

The Toolb

August 2023

Whitney Pangburn ~ District Governor

Barb Wyllie ~ Toolbox Editor

Please send submissions to Barb at: THETOOLBOX7190@GMAIL.COM

Deadline: 20th of the month

From the Governor's Desk

Dear Rotary Members of District 7190,

It has been an incredible month serving as your District Governor, and I am truly inspired by the energy and enthusiasm I have witnessed during my visits to various clubs and installation events. As we embrace the joy of being back together in person, there is an undeniable sense of unity among us, fueled by our shared commitment to making a positive impact on our communities through service.

Throughout my visits, I have emphasized the importance of the three C's: Communication, Collaboration, and Cultivation. These areas are a priority to ensure our success as we strive to become more effective, impactful, and inclusive in our endeavors.

1. Communication: Fostering Stronger Connections

Effective communication is the cornerstone of any successful organization, and Rotary is no exception. As we navigate the challenges of a rapidly changing world, embracing new communication methods becomes essential. I encourage each club to explore innovative ways of connecting with members, the community, and the world at large. Embrace technology, utilize social media, and consider the power of texting to disseminate information quickly and efficiently.

2. Collaboration: Uniting Our Efforts

Rotary's strength lies in our ability to work together, transcending club boundaries and uniting as one powerful force for good. Collaboration between clubs within our district and beyond allows us to maximize our impact and address larger-scale community challenges. Let's create an environment where ideas are freely shared, and resources are pooled to create lasting change.

3. Cultivation: Nurturing Leaders and Ideas

The future of Rotary lies in the hands of our upcoming leaders. Cultivating new talent and empowering them to take on leadership roles is crucial to ensure the continuity of our mission. Additionally, we must be open to new ideas and embrace fresh perspectives to adapt to the evolving needs of our communities. Encourage the engagement of young professionals and diverse voices, for they bring innovation and vitality to our organization.

To further promote the incredible service projects and initiatives undertaken by our clubs, I urge each one of you to share information about your projects with our public image team. By spotlighting these activities through news outlets, newspapers, and social media, we can celebrate your efforts and inspire others to join our cause.

In the spirit of camaraderie, I am thrilled our district has partnered again with the Tri-City Valley Cats for "Rotary Night at the Joe." This will take place at Joe Bruno Stadium in Troy on August 3rd. This event will be a wonderful opportunity for fellowship and networking while enjoying an evening of entertainment and goodwill. Join us as we recognize all the Rotarians of the Year from 2020-2023.

Information is posted here on page 4, our website and our Facebook page. To register click on: [Group Portal Login](#) - [Glitnir Ticketing](#) Password: **rotary**

As we move forward together, let us continue to embody the spirit of Rotary and live up to our motto of "Service Above Self." By embracing the three C's of Communication, Collaboration, and Cultivation, we can undoubtedly create a lasting impact in the lives of those we serve and strengthen the bonds within our Rotary family.

Thank you for your unwavering dedication, and I look forward to the exciting journey that lies ahead for Rotary District 7190.

Yours in service,
Whitney Pangburn
District Governor, Rotary District 7190

The CNY Rotary Leadership Team Is Growing & You Can Join

Submitted by CNY Rotary Communications

The CNY Rotary Steering Committee is excited to announce several chair appointments that have recently been confirmed. This team will help lead some of the key committees a district needs in order to best support its clubs and all are coming in with experience in their respective specialties. Please give a warm congratulations to the following Rotarian leaders:

Membership Chair - Kimmy Talbot, Scotia Rotary
 Foundation Chair - Don Reese, Utica Rotary
 Finance Chair - Doug Larison, Cortland Rotary
 Youth Exchange Chair - Zoren Bullock, Trumansburg Rotary
 Training Chair - Deb Glisson, Onondaga North Rotary
 Public Image Chair - Deb Eves, Chestertown Rotary
 CNY Rotary Secretary - Dana Jerrard, Utica Rotary

But these chairs won't work alone! In fact, they will be leading committees that are designed to be bigger than any that our current, individual districts have ever had. And that's where YOU come in! **The time has come for you to submit your name and let us know which committee you would be interested in joining.** There are many ways to get involved in supporting our clubs' membership, public image, Foundation giving and grants, Youth Exchange and more. There are even new committees that still need to be built for Rotaract, Events and Service. All the details and the contact form for signing up can be found on the Get Involved tab at www.cnyrotary.org. All are encouraged to express their interest by completing that [contact form](#) by **August 31, 2023**.

Are you ready to serve your fellow Rotarians by providing them with the training and resources to grow their clubs and increase their impact?

Are you looking for new experiences that will expand your network of Rotary friends and grow your Rotary IQ?

Are you excited to meet more Rotarians from all around the new region?

This is your call to action! Let us know what would be fun and rewarding for you, as well as what fits your unique set of skills. All levels of experience welcome. Go to the Get Involved tab at www.cnyrotary.org today!

Follow @CNYRotary on Facebook and Instagram to share in the exciting news of our newest leaders and get updates. Contact us at centralnyrotary@gmail.com if you have questions or feedback.

SAVE THE DATES: March 15-17, 2024

Shenendehowa Supports the Ride for Missing Children

Submitted by Barb and Eric Hamilton

The Albany RFMC is a benefit bicycle ride that supports the two main programs of the National Center for Missing and Exploited Children (NCMEC) a 501(c)(3) not for profit organization. Those two main programs are searching for missing children and providing educational opportunities to kids to teach them how to stay safe in our communities as well as when online. These programs are taught free of charge in the school districts that the Ride rolls through on ride day.

This year's Ride takes place on Friday **September 22nd** in Saratoga County. It starts and finishes at the **Southern Saratoga YMCA in Clifton Park**. On Ride Day, we ride 100 miles 2x2, escorted by the Saratoga County Sheriff's Department and the NY State Police with local law enforcement controlling the intersections we roll through.

If you would like to help this worthy cause either by riding a short distance with the group, helping raise awareness in our local schools, or your Rotary, or by donating funds or goodies for the ride or another way **please text Ritch Anthony at 518-772-9019**.

Schenectady Rotary's Installation Luncheon Recap

June 29, 2023, Turf Tavern, Scotia, New York

Submitted by Joanne DeVoe

Rotary District 7190 District Governor Whitney Pangburn presided over the installation of officers and directors for Schenectady Rotary at the club's recent Change Over meeting on June 29th at the Turf Tavern in Scotia, NY. Incoming Officers for 2023-2024 are: President Lisa Jackson, President-elect Andrew Chestnut, Vice President Rick Marchand, Secretary Bonnie Keller, Assistant Secretary Amy Brule, Treasurer, Mac Sudduth, Assistant Treasurer Donna Tessitore, Sergeant-at-Arms Wayne Brule, and Immediate Past President Nicholas Clay. Directors include Carmel Patrick, Brian Merriam, Fred Daniels, Jim Salengo, Rick Marchand, and Laura Erano. Carmel Patrick was the MC, Chris Henry offered the invocation, and Pat Barney introduced visitors and guests.

Mona Golub received the Chuck Steiner Award in memory of Chuck's service, dedication, and leadership to both the Schenectady Chamber of Commerce and the Schenectady Rotary in recognition of her business acumen and philanthropic impact. Marcy Steiner presented the award in honor of her late husband.

Club Awards were presented as follows:

Rising Star Award: Brie Ptak-Mimura: This award goes to a new club member who demonstrates unusual enthusiasm, dedication, and hard work to the ideals of Rotary.

Rotary Community Service Award: James Salengo - The Schenectady Rotary Community Service Award recognizes a Rotarian who makes a positive impact in the community through service projects that improve the community.

Rotarian of the Year: William (Mac) Sudduth: The Rotarian of the Year is bestowed to one member of the Schenectady Rotary Club who demonstrates extraordinary enthusiasm and dedication to the ideals of Rotary and exemplifies the idea of service above self.

Immediate Past President Nick Clay's Presidential Awards included:

Star Advocate Award: Joanne DeVoe for excellence in promoting our club to the community and public at large.

Money Ain't a Thang Award: Lisa Jackson for leading one of the best rotary fundraising years which allows us to support our community in much grander ways.

Most Dedicated Rotarian Award: Amy & Wayne Brule for having unquestionable devotion to our club despite challenging circumstances and enough years of service to easily take a back seat.

Well-Traveled Award: Brian Merriam for sharing our club with the world and the world with our club during his travels to Haiti, Germany, India, and beyond.

Rotarian Superstar Award: Bonnie Keller for going above and beyond in all responsibilities. Demonstrated outstanding performance as our long-time secretary. Maintaining impeccable records. Being a key contributor to the sponsorships of our club's biggest fundraiser. And a key person in supporting and guiding others.

Schenectady Rotary was founded over 100 years ago. For membership information contact Rick Marchand.

Schenectady Rotary Club Presents the Chuck Steiner Award to Mona Golub

June 29, 2023, Turf Tavern, Scotia, New York

Submitted by Joanne DeVoe

The third annual Schenectady Rotary-Steiner award in memory of former Schenectady Chamber of Commerce Executive and Rotarian, Chuck Steiner was recently presented to Mona Golub in recognition of her demonstrated excellence in both business and philanthropy. Steiner was revered for his leadership skills and his ability to unite people and organizations of divergent opinions toward a common goal. Attributes shared with Golub.

As Vice President of Public Relations and Consumer Services for the newly merged Northeast Grocery, Inc. - serving Price Chopper/Market 32 and Tops – Mona oversees corporate communications, community and government relations, consumer services, corporate social responsibility, and philanthropy for the nearly 300-store chain. She has been the driving force behind many of the unique, personalized partnerships that earned Price Chopper national recognition for its community involvement, customer connectivity and social responsibility over the years.

Outside of her pursuits in the supermarket industry, Mona established a series of free, world-class concerts and events at Schenectady's Central Music Haven back in 1990. As Volunteer Producing Artistic Director, she has invited audiences from all corners to 'travel the world one concert at a time' in the heart of Schenectady's Central Park. Music Haven's multi award-winning success inspired The Passport Series – Music Haven at Proctors Collaborative, which presents diverse international concerts in between summers.

Mona was born and raised in Schenectady, NY, graduated from Niskayuna High School and received a BA in English and Romance Languages with high honors from Bowdoin College. She is married to

Schenectady businesswoman Marie DeBrocky and is the proud mother of her 26-year-old son, Ira, who is a business consultant in NYC. She currently serves on the board of directors for Proctors Theater, The Schenectady Foundation, Discover Schenectady, The Foundation of The Chamber of the Capital Region and on several project and special event committees.

The award was presented by Chuck Steiner's widow, Marcy Steiner, who remarked "... Chuck held great admiration for Mona Golub, making this presentation extra special".

Are You Being Blessed?

Submitted by Brian H. Merriam, Chairman
Schenectady Rotary Club International Committee

How do you know if you are being blessed? Does it require that you merely receive a blessing to appreciate it? Or does it require that you lose something first so as to realize just how blessed you have been all along? This is how I feel every time I return to the United States from my humanitarian mission trips to Haiti. I usually travel there once or twice a year on behalf of my Rotary club where we typically bring water filters to give to schools, orphanages and medical clinics. I have been doing this kind of work for 20 years and find it heart-breaking and yet simultaneously inspiring.

Haiti is a country 90 minutes by air flight from Miami. The country shares 1/3 of the island of Hispaniola along with the Dominican Republic which occupies the other 2/3. Haiti has a population of over 11 million people and is characterized as the poorest nation in the Western Hemisphere. According to the US State Department, the average Haitian lives to the age of 62, the infant mortality rate is 14 times higher than the US, and unemployment is between 40-70% depending on how you define employment. Many of the deaths in Haiti are attributed to intestinal disorders caused by poor sanitation and lack of reliable, clean water. This is where my appreciation for blessings begins to become more apparent.

Here in the US, it is safe to say that even the water in the dirtiest restroom in the poorest community in America is likely safer to drink than the water in the nicest hotel in Haiti. In America we have naturally good water, abundantly obtained from filtered aquifers, chlorinated by application of law, and administered by countless water authorities across the US. Haiti lacks natural filtration in its soil. Chlorine is not put in by the municipalities and those who are able to obtain safe water are buying it from private vendors and/or Culligan. Yet, when you and I turn on the tap we likely do not think about how the water became safe to drink; nor do we consider that it might not be safe to drink. Oh, I know there have been some rare cases where a municipality was dealing with an unusual situation where there may

have been an impurity in the water supply, but you know these situations are rare, and they bring national attention and remediation. But imagine if the norm was that clean water needed to be purchased, daily, from some vendor of questionable merit. Imagine that a percentage of your income was constantly being spent to help cure your family of the illnesses they were suffering because of contaminated water. Imagine the heartache of seeing the weak in your family dying because you couldn't afford the cure.

As I asked earlier: how do you know you are being blessed? For me, it is helping with water projects in a country like Haiti where I see the devastation caused by poverty, corruption, inflation, lack of sanitation and lack of clean water. When I am able to place a free water filtration system into the hands of a school administrator, I know I am being a blessing to those school children. When I teach about hygiene in an orphanage, I know I am being a blessing in the lives of those orphans. And when I return to the US I am reminded that all of the blessings of being an American are still intact waiting to bless me as well.

For more information on how you can help the Schenectady Rotary in its clean water initiatives in Haiti, please contact me so you too may be a blessing to those who are in such great need.

Above, Brian at a contaminated spring in the community of Matogou, Carrefour, Haiti, the only free water source available. In partnership with Rotary International we are looking to drill a new well, build 3 distribution kiosks and provide chlorination to provide clean, safe water for 20,000 residents.

Take the Diversity, Equity & Inclusion Summer Survey

Submitted by the future
CNY Rotary DEI Committee

All members of Districts 7150, 7170 and 7190 are asked to help provide feedback for the future Diversity, Equity and Inclusion (DEI) committee. Your honest responses to this survey will take less than five minutes and will help the committee better understand how to support our clubs and members. Survey responses can be done anonymously, although it is required that you provide your club's name and district number. We ask that each member only complete the survey one time. [Click here](#) to submit your response before August 31st.

Rotary International's DEI Taskforce recently updated their statement, strengthening our commitment to embracing and exemplifying diversity, equity and inclusion in our organization. You can view Rotary's statement on DEI [here](#).

If you would like to get involved in the work of this committee, please contact Cheryl Matt at cherylmatt7150@gmail.com.

Louise Beckerle Rourke is a polio survivor from six months of age. With her right leg paralyzed, she is a lifetime swimmer of Lake George. In 2018 Louise Rourke was joined by Bridget Simpson in a two-person relay to swim the length of Lake George. This epic 32-mile "Swim To End Polio" raised over \$120,000 for polio eradication. The dedication and determination of people like Louise motivates Rotarians and others today to not give up until global eradication of polio is complete.

Michael K. McGovern,
Rotary International PolioPlus Committee Chair

"Louise's book brings to life her remarkable journey and success in overcoming adversity. It is a moving and personal story of her deep appreciation of Lake George. This is truly an inspiration and pleasure to read."

Kitty Rooney,
Lifelong Lake George resident, Lake George Historical Association Trustee

"This is a book about *memories* and *mission*. It is an inspiring, heart-warming, motivating memoir of the purposeful path that Louise Rourke took from being stricken with polio as a young child to become the Queen of the Queen of American Lakes. Jump in the water with Louise in this swimmingly touching story."

Dr. Joel Goodman,
Founder and CEO of The HUMOR Project, Inc. in Saratoga Springs, NY
