

HIGH SCHOOL STUDENTS: Get Ready for Adventure!

Every year, about 8,000 young people from around the world participate in Rotary's Youth Exchange Program.

With Rotary's Youth Exchange program, you will travel to another country, use your language skills, and experience the culture in this new land. You will live with a host family as you learn about their culture. You will host a student in your home as you teach your own culture.

As an unofficial ambassador for Rotary, your community and your country, you will bring the world closer together while you're making lifetime friends.

If this experience sounds like something you would like to learn more about contact a Rotarian in your community or email Kathi Perkins kperkins1@myfairpoint.net or Dick Hall dickhall7780@gmail.com
