Dear School Principal or Guidance Counselor,

Enclosed please find two posters that I hope you will be able to put up around the school. The posters have a Q code to get applications, which are available on the Rotary District Webpage <https://www.rotary7780.org/sitepage/youth-exchange>. More information is available at the ESSEX website <http://www.exchangestudent.org/EPShortTermExchangeProgram.cfm>.

In case an interested student does not have access to a computer, please ask him/her to call me. I can also send you copies of both via e-mail, in case you would like to print more.

Our District is 7780 and I will be the district contact for the program, so applications should be returned to me and I will obtain the Club signatures and pass along the applications to the District and then to ESSEX, the Rotary exchange organization.

I hope that there will be several interested students. Please contact me at my home number (207-253-1778) or my cell phone (802-356-7567).

Sincerely,

Kathi Perkins
