

# Party with a Purpose

*to support Maine children in their fight against cancer*

Imagine the sigh of relief felt by a parent of a child battling cancer when they learn that real support is here in Maine. Imagine the hope provided by clinical research for the very cancer that has consumed every waking moment of a family's day. Imagine the strength in knowing that exceptional, world-class cancer care is within reach.

**Now imagine your company providing this relief, hope and strength.**  
That's what your partnership with Maine Children's Cancer Program can do.

On May 22nd, the Rotary Club of Portland Sunrise will host the 21st annual Party with a Purpose to raise funds and awareness to support MCCC warriors and their families.
