- For the RCC training you must set up your rotary.org account (my.rotary.org). This will allow access to member information on rotary.org and to Rotary Club Central based on your club role as defined in Club Runner.
- You should do this well before the training, to be sure you have the correct access.
- Even if you have previously used rotary.org, you should verify your login as a member.
- The following instructions will walk you through the process.

(If you encounter browser issues after clicking the link above, we recommend you activate your account using a browser other than Internet Explorer. Right click on the link above and select "copy." Open Chrome or Firefox, and paste the link into the web address bar to go to the "activate account" link.)

- This will initialize your account. It may take a few days for RI to grant you full access based on your club role.
