From the Governor's Desk

Anyone who knows me well, knows that I love quotes. Quotes inspire me and perhaps make me think in ways I had not considered before. I have quotes all over my home and office. Thank You to PDG Fred Carvin for some of the quotes that I have been inspired by in his book Capital Region Rotary-A History of Rotary International in District 7190 and for others I asked to supply me with their favorites. I hope you will enjoy the quotes I have included below.

PDG Arvie Eldred, District 7190 stated in his District Conference speech on April 8, 1947, "What kind of community do we as Rotarians want? We as Rotarians have the power within to generate a lot of energy to get the things we want and it is our duty as Rotarians to do it."

PDG E. Victor Wiley, District 7190 stated in January 1949, "It is important that we review our history and growth once in a while just to refresh our memories and renew our faith in this movement we know as Rotary international. None of us know too much about Rotary, and most of us know too little."

For our Presidents: PDG Albert Bantham, District 7190 stated in November 1948, "The Presidency of the Rotary club in not just another honor, to be discharged with as little effort as possible. The eyes of the members and the citizens of the community are on the incumbent all the time."

PDG George Reynolds, District 7190 stated in January 1973, "The Rotary emblem you wear on your lapel is more than a piece of jewelry. It is a badge of distinction, a symbol of pride, a link with fellow Rotarians the world over. Wear it daily-with pride."

PDG George Frost, District 7190 stated in his governor's newsletter January 1985, "The Paul Harris recognition is neither a decoration or something given because it is paid for. The honor and privilege of being able to contribute is by no means diminished when the Rotarian himself makes the contribution. It matters not who pays when the

contributions are for causes of world understanding and peace-a Paul Harris Fellow is an exceptional honor."

PDG John Quatrini, District 7190 stated in an interview November 2003, "We can add members all over the place. The bigger question is keeping those we have. Retention is involvement. If you have people involved in things they want to do, then they will always stay with you."

PDG C. Blair Hartman, District 7190 stated in an interview December 2003, "The perfect Rotarian is someone who wants to do some service, who feels the obligation to give back and who is willing to help. The perfect Rotarian will come to meetings, take on tasks when asked to, and get other people involved."

Trustee Mary Beth Growney Selene, who will be our featured speaker at our Foundation Event in November, provided me with her favorite quote, "I've learned that people will forget what you've said, people will forget what you did, but people will never forget how you made them feel" Maya Angelo

PDG Harriet "Pepi" Noble, District 7190: "If you think you are too small to make a difference, try sleeping with a mosquito" Dali Lama

PDG Susan Austin, District 7190: "Be the change you want to see in the world" and "Be the person your dog thinks you are."

PDG Melissa Ward, District 7190: "If you're not having fun, you are doing it wrong"

And last but certainly not least, DGE Larry Jones has as his tag line on his emails, "In the firm belief that a strong and vital Rotary movement is in the highest interests of people everywhere" William Rusher

Food for thought folks...

Be The Inspiration!

It's Open Mic Night at the Inspiration Café

A 60's style coffee house takes center stage on Friday night, May 3 at the 2019 Conference of Clubs at the Essex Resort and Spa in Essex Junction Vermont.

Come on down, relax and visit with old friends and make some new ones too. We will display our club banners, have a casual supper and then the Inspiration Café opens for fun and entertainment.

A short history of the 60's coffee houses from a cultural standpoint: coffeehouses largely serve as centers of social interaction: the coffeehouse provides patrons with a place to congregate, talk, read, write, entertain one another, or pass the time, whether individually or in small groups.

Do you play an instrument, sing, write or recite poetry, like to perform?? Then Open Mic is for you.

We'll have audio equipment (including Karaoke) so you can bring along your instrument and play some jazz with your friends, sing folk songs or one of your own, recite poetry or put on a comedy skit. Signup sheets will be available that evening but if you have questions please let us know now.

Coffee, desserts and a cash bar will round out the evening.

For more information please contact Pam Baxter at pamb7190@gmail.com

WOODSTOCK FESTIVAL HISTORY

On August 15 through 18, 1969, one of the most celebrated music festivals in history took place in Bethel, New York. At a time when Americans were deeply divided, over 400,000 people from across the country gathered in Max Yasgur's fields to celebrate "Three Days of Peace and Music." The three days of legendary performances, unimaginable mud, and unforgettable experiences helped the Woodstock Music and Art Fair become a symbol of an entire generation.

FESTIVAL FACTS

~ The community was not prepared for the crowds that began arriving. By Thursday, August 14, much of the area had become an enormous traffic jam.

~ Jimi Hendrix played what many consider to be the festival highlight, on Monday, August 18, when only 35,000 people—a small fraction of the crowd—remained.

~ ~ ~

ARE YOU A WOODSTOCK MUSIC AND ARTS FESTIVAL ALUMNI??

Where were you on August 15 - 18, 1969?? Stuck in traffic on the way to the largest music festival ever produced? Maybe you made it onto the grounds at Max Yasgur's farm in Bethel, NY and heard the music that changed a generation.

If you were there for any part of the three-day festival let us know – we'd love to hear your story at Peace Love Rotary, the 2019 Conference of Clubs, May 3 – 5, 2019 at the Essex Resort and Spa in Essex Junction, Vermont.

Please contact Ray Otten at rcotten53@yahoo.com

Community Care

Each year, Ballston Spa Rotary presents Ballston Spa School District with about 50 filled backpacks to help students in need. This year is no exception. The backpacks were presented at the end of August, in time for the students to return to school.

These Rotarians presented a check to Gateway House, a local Hospice care center. This home helps folks near the end of their journey pass with dignity and comfort while receiving great care to make their ordeal as comfortable as possible. See the photo below

Each month they also assist their local Food Pantry by traveling to the Regional Food Bank in Latham to bring back hundreds of pounds of can goods and other food items to keep the Food Pantry stocked for those in need. Some of these helpers are pictured below.
