HELLO TO ALL!!

As I write this we have just completed twenty one club visits! What a joy it is for us to share your excitement as you tell of all the wonderful things you are doing in your communities, around the District, and our World.

I am constantly amazed at the organization, thought and effort that is put into the various projects. The smaller clubs continue to surprise me in the number of projects that you are involved in, and what you can accomplish with your few members.

Of course we are looking forward to our remaining visits and the fellowship that goes with each one.

A BIG THANK YOU to DGN Mike McGovern for putting on a wonderful Membership Seminar in August. Our attendance was a record sixty plus, and I have heard many good comments during my visits.

Our ten inbound Youth Exchange students are here and scheduled for their first get together the weekend of September 11-13.

The Russian fishermen arrive September 17.

Our Foundation Seminar will be Saturday October 24.

Of course we continue to enjoy our Friends Forever young people. Thank you to the clubs who have hosted, and will host in the future.

In November a small group of dedicated Rotarians will travel to Romania with a VERY IMPORTANT mission. For some it will be a return trip, and for others it will be their first trip. They are traveling at their own expense, (or with help from their clubs) to do the necessary preparations for our June of 1999 HANDS ON WORLD COMMUNITY SERVICE PROJECT. This project will be headed by PP Ken Toner of the Freeport club, and will be comprised of 15 or 20

(Continued on Page 9)

THE DGN NEWS CORNER

What We Ought to Do!

Every Club President and every District Governor is told what they ought to do. The advice comes from club members, from past officers and from folks in the Rotary hierarchy. We also hear from co-workers, from family members and from friends and neighbors. This lifelong experience began even before our births when the doctor suggested to our mothers when we ought to be born.

Some of us thrive on being encouraged what to do. Sometimes we listen and then do whatever we want. At other times, we listen and then heed the advice. Once in a while, we whisper to ourselves, "wish that advice had come last week!"

How should we react when we get "oughted to" several times in a conversation? Are we more polite than we should be, nodding and giving the impression that an idea is good when occasionally our thoughts are otherwise. Is this truly fair to all concerned and does it build goodwill and better friendships? Obviously not, but is it beneficial to all concerned if you frankly tell someone their idea would have been best left to themselves? It is probably better to be non-committal as the idea may grow on you as time moves forward.

How do we react when we hear a great idea? It is best to react quickly not only with words, but also with action.

This is a great time to tell me what we ought to do next year. Note, the term I used was "we". Once committees are appointed and dates are planned, it is not so easy to shift gears. The year is going to be radically different anyway with the new district leadership plan so why shouldn't we try other things that have not been experimented with before? The

sooner the ideas are generated the more likely I will be able to nod affirmatively and react with action.

All of the ideas that come forward will be tested with two questions. Why is this good for Rotary? Do you think Rotarians will welcome the change? Assuming the first two answers are positive, my next questions will be "what can I do to help? And what would you like to do to help?"

Already, I have heard suggestions that will be implemented on the program for the District Assembly, the format and content of the District Directory and on where the Rotary Foundation Seminar will be held. Please let me know what we ought to be doing.

Mike

ELIAS THOMAS III - DISTRICT GOVERNOR DESIGNATE

Elias Thomas III was born and raised in Portland, Maine. He attended Portland schools, graduated from Mount Hermon (MA) School and graduated from the University of Southern Maine, with a Bachelor of Science Degree in Psychology.

He is President and co-owner of Key Real Estate, Inc. in Shapleigh, Maine. The agency specializes in the sale and management of lakefront and country properties in the York

his wife and mother are Paul Harris Fellows. In 1998, he received the 25th Anniversary Recognition Award for Special Education from the Centro de Atencion Multiple in Cozumel, Mexico, for his efforts in providing equipment and hearing aids to children in Cozumel, in conjunction with the members of the Cozumel Rotary Club.

Elias is married to the former Jane Fleming Leach of Sanford,

County Lakes Region. The agency was begun by his father-in-law in the mid 1930's and is probably the oldest in the State of Maine still owned and operated by the founding family. He is a member of the York County Board of Realtors, the Maine Association of Realtors and the National Association of Realtors and holds the GRI Realtor designation.

Elias has been active in his community, having served as member and chairman of the Acton Warrant Finance Committee and as Town Moderator. He has also served on several boards of directors, including H.D. Goodall Hospital, York County Community Concert Association, Sanford Maine Stage Company, and was President of the Board of Overseers of Berwick Academy. He was a member of the Committee for the Commissioning of the USS Maine (SSBN #741) in 1995. He is also active in his church, serving as a lay Eucharistic minister, a member of the choir, a member of the vestry and Senior Warden.

In 1979, he was invited to join the Sanford-Springvale (ME) Rotary Club and served as its President in 1985-1986. In 1994, he joined the South Berwick (ME) Rotary Club and serves as its current President for 1998-1999. He served as chairman of the Rotary Snow Ball for nine years, a member of the PolioPlus Committee, a member of the Nominating Committee for District Governor and has maintained perfect attendance since 1979. He is a multiple Paul Harris Fellow and both

Maine and is the father of one daughter, Heather Thomas Matlosz (Mrs. J. Christopher) of Malden, Mass. He and Jane reside in Acton.

Elias enjoys singing, walking, bicycling, and swimming and he and Jane enjoy the two most recent additions to the family - their dogs, Harrison and Chloe.

THANK YOU

Dear Marie,

We at Camp Sunshine would like to express our appreciation for the children's books that you and the entire Rotary District 7780 have donated to us. While the children are at camp, we try to keep them happy and busy and the volunteers work very hard to accomplish this feat. With your donation, the volunteers and children will be kept entertained and educated at the same time.

Without support from folks like you, Camp Sunshine would not be available for critically ill children and their families to visit and enjoy. Thank you very much for your involvement.

Sincerely,

Laura Bean

Family Coordinator
Camp Sunshine

News And Notes

Around District 7780

August was reflected in club bulletins as a busy time for DG Bill, with reports of his well-received visits to clubs around the district, of sending off outgoing exchange students and welcoming each of our district's seventeen new Rotary Youth Exchange incoming guests.

First, let's join in a tip of the Rotary hat to each of the four clubs who topped the district in per capita contributions last year in Rotary Foundation Annual Gifts: **Newburyport**, (with \$183 per member), **Bridgton-Lakes Region** (\$171 per member), **Saco Bay** (\$160 per member), and **Kittery** (\$160 per member). With the help of all the clubs in the district, PDG Marie was able to exceed the district's \$106,000 goal. Cheers!

The **Portland** club has been busy with the Aug. 30th Road Race, co-sponsoring it with the **So. Portland/Cape Elizabeth** club, and on Sept. 12th will hold the Narrow Gauge Railroad Painting/Clean-Up work session. On Sept. 28th, the club will sponsor a CPR class as a community service project. A group of members were planning to attend the U. of Maine football game on Sept. 3, with a Rotary reception before the game. The club has been trying to master singing "Follow Your Rotary Dream", this year's R.I. theme song...

The **Sanford-Springvale** club has sponsored International Week at the YMCA, including a trip to for 110 kids to a waterpark. The club took its Aug. 20th meeting to the Y to be part of the celebration. The club calendar sale is on, and many club members pitched in to sell chicken dinners at the Acton Fair in late August. Nominations are being received for the

Community Awards night planned for October. On Sept. 17th they're holding a joint meeting with **South Berwick**.

At the **Dover** club, the "Friendship Express" program, which took a large group of kids to a Seadogs game, was declared a huge success. Meanwhile, the club made a contribution to the high school library, and is funding the milk supply for two local food pantries. The major skating rink project is coming along fast, with bulldozing of the site underway. The club's gardening contingent has made the downtown "Rotary Garden" a beautiful summer sight!

The **South Portland - Cape Elizabeth** club started August with a Lobster Bake on a perfect summer evening at Fort Williams, and the **Casco Bay Sunrise** club visited for the occasion. Several "Service Above Self" awards were presented to non-Rotarians for their work in the community. SP/CE reported a great turnout for the Aug. 30 road race, and was planning to hold an after-race brunch. The annual Greek Night is coming up Sept. 9th, a special Spouse's night meeting with, we hear, fantastic food.

The **Portsmouth** club held its "Bring Your Kids To Rotary Day" in mid-August, a great, noisy success. Work continues on planning an ice skating rink, their major community project this year. They're putting their web site to community service use by starting a free Seacoast Artists Registry to promote the arts by making artists more accessible. This year, the club has assigned its newest members topics to present for Rotary Information, with great results - new members get used to speaking to the group, and all of a sudden they

know more about a Rotary project or program than many others. A great strategy for welcoming in new members.

The **Durham-Great Bay** club is helping out with the Sept. 12 Fun Run at the Lee Fair, and their club auction is scheduled for Sept. 18th. Their collection of club banners grows steadily as DG Bill makes his official visits around the district!

The **Brunswick** club has been challenged to reach for their club's 100th Paul Harris Fellowship this year. Coming up on Sept. 8th is a Polish Youth Jazz Trio concert. The 2.5 mile bike path for which the club raised \$50,000 is becoming a reality, with a 147 foot bridge spanning Rte. 1 now in place.

The **Portsmouth Sunrise** club has been making good use of the large tent they inherited from the **Portsmouth** club, and its rental to groups is becoming a strong fundraiser and a smooth operation, with several teams of set-up crews, all supervised by the "Technical Director Of The Tent"... great title! A recent business meeting focussed on Vocational and International Avenues of Service.

At a recent meeting, the **Exeter** club heard that the local food bank had lost its funding, and one member's immediate challenge donation brought forth a sizeable club-wide total for the good cause. Plans for regular food donations will continue. The club's Board will attend an executive retreat for developing results-oriented skills in mid-September. A recent club survey polled members on what kinds of fellowship events were of interest. A boat cruise, theater night or sporting event topped the list for further consideration.

Thanks for continuing to send your club bulletins to Mary Jane Peabody, 6 Sherman St., Dover NH 03820

More News And Notes Around District 7780

The **Bridgton-Lakes Region** club sponsored a Red Cross blood drive in August with great results - about 95 pints were donated. The club is researching the challenges of starting an Interact club in their high school. A highlight of August was an auction of hand-painted woodenware offered by a talented club member, with the funds going toward the club project to supply water purification equipment for the Dominican Republic.

The **Fryeburg** club has rescheduled the big Canoe Race for Sept. 27th. The club also sent a contingent of volunteers to help install a new playground at a local school. And one member's experience of a daughter's waterskiing accident led to a club challenge to benefit the Fryeburg Rescue crew.

Short Notes:

The **Boothbay Harbor** club has kicked off its annual calendar sale, and had several members attend the district membership conference.

The **Damariscotta-Newcastle** club is planning an in-depth review of activities and projects as they look to their 75th Anniversary in 1999. Members recently got a full report from the

leaders of the Cub Scout Pack they sponsor.

The two **Brunswick** and two **Bath** Rotary Clubs meet for the big Softball Challenge on Sept. 19th at 10 am at Lishness Field in Brunswick. Each club is putting up \$50 for the winning team to donate to a worthy cause. We've heard, however, that "the honor of the club" is what has people digging out old mitts from closets!

The **Rochester** club recently hosted its college scholarship recipients prior to the students' departure for the new school year. A club assembly is scheduled for Sept. 14th, and the August 25th Golf Tournament brought out all the club's clubs.

The **Yarmouth** club is already finalizing plans for their popular October Haunted House project...new this year will be the chance to have your photo taken with a ghoul!

The **Scarborough** club has finalized all its committees for the year, and classification talks by members are being reintroduced. Five new Rotary signs have been erected around town.

The **Kennebunk** club celebrated August with their annual chicken BBQ, with seeing off their outgoing exchange student to Romania and bidding farewell to

their foreign student who was finishing her year Maineside, and came back to report on her cross-country bus tour.

The **Saco Bay** club held their annual Family Day picnic on Aug. 23rd, and will be holding a yard sale in September. Volunteers from the club participate in an ongoing literacy project by reading to kids at the local library one Saturday each month.

Fine-Of-The-Month:

from the Fryeburg Messenger:

"Andy F. made a citizen's arrest and fined Bill G. for calling the songbook a hymnal. [June S. told him to put his fine into the offering.]"

Rotary-Info-Of-The-Month:

from the SP/CE Weekly Bulletin:

"It is a common practice, but not a requirement, to give a classification where the first word states the principal field of endeavor and then a word or phrase describing the firm's specialty within the field. For example. Criminal - Grand Theft Auto."

Quotes-Of-The-Month:

from the Kennebunk Bunk:

"Morality is truth in full bloom."
-Victor Hugo

from the Saco Bay BayWatch:

"The lure of Rotary has ever been the friendships that have been found there." -Paul Harris

Share your Rotary Dream!

President Jim asks Rotary clubs and individual Rotarians to share their dreams for new and revitalized service programs and humanitarian issues that Rotary should address, and other future directions for clubs and Rotary International. He also suggests that clubs have a meeting on the subject! Submit your recommendations to the Dream for the Future Committee, Office of the President, at RI World Headquarters, by November 30th, 1998.

To All Club Secretaries,

I was on vacation from August 8th to August 16th and some of the attendance reports did not get into last month's newsletter. Therefore, we have run the July attendance again in this issue. If you could please FAX, e-mail or call me with your reports no later than the 10th of the month they will make the newsletter. Thanks for your help and let's try to get 100% of the reports into the newsletters.

Phil Rinaldi, District Secretary.

BARN FIRE DRAWS DISTANT HELP

A barn fire in Derry, N.H. became the focal point of the South Berwick Rotary Club at a recent meeting. The fire completely destroyed the barn and its contents, which included hundreds of items which the Derry Rotary Club had accumulated for their annual fund raising auction. In an effort to assist the Derry R.C., the members of the South Berwick RC gathered donations of furniture, quilts, baskets, antiques, as well as contributions of cash, restaurant gift certificates and gift certificates for hot-air balloon rides, so that the auction could go forward as planned.

"It is the way of Rotary to assist those in need", said Elias Thomas III, President of the South Berwick RC. "In this instance, we're helping another club raise funds it needs, which will be invested to benefit their community.

The theme of Rotary International this year, is **FOLLOW YOUR ROTARY DREAM.** "We want the Derry Rotary Club members to be able to Follow their Rotary Dream," Thomas said.

From left to right: Vicki Chase and Bill Wood from the Derry, N.H. Rotary Club accept items collected by members of the South Berwick RC. from Joe Parsons, member and Elias Thomas III President of the South Berwick Rotary Club.

POSITION AVAILABLE FACILITATOR FOR RYLA

Rotary District 7780 needs your talent, and enthusiasm, in a progressive leadership program for the youth of our District!

The RYLA committee offers you a special opportunity to contribute to the future leaders of our Rotary District setting the example of Service Above Self by giving young men and women of our high schools five days of your time June 16-20, 1999.

Job Description

The successful candidate will co-facilitate a Leadership Experience Group (LEG) of eight or nine 15 to 17 year old young men and women leaders in outdoor activities designed as vehicles for learning leadership while doing. Some teaching of leadership skills to small groups required. Training and manual are provided.

Qualifications

To have an interest in sharing your leadership skills with the youth of this District. If you like teenagers you will love this program. If you either don't like teenagers, or, are afraid of them, you will love this program. If you enjoy the out of doors, you will enjoy this program. If you don't enjoy the out of doors, you will enjoy this program.

Compensation

The experience, fun, and privilege of spending four days with a truly outstanding group of people.

Comments from past facilitators:

"I hate tents, I hate bugs, I hate latrines, especially ones with no doors, but it was a great experience, and I wouldn't trade it for anything." PDG Marie Williams, Kittery.

"Having never had children, I was afraid of teenagers. This was the best time I have ever had camping. And I've done a lot of camping. It was a genuine good time playing and making a difference in the lives of these young people." PP Judy Bennett, Casco Bay Sunrise.

"I love the out-of-doors, and teenagers. It has been a privilege, and learning experience, for five years now. to have been able to share with these young people. I still maintain contact with a number of them." PP Arthur Bradbury, Durham-Great Bay.

Contact Facilitator Co-chairs.

Lionel Ingram at 603-772-0479, FAX at 603-772-9238 or Arthur Bradbury at 603-659-3535 or FAX at 603-659-4646.

DISTRICT GOVERNOR'S MESSAGE

(continued from page one)

Rotarians, from different clubs, for their ten day trip. It is our hope that their expenses (approx. \$1,100) will be paid by their club. More information on this in future newsletters.

Please have a safe and happy Fall, enjoy Rotary, and continue to **FOLLOW YOUR ROTARY DREAM.**

Bill

BENEFIT AUCTION

In a joint endeavor, the Rotary Club of Kittery, Maine, USA, with the Rotary Club of Tacloban, Leyte, Philippines, will be feeding 60 street children in the Philippines.

To raise the needed funds, the Kittery Rotary Club will hold an auction:

Date: October 17, 1998

Time 9 AM to ALL GONE!

Place: Route One, Kittery
(near the Pine Tree Country Store)

Auctioneer: The famous Nick Zipp

Hope all will be able to attend.
Anyone wishing to contribute, please call Harry Lemont at 207-439-6566

CAUTION

Please be advised that a male person fitting the following description:

Age: 25-30

Eyes: Brown

Height: 6'4"

Weight 170-180 lbs.

This person is posing as an English Exchange Student, who needs financial assistance. He claims he sustained a knee injury and is limping. He has a dark mustache and wears hiking boots, jeans, tee shirt and carries a knapsack.

His story is that he needs money (usually \$300.) to fly back to England. He provides Rotary information, probably from an International Directory that is authentic. Please call local authorities and do not try to help him. Several Rotary Clubs have assisted and are out of their funds.
