Denise DiNoto ~ District Governor

Barb Wyllie ~ Toolbox Editor

Please send submissions to Barb at: THETOOLBOX7190@GMAIL.COM

Deadline: 20th of the month

From the Governor's Desk

G'day Rotarians! I am writing this, my final Toolbox newsletter, sitting in the Melbourne Convention Center watching all of the Rotarians who have gathered at the International Convention. It is an uplifting and inspirational event, full of fellowship and fun.

Some of you know of my past history with Australia. In 1990, I left New York State to be a youth exchange student and spent my senior year of high school in Tasmania, Australia. That year was one that would change the trajectory of my life, leading me on the path to eventual Rotary membership and District Governor.

What an honor it has been to reconnect with my host families and friends from Australia. Prior to coming to the RI Convention, I had the chance to visit Tasmania and the Rotarians who took a chance on a young American exchange student. These Rotarians gave me permission to try new things, explore new ideas, and develop into a self-assured, independent young woman. I was also given a safe space in which to fail, and the opportunity to try again when I didn't first succeed. I returned to the US ready to take on the challenges of college and employment as a person with a disability because of the advocacy skills I got to practice in Australia.

Sitting in the general sessions, listening to the inspiring speakers and watching the crowd, I am struck again by the breadth of this organization. Our Rotary membership grants us access to a global network of friends united for positive change. When we see someone wearing the Rotary logo, we see a friend we haven't met yet rather than a stranger.

Your Rotary membership may not take you to Australia. It may not even take you outside of the USA. But your membership gives you instant connection to millions of potential friends who are committed to the same ideals that drive us: truth, goodwill and better friendship, equity, and fairness. This year we have imagined many dreams and turned them into new projects. My wish for all of you is that you continue to imagine, and serve selflessly, with compassion and gratitude.

It has been an honor and privilege to serve as your District Governor this year. Thank you for letting me witness the results of your imagination. As you continue your work, remember to keep saying yes, do it all. You never know if you'll get another chance!

DG Denise

Save the Date!

The Rotary District 7190 Annual Meeting will be held on Tuesday, June 20 at 7pm. This meeting will be held on Zoom and is open to all Rotary members of District 7190.

Please watch your email for more information as the meeting date approaches.

THANK YOU

7190 District Governor Denise DiNoto for all you have done for Rotary and us this past year!

Your strength, positivity, and leadership have helped pave the way for our upcoming merge, and over the hurdles we have encountered along the way.

With warm regards and gratitude,

Your 7190 Rotarian Friends

Northville Rotary presents its annual Woodworking and Fine Arts Show July 14th -16th

Northville Rotary's Fourteenth Annual Woodworking and Fine Arts Weekend July 14-16 will feature more than 50 accomplished artists from this area and beyond. Woodworkers, jewelers, weavers, potters, photographers, painters, and many other artists will display and sell their artwork at the Bradt Building and Town Park on Main Street in the Village of Northville on the beautiful Great Sacandaga Lake.

We are proud to announce that this year's Featured Artists are **Diane Babin** from Schenectady who creates intricate and unique pine straw bowls and wall hangings as well as **William Paul Wiatr** of Poland, NY whose beautiful paintings of the area earned him the name of "The Adirondack Artist".

The festivities will run Friday from 5:00-8:00. Hours Saturday will be 9-4 and Sunday 10-3 and include demonstrations, raffles, and a silent auction. Food can be purchased from a number of vendors. Proceeds from this event will be used throughout the year to provide scholarships to students, support community organizations, and projects of Rotary International.

Salem Rotary News

by Al Cromier

At a recent Salem Rotary Club meeting, Salem's Japanese exchange student, Mei Hashimoto, for the 2022-2023 year, and David Viall, outgoing student to Belgium for the 2023-2024 year, were welcomed. Since no Salem student applied to be Salem's outgoing exchange student for the coming year, the Salem club offered to take on the responsibility of hosting an outgoing student for the Scotia Rotary Club. David's mother attended the meeting as well, taking the photograph of the attending Rotarians and the two students. Mei and her host families and David and his family were invited to attend the Salem exchange student picnic in Salem to be held on June 19. Salem club president, Tom Rogers, has announced that Salem's incoming exchange student for the next school year was coming from India--a first for Salem and the second for District 7190.

Free College Courses

By Lon Penna, Niskayuna Rotarian

Do you know any HIGH SCHOOL STUDENTS, ANYWHERE IN THE WORLD, who would like to take FREE COLLEGE COURSES, July 3 to Aug 10. (FREE if outside the USA, and FREE for USA Juniors & Seniors who qualify for the free or reduced lunch program.)

The courses are being offered by Hudson Valley Community College (HVCC). [My wife Helen attended HVCC when she learned to be an X-ray technician.]

The work is all online, so you don't need to coordinate your schedule with the teachers. You can attend and learn using a smartphone, but to complete all requirements to get the official college credits, it is much better to have access to a computer. Your Internet service does not need to be strong.

Courses are in biology, nutrition, health, education, justice, personal finance, accounting, business, engineering, programming, economics, child development, electricity, electronics, art, history, marketing, philosophy, astronomy, politics, psychology, social problems, and more. For the complete course list and to register, visit <https://www.hvcc.edu/programs/highschool/global-classroom/>

Trees for Prosperity by Eric Hamilton

Since Rotary's areas of focus has included the environment, Shenendehowa Rotary has included a series of projects that add a border of native tree species to Garnsey Park, Rexford. Incrementally this adds trees as a border between Route 146 and a wildflower meadow. This spring two more trees, nursery grown red oaks, were added. Volunteers from Rotary were joined by volunteers from the Shenendehowa Nordic Club to plant the two trees on Saturday morning before Mother's Day. In the image below taken by Ray Anthony, the hole is being measured to assure it is the proper size to accommodate the root ball and soil augmentation around it.

In the following image captured by Eric Hamilton, the two oaks lovingly planted with green watering collars are being readied for water. Route 146 is to the left. The potential Interact member is seen checking and rescuing tadpoles in the irrigation water.

Exchange Students Spruce Up Clayton, NY

"The In-bound and Out-bound exchange students from all three districts (CNY) attended the District Conference in Clayton, NY. While there they contributed to 2 service projects. The attached is a news article that was published about them and their service projects." *Thomas Rogers*

By KATHY TABER-MONTGOMERY

Watertown Daily Times

CLAYTON — It was sunshine and smiles on Saturday as 27 Rotary International Youth Exchange students walked the streets of Clayton to provide community service as part of an annual conference held this year at the Harbor Hotel.

Students worked alongside members of Rotary International from Districts 7150 Mohawk Valley and Central New York, 7170 Binghamton area, and 7190 Albany area, with a representative of the Clayton Floral Society, and fellow exchange students to clear trash and debris to beautify the community.

While community service was a small part of the threeday three-district event, participation in the conference greatly impacted those in attendance, including the exchange students. Inbound Chairperson for District 7150 William "Bill" Rosentel coordinates exchange students visiting the United States, in Central New York, through the Rotary program. He assisted the students throughout the conference.

Mr. Rosentel said, "It's important for Rotarians to meet our inbound youth exchange students. The conference features a parade of flags, and the students each represent their

countries. There are information tables about various programs. Guest speakers. The students and Rotarians learn a lot from each other."

Visiting the United States from Brazil, teenager Maria Melo De Carvalho has been residing with a family in Broome County since August. She and the other exchange students were excited to travel north for the large three-district Rotarian conference.

"We learned about polio; Rotary wants to eradicate it. And we learned about a program helping people to go to college," she said. "Meeting exchange students from other districts and learning about their culture, language, customs, and getting to know each other has been fun."

Cesar Kihlbergh of Sweden resides with a family in Glens Falls, and Alejandra Lahoz-Outhwayte of Spain lives near Oneonta. Both students agreed with Maria's commentary.

After wrapping up the afternoon service activities, some students visited The Scoop and took advantage of a photo opportunity with the business owner and Area Governor Mary Zovistoski of Clayton Rotary.

Louise Beckerle Rourke is a polio survivor from six months of age. With her right leg paralyzed, she is a lifetime swimmer of Lake George. In 2018 Louise Rourke was joined by Bridget Simpson in a two-person relay to swim the length of Lake George. This epic 32-mile "Swim To End Polio" raised over \$120,000 for polio eradication. The dedication and determination of people like Louise motivates Rotarians and others today to not give up until global eradication of polio is complete.

Michael K. McGovern,
Rotary International PolioPlus Committee Chair

"Louise's book brings to life her remarkable journey and success in overcoming adversity. It is a moving and personal story of her deep appreciation of Lake George. This is truly an inspiration and pleasure to read."

Kitty Rooney,
Lifelong Lake George resident, Lake George Historical Association Trustee

"This is a book about *memories* and *mission*. It is an inspiring, heart-warming, motivating memoir of the purposeful path that Louise Rourke took from being stricken with polio as a young child to become the Queen of the Queen of American Lakes. Jump in the water with Louise in this swimmingly touching story."
