## Cow Tales

Today I was at the Nazareth Rotary club. They had last **year's and this year's outgoing** exchange

### **students, this year's**

incoming exchange student and the President of the Interact club there. Two guests, one from CA and one from AZ were there.

My talk covers Membership, Foundation support, Community service and Fun. When I finished the visitor from AZ asked if he could donate to the Foundation. Why of course. Could you take my donation? Sure; do you want to mail it? Can I give it to you? He handed me \$100 bill and his business card.

## RI President Nominee

Ian H.S. Riseley, of the Rotary Club of Sandringham, Victoria, Australia, is the selection

of the Nominating Committee for President of Rotary International in 2017-18. He will become the president-nominee on 1 October if no other candidates challenge him. Riseley says that meaningful partnerships with corporations and other organizations are crucial to **Rotary's future.**

**“We have the programs and personnel and others have available resources,” says Riseley. “Doing good in the world is everyone’s goal. We must learn from the experience of the polio**

## Cow Tales continued

It really feels good when things like this happen. It confirms we are doing the right things and I am able to tell our story.

Tomorrow I will be sending in a contribution form in to TRF in the name of Peter Shelbo the President of Tour West America business company.

**You never know who's life you will touch in Rotary. We** do so much good that when we tell our story people are moved. Our story is your story. Why did you join Rotary and why are you still a Rotarian? This is the information someone who does not know Rotary wants to hear about.

I am encouraging all of you to become comfortable telling your Rotary story. When you do, amazing things will happen.

## Riders Cycle for Charity

In their second four-club fundraiser, the Area 6 Rotary Clubs of Pennridge-Perkasie, Quakertown, Saucon-Center Valley and Souderton-Telford once again combined their efforts to put on the Rotary Ride for Families, a charity 42, 25 and 17 mile bike ride.

A total of 42 riders left Indian Crest Middle School on the morning of August 2 with most following the longer distance. The ride followed lightly traveled roads through Upper Montgomery and Bucks Counties with rest stops supporting the riders.

While members of the Quakertown and Souderton clubs were the primary organizers, Saucon and Perkasie Rotarians staffed the rest stops with help from Quakertown and both Souderton and Quakertown club members worked at the stops and the start/finish.

Thanks to the efforts of all involved, the ride netted \$1,700 which, as with the June Mini-Golf Tournament, will be split among the clubs to support their preferred family charities. The clubs have raised over \$3,300 between the two events.

District 7430 Rotarians can look to the Fall for the next Area 6 event. The Saucon-Center Valley Club is taking

the lead role in organizing a fun evening of bowling. So keep posted for updates and come out and join us for both fun and, more importantly, to do the good that Rotarians always do.

## Track Progress Toward the 2015-16 Presidential Citation

Rotary, Rotaract, and Interact clubs can earn the Presidential Citation from Rotary President K.R. Ravindran for achieving goals that strengthen Rotary and clubs.

Activities include growing your membership, developing sustainable service projects, giving to The Rotary Foundation, and building awareness of Rotary in your community.

## Did You Know?

On 11 August, we marked a tremendous milestone: one full year without a single case of polio caused by wild poliovirus in Africa. The magnitude of this achievement can hardly be overstated.

PDG Frank Romano and his committee are available to meet with your Foundation committee and help you apply for Grants.

The anonymous million dollar match for the Million Dollar Journey has been used up, thanks to so many donors giving \$10,000 or more.

BEQUEST SOCIETY -- *STRANGE FACT*: For every SEVEN Rotarians that list the RI Foundation in their will, on average SIX never get around to telling Rotary that they did so. And they have missed the chance to direct those monies to a specific use.

Please contact PDG Bill Palmer at [bill966@ptd.net](mailto:bill966@ptd.net) to have your bequest recognized by RI, or at least to be counted as part of our D7430 total commitment.

TRF = The Rotary Foundation; RYLA = Rotary Youth Leadership Awards and ROTARY ACRONYMS are listed with their meanings on the D7430 website at <http://rotarydistrict7430.org/SitePage/did-you-know>

**Nearly 90 percent of the world's polio cases last year** occurred in Pakistan. But the country is making dramatic progress in its quest to eradicate the disease.

## Club News

### Emmaus:

#### Volunteers at Allentown Rescue Mission

The Emmaus Rotary Club makes a difference in the lives of those suffering from hunger in our community through our monthly food collection and cash donations to the Emmaus Food Pantry. This past Saturday, several members helped address this issue further by collecting, preparing and serving breakfast to the hungry and homeless at the Allentown Rescue Mission.

Several members gathered at Zion's Evangelical Lutheran Church to cook eggs, bacon and sausage, as well as cut fresh fruit for the breakfast. The food was then delivered to the Mission where other members served the meal which was very much appreciated by the recipients. In addition to all of the members who participated in this event, special recognition is due to those who regularly attend the Emmaus Rotary Satellite Club where the idea for this project originated.

### Bethlehem:

**President Mike McGovern** said “As I'm enjoying fond memories of Wednesday's "Rotary Fights Hunger" night at Citizen's Bank Park in Philadelphia. Thanks to your generosity, the Bethlehem Rotary Club was able to buy tickets for 78 youngsters and young adults from Northeast Ministries and The Center for Independent Living to see the Phillies and Dodgers. For many, this was

their first big league game. (Please note that I didn't report on who won the game).

**Be a gift to the world**

### Pottstown:

Pottstown Rotary had 2 busses going to the Phillies for our Rotary District 7430 event - Phillies Night Out to Fight Hunger.

The overall attendance was impressive - with the LA Dodgers in town to take on the home team; great evening weather provided a nice backdrop for a good game. The Phillies managed to keep us "in the game" even though we started with a 3-1 deficit in the beginning.

Game ended with a 4-3 loss but provided entertainment for the evening.

Thanks to everyone who donated food items to this endeavor. Your efforts pay forward in a lot of ways.

### Saucon:

Hellertown Community Day

What a glorious day on Saturday! Early birds, Brooke, Donna and Ray Holton, Ray Orth, Linda Young, Amanda Buss were there to set up our station(s). Rod Long, a volunteer for the event supervised us and made sure all of our equipment and supplies were secure. The ShelterBox erection was quite a challenge that was met with teamwork, luck and a bit of skill!

We had a great location to display the good work of ShelterBox. We were later joined by George Morrison, Linda M and Bob Bennett. We provided coffee, water,

ShelterBox, and lots of Rotary to all the participants of the event. We had the shade of the tent donated by Ray. He also donated 2 signs with our website which we were able to display. Cards provided by George were distributed to everyone who received a bottle of water. These cards promoted our website and Facebook page. Business cards were exchanged and we had good conversations with a couple of prospective members. A great time was had by all! Thanks to the Clean-Up crew!!

### ANGEL NETWORK - SCHOOL SUPPLIES DELIVERY

Emmaus Rotarians delivered boxes of school supplies to Emmaus High School on Monday, August 24. Laurie Fine, coordinator of the Angel

**Network deliveries, said, “We are very excited about your collection. We**

depleted our supplies at the back-to-school event and still have students that need backpacks and supplies. This will help restock **our resource closet.”**

When asked, the school counselors reported a great need for food items. Three-hundred cans of tuna are needed for food baskets that will be picked up by needy families in November. Hunger is a theme for our Rotary District this year. Please bring cans of tuna to Rotary meetings. The collection deadline is November 12, 2015.

### Rotary Club Renovates Bus Station Shelters

Passengers waiting for buses in Warrington

will notice some changes. The bus shelters and benches on Route 611 in Warrington are being renovated. The Warrington Rotary has funded this project and plans to revamp all the bus stops on the 611 route in Warrington.

Chuck Ciochetto, President of the Warrington Rotary Club stated “I appreciate the hard work of many dedicated Rotarians,

especially Billy Mogg who has been personally **involved in every installation**".

### Be a gift to the world

There are two new shelters located at the Warrington Mews Pavilion Shopping Center and in front of Home Depot with 4 more being planned. Additionally, six benches were installed along the 611 corridor through Warrington.

### Pottstown:

The annual Rotary Duck Race highlighted the 200 Year Pottstown Anniversary at Memorial Park this past Saturday Aug 15<sup>th</sup> with over 3800 ducks making their way down the Manatawny Creek to the finish line. There was a huge number of ducks (400+) added to the race Saturday afternoon and with the help of many of our members, got their numbers marked just in time for the big race.

It was a great day for the race - bright, sunny and hot. Our "duck crew" had everything ready and helped get all the ducks across the finish line in record time.

Thanks to everyone who came out Saturday to help set up our ticket tables, the BIG Rotary Duck, and run a great race. We sold a total of 3,853 tickets with 26 agencies sharing \$13,974.50 profit.

## **“Cooking” to Feed the Hungry**

D7430 Rotarians for many years have supported Food Pantries and Food Banks all over our five county district. So far 13 D7430 RCs have responded to the e-mail request to tell Editor Bill what their club Rotarians are doing. What about the other 30 Rotary clubs in our district ??

Recently a Lehigh Valley weekly paper examined Hunger issues. The article offers some good insights and ideas. Here is some of what Kelly Lutterschmidt, Editor, Catasauqua Press, Northampton Press, Whitehall-Coplay Press had to say.

**“Many of the hungry are working people. They just don't have enough money to adequately feed themselves or their families.”**

**“In addition to this working class, there is a "forgotten group" of senior citizens who have difficulty cooking and lack access to food.”**

**“Many churches are collecting food and taking care of their own members rather than addressing a problem in the whole community.”**

**“Changing this hunger crisis requires a change in attitude. Hunger lives in many places. We need to open ourselves up to the idea the person sitting next to us could be hungry and unsure if the food in his home will last until his next paycheck.”**

**“We can't live in sheltered homes, thinking that our neighborhood, our town, our school district is too affluent, or too comfortable, to have hungry people.”**

**“We can't rely on just the civic groups, or just the churches, or just the schools to do the work to eliminate this issue. It will take a collaborative effort to win the battle. Consider joining the fight.”**

### **HELP FEED the HUNGRY**

Please join Rotarians from across District 7430 at a potato picking on September 20, 2015, beginning at 1:00 pm for the Potato Project, to feed hungry people in a multi-county area.

Farm location to be determined. You may participate without bending or kneeling by volunteering for related jobs. Register by calling Bob Hobaugh, Area 3 AG, at 610-478-2141.

Be a gift to the work

## Membership Tip

ATTENDANCE = ENGAGEMENT

**“.....tracking engagement**

(attendance is a surrogate) is an important way of ensuring that members get the return on their Rotary investment that they deserve. Members **who don't show up for club activities aren't getting** the benefit of Rotary, and if we can identify those folks early, we can intervene and get them

**involved in something they're interested in.**

## The Gold Standard

Recognizing Rotarians who are growing Rotary's membership--

We are pleased to recognize over 2,000 Rotarians who have achieved the gold level in the New Member Sponsor Recognition program. Check out the New Member Sponsor Gallery to see the names of fellow Rotarians who have sponsored six or more new Rotary members. We appreciate the exceptional efforts of these members who **strengthen Rotary's membership.**

## Why I'm Still a Rotarian

**“The more I give back, the more I continue to get.**

Rotary moments, personal development, great friends, the joy of service—Rotary is the gift that keeps on **giving!”** - Raewyn Kirkman, Rotary Club of Waikato Sunrise, New Zealand.

Staff members of the Rotarian Magazine (August 2015) **posed the question WHY DID YOU JOIN ROTARY...AND WHY DID YOU STAY?** to Rotarians around the world (pages 52-53). There is a common thread in their answers:

Surveyed Rotarians say they join for personal reasons that grow into a lasting commitment because of friendships, fellowship, joy of service, and making a difference in the world.

Why each of us became a Rotarian and when we decided to stay is a topic worth discussing. Please give it some thought.
