## **From the Governor's Desk**

On my way back from a trip "Up north," the Glens Falls area, I got to thinking how much I enjoyed my last club visit, my makeup. Usually they are very interesting, lots of fun and very rewarding.

Sometimes you may feel a little apprehensive about doing a make up in a strange place, but most times after you approach the registration desk and identify yourself as a guest Rotarian, that apprehension disappears very quickly. This is especially true when you are making up in a foreign country.

Finding the club and getting there can sometimes be a challenge. However, once you get there and start talking to fellow Rotarians you feel right at home. You find that the meetings are conducted very similar to yours back home and the subjects discussed are too. However, sometimes those subjects are very different and things can happen in the meeting that are totally unexpected. I remember one such meeting in Ljubljana, Slovenia, about 20 years ago. As they went around the room, identifying guests, I was identified as a guest from the USA and that started some interesting conversation. Since I was one of the first Americans to visit their newly founded club after the Cold War had ended, they were very anxious to hear about what clubs in the US were doing and projects they were undertaking. With hardly any warning and quite unexpectedly, the club president asked me, "would you be our guest speaker this evening." I was immediately taken back, and said, I was honored, but had nothing prepared. The

president of the club said, no problem, just tell us about your club and the projects you are working. By the way, just to make this a little more interesting, we were talking through an interpreter. I didn't mention this before, but everyone but me was speaking Slovene. Fortunately for me, one of the members of the club spoke English and translated everything. I think!

In any case, I gave it a try and started to talk about my club's location, number of members, our projects and fund raisers and gave very brief descriptions of how we ran our meetings. It was quite an experience for me, not sure about them. I concluded my talk, they applauded and I sat down. The way the members came up to me at the end of the meeting seemed to indicate that their thanks were sincere and that they all enjoyed the experience. There is one thing for sure; I definitely will never forget it.

So, if you are ever travelling and have an opportunity to do a makeup, do it. Rotarians are a fantastic group of people and always make you feel so very special. And of course they should, because we know for sure, especially this year, "be a gift to the world," is exactly what Rotarians are, anywhere you travel.

BTW, this month is Youth Services Month. What is your club doing with its Interact Club, Rotaract Club, and how is your Exchange student enjoying his/her year? If you're not sure, now is a good time to find out.

Have a great month!

*DG Milan*

Albany Rotary presents  
**Rotary of Albany  
 Youth Recognition Awards Day**  
**Wednesday, May 18**  
**12 noon**

at the **American Legion**

4 Everett Road, Albany 12205

This event was originated by the club 32 years ago,  
 and honors youth from a foster-care population who  
 reside in not-for-profit agencies. The six youngsters to  
 be honored rarely receive community recognition for  
 their struggles and progress in overcoming odds that  
 most of us cannot imagine. All Rotarians in our region  
 are most cordially invited to the ceremony and  
 luncheon. Members of our club observe every year that  
 they leave this annual event feeling better than when  
 they arrived, and humbled by the stories of the each  
 youngster's courage.

David Soares, District Attorney of Albany County,  
 will be the guest speaker. Greg Floyd, anchor of  
 Channel 6 News, will act as Master of Ceremonies. The  
 agencies from which the honorees have been selected  
 are LaSalle School, St. Catherine's Center, St. Anne  
 Institute, Community Maternity Services, Parson's  
 Family and Child Center, and Equinox. Long-time  
 Albany Rotarian Brian Barr founded and still chairs this  
 unique event which has flourished under his inspiring  
 leadership. For more information, and to RSVP by May  
 5, please email [smorse3@nycap.rr.com](mailto:smorse3@nycap.rr.com) (Susan Morse).

## Community Clean Up Day

On April 23rd, the Ballston Spa Rotary Club organized a Community Clean Up day in the Village of Ballston Spa. We worked on all sorts of projects in 3 of the parks in the Village, doing some light clean up, painting, and repairing where it was needed. We also were joined by numerous other local groups such as our Interact Club, the Boy Scouts, F.A.N.S., a parents group, as well as private citizens to complete our tasks. The Village supplied the necessary paint, etc. while the rest of us supplied the manpower. Lots got accomplished and it was great to see everyone pulling in the same direction to get our little community ready for spring.

The next day, we provided food for the Curtis Lumber Jeep Educational Event. We saw lots of Jeeps being put through their paces and a great fundraising event for us. Thanks to Curtis Lumber for their sponsorship of this event.

## North Creek Rotary Announces the Doubling of Three Scholarships for 2016

Traditionally, the North Creek Rotary Club awards 3 scholarships of \$500.00 each to a deserving graduate of each of 3 area schools, Indian Lake, Johnsburg and Minerva.

This year, due to the membership of the North Creek Rotary's support of the Rotary International Foundation, the Club was able to attain a matching grant from the Foundation to make it possible for the Club to make \$3,000.00 in scholarships available.

"For many years, the North Creek Rotary Club has provided a \$500.00 scholarship to an outstanding student of each of the three schools in our area, Johnsburg, Minerva, and Indian Lake Central Schools. Students may contact the Guidance Counselor at their individual school to learn the particulars of the application and review process", remarks North Creek Rotary President, Robin De Armas.

"This year, we are proud to announce that we have applied for and received a grant from Rotary International to double the amount of the Scholarship to \$1000.00 for each recipient. Our award, which rewards leadership as well as scholarship is given to the student we think is the outstanding individual in each senior class who applies for our scholarship."

De Armas made a point of the fact that the Club's membership is very proud to make these 3 scholarships available locally and that it was the support of the membership for the Rotary International Foundation that has made it possible to acquire these extra grant funds. It allows the Club to become the conduit to funnel the funds into the local community for the educational benefit of 3 worthy graduates.

The Rotary Club of North Creek is a service organization, one of over 32,000 Rotary International Clubs worldwide. The North Creek Rotary Club was chartered on April 6, 1949. Throughout its 67- year service history, the North Creek Club has supported many different local, national and international projects.

**DISTRICT 7190 (adapted from District 6440)  
ROTARY SHORT-TERM EXCHANGE (STEP) PROGRAM OUTLINE**

- **SHORT TERM** is a program that gives students age 15 to 18 ½ the opportunity to experience a cultural exchange in a foreign country for a time period of 4 to 8 weeks, instead of a whole year. This is done on a reciprocal basis.
- **THE HOSTING CLUB** needs to meet District and RI policy (Club Pres, YEO, and Counselor need to have background check done).
- The Hosting Club YEO will visit, interview and qualify the host family and have them fill out the Host Home Application Form (background check required on all persons in household over 18 yrs).
- **THE SENDING CLUB** has to make sure that the student that wants to go abroad fills out the R.I. short-term application. Then the YEO of the sending club has to interview and qualify the student for the exchange and forward the application to the Short-term Youth Exchange Chair.
- **THERE IS NO COST FOR THE HOSTING CLUB.** It is strongly recommended to invite the visiting student to at least one Rotary meeting for getting to know him/her.
- **THERE IS NO COST FOR THE SENDING CLUB.** All expenses are paid by the student's parents. The student needs to be invited to a club meeting before leaving on his/her exchange to be introduced to club members and after returning to give a short report of his/her exchange experience.
- **COSTS.** Students pay for the airline ticket, spending money and a Rotary required health insurance plan (\$76-208 depending on options chosen). Our travel agency Tzell will provide assistance in travel plans.
- Processing fee for the application is \$ 125.00.
- **FOR MORE INFORMATION CONTACT:**

- **WHY IS THIS PROGRAM SO ATTRACTIVE TO CLUBS AND HOST FAMILIES?**
- The time commitment is much shorter for the clubs and for the families involved.
- There is little or no cost involved for the clubs.
- **BENEFIT OF THE RECIPROCAL EXCHANGE**
- It simplifies the exchange. The outbound student's family will be the hosting family for the inbound. It doubles the cultural experience, because the students of both countries are together for a longer period of time.
- It can be assumed that the host family in the other country will do for your student what they hope you will do for theirs. Lifelong international friendships are formed.

## Connect with Korea: Touch the World

### Attend the Rotary International Convention in Seoul, Korea May 28-June 1, 2016

After a very successful Rotary Convention in Sao Paulo, Brazil, Rotary turns its attention to the next Convention in Seoul, Korea, May 28-June 1, 2016. **District Governor Elect John Mucha**, from the Glens Falls Rotary Club, is organizing our District trip to Seoul. Now is the time to plan for the Seoul Convention. If you have never been to a Rotary International Convention, you owe it to yourself to make the trip. It's a great way to experience what it truly means to be part of Rotary. You will be inspired by world class speakers and enjoy fellowship with Rotarians from around the world. For more information, please check out [www.riconvention.org](http://www.riconvention.org). Seoul is a fascinating city with great food, shopping, and museums. And no VISA is required for US citizens to travel to Korea!

We will be planning District activities in Seoul and hopefully staying in the same hotel, so please let us know if you are interested in hearing more about our plans. Please email DGE John at [jmucha@roadrunner.com](mailto:jmuch@roadrunner.com) to be put on the email list.
