This is the last time I will be writing to you in the DINGHY, and it is a bit frustrating to think that I, or should I say we, (since Lucy has been so much involved with all that I have done), will be able to thank you for your tremendous efforts, accomplishments, support and caring for us, those in your communities, and other people throughout our world.

I have to think back again about what PDG's told us, "It will be over before you know it", and realize that we are there. What's the old saying, "TIME FLIES WHEN YOU'RE HAVING FUN", and it has.

It all started with the District Assembly on April 25, 1998, our governor's visits in August and September, the Foundation Seminar, the joint President's meeting, the World Peace and Understanding Dinner, District Interact Conference, Camp Sebago cleanup, Dominican Republic GSE team visit, Camp Sunshine work days, the 1999 District Conference, and finally RYLA to end another GREAT YEAR. THANK YOU FOR FOLLOWING YOUR ROTARY DREAMS!!! IF IT HAD NOT BEEN FOR YOU, IT WOULD NOT HAVE HAPPENED!!!

There are so many Rotarians that should be recognized but I want to take this opportunity to thank George A. Cashman, DG 1994-95 for all his service to the District as he finishes this year as Chairman of the Foundation Committee. This ends his official responsibilities as a PDG, and we all owe him a heartfelt thanks for all his service. THANK YOU GEORGE, AND ROSEMARY!!!

We would also like to thank our mentors, PDG Jim and Ellen Labrie for their warm and caring support this last year. They also acted as President's Representatives aides for PRID Jim Speer and his wife Jean who did such a wonderful job at our District

(Continued on Page Two)

THE DGN NEWS CORNER BY MIKE MCGOVERN DGN

Following Governor Bill's Rotary Dream

Governor Bill Skinner and the District 7780 team are now moving to the end of another Rotary year. As I look back at what has been accomplished with Bill and Lucy Skinner's leadership, what most comes to mind is how closely Bill followed President Jim Lacy's dream of making this world and our District a better place for children and young people.

It was Bill and Mary Larnard's dream to have the District's first ever Interact Conference and it happened with style. It was Bill's, Brenda Thibodeau's and Phil Chura's dream to send medical equipment to help children in different parts of the world and medical supplies are now being delivered with the help of IMEC. It was Bill's, Jim Labrie's, Marie Williams's, and Bridget Burn's dream to mend the face of a child with the help of Rotaplast and Dr. Larry Gray and Tim Byrne traveled to help these kids. It was Bill's and Craig Wellman's dream to make Camp Sunshine a better place for children with life threatening diseases and over 200 Rotarians responded. Just as many Rotarians helped to host Irish children who came to our shores and thanks

to Bill, Bill Holt, Mike Moloney, and Elias Thomas, Ireland's kids dreams will continue next year thanks to a grant received from the Rotary Foundation.

Likewise, we had a record number of students at RYLA this year and our Rotary Exchange students were precious to all who met them. And these efforts for our youth are just a few of the dreams that were followed.

This past year has been a fascinating one for me. Rotary International has sought to prepare me for the challenges ahead at meetings in Bethesda, Montreal and in Anaheim. Frankly, nothing Rotary International has done even comes close to the inspiration Bill Skinner has given me through his friendship, his vision, his energy and his love of Rotary and his family. During Rotary 2000, I hope to follow Bill with as much consistency, credibility and continuity as we have all witnessed from Bill and all of you this past year. Thank you Bill and Lucy for all that you have done for me, for Rotary and for children wherever they may be.

District Governor's Message Continued

(from Page One)

Conference representing President of Rotary International Jim Lacy and Claudine.

Lucy and I want to thank all the rest of you for your support, understanding and encouragement as we did our best, to do the job we loved doing, for you. THANK YOU SO MUCH AGAIN, FOR GIVING US THIS MOST WONDERFUL OPPORTUNITY.

We look forward to seeing you often, as we continue to, *FOLLOW OUR ROTARY DREAMS!!*

Your Friend in Rotary,

Bill

DISTRICT CONFERENCE 1999

Soon to be PDG Bill Skinner presenting the District 7780 Governor's pin to Incoming DG Mike McGovern.

(L to R) PDG Craig Wellman, PRID Jim Speer and PDG Jim Labrie and his wife, Jean. See the lead story on page four.

EDITORS NOTE

On July 1, 1999, Nancy Hawes of the Rotary Club of South Portland Cape Elizabeth will be taking over as editor of the District Governor's Newsletter. Bulletin Editors and Club Secretaries please mail all of your club bulletins to Nancy Hawes 23 Ashbourne Court, South Portland, Maine 04106

THANK YOU

I would like to thank Mary Jane Peabody for all of her hard work and dedication in creating the Club News portion of this past years DGNews. I would also like to thank eagle eye Patty McAllister for her excellent proofreading skills. Without these two ladies, my job would have been much more difficult. THANKS! - pgt

-30-

• • • NOTICE • • •

CLUB ROTARY FOUNDATION CHAIRS

Effective June 1, 1999, Rotary International will enter into a new banking relationship with The Northern Trust Company. As a result, there will be a change in the lock box number to which

The Rotary Foundation receives its contributions. The new lock box number is:

THE ROTARY FOUNDATION

PO BOX 75133

CHICAGO, ILL. 60675-5133

Only contributions received after June 1999 are affected by this new address. Contributions received at the old lock box number after June 1, 1999 will be sent via courier to The Rotary Foundation on a daily basis for a six month grace period. After that time, contributions will no longer be accepted at that lock box and the contributions will be returned to the donor.

Please make sure your Club Rotary Foundation Chair receives this notice.

PERMANENT FUND MAJOR DONOR GIFT

On a beautiful warm evening in June, overlooking the Atlantic Ocean, in a grand old ballroom, at a District Conference banquet, a major gift was recognized. Past District Governor Jim and Ellen Labrie received a Level III Crystal from President Jim Lacy's personal representative, Jim Spear. A Level III gift is a Major Donation to the Permanent Fund of The Rotary Foundation of Rotary International. Jim and Ellen are both members of the Rotary Club of Portsmouth, New Hampshire, and have long been involved in Local, District and Zone Rotary programs and events.

In 1997, Jim and Ellen traveled to Addis Ababa, Ethiopia to participate in the PolioPlus National Immunization Days. Jim is currently National Advisor to the Permanent Fund Initiative. This major contribution is an example of what local Rotarians can do to make a real difference in the world.

Congratulations and Thank You PDG Jim and Ellen!

CAMP SUNSHINE - TWO DAYS, TWO HUNDRED PLUS ROTARIANS

Governor Bill said "Camp Sunshine Work Weekend", PDG Craig Wellman said "Yes I will coordinate" (the only answer Craig knows). And so we came - over 200 Rotarians from 25 clubs to shingle two family housing units. So many helped to make it a successful weekend; coffee pots from Windham and Fryeburg; lunch from Portland (ably cooked by Bridgton Lake Region); chicken barbecue dinner from Wells; Port-a-Potties from Bridgton Lake Region and Blow Brothers; aprons and other supplies from

Hancock Lumber; first aid from Casco Rescue; and most of all, time and hard work by Rotary and Interact Club Members, their families, and their guests. We completed the shingling of one two story building and approximately 80% of a second two story building. We proved one more time that "Service Above Self" is a way of life for Rotarians in District 7780

L to R; PDG Craig Wellman, DG Bill Skinner and Nancy Smoak, President of the Bridgton Lake Region R.C. standing in front of one of the two buildings that District Rotarians worked on.

NOTICE TO CLUB SECRETARIES

YOUR CLUB'S SEMIANNUAL REPORT IS DUE TO ROTARY INTERNATIONAL ON JULY 1, 1999.

YOUR INCOMING SECRETARY HAS RECEIVED THESE FORMS FROM R.I.

YOUR CLUB'S MEMBERSHIP ATTENDANCE REPORTS FOR JUNE 1999 SHOULD BE SENT TO

ROBERT N. "BOB" CARSON
DISTRICT SECRETARY
567 CONGRESS ST.
PORTLAND, MAINE 04101
FAX IS 207-774-2839

DISTRICT 7780 RYLA NEWS

By Shannon Aldrich, District Co-Chair

Greetings Rotarians!

A quick RYLA update. We have 110 kids coming to camp this year including 2 of our Youth Exchange students. They will be joined by 16 Graduate Facilitators and 12 Rotarians (with DG Bill Skinner) for the 4 outdoor leadership conference. That breaks all records for attendance before we even head to Camp Hinds!

Rotary Work Day

Saturday June 19 from 9 am to 5pm is the Rotary Work Day. Tom Higgins and Ann Kaiser from Hampton are heading up a crew to set up camp. We need to make sure the tents and camp sites are in order, put the dining room in ship shape, set up the waterfront and help Camp Hinds get ready for their busy season.

Contribution to Camp Hinds

Saturday June 19 will be the day Windham helps us with the split rail fence for the COPE Tower. Each year we have dedicated to build something for Camp Hinds, this year they have asked for a 150' fence. Thanks to such a great club for making this possible.

Registration

Sunday June 20 from 7am to 10am is the Registration for the Camp. Bridgton Lake Region will be there to help but we can use all the hands possible. We need to get the kids gear to the camp sites along with getting all the groups together. It is one of the busiest times of the conference.

End of Camp BBQ

You are invited to attend the RYLA '99 BBQ at Camp Hinds in Raymond Maine on Wednesday June 23 at 5pm. This BBQ is open to all interested Rotarians, and the families of RYLA students. Please RSVP by 6/15 to

Graduate Facilitators Sarah Foss, dfoss@ttlc.net or Carolyn Dube, dubes81@hotmail.com. The tickets are \$5 each. Checks and reservations can also be mailed to RYLA PO Box 4632 Portsmouth, NH 03802.

Another BBQ

Thanks to Portsmouth Sunrise for offering to help with the annual reunion BBQ on August 8. More information to come. Everyone is invited! RYLA graduates from previous programs are also invited to Portsmouth every August.

Thanks to Everyone who has supported RYLA '99 Sponsoring Graduate Facilitators - Portsmouth, Kennebunk Portside, Rumford, Windham, Dover, Somersworth, Exeter, Kittery & South Portland.

For Providing Equipment or Donations or Volunteers- Bath Sunrise, Kittery, Sanford-Springvale, Somersworth, Scarborough, Portsmouth, Casco Bay Sunrise, Exeter, Portland, Wells, Saco Bay, Windham, Hampton, Bridgton-Lake Region, Kennebunk Portside, Dover and Durham-Great Bay.

Thanks to the great crew who helped us get ready for RYLA last night - Bill Skinner DG, Durham-Great Bay; Mike McGovern DGN, South-Portland Cape Elizabeth; Lionel Ingram, Portsmouth; Ellen Fitts-Byrne PP, Scarborough; Judy Bennett PP, Casco Bay Sunrise; Ann Kaiser PP, Hampton and Kristen Martin, Kennebunk Portside.

Yours in Rotary
Shannon Aldrich
District Co-Chair

News And Notes

Around District 7780

District #7780 saw spring come in with the satisfaction of year-long projects reaching completion, and a busy summer ahead. As leadership changes in each club around the district, congrats to all the outgoing Presidents, officers and board members who brought so much meaning to "Follow Your Rotary Dream" this year.

"Let's start with some celebrations! The **Casco Bay** club marked its 10th anniversary with a special dinner at the Cumberland Club in Portland - 10 cheers for Casco Bay!

The **Bethel** club celebrates its 25th anniversary in style on Sat., June 26th at the Grand Summit Hotel. Congrats, Bethel, and have a great party!

The **Boothbay** club celebrated the 50th anniversary of its clubhouse building with a special dinner, attended by club members, friends and neighbors. A special booklet researching the history of the building was put together for the event. And the ambulance renovated by members and destined for Honduras as a club project made a special appearance, with lights and siren on full display. Another project helping the Coastal Maine Botanical Gardens is scheduled for the month of June. And the club's own 60th anniversary is just around the corner in the fall, with Nov. 22nd already set for the occasion.

The **Dover** club celebrated a busy month, with its black-tie 75th Anniversary impressing visitors from all around the district. Eleven Paul Harris Fellowships were awarded as part of the evening's highlights. A very successful hands-on project at a local shelter home added substance to celebration. The downtown Rotary garden is in full bloom, and

33 members go see the Red Sox at Fenway on June 16th.

And the **Portsmouth Sunrise** club is celebrating its first anniversary with an evening meeting & cookout on June 24th. The club got ready for the summer tent fundraiser season with a "tent set-up & take-down barbeque". Team leaders drilled the troops on how to finesse the bigtop, and the Morning Outlook reports there was plenty of "doing what you're told", but with plenty of food and laughs along the way. Classic car "cruise night" for June will be on the 19th (the 3rd Sat. of the month), again at NAPA on Rte. 1 in Portsmouth.

The **Portland** club has set up a "buy, sell or swap" bulletin board at meetings, and it's already effective. Both current and incoming board members held a retreat last month to plan for the coming year, and a spring clean-up day was held to improve a local park. The June 4th meeting is the annual "New Class" presentation, when members new to the club in the past year take over the running of the weekly meeting. A great way to get those new members involved and up front!

From the **Freeport** club's Rotary Bulletin: "It was suggested that we challenge the **Yarmouth** club to a softball game. This was met with great enthusiasm as Freeport members envisioned a shutout in their favor! Beth will go to a future Yarmouth meeting to extend the challenge."

The **Westbrook-Gorham** club already has 10 prospective buyers for this year's "Rotary house", and one of the weekly meetings was held on site. The club's road race went smoothly, with over 125 runners taking to the course. And a strong contingent of 5 area

youths were sponsored for the RYLA program.

The **Kennebunk** club will have a team of 8 members pull an all-nighter as chaperones for high school seniors at Project Graduation on June 13th. The club's traditional Past Presidents Day was held in early June, and the occasion was also highlighted by the presentation of the Rotarian Of The Year award. Two fellowship events are coming up - a Boston Pops outing in mid-June, and the annual club evening picnic lakeside to wind up the Rotary year.

The **Biddeford-Saco** and the **Saco Bay** clubs joined forces for their annual spring auction, which the Saco Bay BayWatch reports was the most successful one ever - over \$38,000 was raised, bringing the ten-year total for the fundraiser to over \$300,000. Great teamwork.

The **Durham-Great Bay** club held a club forum on June 2, and then headed to District Conference. One member was set to leave for Honduras in mid-May to do medical assessments there. What a year it's been for this club, and hats off to all of its members for the support they gave DG Bill as the DG's Home Club!

The **Portsmouth** club presented its 5th Lifetime Achievement Award with a special dinner in May, which brought out over 350 people for the community service salute. Volunteers gathered for two clean-up project days at their "adopted" spots, one a local historic cemetery and the other a large city park on the harbor. And an end-of-the-year reception for the year's new club members is set for June 18th.

The **Damariscotta - Newcastle** club doubled its vidalia onion sales this year, and again is sponsoring

Thanks to Paul Thornfeldt for another great year as DG Bulletin Editor!

More News And Notes Around District 7780

a team in the "Trek Across Maine" in mid-June to benefit the Lung Association. And no morning meeting for the club on June 22nd - that's the annual change of club officers event, once again planned as an evening cruise aboard the "Balmy Days" in Linikin Bay. What a way to start a new year! The club's formed a group to plan for its 75th anniversary next year, with the date already scheduled for Dec. 16th.

A number of **Exeter** club members and spouses took to the skies for a unique outing - they boarded an Air Force KC-135R tanker jet and witnessed an air refueling mission off the No. Carolina coast before heading home. June brings the annual Rose Sale, and club members prepared a meal for Special Olympics athletes on June 5th. The club picnic on June 28th will celebrate the close of another active Rotary year.

The **Yarmouth** club's barbershop chorus event was a great success for the club - we heard that half of the county was humming "Lida Rose" the next day! The club began a new "Service Above Self" award this year for a high school student involved in community service. The student will be awarded \$700, with an additional prize of \$300 to be donated to the charity of the student's choice. A fitting touch for the spirit of the award!

The **Brunswick** club organized a planning retreat for the new officers and board. The club approved two additional students for their team to RYLA, as well as funding one of its RYLA graduates to return as a group leader. Partnership with the Voc-Tech school continues, with club members speaking regularly to students through the year, and a spring club meeting held at the school. A committee of members is already at work on plans for their

75th anniversary, scheduled for May 13, 2000.

The **Kennebunk-Portside** club has agreed to match its members' individual donations to Rotoplast, and is planning for its incoming exchange student's arrival. On June 17th the annual golf tournament will be held, and the President's Dinner is coming up on June 24th to finish out the year.

It was nice to see that the **Sanford-Springvale** club had invited all their RYLA team to a weekly meeting to meet the club before they headed off to the RYLA program. At its annual Past Presidents' Day, the club honored 16 of its PPs, who had between them a total of 214 years of club service!

The **So. Portland-Cape Elizabeth** club is taking its fundraising food trailer on the road in June, first to the Cape Family Fun Days on the 19th, and on the 30th to a Portland Symphony concert at Fort Williams. Poker Nights continue, as do the annual "Service Above Self" awards to special community members. New this spring is the club's internet directory. And the club's "We Like Mike" night was a big surprise for our DGN, with a great turnout of members, family and friends to kick off the new year as the DG's Home Club.

We heard that the **Scarborough** club has organized a fundraising raffle for the benefit of a leukemia project - with a motorcycle as the grand prize, it's timed perfectly to take advantage of spring road-fever!

The **Rochester** club celebrated the Lilac Family Festival with their "beef bonanza" booth, which fed over six hundred of the hungry-for-good-burgers crowd. The club's roadside cleanup project on Rte. 11 is a quarterly event, and in two hours over 27

bags of litter was gathered. A work group set June 12th as the annual pre-season cleanup for the local YMCA camp. And more than one happy buck was given because the club was able to double its scholarship support for graduating seniors this year.

Pres. Jeff Martin and the **Windham** club started a medical relief project to the Ukraine back in 1994, and since then, over \$150,000 a year in medicines and equipment has been supplied to at least 10 different under-developed countries. Jeff recently spoke to the Saco Bay club about the practical lessons learned along the way that can make the difference in having international relief projects work.

Cutting-Edge-Of-Tech Award:

to the Damariscotta-Newcastle club, which voted to distribute its bulletin via e-mail, and to only use "snail mail" for the shrinking minority who prefer hard copy! One benefit: greatly reduced printing and postage costs...

Response-Of-The-Month:

from the Yarmouth Royal River Rotarian's report on the club's Brazilian exchange student, Antonio Neto. After he spoke to the club, several members noted how fluent in English he became during the year. One of his host mothers told Antonio, "Your English is a lot better than my Portuguese." Antonio's instant comeback: "I guess so!"

Fines-Of-The-Month:

-from the Kennebunk **Bunk**:
"Ginny M. gave a happy dollar for not being fined this week."
-from the Dover **Bing**:
"Larry B. for the thousand nails he pounded at Camp Sunshine."

Quote-Of-The-Month

 in honor of NH's newest state holiday:

"Darkness cannot drive out darkness, only light can do that."
-Rev. Martin Luther King, Jr.

NOMINATIONS SOUGHT FOR DISTRICT GOVERNOR

Clubs are encouraged to submit nominations for the following District 7780 Officers:

District Governor for 2001-2002

Finance Committee Member, Division A 2000-2003

Qualifications for the duties of District Governor can be found in the Manual of Procedure and include:

- * Having been a member of a Rotary Club for at least seven years prior to taking office.
- * Having served a full term as Club President.
- * Having the ability and commitment to meet additional qualifications called for upon taking office.
- * Be willing and physically able to carry out the duties of District Governor.

Qualifications for Finance Committee Members include:

- * Must be a Past President of a District 7780 Club in Division A (Clubs in Dover, Durham-Great Bay, Exeter, Hampton, Newburyport, Portsmouth, Portsmouth Sunrise, Rochester, Seabrook-Hampton Falls).
- * Must be willing and able to serve as a member of the committee for the term.

Nominations in the form of a resolution as described in the Manual of Procedure must be forwarded to DG Bill prior to June 30, 1999. Please call him with any questions.

RYLA REUNION BBQ

Just a quick note from Shannon Aldrich to let everyone know to hold the afternoon of August 8th open for the annual RYLA Reunion BBQ. It will be held in Portsmouth. More details will follow in future newsletters and E-mails. Graduate Facilitators Sarah Foss and Carolyn Dube are heading up the BBQ Committee this year.
