The Power and Importance of the Rotary Foundation

Dear Rotary District 7190,

As your District Governor, I have had the privilege to witness firsthand the transformative power of our collective efforts in support of the Rotary Foundation. This foundation is more than just an annual commitment; it's the heart and soul of our global commitment, enabling Rotarians worldwide to advance world understanding, goodwill, and peace.

The Foundation is a beacon of hope. Every dollar contributed translates to a change in someone's life, be it through eradicating polio, providing clean water, improving health, providing quality education, improving the environment or alleviating poverty. Our efforts through the Foundation are not just about raising funds, but about raising hopes, dreams, and aspirations for countless individuals worldwide.

It's a reminder that when Rotarians come together, armed with compassion and the support of the Rotary Foundation, there's no challenge too big for us to tackle.

I'm thrilled to host the upcoming Foundation Dinner on November 16th at the Edison Downtown (not the golf course.) This evening is not just a celebration, but an opportunity to learn, reaffirm our commitment, share our success stories, and inspire each other for the journey ahead. The event will feature, Rotary Foundation Trustee, Dean Rohrs traveling to us all the way from British Columbia.

***The Edison Downtown, 132 Broadway,
Schenectady NY 12305***

I urge each one of you to attend, to be a part of this beautiful evening dedicated to our foundation's mission. Let's come together, not only appreciate our past endeavors but to also envision a brighter, more hopeful future. "Proud of our past, Focused on our future."

Thank you for your unwavering dedication to Rotary and our shared mission. Together, let's continue to make the world a better place, one act of service at a time.

LAST CALL FOR THE DIVERSITY, EQUITY & INCLUSION SURVEY

Submitted by the future CNY Rotary DEI Committee

Thank you everyone who completed this survey over the summer. We had a good response, but would like to hear from even more members in Districts 7150, 7170 and 7190 in order to have a sufficient sample size. All are asked to help in providing this helpful feedback for the future Diversity, Equity and Inclusion (DEI) committee. Your honest responses to this survey will take less than five minutes, and will help the committee better understand how to support our clubs and members. Survey responses can be done anonymously, although it is required that you provide your club name and district number. We ask that each member only complete the survey one time. [Click here](#) to submit your response before November 30th.

Rotary International's DEI Taskforce recently updated their statement, strengthening our commitment to embracing and exemplifying diversity, equity and inclusion in our organization. You can view Rotary's statement on DEI [here](#).

If you would like to get involved in the work of this committee, please contact CNY Rotary DEI Chair Pam Baxter at pammyrotary@gmail.com.

Be the next member of THE POLIO PLUS SOCIETY

What is the PolioPlus Society? In an effort to increase sustainable giving, the PolioPlus Society (PPS) was formed to encourage Rotarians to commit to a minimum **\$100 donation** to the PolioPlus Fund until polio is eradicated from the face of the earth.

Society members receive a special PolioPlus Society pin to wear with honor.

5 REASONS WHY WE MUST ERADICATE POLIO

1 YOUR GIFT WILL IMPROVE LIVES.

Today, 20 million people who would otherwise be paralyzed by polio are walking, and 1.5 million people who would otherwise have died are alive.

2 YOUR GIFT WILL INVEST IN THE FUTURE.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year. A polio-free world will be a healthier world for children everywhere.

3 YOUR GIFT WILL IMPROVE CHILD HEALTH.

Polio surveillance networks and vaccination campaigns also monitor children for other health problems, like vitamin deficiency and measles, so we can address them sooner.

4 YOUR GIFT WILL LOWER HEALTH CARE COSTS.

The global effort to eradicate polio has already saved more than \$27 billion in health care costs since 1988, and expects to save \$14 billion more by 2050.

5 YOUR GIFT WILL MAKE HISTORY.

Polio eradication will be one of history's greatest public health achievements, with polio following smallpox to become only the second human disease eradicated from the world.

Salem Rotary Club News

By Al Cormier

In keeping with the Salem Rotary Club's interest in promoting foreign exchange student programs, a \$1000 check was presented to Zachary Eastman by club President Randy Dumas at a recent Rotary Club meeting. The donation helped to pay for expenses accrued by the music exchange this past summer. Salem Washington Academy music teacher Zachary Eastman and his assistant Iris Rogers, were influential in organizing the German Youth Exchange Music Program. Salem area families hosted fifty German students and their chaperones during their 14 day visit. In addition to experiencing rural living, local events and places of interest, the group visited New York City. The Ludinghausen Music School Youth Orchestra, led by Matthias Lichtenfeld, and the Salem Festival Chorus, led by Zachary Eastman, performed in concert before a large crowd on July 7 at Salem Central School. The exchange program began in 2004 making this the fourth exchange.

Fund raising plans are now being made for a group of Salem area students to travel to Ludinghausen, Germany next summer. Rotarians interested in making a donation to this exchange should contact Rotarian Al Cormier at 518-854-3527. Thank you.

A Charitable Foundation of Your Very Own

(Article Rerun)

By Lon Penna

How would you like to start your own Charitable Foundation? You could even name it after yourself, like "The Mary Smith Charitable Fund". The Rotary Foundation can set it up for you. It's fast. It's free. The money you add to your own fund is federally tax deductible. Anyone who contributes to your fund also gets a tax deduction. No need to submit annual tax returns because The Rotary Foundation will do that for you. Who decides how the money is invested? Who decides how the money is spent? It can be you.

Or your children. Or your grandchildren. Or your club members. Or anyone you select. What's the catch?

Well, you will need to contribute 1% to the Rotary Foundation every year. So, if your fund has \$10,000, your Fund will automatically contribute \$100 to The Rotary Foundation. But guess what? The Rotary Foundation is restricted to using your \$100 to carry out charitable projects. Who could ask for more than that? So, Mary Smith, if you would like more information on setting up The Mary Smith Charitable Fund, contact Heidi Stimac, Planned Giving Specialist, The Rotary Foundation, 847.866.3188, planned.giving@rotary.org. Or you can contact Niskayuna Rotary at NiskyRotary@gmail.com. Niskayuna Rotary has already set up its own fund and would be glad to help you or your club or your organization do the same. Our Fund is named after the major donor, "The William Green III – Niskayuna Rotary Donor Advised Fund #451". Our fund has about \$20,000, so the interest earned allows creating a Paul Harris Award annually, as was the original intent.

But be aware that TRF Donor Advised Funds are restricted to donating to other 501c3 organizations and for scholarships. This means you won't be able to use the funds for club projects, like putting up benches in the park. But you can use the funds to donate to The Rotary Foundation's Annual Fund, Polio Plus, Rotary Grants, all of which create Paul Harris Awards. And your fund can donate to the many registered charities in your neighborhood and across the nation.

Louise Beckerle Rourke is a polio survivor from six months of age. With her right leg paralyzed, she is a lifetime swimmer of Lake George. In 2018 Louise Rourke was joined by Bridget Simpson in a two-person relay to swim the length of Lake George. This epic 32-mile "Swim To End Polio" raised over \$120,000 for polio eradication. The dedication and determination of people like Louise motivates Rotarians and others today to not give up until global eradication of polio is complete.

Michael K. McGovern,
Rotary International PolioPlus Committee Chair

"Louise's book brings to life her remarkable journey and success in overcoming adversity. It is a moving and personal story of her deep appreciation of Lake George. This is truly an inspiration and pleasure to read."

Kitty Rooney,
Lifelong Lake George resident, Lake George Historical Association Trustee

"This is a book about *memories* and *mission*. It is an inspiring, heart-warming, motivating memoir of the purposeful path that Louise Rourke took from being stricken with polio as a young child to become the Queen of the Queen of American Lakes. Jump in the water with Louise in this swimmingly touching story."

Founder and CEO of The HUMOR Project, Inc. in Saratoga Springs, NY
