

## **Call for Nominations**

### **2020-2023 Council on Resolutions & Council on Legislation**

Every three years, Rotarians from around the Rotary world meet at the Council on Legislation to review and vote on proposed changes to the legislation that governs Rotary. They consider enactments which change Rotary's governing documents and position statements by the RI Board. The Council on Resolutions meets online every year to vote on proposed resolutions, which express opinions and make recommendations to the Board.

Each Rotary District chooses a representative for a three-year term and an alternate, in case the elected representative is unable to serve. This member must be a Past District Governor and represents our District at all three meetings of the Council on Resolutions and at the Council on Legislation during their term.

In the past, our District has been represented at the Council by Dan Mooers, Jim Labrie, Mike McGovern, Bob Laux, and Peter Johnson. Lawrence Furbish represented us during the last three-year cycle.

According to District 7780 bylaws, as most recently amended, our District Council of Legislation representative will be selected by majority decision of the Nominating Committee. The representative selected in 2019 will participate in:

- The 2020, 2021 and 2022 Councils on Resolutions
- The 2022 Council on Legislation

To nominate one of its members, a club must pass a resolution adopted at a regular membership meeting, signed and dated by the Club President and the Secretary. Each club may submit one nomination for the Council on Legislation representative. A draft Resolution for club use is on the District website [www.rotary7780.org](http://www.rotary7780.org). In addition, the candidate is invited (but not required) to write a short, one-page summary explaining why he/she is interested in the position and is particularly well-qualified for it.

The Resolution and accompanying materials must be submitted to the District Governor by the end of the day November 1, 2019.

The Nominating Committee will hold personal interviews in November for each of the candidates. The meeting will probably take place in the Portland area.
