

## **Call for Nominations 2022-2023 District Governor**

One of the most important decisions we make as a District is choosing our future leaders; we are seeking the most qualified person for the position of District Governor for the Rotary Year 2022-2023. If you have a demonstrated history of leadership and collaboration as a Rotarian and are willing to share your passion and talents as District Governor, please seriously consider this opportunity. If you know a Rotarian with these qualities, encourage them to consider serving in this important leadership position.

In addition to service to Rotary, serving as Governor is an opportunity for a Rotarian to grow personally and to gain many new experiences, before, during and after the year they are Governor. To serve as Governor is to experience Rotary in a powerful and rewarding way - truly, an experience of a lifetime!

To nominate one of its members, a club must pass a resolution adopted at a regular meeting (a sample resolution is on the District website [www.rotary7780.org](http://www.rotary7780.org)). The resolution must be signed and dated by the Club President and the Secretary. Each club may submit one nomination for any given office.

At the time of selection, the Nominee must:

- be a member in good standing of a functioning club in the district.
- have full qualifications for such membership in the strict application of the provisions therefore, and the integrity of the Rotarian's classification must be without question.
- have served as President of a club for a full term or be a charter president of a club having served the full term from the date of charter to 30 June, provided that this period is at least six months.
- demonstrate willingness, commitment, and ability, physically and otherwise, to fulfill the duties and responsibilities of the office of governor.
- demonstrate knowledge of the qualifications, duties, and responsibilities of governor as prescribed in the bylaws

Unless specifically excused by the Rotary International Board of Directors, a governor at the time of taking office must have attended the International Assembly for its full duration and been a member of one or more Rotary clubs for at least seven years.

The resolution and accompanying materials (including a resume and District Governor Nominee form available on the website) must be submitted to the District Governor by the end of the day November 1, 2019. Please email to Governor Andy Glazier at [andyglzr@aol.com](mailto:andyglzr@aol.com).

The Nominating Committee will hold personal interviews in November for each of the candidates. The meeting will probably take place in the Portland area.
