Welcome

A warm welcome Fellow Rotarians and guests, to the Rotary Summit at Mount Washington from the Rotary Club of Portsmouth, NH, District 7780. Home of District Governor, David Underhill (2017-2018).

Our club is proud to support the **Travis Roy Foundation** through the sponsorship of Mr. Roy's keynote address at this year's summit. At 95-years old the Rotary Club of Portsmouth, NH, is one of the oldest and largest clubs in New England, with a rich history of service.

Rotary Club of Portsmouth, NH, proudly making a difference through: Basic Education and Literacy; Diseases Prevention and Treatment; Economic and Community Development; Maternal and Child Health; Peace Conflict Resolution; and Water and Sanitation.

We are pleased to be part of this Rotary Summit and thank each and every Rotarian for what they do in making this world a better place.

Sincerely,

Benjamin Wheeler, President (2017-2018)

President, 2017-18

T +1-847-866-3467
F +1-847-866-3390
ian.riseley@rotary.org

Dear fellow Rotarians and friends,

Juliet and I are happy to welcome you to this 2017-18 District Conference. Each district conference is a great opportunity to meet other committed Rotarians from your district and learn how, through hard work and dedication, we will accomplish great things together in the name of Rotary.

In 1935, Paul Harris wrote, "This is a changing world; we must be prepared to change with it. The story of Rotary will have to be written again and again." I agree completely with Paul's sentiments. The world has changed quite a bit since he made that comment, and so too has Rotary. Today, you can find clubs that hold service activities alongside traditional meetings. You can meet Rotarians who have recently completed school and are just starting their careers. Our membership is now more than 20 percent women and that figure is rising. Our ability to evolve, to change as the world does, is only possible because of strong, innovative leaders who are dedicated to club and community.

In Rotary, we know how important it is to help our neighbors, either down the street or across the world. When we teach a child to read, vaccinate an infant against polio or bring medical help to areas where there is none, we are having a positive impact on the world that will affect current and future generations. Together, we serve the global community, and there is much work still to be done.

I hope your district conference is a motivating and productive one, and wish you all the best. Together, we will achieve great things through our service in *Rotary: Making A Difference*.

Sincerely,

A handwritten signature in blue ink that reads "Ian Riseley".

Ian H.S. Riseley
President, Rotary International 2017-18

Ian Riseley

2017-2018 President | Rotary International

Rotary International President Ian H.S. Riseley and his wife, Juliet Riseley (a past district governor), will be joining us on Friday, May 4 as we kickoff our 2018 Rotary Summit. It is a special occasion when Rotarians from New England and Quebec have an opportunity to hear RI's president speak live. His charm, wit, and incredible ability to engage the audience will be a highlight of the weekend.

Riseley will share his vision for Rotary, his goals for this Rotary year, and how we, as Rotarians, and friends of Rotarians, can increase the positive impact we have in the world.

Riseley emphasizes that meaningful partnerships with corporations and other organizations are crucial to Rotary's future. "We have the programs and personnel and others have available resources," he says. "Doing good in the world is everyone's goal. We must learn from the experience of the polio-eradication program to maximize our public-awareness exposure for future partnerships."

Riseley is a chartered accountant and principal of Ian Riseley and Co., a firm he established in 1976. Prior to starting his own firm, he worked in the audit and management consulting divisions of large accounting firms and corporations. His firm specializes in income-tax and management advice for individuals and small businesses. He has a master's degree in taxation law and graduate diplomas in accounting and income tax.

Riseley has been a member of the boards of both a private and a public school, a member of the Community Advisory Group for the City of Sandringham, and involved in Sea Scouts and sporting groups, as well as honorary auditor or adviser for a number of charitable organizations. His honors include the AusAID Peacebuilder Award from the Australian government in recognition of his work in East Timor, the Medal of the Order of Australia for services to the Australian community, the Distinguished Service Award and the Regional Service Award for a Polio-Free World from The Rotary Foundation.

A Rotarian since 1978, Riseley has served as treasurer, director, Foundation trustee, and member and chair of numerous RI and Foundation committees. He and Juliet are Major Donors and Bequest Society members of The Rotary Foundation. They live on seven hectares at Moorooduc, where they practice their personal philosophy of sustainable and organic living. They have two children and four grandchildren.

Rise SM AGAINST HUNGER

food • community • sustainability

Hunger doesn't have to exist — let's end it together.

Rise Against Hunger is an international hunger relief organization that distributes food and life-changing aid to the world's most vulnerable, mobilizing the necessary resources to end hunger by 2030.

815 million

people across the world don't receive enough nutrition to lead an active, healthy life.

**398,000
volunteers**

around the globe put their hands on hunger in 2017.

1.4 million

lives impacted by Rise Against Hunger meals and other aid in 2017.

from your hands to their tummies

Karen Wentz

2018 Rotary Summit at Mount Washington | May 4 - 6

Past RI Director

Rotary Club of Maryville, Tennessee, USA
Director, Rotary International, 2015-2017

Karen has been a Rotarian since 1990 and is a member of the Rotary Club of Maryville, TN with the classification of Higher Education Administration. She served on the board of directors of Rotary International for 2015-17.

Karen's service to Rotary includes District Governor of District 6780 in Maryville, TN, Rotary Coordinator for Zone 30, General Coordinator for Rotary Foundation Alumni Coordinators, and Rotary International Assembly Training Leader. A founder of Mid-South PETS, she has served in numerous capacities for Rotary Zones 30-31 Institutes including general chair.

Karen is dedicated to the Rotary Foundation and its programs. She led a Group Study Exchange Team to England in 1999 and was involved in the development of several significant Humanitarian Grants for Mexico, and Thailand while serving on the District Grants Committee. She received the Rotary Foundation Citation for Meritorious Service in 2012. She has traveled to both Nigeria and India to immunize children against polio and has also participated in two Rotary humanitarian trips to Malawi.

Karen and her Rotarian husband Ron Appuhn are passionate supporters of The Rotary Foundation and are members of the Arch Klumph Society. They have a special focus on the Rotary Peace Centers and have mentored a number of Peace Fellows.

Karen's professional career was in higher education as a strategic planning and development professional, project manager, and part-time instructor of marketing. She holds masters degrees in both Library Science and Business Administration.

Karen and Ron have a blended family of six children (four hers and two his), five grandchildren, and seven great grandchildren. They love traveling and Karen has been to more than 60 countries and to all seven continents. Ron will serve as District Governor of District 6780 in Tennessee in 2020-21.

Life is very good!

*Thank you, Rotarians
for supporting our communities!*

Travis Roy

2018 Rotary Summit at Mount Washington | May 4 - 6

Travis Roy Foundation

Travis Roy was a freshman at Boston University when his life was changed forever. He could have chosen to feel sorry for himself, not talking to anyone or doing anything - just sitting there, hopeless. However, he chose to persevere and to make a difference.

Through his talk, Travis tells his story in his own words. He tells people that a positive attitude and setting goals for yourself can make a difference - and inspires everyone to do it. No matter what happens in your life, you can be an inspiration to others!

The topic of Travis' presentation revolves around the following theme: There are times in our life when we choose our challenges, and other times when the challenges simply choose us. It is what we do in the face of those challenges that defines who we are, and more importantly, who we can and will become.

By sharing his story and lifelong dream of becoming a Division I college athlete, Travis conveys firsthand the determination and emotional high of overcoming a self-imposed challenge. He will share the experience of having his dream ripped away, and the reevaluation of his goals to face the challenge that ultimately chose him.

Travis' presentation will share his thoughts on the following:

- Who you are at the core is really what helps you through life's challenges, chosen or not
- Having a passion will drive you to do great things, when you set the necessary goals
- Taking pride in everything you do makes most anything possible
- Having a positive attitude will bring you through some of the most difficult days of your life

Whether you are dealing with today's financial struggles, a health issue, or a personal problem, Travis will help you realize that regardless of our challenges, we still maintain the ability to laugh, cry, and, most importantly, enjoy the people around us, while achieving our highest goals.

The program with Travis Roy has been made possible through the generous support of the Rotary Club of Portsmouth.

Shirley-Pat Chamberlain

2018 Rotary Summit at Mount Washington | May 4 - 6

Write2Read Project

Dubbed the “original Champion sparkplug” by His Honour, Steven L. Point, the 28th Lieutenant Governor of British Columbia, Shirley-Pat Chamberlain (née Gale) is an energetic passionate literacy advocate with infectious good cheer. She is committed to service above self in the pursuit of Aristotelian real good.

Shirley-Pat is driven by an insatiable curiosity and passion for changing the world around her. She has been committed to social action literacy initiatives and community development innovation in rural and remote British Columbia in both indigenous and non-indigenous communities.

Shirley-Pat’s first experience with Rotary was at the age of 15 through a Four-Way Test essay competition. She reconnected with Rotary through her mom, who is also a Rotarian, in 2008. Her Rotary story is one of truth telling, discovery, mentorship and adventure.

It has led Shirley-Pat to use the Rotary International Project model in her own backyard to work and partner with indigenous people and communities through the Write2Read project. This has led to two amazing honours: she been formally adopted by Tl’esqox, the Toosey Indian Band; and has received the Queen Elizabeth II Diamond Jubilee Award in 2012 for outstanding volunteerism.

Shirley-Pat will share her Rotary story in the hope that it will encourage others to join, show up and do good with likeminded people - to become Rotarians.

Shirley-Pat has an undergraduate degree in history and classical languages and literature and masters of education in leadership studies. She is currently a doctoral candidate at the University of Edinburgh’s Centre for Canadian Studies, exploring the role of civil society organizations in indigenous social citizenship.

Razia Jan

2018 Rotary Summit at Mount Washington | May 4 - 6

Razia's Ray of Hope Foundation

Razia's Ray of Hope Foundation would not exist without the spirit, vision, and tireless efforts of its founder and president, Razia Jan.

Razia has worked for many years to forge connections between Afghans and Americans. Her humanitarian efforts are honored in American First Lady Laura Bush's 2016 book *We Are Afghan Women*.

Born in Afghanistan, Razia moved in 1970 to the United States. The proprietor of a small tailoring business in Duxbury, Massachusetts, for 20 years she served as president of the town's Rotary club. In the aftermath of September 11, Razia rallied her adopted New England community to send more than 400 homemade blankets to rescue workers at Ground Zero.

Razia's efforts expanded to include sending care packages to U.S. troops in Afghanistan. Through her involvement in the military's Operation Shoe Fly, she coordinated the delivery of more than 30,000 pairs of shoes to needy Afghan children. Her handmade quilts commemorating September 11 have been exhibited at Madison Square Garden, the chapel at the Pentagon, and at fire stations in New York and Massachusetts.

Razia has received many awards for her humanitarian work, including a 2012 CNN Top 10 Hero award, the 2007 Woman of Excellence award from Germaine Lawrence Inc., multiple Rotary Club International Peace Awards, and certificates of appreciation from the Army Corps of Engineers and the American Legion. She has spoken on women and children's issues at venues across the United States as well as in Europe and Afghanistan. In 2014, Razia was named Social Innovator by the Lewis Institute at Babson College and in 2015 she was awarded a Woman of Action award from Rotary International at the United Nations in New York City. In 2016, she was honored with Rotary International's Service Above Self Award.

Razia has served as a member of the Interfaith Council, the No Place for Hate Committee, and Jordan Hospital's board of directors.

Today, in order to continue her humanitarian work, school administration, fundraising efforts, and spending time with family, Razia travels between Afghanistan and the United States.

Watch *What Tomorrow Brings*, the award-winning documentary from Principle Pictures that tells the story of Razia Jan and the Zabuli Education Center — where students and teachers are making possible what was once unthinkable.

District 7850

2017-2018 District Governor

Eric Denu

Making a Difference

Thank you to all of you Rotarians and partners and friends of Rotary. You have all made lasting impact and change to our world. I am so proud to be your District Governor and it has been an honor and a privilege to serve you and Rotary. The time has gone by fast, this year has been amazing and I want to give a snapshot of our successes. Our clubs are all doing well, even the clubs which have had some challenges, have pulled together and rallied. I have witnessed spectacular service projects, projects with all hands on deck Rotarians working side-by-side for the greater good, or what I like to call Teamwork! I have had the pleasure of attending fundraisers, from Calcutta's to golf ball drops to raffles and Brew fests. I saw Teamwork first hand. We all understand that we can do so much more together than alone.

We have had some amazing grants that have reached out to all corners of the globe, bringing the true meaning of Rotary International! This showcased

the power of Rotary and the value of supporting our Rotary Foundation. The word collaboration also has to be part of the conversation as we look at this past years accomplishments. Rotary clubs collaborating on projects, grants, and even social events. Teamwork!

A highlight of our accomplishments has to be the message of Sustainability in our Youth service programs. We have chartered more Interact clubs then ever before, we have a new Rotaract club and we have numerous Earlyact clubs. This is a breath of fresh air to Rotary. This all was done not by a single Rotarian but a group of Rotarians a Team of Rotarians.

One of the events this past year that I will never forget and will always cherish as District Governor, was the support this district showed for my wife Janice's polio mission to Nigeria. I had simply asked for support as part of her mission to make donations to purchase tricycle wheel chairs for polio victims, and donations to purchase malaria bed nets. This simple task resulted in 56 tricycle wheel chairs and 822 malaria bed nets totaling over \$12,500.00 in direct contributions! With one of the contributions coming from one of our Interact clubs which sponsored two tricycle wheel chairs at \$150 each. These, generous donations put smiles on faces as they were distributed on Janice's trip, giving polio victims new hope, giving mother's of young children joy that there children have protection from malaria. Teamwork made this happen thank you District 7850!

In conclusion this Rotary year maybe ending, but our work is never done, there is always a need, and Rotarians, those people of action, are ready to answer the call. We have helped others, and by doing so we have really helped ourselves. Please, reach out to others

and share your passion of Rotary. We need to grow our Team!

Rotary: Making a Difference... through Teamwork!!

About the DG

Eric has served at the district level as ADG for a three-year term, on the Executive Council for the past five years, and as District Conference chair in 2014-2015. He currently is chair of the District Finance Committee. Eric is a Paul Harris Fellow +4, and a member of the Paul Harris Society.

Eric resides in Bridport, Vermont with his wife, Janice Denu. Outside of his Rotary service, he assists the Middlebury Union High School football team. As a result of his years of dedicated service, he was honored with the Seeley Reynolds award.

Eric and Janice own and operate Countryside Carpet and Paint, a full-service decorating store. Eric opened the store in 1988, and has grown it into one of the premier businesses of its kind. The Addison County Chamber of Commerce recognized him for his community service with the "Buster Brush" Citizen of the Year award - truly an honor, as Buster Brush was a long-time Rotarian and a mentor of Eric's.

Eric has two sons, Christopher and Douglas, and one step-daughter, Emmy. They are all grown and making their marks on the world. balanced and vibrant Rotary club.

Rotary

Club of Ellsworth

District 7790

2017-2018 District Governor

H. Lincoln Ehrlenbach

Making a Difference

District 7790 consists of 50 clubs in Central Maine and the Province of Quebec. We are a multi-cultural district, speaking English and French, but we all have the same love in our hearts for Rotary and doing good in the world.

At each club visit, Debbie and I were reminded that Rotarians are amazing, caring, giving individuals who work collaboratively, quietly promoting peace and conflict resolution throughout their communities and around the world. At club visits we have learned of Rotarians providing meals, shelter and professional services to homeless individuals and those with mental disabilities; providing a quiet peaceful place for individuals in the last days of their lives; providing students with breakfast every day of the school year; ensuring basic life skills education is available to those with disabilities to help them become active citizens in the community; partnering with other organizations to help those affected by drug addiction; delivering hot meals

each week to those who are shut in; distributing food, gifts, clothing to those less fortunate; providing a safe environment for children to stay afterschool and giving the gift of reading to children. Mentioned are only a few of the wonderful gifts Rotarians give each and every day.

As I near the end of my term as your governor, I would like to thank all the clubs for making Debbie and I feel welcome on our visits. This has been a fantastic journey this Rotary year. We have traveled throughout the District and have met many new friends and re-kindled old friendships. Every club visit was amazing and we got to see firsthand what Rotary is doing everyday in our communities. With only two months remaining in our year together I want to congratulate all Presidents on their year of leadership. I would also like to thank the club Rotarians who each day make a difference in their communities and around the world.

you provide!**

About the DG

Lincoln grew up in a Rotary family, attending rotary meetings and functions at an early age. Lincoln's grandfather was a charter member and past president of the Rotary Club of Ellsworth. Lincoln's parents were both

involved in the Rotary Club of Ellsworth, his father was past president, club secretary and club historian of the club and his mother was a Rotary Ann as women were not allowed to join Rotary back then.

Lincoln joined his grandfather's club in 2002 and has served in many capacities to include Secretary, President, and Coordinator for the Loaves and Fishes Food Pantry. Lincoln established the Interact Club at Ellsworth High School. A Paul Harris Fellow plus 5, internationally, he has participated in three wheel chair distributions in Panama, Belize and the Dominican Republic and raised money for Haiti Relief.

At the District level, Lincoln has served as Assistant Governor for Area 8, District Secretary and General District Secretary. Lincoln was awarded the Ellsworth Area Chamber of Commerce Citizen of the Year in 2007 for his community service.

Lincoln attended Eastern Maine Vocational Institute and the Maine Criminal Justice Academy and was employed at the Hancock County Sheriff's Office and at the Hancock County District Attorney's Office. After retirement, he went to work for the family business, Timberland Acres RV Park in Trenton, Maine.

Lincoln is married to his wife of 42 years, Debbie, who is also a Rotarian. They have two daughters, Erin Collins of Scarborough, Maine and Ashley Johnson of Hancock, Maine. Lincoln's daughter Ashley, is also a Rotarian, past president and the 2017-2018 District Secretary. Lincoln and Debbie have three grandchildren, Matthew, Joshua, and Brielle. Lincoln enjoys downhill skiing, playing golf and spending time with the grandchildren.

District 7910

2017-2018 District Governor

Karin Gaffney

Making a Difference

This weekend, we celebrate with our Rotary friends from five Districts, the lasting impact and the seeds of hope and change that we have planted together this Rotary year. The past ten months have literally flown by, carried on the wings of the amazing, talented, committed and generous Rotarians from the 51 Clubs in District 7910. This year's focus has been on S E R V I C E! Service raises awareness in our communities of all that Rotarians do to make a difference. When we raise awareness, we add more members and when we add more members, we can do more service. Service engages us in our organization and that engagement leads to membership growth and satisfaction. Service brings us together, working across clubs and across districts. Service builds bridges to our community. For both the Rotary volunteer and the community, the experience of being involved in meaningful community service can be transformative.

Together, we have discovered new opportunities for service projects and have increased our visibility in our communities. We have worked with clubs to find new projects that are impactful and yet don't require huge lead time or funding. We have stressed the importance of partnerships and collaboration when it comes to doing service. More clubs are working together to do service than ever before and, in some instances, we are even working across districts, such as with our opioid task force and addiction prevention project. We have improved our story-telling with changes to the District website and District newsletter, allowing us to tell our Rotary story and better showcase our enormous impact. The work done in our clubs to support the central MA communities is nothing short of amazing! As Rotarians, we are making a difference.

Whether it's been the hurricane relief project, the tree sapling project, Project Soar or the countless projects being carried out by clubs, Rotarians have led and volunteered to make a difference. I've been surrounded all year by service heroes who have inspired and amazed me, and we have a strong future as we continue to do good and serve as people of action through Rotary!

You are Making a Difference, and I am so grateful for this journey.

There's still a lot to be done – let's keep it going!

About the DG

Karin Gaffney currently serves as the Rotary District 7910 Governor. Karin first joined Rotary as a charter member in February of 2012 of the Rotary Club of Nashoba Valley, served as President in its charter year, successfully leading her club to receive numerous Rotary International and District awards, including Best Club. She is a Paul Harris Fellow and an Rotary Leadership Institute graduate. In 2014, she was honored as Rotarian of the Year.

Karin's career spans over 30 years as a banking professional, working as a commercial lender. Her most recent position was for Rockland Trust and prior with Citizens Bank.

She is an active member of her community and in addition to her commitment to Rotary, she holds the position of Director of The Nature Connection and Gifts of Hope Unlimited. She has served previously on a number of boards for community service organizations.

Karin graduated from Clemson University. She resides in Littleton, MA with her husband Dana. She has three grown children.

Making a Difference

It is hard to believe that we are nearing the end of the 2017-2018 Rotary year! Our district is stronger thanks to the Presidents who have inspired their members and empowered them to achieve the goals that they set. Membership is increasing and the number of district and global grants are plentiful. When people are in need, Rotarians are always there. I was so impressed how so many clubs responded to the hurricane relief efforts this past fall. The financial commitment of nearly \$100,000 to the donor advised funds or to clubs who were in the districts impacted will continue to provide long term support as so many rebuild their lives.

Our 8th Annual Polar Plunge to EndPolioNow has raised \$81,000 so far with an eight year total of more than \$600,000.

The introduction of mini-grants to support membership initiatives, public image programs, and recently addiction

prevention projects have provided clubs with the tools and resources necessary to build vibrant clubs.

Innovative new ideas like our successful “Welcome Party for New Rotarians” provide our most recent members with information about Rotary in an exciting format, and develop relationships with like-minded individuals, with the goal to ensure that they remain valuable members for many years.

In 2015-16, District 7930 committed to a multi-year focus on Hunger and Homelessness and has resulted in many new projects at the club and district level, above and beyond what clubs were already doing. This year, we added another multi-year multi-district initiative to mitigate the impact on addiction. In the coming months, new addiction prevention education programs will be presented to many community leaders and subsequently to students.

But most important of all, hundreds of thousands lives have been positively impacted by the great work of Rotarians!

About the DG

Dave first joined the Rotary Club of Malden in 1986 and then became a member of the Rotary Club of Stoneham in 2008 where he served as President in 2012-13. His commitment to youth in RYLA led to the creation of an Interact Club at Stoneham High School with 34 charter members. He has proudly served on the Polar Plunge Committee and has plunged into the Atlantic for six years in Rotary’s effort to eradicate polio.

Dave has served on the Membership Committee, the Vision Facilitation Committee and chaired the Communications and Technology Committee. With his strong interest in building a stronger connection between Scouting and Rotary, he has introduced the initiative to collaborate with both the Boy Scout and Girl Scout programs. Rotary Means Business is another imitative that Dave has pioneered and one that seeks to build better business relationships among both Rotarians and other professionals interested in developing professional skills and new opportunities.

Dave is a multiple Paul Harris Fellow, a Paul Harris Society member, a Major Donor and was awarded the Cliff Dochterman Award for exemplary service to Scouting and Rotary. Professionally, Dave owns a marketing services company, and has been serving individuals, non-profit organizations and businesses with graphic design, printing, mailing services, ad specialties and wide format printing since 1985.

Dave lives in Stoneham with his wife of thirty-six years, Joni, a retired civil engineer with thirty-six years of service to the US Army Corps of Engineers. Their son, Christopher is a lean engineer with AthenaHealth and lives in Medford.

David Underhill

Making a Difference

Our Clubs and members are proud of the many ways we serve our communities and the world. The year has flown by: this weekend is a time to step back and ask about the impact of our work, and how we can move it forward? Among our success stories: we have planted seeds, from the literal (2000 trees in the ground) to the figurative (our Rotary Recovery Initiative, properly addressing substance misuse disorder as a disease prevention and cure challenge for Rotary, and engaging over 15 Clubs in education, recovery coaching, saving lives with naloxone rescue techniques, and job-training).

We have built Pyramids of Peace, and will celebrate those Club initiatives this weekend. Our Clubs have done local projects in each of Rotary's six areas of focus, and recorded their volunteer hours and dollar contributions, better to tell Rotary's story to the public. This weekend we welcome our returning cultural exchange team from

Kakamega Kenya, and learn how they may open new doors to Rotary partnerships in Kenya.

We have embraced a strategic plan for our district and its clubs, setting a clearer growth pathway to become a 2000-member district in five years. This plan reflects our commitment to improving the ways collaboration, leadership development, public image and technology will support our Rotary Clubs.

We are completing a three-year campaign to strengthen our support of the Rotary Foundation, and we have raised over \$3.5 million in new bequests and major gifts since the 2015-2016 Rotary year began.

Best of all, we have invested in our people, in our communities, and in our future through strong leadership training, succession planning at the local and district level, and by sharing the joys of our Rotary service with thousands of Maine and New Hampshire residents who count on us.

You are Making a Difference, and I am so grateful for this journey. There's still a lot to be done – let's keep it going!

About the DG

Dave Underhill is a media and business consultant in Portsmouth NH, past president of the Portsmouth NH Rotary Club (2013-2014) and of the

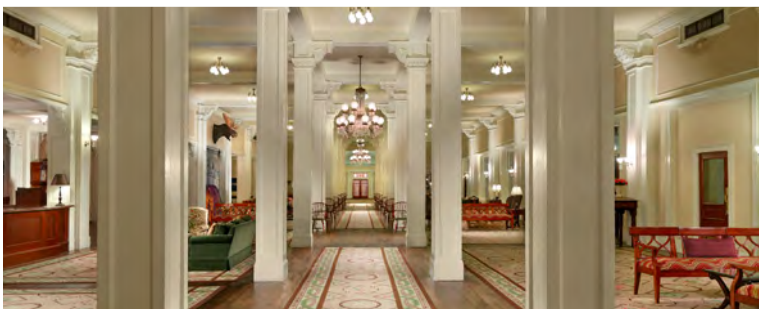

Brattleboro VT Rotary Club (District 7870, 1989-1990). His broadcasting and publishing career began in Boston (WGBH-TV, WBZ-TV, WCVB-TV). He and his wife Linda met while working at WBZ, and later moved to Vermont, where they owned and operated community-service radio stations WKVT AM & FM from 1983-1994. After joining the Brattleboro Rotary Club in 1984, he served on the board, as club Secretary and club President, then chaired the club's Gateway Foundation. In 1994, he was part of a pilot team that traveled to El Salvador to develop clean-water projects.

Dave's Rotary service was interrupted when his career took him to Tribune Company in Chicago as a senior executive in broadcasting, cable and internet publishing. He and Linda returned to New England, settling in Portsmouth in 2006; their son Graeme, daughter-in-law Heather and grand-dog Tela live in nearby Raymond NH.

Dave has chaired Portsmouth Rotary's Interact, Finance and Foundation committees as well as the board of directors. He is a member of Rotary's Bequest Society and a Major Donor member of the Paul Harris Society.

In addition to his Rotary service, he does non-profit fundraising work and serves as a volunteer small-business mentor for SCORE. Dave was born in upstate New York, and is a graduate of Phillips Exeter Academy (NH) and Boston University, with a B.S. in Broadcasting and Film. When he's not immersed in Rotary, you may find him with his chef's hat on, or perhaps driving golf balls into the boulders and trees of New Hampshire, Maine or Prince Edward Island.

2018 Rotary Summit at Mount Washington | May 4 - 6

James Douglas Former Governor of Vermont

James H. Douglas served the people of Vermont as governor for more than 35 years. He was elected to the Vermont House of Representatives after graduating in 1972 from Middlebury College. He became assistant majority leader in his second term, and majority Leader in his third term at the age of 25. He was executive assistant to Governor Richard Snelling in 1979 and 1980.

Jim was elected as Vermont's Secretary of State in 1980, a post he held for 12 years. He was elected state treasurer in 1994, serving the people of Vermont in that role for eight years. Under his leadership Vermont's, bond rating came to be the best in New England - and one of the highest in the nation.

He successfully sought the office of governor in 2002, and was re-elected in 2004, 2006 and 2008. During his tenure, he focused on strengthening the state's economy, reducing the cost of living in Vermont, and protecting the state's natural environment.

He advanced groundbreaking health reforms that have made Vermont a model among the states in health care. And, he worked to strengthen the relationship between Vermont and Quebec and the other Canadian provinces.

While serving as governor, Jim was chosen for leadership positions by his colleagues. He served as president of the Council of State Governments, twice as chairman of the New England Governors' Conference, and chairman of the Coalition of Northeastern Governors, and chairman of the National Governors Association. In February 2010, President Barack Obama appointed him cochair of the Council of Governors.

Jim Douglas is now an Executive in Residence at Middlebury College. He serves on the boards of several local companies, and on the Governors' Advisory Council of the Bipartisan Policy Center in Washington, DC. He continues as town moderator for Middlebury, a post he has held for 30 years. He and his wife, Dorothy Douglas, have two sons and two grandsons.

Jane Swift Former Governor of Massachusetts

Jane M. Swift was born in North Adams, Massachusetts. She received her bachelor's degree in American Studies from Trinity College in 1987.

Jane's career as an elected official began in 1991 at age 25, when she was the youngest woman ever elected to the Massachusetts State Senate. She quickly became the youngest woman in senate

history to hold a leadership position, rising to assistant minority leader.

Governor Paul Cellucci appointed her as director of the state Office of Consumer Affairs and Business Regulation in 1997. She became governor on April 10, 2001, when Governor Cellucci resigned to become the U.S. Ambassador to Canada.

Elected lieutenant governor in 1998, Jane worked as "co-governor" with Cellucci to stimulate economic growth, impose fiscal discipline, improve public education, and enhance the quality of life for working families. She led the Cellucci-Swift administration's effort to improve the state's public education system through strong accountability and high standards for schools, teachers, and students.

As lieutenant governor, Jane instituted meaningful remediation programs for struggling students and helped parents access more information regarding their children's schools. She worked hard to provide tax relief to Massachusetts families, reducing the state income tax through a ballot initiative overwhelmingly approved by voters. In one of Jane's first official acts as governor, she signed the "No-New-Taxes Pledge," and filed legislation to expand the state's earned income tax credit to help low-income families keep more of their hard-earned paychecks. She championed solutions that provide a guaranteed college education for foster children and enable state employees to better balance the demands of work and family.

Chief Robert MacKenzie Kennebunk Police Department

Bob MacKenzie is a 30 year veteran of law enforcement, currently serving as Chief of Police with the Kennebunk Police Department. Chief MacKenzie began his law enforcement career in 1988 with Kennebunk PD and rose through the ranks, being promoted to Chief of Police in 2008. Chief MacKenzie is a graduate of the 243rd FBI National Academy in Quantico,

VA, and holds a Bachelor of Science in Criminal Justice degree through Husson University. Chief MacKenzie is the producer of the "Point of No Return" a 30 minute movie which depicts the consequences of underage drinking and has been shown in 34 states. Chief MacKenzie is a Past-President of the Kennebunk Rotary Club in which he has served for the past 11 years and is the Chair of the Rotary District 7780 Recovery Initiative.

Martha Peak Helman, PDG Boothbay Harbor Rotary Club

Martha Peak Helman has been a member of The Rotary Foundation's Rotary Peace Centers/ Major Gifts Initiative Committee for the past two years; this year she serves as vice chair of The Rotary Foundation's Peace/Major Gifts Initiative.

Marty served as Training Leader at the 2018 International Assembly; previously, she was Trainer for the Governors-nominee at the Zone 24-32 Institute, for the Zone Rotary Future Leaders, as well as for District 7780 Governors-elect. She has served as President's representative; she frequently facilitates at the Rotary Leadership Institute and Northeast PETS. She started and continues to edit the Zone 24-32 monthly newsletter. Marty is currently District 7780's Foundation Chair; she was a "Peace Through Service" District Governor in 2012-13.

Marty volunteered after Hurricane Katrina hit the Gulf Coast. She led District 7780's Group Study Exchange team to the Philippines in 2008. She has taken part in National Immunization Day trips to Nigeria, Mali and Chad. She was a member of the District 7780 Cultural Outreach team to Uganda and she travels every year to Guatemala to volunteer for literacy initiatives in that country.

Marty and her husband Frank are multiple Major Donors and Bequest Society members, and through the corporate support of the Otto and Fran Walter Foundation, they are also Arch Klumph Society members. Marty and Frank are members of the Boothbay Harbor Rotary Club in District 7780, which they joined in 2003.

Marty graduated from Connecticut College cum laude and holds her master's in teaching (secondary) from Pace University. In her professional career, she has been both a writer and an editor; she has put that experience to good stead in her Rotary work, authoring "Rewriting the Future," about a literacy support program in Guatemala, and most recently, editing "String of Pearls," a book authored by PDG David Forward which tells the stories of Rotary Peace Fellows.

Stephanie Clark Survivors of Sex Trafficking

Stephanie Clark is the Executive Director of Amirah. She is a passionate advocate for victims and survivors of sex trafficking, working to provide not only a place for aftercare to exist for these individuals, but develop a greater system of aftercare within our communities. She has a desire to see both global and domestic changes in the view of women. She came to Amirah after serving for four

years as an Associate Pastor on the North Shore of Boston. Prior to that, she was a small business owner. She is a writer, public speaker and advocate. She presented at the Tri-County Human Trafficking Conference in Killington, VT, provided testimony to the Massachusetts State Judiciary Committee, and has been called upon by local leaders within this movement to bring insight for best practices when working with survivors. She has her undergraduate degree in biblical languages from Moody Bible Institute of Chicago.

She comes to New England from Michigan. She and her husband, Dave, enjoy hiking together with their two daughters. In her down time, she loves to read a good book with a cup of tea while Nina Simone is playing in the background.

With Hope -

Linda Gilbert Hands 2 Honduras-Tela

Linda is a current member and past-President of the Charlotte-Shelburne-Hinesburg (Vermont) Rotary Club in Rotary District 7850. In her Rotary career Linda has been a member of her Club's Board of Directors, has sat on or chaired numerous Club committees, has been involved with or led service projects at the Club and District levels, and is a past Chair of the local, district, and international

service database project for Rotary District 7850.

Linda's passion for service projects has led her to be the Director of Hands to Honduras Tela ("H2HT") since 2004. This humanitarian service program works to improve the quality of life and opportunities for the residents of Tela, Honduras through projects focusing on maternal and child health, sanitation, literacy, and education. As Director, Linda is responsible for all aspects of H2HT: the overall organization, administration, strategic planning, fund raising, logistics, and project development. Linda also acts as a coach and mentor for all H2HT volunteers, who come from throughout Rotary District 7850 and indeed the USA.

Linda is a Paul Harris Fellowship recipient, and in 2013 Rotary International awarded her its highest honor, the prestigious "Service Above Self Award", which recognizes up to 150 Rotarians each year who demonstrate their commitment to helping others by volunteering their time and talents.

Break-out Sessions

2018 Rotary Summit at Mount Washington | May 4 - 6

Lauren Kolifrath End 68 Hours of Hunger

Lauren Kolifrath was born in Lawrence, Massachusetts where she saw first hand that not all children are given the same opportunities. Those early years inspired a life long passion for doing all she can to help improve the lives of children. She currently serves as the Program Coordinator for Dover's End 68 Hours of Hunger, an all volunteer non-profit that provides

weekend food to children who would otherwise go hungry. Over the past six years she has helped her program grow, expanding from serving 19 children to serving 180 each week across the entire Dover school system. When she is not working or volunteering with End 68, Lauren enjoys camping, kayaking, blacksmithing, and adventuring with her keeshond Pooka.

Amy Luckiewicz Past-President/Assistant DG

Amy Luckiewicz is a member of the Wakefield, MA Rotary Club and Past President. Currently, she is the District 7930 Membership and Public Image Co-Chair and Assistant Governor to four clubs. Amy has experience in Foundation scholarship management and has co-Chaired the District's Polar Plunge for Polio. She served on a Rotaplast mission to Cebu, Philippines and a water

project to La Ceiba, Honduras. Professionally, she works for the North Reading Police Department where she manages a federal youth substance use prevention grant. For fun, Amy likes to travel and SCUBA dive.

TOGETHER, WE

END POLIO

Rotary  PEOPLE OF ACTION

Marblehead, Massachusetts

www.marbleheadrotary.com

We congratulate **David Deutsch**, our current club President for a phenomenal year — we wish him our best as he takes on the role of Assistant District Governor.

We also welcome our friend, Rotarian, Paul Harris recipient, current President-elect and Summit sponsor, **Alexander Falk** as he takes the helm as our next club President.

ROTARY:
MAKING A
DIFFERENCE

Break-out Sessions

2018 Rotary Summit at Mount Washington | May 4 - 6

Arie Voorman Gates Foundation

Arie Voorman is a Program Officer at the Bill and Melinda Gates Foundation, where he works with mathematical modeling groups in the fight against polio. Much of his work has focused on combining diverse data sources to predict poliovirus outbreaks, and to develop and evaluate strategies to mitigate those risks. He also works on improving the ability to detect polio, particularly

through testing sewage networks for poliovirus, so that outbreaks can be detected and stopped early. Arie is based in Seattle, but has traveled widely in support of the polio program, to Pakistan, Nigeria, Cameroon, and elsewhere. Before starting work at the Gates Foundation in 2014, he earned his PhD in Biostatistics at the University of Washington, developing machine learning methods to understand how genetic sequences influence the risk of disease.

We are “This Close” to eradicating polio from the face of the earth. In 1985 Rotary International launched PolioPlus, the first and largest internationally coordinated private-sector support of a public health initiative.

For the past 10 years, Rotary and the Gates Foundation have partnered together to End Polio. Since 2013, the Gates Foundation has matched every \$1 Rotary commits to polio eradication 2-to-1.

We are honored to have Arie Voorman, Program Officer at the Bill and Melinda Gates Foundation joining us at the District Summit. Arie will be providing attendees with an update on the progress of the Global Polio Eradication Initiative. He will also be highlighting how the Gates Foundation and the partners are using data to hasten the eradication of polio.

Eric Michaels Master of Ceremonies

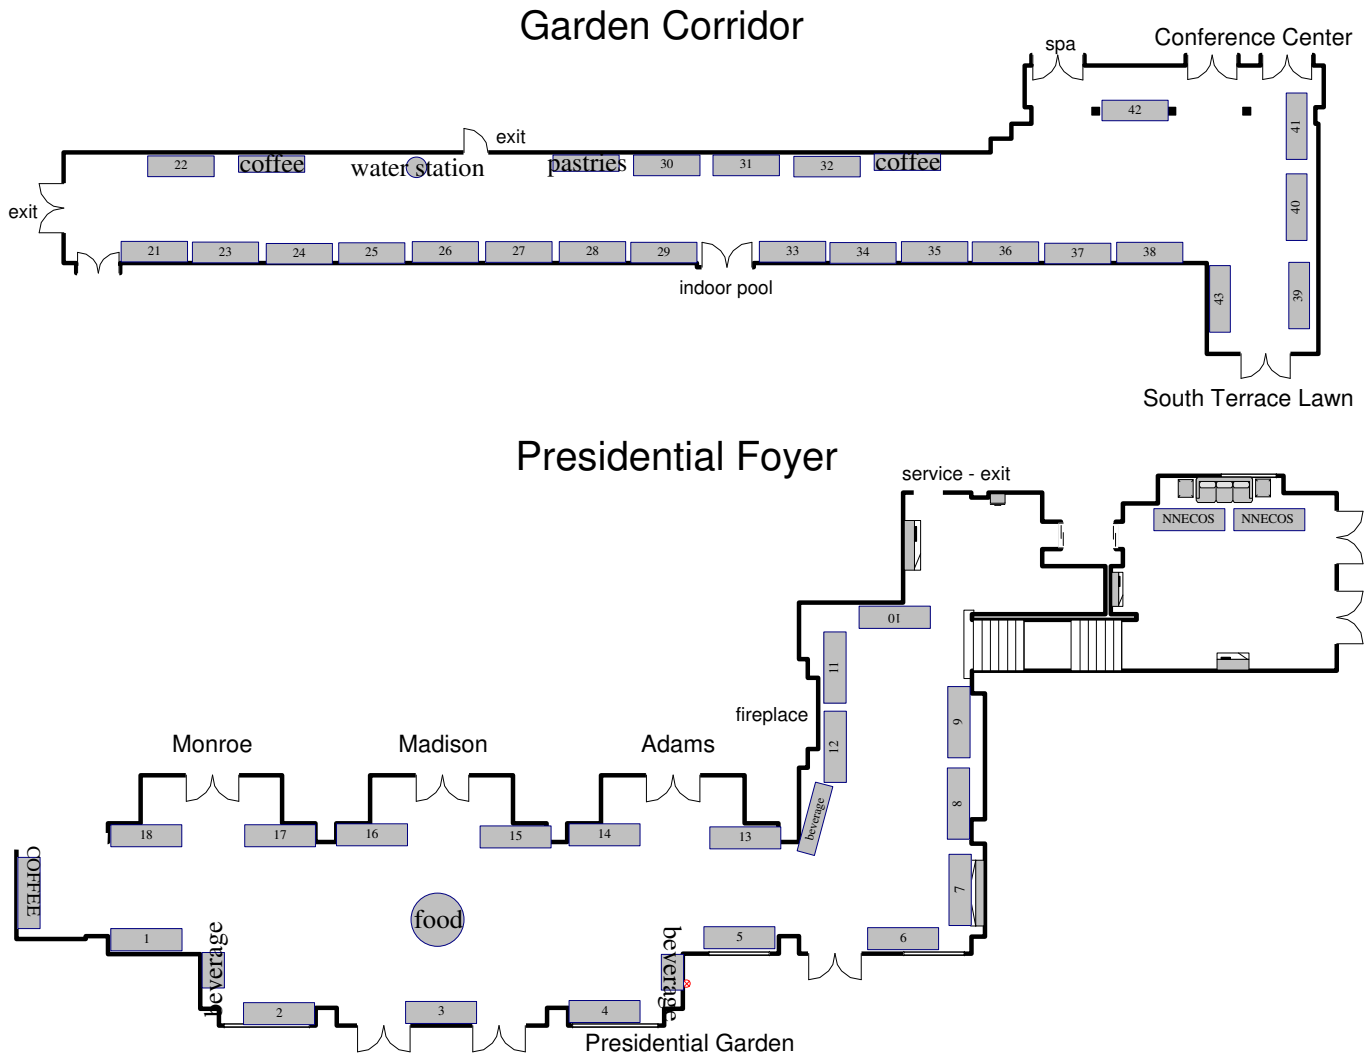

Eric Michaels is a native Vermonter and a second-generation broadcaster. His career began in high school when he was the floor director for the “Trooper Yancy Show” (the last “live” children’s TV program produced in Vermont). After serving in the US Air Force, Michaels began his radio broadcasting career in Middlebury, Vermont. For over four decades, Michaels’ voice has

been on-the-air hosting a variety of music, news and talk programs. For over thirty years he served as VP and General Manager of the Radio Vermont Group. He has also served as President of the Vermont Association of Broadcasters twice over two decades. He was inducted into the VAB “Hall of Fame” in 2002. Recognized for his many years anchoring Town Meeting, Elections and Breaking News Coverage, he was honored by the VT AP Broadcasters Association in 1997 with their “Distinguished Service Award.”

In 2010, Michaels was named a Paul Harris Fellow for his years of support for the Waterbury Rotary Club. Michaels and his news team were also received many award for live continuous coverage of Tropical Storm “Irene” in August 2011. Eric has performed as the guest Emcee for dozens of events and organizations as well as moderator for a variety of community hearings and business seminars. Michaels has been married to his wife Joyce for 45 years. They have two grown daughters and a grandson. Along with his radio career, Michaels has been escorting vacation group cruises and motor coach tours dating back to 1984.

House of Friendship

Located in the hallway on the lower level of the hotel and in the Presidential Foyer

Policy on Summit Fundraising Activities

The 2018 Rotary Mount Washington Summit is an inspirational event: our objective is to create positive impact, through caring service, powered by you! It is not a fundraiser.

We have five Rotary districts with differing cultures and languages, and we have over a dozen guest speakers and activities from worthy non-profit causes in Canada and the United States. We are not advocating for one over another, and we ask all participants not to engage in fundraising activities at the Summit. Come for the learning, the fellowship, and the celebration.

Specifically:

We have published the URL of each non-profit. Please direct folks to that page and encourage them to seek more information and (if they wish) to support your organization by going to your website.

Rotarians at the House of Friendship tables are welcome to share literature and information, and may collect for their projects incidentally (as examples, Rotary Foundation giving out flyers, a non-profit selling T-shirts for a cause, or having a donation can for your cause or non-profit), provided the main purpose of the table is informational.

No matter what kind of music you like, there is bound to be something that will get you stompin' your feet to the beat or getting the urge to sing along.

From an exciting mix of traditional Irish and Celtic songs, popular and classic music, instrumental music from the dancing traditions of Ireland, Scotland and Cape Breton, classic American hits, American, Jazz, Blues, Country, Ragtime music from the 1920-30 era, to a wide range of jazz.

There is something for everyone!

Jonathan Sarty
Friday 9-11 pm

Jonathan Sarty (Classic Americana) is a native of New England and founder of the White Mountain Boys, the Jonathan Sarty Band, and the popular Cold River Radio Show (hosted by Jonathan and his renowned Cold River Radio Band).

An accomplished songwriter, recording artist, and performer known for a great voice and versatility he has been entertaining crowds of all kinds throughout New England and beyond for decades. He has developed an extensive repertoire through years of performing.

Jonathan covers everything from Elvis Presley hits to Classic Rock hits by artists such as Neil Young, Tom Petty, Bob Seger, the Eagles, and more. From American Songbook Standards, Classic Country, Classic Rock, Rock'n Roll, Boogie Woogie, and love songs to ballads and folk songs by artists such as Cat Stevens and Jim Croce.

Whether singing Bob Dylan's works or songs of the Moody Blues Jonathan makes each song his own with style. Playing to his crowd so adeptly has made him a New England commodity, which explains why he is performing hundreds of shows a year. Whether performing with the Jonathan Sarty Band, his fabulous Cold River Radio Band, or a solo show, Jonathan is a dedicated performer who never fails to put on a great show.

Miss Maybell & Slimpickins
Friday 9-11 pm
Saturday 9-11 pm

Miss Maybell and Slimpickins are a musical duo based in New England. They play American, Jazz, Blues, Country, and Ragtime music from the 1910-40s, as well as original tunes. In addition to their regular calendar of gigs throughout New England, they have been featured on several radio stations for live performances, and their music has been aired on several radio stations throughout the US and Canada. Their music was also featured on Dan Aykroyd's Radio program "Blues Breaker". Wherever they play they bring unexpected smiles to the faces of those around them, and are guaranteed to be like no other duo you have ever seen before! They also won "Best of NH 2016" by NH Magazine for Americana Music!

"They pose like a Grand Ole Opry comedy act (think Minnie Pearl) and play music from the 1920-1930s-era, jug band, ragtime, jazz and blues with sincere virtuosity. Slimpickin's writes songs and plays classic finger-style guitar; Miss Maybell plays banjo and taps her steel brushes on a tricked-out washboard. She also commands an impressive kazoo, but the secret weapon they unleash is Maybell's vocals — deep and strong enough to join an angel choir with the likes of Bessie Smith and Billie Holiday." - New Hampshire Magazine

Entertainment

2018 Rotary Summit at Mount Washington | May 4 - 6

Siena and Dexter

Friday 3:30-5 pm

Saturday 4-7 pm

Siena Kaplan-Thompson (fiddle) and Dexter Harding (tenor banjo) have been performing together almost 3 years as half of the White Mountain Céilí Band. The band plays mostly instrumental music from the dancing traditions of Ireland, Scotland and Cape Breton. Siena's fiddling is smooth and energizing. Dexter's banjo playing is crisp and driving. Their rhythms and melodies are sure to get your toes tapping.

They have performed on the Cold River Radio Show, at the Corner House Tavern, the Tamworth Lyceum, and at the Portland, Wolfeboro and Tamworth contra dances. They appear Wednesdays weekly at the Wildcat Tavern in Jackson. They also play for farmer's markets and other events throughout the region.

Dennis & Davey

Saturday 9-11 pm

Dennis O'Neil and Davey Armstrong, the popular and multi-talented duo "Four Feet Two Shoes", bring an exciting mix of traditional Irish and Celtic songs in addition to popular and classic music.

Dennis and Davey's music is greatly influenced by traditional Irish and Scottish ballads, jigs and reels, and flavored with touches of reggae, and rock and roll. Their rapport with any audience, young and old is warm and instant. They have a great love for what they do and it shows. They have performed throughout New England and at the prestigious Bermuda folk all the while maintaining their residence in the Mount Washington Valley.

Why the name Four Feet Two Shoes? Their name is derived from Davey's preference to play the bass pedals with his bare feet – while also playing the guitar or banjo – while also playing harmonica, Celtic flute, and singing! They have a special way of creating a fun and family-friendly party atmosphere wherever they go. Their ballads are hauntingly beautiful.

Dennis and Davey have shared the stage with such diverse acts as the New England Symphony, Caeli Rain, the Austin Lounge Lizards, the New England Brass Ensemble and the Lowe Family, the Rustic Overtones, Devon-square, and Livingston Taylor.

The Bradley Jazz Collective

Sunday 8-9 am

The Bradley Street Jazz Collective performs creative arrangements of classic jazz standards as well as original compositions. The group takes its name from the street where Fryeburg Academy's Leura-Hill Eastman Performing Arts Center is located. This venue has served as a home for the group, where annual performances anchor the Bradley Street Backstage concert series sponsored by Fryeburg Academy.

The Bradley Street Jazz Collective performs both as a trio and a quartet at venues throughout the region, including Stone Mountain Arts Center (Brownfield ME), the Brick Church (Lovell, ME), and Pittman's Freightroom (Laconia, NH).
