'BE A FRIEND'

June 1995

Issue 8

Governor's Message....

Since this will be my last letter to you as your District Governor, I want to take this opportunity on behalf of Rosemary and myself to thank all who have contributed to make this Rotary year of "Be A Friend" so meaningful to us...our District Officers and District Committees...our Club Presidents and their Rotarians who practice "Service Above Self" on a daily basis... our Past District Governors who continue to give of themselves long after their years as Governor are over. Our thanks, also, go to our Area Representatives who keep clubs in their areas informed and updated on District activities.

We are very grateful to Brian Clancy and his District Conference Committee for long hours of work that showed itself so well as The Balsams. Thanks, also, to Newburyport President Gerry Hirsch and the Newburyport Club for being such good hosts for our Conference.

Special thanks to DGN George Rice (who our President's Representative John Nelson of Richmond, Virginia referred to as "George the Second") for great support and thanks to DGD Craig Wellman, not only for all his work in helping "George the Second" and myself during this year, but for his usual good job with the Youth Exchange Committee.

Finally, I want to personally thank our PDG and Director Dan Mooers for taking time from his travels for Rotary to do such a great job at both our District Conference and at our District Assembly. We congratulate you, Dan, on being elected Chairman of Rotary's Executive Committee at Nice, France. The District is very proud of you as you become more and more involved and valuable to our Rotary leadership.

I'm very grateful to all of our Clubs who supported my goal of increased membership, so vital to Rotary's future. It looks as if we may be close to 100 more new Rotarians at the end of this Rotary year. Good work and thanks for sharing Rotary with so many new members.

I'm grateful to all Clubs who supported our Rotary Foundation this year. It is still very important to remember that we are not just Rotary, but Rotary International. It isn't enough to have just good Community Service...we also need good International Service. As we contribute to help the people in the Ukraine, Africa, South America, India, we are making our communities better places in this small world of ours. The easiest way to help is by supporting our Rotary Foundation. If you haven't given lately, give now. It's never too late!

Rosemary and I will always be grateful for the opportunity to serve Rotary during my year as Governor, and for the opportunity to meet all the Rotarians in our District who served as our inspiration all during this year. We hope you will continue to "Be a Friend" in the years ahead.

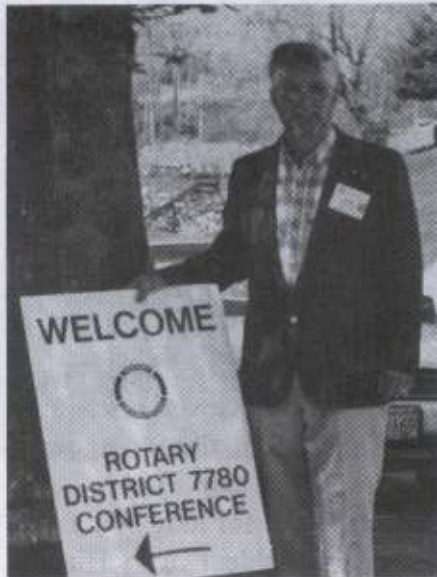

We will never forget you and will always love you all....

George George
