago in number hosted.

Reflections on the Toronto Rotary International Convention -- by DGE Herb & Ronnee Klotz

About 45 Rotarians from District 7430 attended this event. Some came early to see the sights which include the CN Tower, Rogers Center, Casa Loma, numerous museums or perhaps a harbor tour or the Hockey Hall of Fame. The weather on Thursday was perfect for a day of sightseeing on the double decker bus.

On Friday, there were several pre-convention events which included the Water and Sanitation Summit, Peacebuilding Summit, and the Youth Exchange and Rotaract pre-conventions which were held at various locations all over Toronto.

Several district Rotarians including DG Cindy & Chris Hornaman and DGE Herb Klotz attended the Water and Sanitation Rotary Action Group (WASRAG) summit. There were about 350 WASRAG participants and the main topic was water, sanitation and health (WASH) for healthcare facilities in developing countries. The day included excellent plenary talks along with several roundtable discussions. Many helpful connections were made for existing and future WASH projects involved with our district.

Continued on page 22

Rotary International Convention continued

On Saturday, the International House of Friendship opened. The House of Friendship had over 300 exhibitors which included Rotary Clubs from around the world, Rotary Action Groups, Rotary Fellowships, Rotary Partners, non-profits, vendors of Rotary supplies, and other vendors. It's an amazing site for a Rotarian and one can easily spend one or two days just visiting all the exhibitors and making new connections.

Sunday brought the opening ceremony of the convention. The Air Canada Center which hosted two sessions was filled this morning with half of the 25,000 Rotarians. Before the ceremony, there was a tribute to Sam Owori from Uganda who was to be the 2018-19 Rotary International President, but tragically passed away last summer. This award was accepted by Sam's wife and son who traveled to Toronto with over 300 supportive Ugandan Rotarians.

Next came the impressive and colorful parade of flags by youth exchange students with well over 100 countries where Rotary clubs exist. We were entertained by music, dance and poetry from both the Indigenous People of Toronto and Australia, (our outgoing President Ian Riseley's homeland), theatrical dance and song, a few magical illusions and some trapeze artists overhead. We were also introduced to Rotary President Ian Riseley's family and President Ian gave a very welcoming and inspirational speech.

The Monday morning general session focused on Disease Prevention and Maternal & Child Health, along with a panel discussion on Rotaract. We heard from several speakers including the Director-General of the World Health Organization (WHO) on polio eradication and how we must finish the job.

Continued on page 23

Rotary International Convention continued

Caryl Stern, the President & CEO of UNICEF USA talked about the needs of children in developing countries and how Rotary can help.

In the afternoon, the breakout sessions started. There were many sessions on a variety of themes which included: Developing Leaders, Engaging Young Leaders, Strengthening Membership, Service and Projects, and Promoting Rotary. In the evening, some of us went on host hospitality events which were socials with Rotary clubs from the Toronto area, some which were held in their own homes, club and historical buildings. These events were a lot of fun and we enjoyed making new friends and hearing about their projects!

On Tuesday morning, the featured speaker was former U. S. First Lady Laura Bush. She related stories about her family and time in the White House, along with inspiring us about her passion of literacy and education.

We also learned about a new Rotary initiative to provide clean water and sanitation facilities to the entire country of Haiti through partnerships with the Haitian government and other partners. This will be a multi-year project starting with four districts in Haiti next year. One of the afternoon breakout sessions was on the Future of Rotary.

The leaders of the Rotary International strategic planning committee talked about four key focus areas for the new strategy which will be communicated in the coming months. The four focus areas were: 1) Increase our Impact, 2) Expand our reach, 3) Enhance participant engagement and 4) Increase our ability to adapt.

In the evening, our district 7430 held a social and many of the attendees from our district along many friends of our district attended. It was great to see and talk with everyone about their experiences.

Rotary International Convention continued

Unfortunately, we had to leave on Wednesday to get back for the District Changeover on Thursday, so we missed the last day of the conference. We were told that Canadian Prime Minister Justin Trudeau attended the closing ceremony. As we reflect on our time in Toronto we realize what a great experience it was to attend an International Convention and encourage you to meet us in Hamburg in 2019!

DGE Herb and Ronnee Klotz along with, Eileen, Mark & Karen in the Lounge.

DID YOU KNOW ?

At the 1929 Rotary International Convention, it was determined that blue and gold would be the official colors of the organization, so the wheel was designed with these colors. Some time later, Rotarian engineers pointed out that a gear could not be effective just turning freely on a shaft, so a keyway was added to signify the wheel was a "worker and not an idler."
