Dear Edwin,

Thank you for sending this letter. It is very cool that your club is helping people. Thank you for helping to stop COVID.

My name is Laurel. I am 20-years-old. I go to college in Maine. My favorite food is oatmeal. My favorite color is blue. I like to read. What do you like to do? What do you want to be when you grow up?

Your friend,
Laurel

Hi Raily,

February 23, 2022

My name is Emily! I am 21 years old, and I also like the color red. I also like to eat chips too! Good job keeping everyone safe by washing your hands and wearing your mask!

I am from Maine, and I am going to school to be a doctor. What do you want to be?

My favorite food is mac and cheese.

I like to go to the beach with my dog, and read books.

Thank you so much for writing to us!

Your friend,
Emily

Hi Roger!

My name is Abbie, I'm 21 years old, and I go to college at the University of New England. I am secretary of our Rotaract club here.

Your project with feeding the needy for a while during covid is awesome! I bet you made a lot of people happy.

What is your favorite color? Mine is blue. Do you have any brothers or sisters? I have a younger sister.

Outside of school I like to read and hike. What do you like to do for fun?

I can't wait to hear from you!

Your friend,

Abbie

Dear Moises,

Thank you very much for the letter! I'm Danielle and I am 20 years old. Cake is a great treat, especially when there is a birthday celebration. Speaking of birthdays, when is your birthday? Having friends and being around others brings me joy as well! What do you like to do with your friends? What is your favorite soccer team? My neighbors and I used to play soccer in my neighborhood. It was always a fun time!

I am from a state in the United States, Maine. I go to college in Maine, the University of New England. It is right near the beach. Do you like to go to the beach? What do you do at the beach? I also really enjoy going on walks and getting some fresh air. What do you like to do in your free time?

At college, I am studying to be a physician assistant. What do you want to be when you grow up? I believe you will be great in anything you put your mind to!

I would love to hear more about you! I hope you have a wonderful day!

Your friend,
Danielle

Hi Corianous,

My name is Alyssia.

I am 19, and I live in the US.

I love to read and spend time with my friends.

I also like broccoli (and carrots).

I am in school to become a nurse.

What kinds of games do you like to play?

Your club seems very cool, you and your friends are doing some amazing projects.

It was so nice to meet you Cory!

Your Friend, Alyssia

(P.S. When is your birthday?, Mine was on February 27th)

Hello Riley!

My name is Marie!

I live in the United States and am going to University at the University of New England. Like you, I also love to learn at school!

I love playing soccer and spending time outside, especially at the beach. I also enjoy being with my friends. What do you like to do?

Also, I saw that you like parrots! I love them and when I was young, my mom made me a parrot costume.

It is very cool that you would like to be a pilot! Maybe one day, I will learn as well because it is something I have always found amazing. My uncle and one of my cousins is a pilot! I am sure you will be a pilot too!

My favorite food is probably chicken wings, specifically the ones my mom makes with paprika. They are very good. What is your favorite food?

Thank you so much for your letter!

Marie :)
