Governor Marge,

On behalf of the Bylaws Committee I submit herewith Proposed Amendments 17-1 through 17-12 for presentation at the annual business meeting at the District Conference in May.

Also attached -- for information only -- are Conforming Amendments 17-A and 17-B, which were adopted by the committee pursuant to bylaws section 711. No further action is required with respect to these amendments.

If any bylaws amendments should be proposed by clubs by the deadline of March 6, the Committee will meet once more to review them as provided in bylaws section 710(b), Otherwise the work of the 2016-17 Bylaws Committee has been completed.

Regards,
Frank.
