District Governor

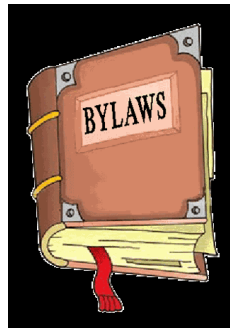

She or he performs a host of specific duties to assure that the quality of Rotary does not falter in the district and is responsible to promote and implement all programs and activities of the Rotary International President and the RI Board of Directors.

The governor plans and hosts a district conference and other special events.

District Structure / By-Laws

- Districts are led by a governor. The governor is the officer of RI in the district and is charged with furthering the object of Rotary by providing leadership and supervision of the clubs.
- Clubs in the district nominate their own governor using procedures set forth in manual of procedure and district resolutions.
