## From the Governor's Desk

In the land of Rotary, January is vocational service month. Rotary International holds that vocational service is intrinsic to our shared experiences. It is, in fact, **The Object of Rotary**.

*The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:*

*First: The development of acquaintance as an opportunity for service;*

*Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;*

*Third: The application of the ideal of service in each Rotarian's personal, business, and community life, and;*

*Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.*

If 2021 taught us anything... certainly a tall order in my own case... it has helped us to recognize there is a common ingredient in **The Object of Rotary** which binds us together: kindness. When you look at the four ideals listed above, kindness is the binder in each.

And so, I wondered what the great Google in the sky might have to say about kindness. I asked: what are the kindest things that have happened in 2021? And, after the miracle of vaccines development was fully described, I chanced across this article from Global Citizen ([click here](#) to see the full article). It references 2021 progress in the following kindness areas:

1. **Defeating Poverty:** More countries are stepping up to support rural farmers living in poverty; small communities are

supporting each other to combat food insecurity; China eliminated malaria; a new HIV vaccine has shown a 97% response rate in Phase 1 clinical trials; and, El Salvador is trying to expand access to education through digital resources.

2. **Defend the Planet:** 77 countries in the world now have announced full or partial ban on plastic bags; and, Reddit investors adopted 3,500 endangered gorillas in 6 days.
3. **Demand Equity:** Canada passed two laws to affirm the rights of indigenous peoples; the US made Juneteenth a federal holiday after decades of campaigning; misogyny is now a hate crime in England and Wales; governments, corporations and philanthropists pledged \$40 billion of investments in gender equality initiatives at the Gender Equality Forum; and, more regions of the world are tackling period poverty.

This article was written in August, and by now even more kindness has been generated. As Rotarians our fingerprints are on a number of these global initiatives, and at the local level we are even more active. We should feel good about what we do, even though what remains to be done seems daunting at best.

Thank you for the role you play. Thank you for supporting the world's most dynamic all-volunteer organization, by far. During the holidays, hug those you love often, and gently explain to them how what you are doing will make their lives better tomorrow. And, then find a way to hug a stranger with a good deed or deeper commitment.

Everyone can use a little kindness in their lives, and kindness starts with you. Have you been kind today?

***Yours in Rotary Service,***

***DG Bruce***

## **Glenville Rotary Club Sponsors Annual Veterans Day Event**

by Peter Lewis

November 11 at 11:00 AM Glenville celebrated its annual Veterans Day Event sponsored by the Glenville Rotary Club. A patriotic parade of military flags touched off the event escorted by the GPD and Thomas Corners Fire Dept. Each of the military banners were proudly presented, to the tune of their respective anthem, and surrounded the podium. The last flag to be brought in was the POW/MIA flag honoring the over 80,000 men and women who are listed as missing in action. It was led in by Scotia-Glenville High School bagpiper Cameron Breslin playing Amazing Grace. The BH-BL Choraleers followed up with the singing of the National Anthem.

Five local war veterans were awarded "Service Above Self" plaques of appreciation for their service and sacrifice: Robert Brandt was a WWII Navy sailor; David Pisano was a Vietnam Veteran as well as Michael Carhidi who was a Purple Heart recipient. Michael Ward was a Marine who had served in Saudi Arabia, and Linda Brandt, a retired Colonel from the 109<sup>th</sup> ANG who had over 2,700 hours as a Flight Nurse.

It has been Glenville's custom to lay wreaths at the Veterans Monument out of respect for our veterans, signifying our continuous commitment as American citizens to honor and remember the sacrifices made by generations of fallen heroes in defense of our American way of life. Club Colonel Frank Quinn invited several of the local community groups to show their respect by laying wreaths at the monument.

Original, Glenville Rotary issued, American Flag Veteran's pins were once again awarded to all Veterans in attendance. Also dispensed were stars from retired American flags accompanied by a poem of remembrance.

Glenville Club member, Ed Culhane, provided his annual patriotic poem for the occasion:

### **The Elevens**

On a long-ago November's eleventh hour and  
eleventh day, the fighting and the killing ceased, and  
for peace the world did pray

But sadly, peace was not to be,  
So, our soldiers still sacrifice, so we can  
be free.

History shows down through the years  
Our soldiers conquered combat's fears  
They bravely marched off to each war,  
As their faithful forebearers did before.

We must never forget what they have  
paid,  
And the sacrifices, they have made.  
So, let's take time this Veteran's Day,  
And bow our heads to fervently pray.

That come a November's eleventh day  
and hour,  
When we yield ourselves to the Almighty  
power,  
That we may finally see peace prevail,  
And put an end to war's travail.

'Till that day comes let us give thanks  
To the men and women of all ranks  
Who swore the oath to protect and defend  
And preserved our Nation for family and  
friend.

EC 2021

Both the Glenville Town Supervisor, Chris Koetzle and State Senator Jim Tedesco gave their usual inspirational talks. The program ended with the ringing and reciting of 23 names of previous awardees who have passed over the years and was followed with the playing of Taps by Sgt Ramirez from the 109<sup>th</sup> ANG. Approximately 150 people participated on a beautiful Fall Day.

## District Historian's Report

by Fred Carvin

District Historian

### Sharon Springs, NY

Chartered January 3, 1948 - Sponsored by Cobleskill - 74 years of service

The Sharon Springs provisional club was approved by R.I. on January 3, 1948. Its charter celebration occurred Thursday evening, February 5. The new Rotarians and guests enjoyed pine-apple cabbage salad, baked ham and fresh apple pie with cheese. Rev. Robert Moore, the first elected president greeted twenty-one community leaders to the new club, along with 125 visiting Rotarians and "a few Kiwanians from a near-by village." District Governor Wiley boasted, "The Sharon Springs outfit looks like a winner." For years, the Sharon Springs Charity of Choice funds were generated by the successful Annual Wine and Tea tasting held at Clausen Farm B&B.

### Northville, NY

Chartered January 10, 1950 – Sponsored by Gloversville - 72 years of service

Nominated District Governor James H. Casey 1961 -1962

Nominated District Governor Lee Barnes 1987-1988

The idea of a Rotary Club in Northville started in June 1949 when Walt Casanova wrote, "I had a letter from Floyd Brownell, a lawyer in Northville, saying he had been talking Rotary with Carlton Nellis and some other men who were interested and ready to go." With help from both the Johnstown and Gloversville Rotary clubs, roughly eight provisional meetings were held in Northville before R.I. issued a new charter on January 10, 1950. According to the *Morning Herald* newspaper reported January 18, "Because of the enthusiasm, loyalty, and fellowship found in the community, Thomas McDermott, Nyack governor of District 255, predicted the Northville Club will become one of the outstanding [clubs]."

During the charter night program held at the Tower Hotel in the village, 156 members from twenty-one different Rotary clubs on hand to welcome the new recruits.

Coming close to disbanding a few year ago, Northville has rallied to become, once again, a vital contributor of service to its community, district and world. Congratulations on keeping the spirit of Rotary alive.

### Shenendehowa, NY

Chartered Jan. 29, 1958 Sponsored by Burnt Hills-Ballston Lake - 64 yrs. of service

Nominated District Governor Francis Almstead 1982-1983

Nominated District Governor Anne Cargile 2006-2007

The process of establishing a club in Schenendehowa actually started in 1955, when Axel Freiburg from Burnt Hills/Ballston Lake began surveying the territory. According to District Governor Hines, the prospects looked discouraging, but Axel never quit. Enlisting the help of John King-chairman of the district extension committee and George Moore. Their efforts paid off when Shen's charter event occurred at the Edison Club on March 11<sup>th</sup>, where first club president Fred Droms, Jr. received the presentation from Governor Hines.

Shen was number 4 of 5 clubs chartered by the team of Moore and King during Governor Hines year. This was the second time; five clubs were chartered in one year. The first time occurred in the 1940's when Governor Al Bantham and extension chair Walt Cassanova had five clubs.

### Schenectady East, NY

Chartered Jan. 23, 1976 Sponsored by Schenectady - 46 yrs. of service

Nominated District Governor Susan Austin 2013-2014

It had been 8 years since District 719 had chartered a new club. District Governor the Reverend C. Walter Kessler had been wrestling with the need to establish a breakfast club somewhere. The main roadblock was finding a club willing to shift their territorial boundaries to allow a new club to exist. Enlisting the aid of Tony Renna to conduct a survey, the Schenectady club showed a willingness to establish a breakfast club.

*Continued on next page...*

Within a month, enough new members were on board to apply for a charter that was granted on Jan. 3, 1976. The charter dinner held March 24, at the Hogan's Towne House Restaurant, heard Rotary International Director George Uhlig from Pennsylvania welcome the new members to Rotary.

Club president Bill Himmelwright wrote of the occasion, "We of Schenectady East Rotary want to take this opportunity to express our appreciation to the Schenectady Rotary Club for its continuous support in getting our club started and to extend a special thank you to the following Rotarians of the Schenectady Club for their tireless efforts: Tony Renna, Harry White, George Horch and President Art Laurence.

All clubs are encouraged to protect and save the mementos of their past. If you have any questions regarding how to accomplish this; or have specific questions regarding Rotary history, please contact Fred Carvin at [Qbyfred@verizon.net](mailto:Qbyfred@verizon.net).
