## Record Donation Celebrated at Winterfest

**South Portland-Cape Elizabeth Rotary** partnered with the South Portland Parks and Recreation Department to sponsor Winterfest for the second year. The goal was an annual event that will engage families in fun, healthy outdoor activities and include the business community as well. This event also brought a tremendous amount of community outreach – Rotarians partnered with the City of South Portland, worked closely with its Interact club and numerous local non-profits. In all, over 50 local businesses supported Winterfest. The centerpiece was the brand new ice rink, funded by a \$15,000 donation from Port Harbor Marine, generated by the SPCE Rotary Club.

## Kittery Serves Up Inaugural Pizza Bowl

**Kittery** held its first annual Pizza Bowl at the R.W.Traip Academy late last month. President-Elect Andy Glazier and Pam Gray took the lead and modeled the event after the highly successful event put on by the **Hampton Club** for a number of years. With the support of the Traip class of 2015 and eight local businesses, the club found we had a great family friendly and fun new fundraising project.
