From the Governor's Desk

Greetings Rotarians!

As we progress into this new year, many Rotarians and club leaders are making plans and setting goals. Many of these goals relate to the future of our clubs or our roles within Rotary International. As District Governor I am busy executing the plan I made a year ago. I am pleased to communicate what has been already accomplished and importantly, where we are headed next. Of course, we engaged the typical planning for a District Governor year which includes budget preparations and vote, a few years of learning about processes and resources, planning for the years events including trainings and social gatherings and working with the D7190 District Governor (DG) track, committee chairs, assistant governors (AGs) and club presidents for the Rotary year 23'-24'.

This year was a bit unique for us as we also had/ have many other plans to make, in particular the excitement of our new district that is being built. It's important to recognize that at the conclusion of this Rotary year, when we join two other rotary districts to celebrate the beginning of our new district, CNY Rotary, our District 7190 responsibilities will need to, in essence, "close down." This meant we had to appoint additional members to our District Governor track for an extended 18-month term as we wind those district activities down. Your current District Governor track includes: PDG Sam Hall, PDG Fred Daniels, PDG Bruce McConnelee, PDG Denise

DiNoto as well as myself. We also enhanced our District Treasurer function to ensure our district books were clean and kept on track to prepare to close them out. This is where Beth Kissinger has made great contributions of her time and talents to our district this year, and PDG Sue Austin has also served in a new unique role made this year to help support Beth. We are fortunate to have many others who serve our district in a supporting role offering guidance and assistance where needed.

Much of this year's planning however has been in anticipation of our new district. In keeping with full transparency, the prospect of CNY Rotary has been at many times exciting however there have also been concerns brought to me by our district members. Each concern presented is important, many have been voiced by long standing Rotarians who have made important and valuable contributions to our district that have brought us to where we stand today. But first, some background.

The role of a Rotary District largely is to aid the clubs. As many of you know, the decreasing membership of our clubs has been the driving decision behind the development of this new district. Rotary International at times creates new districts; however, if membership declines, they must act as fiduciaries to our resources and combine districts. Rotary International was at that

Continued on next page...

point of “redistricting” our district a few years ago. This would have meant our clubs and members likely would have been split up and added to other nearby districts or even added to a district hours away. A few of our previous district governors decided to be proactive and help decide our future in a way that did not strip us of local decisions and our history. Unfortunately, both District 7150 (Syracuse area) and 7170 (Binghamton Area) were already showing the same signs of membership decline and after many conversations, we all collectively agreed to put in the work to form a new district that we could all help create.

Where do we stand today? Rotarians from each of the three districts have likely put in thousands of hours of planning to lend their experience, share best practices and help build our new district from scratch. Some conversations have been easy and some were admittedly difficult. However, we were all working toward the same goal, uniting as one. This said, some of our members are still uncertain or frustrated about this new district. Over the coming weeks, I will identify key concerns voiced by D7190 members and let you know where we stand on addressing them. This information will largely be communicated by email however I will also work to have it added to the district website. In some cases, we are well advanced; in other cases, there is much work remaining. With that, I urge each of you to get involved or ask questions. I hope I have clearly articulated over the last 7 months the new opportunities to get involved in committees and leadership or to learn about what is happening through some of our communication. The entire team and I are happy to give updates.

Stay tuned for additional information to come!

Thank you for everything you do for our local and global communities. What would the world be like without Rotary in it?

Best regards,
Yours in Rotary Service,
Whitney Pangburn

CNY Rotary Leadership Team Expansion Continues – Get Involved Today!

Submitted by CNY Rotary Communications

As we continue to build out the CNY Rotary leadership teams, new committees are emerging and all members are invited to join them.

CNY Rotary Events

This committee will help plan and oversee all events held in our region, from training assembly to conference, and everything in between. There are a variety of roles available on this committee which can appeal to any level of commitment and experience from a volunteer. The chairperson is a big role, as is the CNY Rotary Conference Chair, but we also have opportunities to help us execute one social event or work on one area visit for the CNY Rotary President. It is especially important to have a variety of members from across the region in order to bring local knowledge we'll need to identify events, venues and opportunities for fun. [Click here](#) to learn more about the scope of this committee's work and all the job openings we need to fill. While there, you can submit your name to get the invite to the first CNY Rotary Events Committee meeting in March!

CNY Rotary Service

The next new committee is one that will get to do a lot of work with our clubs. The new CNY Rotary Service Committee will serve us by pulling together resources that will make it easier for clubs to do service projects, evaluating the impact of our service-related activities, celebrating and recognizing great service happening in CNY, and providing direct support and guidance to clubs seeking help with existing or new service projects. We are looking for people who are passionate about not only growing Rotary's service, but doing so in meaningful and purposeful ways to ensure we increase our positive impact on the world. We need people who can populate databases, provide logistical advice, help do community assessments, and be communicators about the work of CNY Rotary Service. There are many out there who have service experience and know-how they could bring to this team. If that is you, we hope you will [click here](#) for more details, and use the form on that page to submit your name and get involved.

But wait, there's more!

In addition to filling up these new committees, we are still seeking support on Membership and Public Image in particular. We need some more team members to help us bring membership resources to our clubs, be there to answer questions, work with the training committee and more. We also need someone to help with social media, our future website, and provide support to our smaller clubs that have skill gaps when it comes to things like graphic design. [Click here](#) and then identify the committee you are interested in for more details on the roles they need to fill. There is a contact form you can use let us know you want to get involved!

When more people come forward to help, it makes everyone's work easier. In order to right the ship, we need everyone rowing in the same direction to grow membership, distribute grants, deliver vital communications, put on special events, grow our service impact and so much more. Now is the time to step up and lend your skills! Visit www.CNYRotary.org and be sure to follow @CNYRotary on [Facebook](#) and [Instagram](#) for the latest news and information.

CNY Rotary Grants Management Training

Register for The Virtual Session Now

Submitted by the CNY Rotary Foundation Committee

A group of committed volunteers from throughout the CNY Rotary region have been developing a District and Global grants program that will provide opportunities for every club in CNY to bring the Magic of Rotary to their communities, the region, and the world.

This grants program will be a change from those that have existed in our legacy districts – 7150, 7170, and 7190. It is essential that your club leaders receive training in the new programs and procedures so that all of our clubs can take full advantage of this opportunity.

In order to qualify for a district grant, your club must have at least two (2) participants attend and complete the District Grants Management Seminar. For virtual sessions, cameras must remain on throughout the training for full participation.

The first of at least three seminars will be held virtually, via Zoom, at 7:00pm on Wednesday, February 7, 2024. **Registration in advance is required** – [click here](#) to go to the registration page. After completing the registration, you will receive an email with a Join Meeting button that will connect you to the meeting.

For additional information, please follow CNY Rotary on [Facebook](#) or [Instagram](#), or visit www.cnyrotary.org/foundation.

What's New at President Elect Training This Year - Register Now!

Submitted by Empire MD PETS Committee

After a recent survey of incoming club presidents, we know that about half have been president before. So why come to training if you've already done it before? There are dozens of reasons, but here are our top three!

PETS is never the same twice

With new leaders planning the curriculum, new speakers, new topics and new attendees each year, no two Pre-PETS sessions nor PETS weekends are the same. Like snowflakes! This year, we'll even be at a new location. Please do not blow off this learning experience as one you've had before because no one has ever experienced *this* PETS before!

Everyone has something to offer

Whether you have been Club President five times or you have been in Rotary for five months, everyone has something to offer in a facilitated learning environment. Sure, our speakers will present new and inspirational information for you to learn from, but the majority of your learning will be facilitated. That means you will all be sharing your clubs successes and challenges, as well as your personal and professional experiences that lend to our many break out session topics. *Every individual who attends PETS contributes to the experience of every attendee.*

We have new and more advanced classes for experienced leaders

If you are an Encore President, serving another term to lead your club, we have a special track of breakout sessions just for you. Topics will include Conflict Management, Diversity, Equity & Inclusion, Adapting Existing Clubs in the Action Plan, and a direct Q&A with the head of all membership at Rotary International, Brian King. These will be led by district and Rotary International leaders that you likely have not met before.

It is our hope that every club will be represented at the Empire Multi-District President Elect Training Seminar, March 15-17 at the DoubleTree on Carrier Circle in Syracuse. If your club's incoming president is unable or unwilling to attend, someone else can go in their place. Clubs have already paid for someone to go, so take advantage of this learning opportunity for a new member, a board member, a membership chair, a future leader or even your current president to get a refresher.

The hotel room block ends February 13th, so do not wait to make your reservation.

Get the link to book your room and register to attend at www.RotaryEmpireMDPETS.org. There you will also find the full schedule, details like what to wear, speaker bios, FAQ's and more.

Be sure to follow [Empire Multi-District PETS on Facebook](#) for updates, tips and helpful reminders.

Exciting News Direct from the Rotary Club of Saratoga Springs

(Reprint)

Submitted by Marisa Flynn

The **Rotary Club of Saratoga Springs** is excited to announce that we will be celebrating two big events in 2024.

Our **50th Home and Lifestyle Show** on **March 2 & 3** at the **Saratoga Springs City Center**. We are proud to bring together vendors of all kinds for the public to visit and learn of the services that they offer. We have had tens of thousands of visitors over the years and plan to have a banner year this year.

The **100th Anniversary** of the founding of our club. We plan to celebrate this momentous occasion in style with a black-tie event at the **Canfield Casino** on **Saturday, May 18th**. We have lined up a very special speaker, Dave Patterson, music presented by Déjà Vu Jazz combo, and many fun surprises for this event. You won't want to miss it!

Our club's mission is to give back to our community and Rotary International with the funds that we raise and give back locally, with our time, our efforts, and our financial support. We have given to so many local non-profit organizations over our 100 years and hope that you will join us with support for the Home & Lifestyle Show and the 100th Celebration.

Enclosed, you will find our sponsorship package with many levels to suit your needs.

Sincerely,

Be the next member of THE POLIO PLUS SOCIETY

What is the PolioPlus Society? In an effort to increase sustainable giving, the PolioPlus Society (PPS) was formed to encourage Rotarians to commit to a minimum **\$100 donation** to the PolioPlus Fund until polio is eradicated from the face of the earth.

Society members receive a special PolioPlus Society pin to wear with honor.

5 REASONS WHY WE MUST ERADICATE POLIO

1 YOUR GIFT WILL IMPROVE LIVES.

Today, 20 million people who would otherwise be paralyzed by polio are walking, and 1.5 million people who would otherwise have died are alive.

2 YOUR GIFT WILL INVEST IN THE FUTURE.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year. A polio-free world will be a healthier world for children everywhere.

3 YOUR GIFT WILL IMPROVE CHILD HEALTH.

Polio surveillance networks and vaccination campaigns also monitor children for other health problems, like vitamin deficiency and measles, so we can address them sooner.

4 YOUR GIFT WILL LOWER HEALTH CARE COSTS.

The global effort to eradicate polio has already saved more than \$27 billion in health care costs since 1988, and expects to save \$14 billion more by 2050.

5 YOUR GIFT WILL MAKE HISTORY.

Polio eradication will be one of history's greatest public health achievements, with polio following smallpox to become only the second human disease eradicated from the world.

Louise Beckerle Rourke is a polio survivor from six months of age. With her right leg paralyzed, she is a lifetime swimmer of Lake George. In 2018 Louise Rourke was joined by Bridget Simpson in a two-person relay to swim the length of Lake George. This epic 32-mile "Swim To End Polio" raised over \$120,000 for polio eradication. The dedication and determination of people like Louise motivates Rotarians and others today to not give up until global eradication of polio is complete.

Michael K. McGovern,
Rotary International PolioPlus Committee Chair

"Louise's book brings to life her remarkable journey and success in overcoming adversity. It is a moving and personal story of her deep appreciation of Lake George. This is truly an inspiration and pleasure to read."

Kitty Rooney,
Lifelong Lake George resident, Lake George Historical Association Trustee

"This is a book about *memories* and *mission*. It is an inspiring, heart-warming, motivating memoir of the purposeful path that Louise Rourke took from being stricken with polio as a young child to become the Queen of the Queen of American Lakes. Jump in the water with Louise in this swimmingly touching story."
