

# Party with a Purpose

*Join the Party with a Purpose Host Committee to make a difference in the lives of children battling cancer in Maine*

What would you say if you learned that a \$500 purchase could raise thousands of dollars to support children and their families through their journey with childhood cancer?

**Of course you'd say it's a great investment!**

That's exactly what happens when you join the Host Committee for this year's Party with a Purpose. You and your guests will enjoy delicious hors d'oeuvres and beverages, secure reserved seating in the front rows of the live auction, and, most importantly, the opportunity to be instrumental in raising funds to provide world-class cancer care, support services and medical research for Maine children battling cancer.

We look forward to you joining us on Wednesday, May 22nd at DiMillo's!
