Julie M. Carney, District Governor

Issue 10

Comparing the Rotary year winding down and the occurrence of an eclipse offers an interesting perspective on cycles, transitions, and the natural and organizational rhythms of time. Here's a comparison between the two:

Cyclical Nature:

- **Rotary Year:** The Rotary year follows a predictable annual cycle, starting on July 1st and ending on June 30th of the following year. This cycle allows Rotary clubs and districts to plan and implement projects, fundraisers, and community service activities systematically.
- **Eclipse:** Eclipses, whether solar or lunar, occur in predictable cycles due to the relative positions of the Earth, Moon, and Sun. While not as frequent as the annual Rotary cycle, eclipses provide a reminder of the cosmic cycles that influence our planet.
- **Transition and Renewal:**
  - **Rotary Year:** As the Rotary year winds down, clubs and districts review their accomplishments, celebrate successes, and prepare for leadership transitions. It's a time for reflection, planning, and renewal.
  - **Eclipse:** An eclipse represents a moment of transition and renewal in the natural world. It can symbolize endings and new beginnings, prompting people to reflect on their lives and the world around them.
- **Global Awareness:**
  - **Rotary Year:** Rotary International, with its global network of clubs and members, focuses on international service, understanding, and peace. The Rotary year encourages members to think globally and act locally, fostering cross-cultural understanding and cooperation.
  - **Eclipse:** Eclipses capture global attention, with people around the world watching and experiencing this natural phenomenon. They serve as reminders of our interconnectedness and shared experiences as inhabitants of Earth.

(Continued on page 3)

(Continued from page 2)

- Significance and Reflection:
  - Rotary Year: The end of the Rotary year is a time to assess the impact of service projects, evaluate goals, and set new objectives for the upcoming year. It's an opportunity for individual Rotarians and clubs to reflect on their contributions to their communities and the world.
  - Eclipse: Eclipses have been viewed with awe and wonder throughout history, inspiring myths, legends, and scientific inquiry. They encourage reflection on the vastness of the universe and our place within it.
- Community Engagement:
  - Rotary Year: Rotary clubs engage with their communities through various service projects, fundraisers, and events throughout the year. They build relationships, address local needs, and make a positive difference in people's lives.
  - Eclipse: Eclipses often bring communities together, with people gathering to witness this rare event. They provide opportunities for shared experiences, discussions, and educational outreach about astronomy and science.

So, while the Rotary year winding down and the occurrence of an eclipse may seem unrelated at first glance, they both offer insights into the cyclical nature of time, transitions, community engagement, and reflection. They remind us of the interconnectedness of our actions, our communities, and the natural world around us.

**WHAT TO DO WITH YOUR GLASSES AFTER**

Solar eclipse glasses can be sent to Latin America for children to enjoy the August 2024 eclipse!

Send them to Eclipse Glasses USA. Make sure to ship your glasses by August 1st so they can be sent to kids before the eclipse! Their address is below.

**Ship by August 1st.**  
Eclipse Glasses USA, LLC  
TO: PO Box 50571  
Provo, UT 84605

SAINT LOUIS  
**CITY**  
RECYCLES

Start collecting them at a Club meeting and I will coordinate a pick up time. If you are going to be attending the District Training Assembly on April 13th, we will have a collection box at the trade show. We will also have one at the District Conference in Saratoga Springs April 26-28!!

One of the primary beneficiaries of this initiative are school children in countries that might not have easy access to eclipse glasses. By redistributing these glasses we hope to provide educational institutions with the tools they need to offer their students a safe and enlightening eclipse viewing experience. What an IMPACT!

May 1, 2024 I will be sending all that have been collected!  
Thank you for Creating Hope in the World!!

## Celebrating Paul Harris' Birthday and Supporting a Vision for Diversity, Equity, and Inclusion

April 19th marks the 156th birthday of Rotary founder Paul Harris. Rotary was founded in 1905 by Chicagoans Paul Harris, Gustavus, Loehr, Silvester Schiele, and Hiram Shorey. Our founders came together to join in fellowship, and later to provide service to the community. From the start they met weekly for lunch with the intent to help each other in business. The group spearheaded their first community project in 1907 and by 1910 had expanded to 16 clubs.

From these humble beginnings, Rotary International has grown to be one of the world's largest service organizations with over 1.4 million members across 46,000 clubs in 167 countries, with the expansion to the inclusion of women to full membership in 1989. Rotary brings together professional leaders to provide humanitarian services, encourage high ethical standards in all vocations, and to advance goodwill and peace around the world.

In the heart of Rotary's global network, we find a commitment to building a world where people unite and take action to create lasting change. This commitment extends beyond mere words and these values are woven into the fabric of our organization and how diversity, equity and inclusion are truly core values of any Rotarian:

1. **Diversity:** At Rotary, we understand that our strength lies in our differences. We celebrate the contributions of people from all walks of life, regardless of age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sexual orientation, or gender identity. Our clubs and communities thrive when they reflect the communities we serve and engage a range of leaders from diverse backgrounds, businesses, and experiences.
2. **Equity:** Equity is not about treating everyone the same; it's about recognizing that each person's journey is unique and how to provide differing levels of support, opportunities, and resources so that every participant feels welcomed and empowered. Equity ensures that barriers are dismantled, allowing all members to flourish.
3. **Inclusion:** Inclusion is the warm embrace that says, "You belong here." It's about creating experiences where all people are respected, valued, and heard. In Rotary, it doesn't matter who you are, whom you love, how you worship, or where you come from. What matters is your commitment to strengthening communities and driving positive change.

### Rotary's DEI Commitment:

- We believe that exemplifying and embracing DEI should be part of everything we do.
- Our vision of a world where people unite and take action can only be realized through a diverse, equitable, and inclusive culture.
- We recognize historical barriers faced by certain groups and commit to advancing equity in all aspects of Rotary.
- We value both visible and invisible qualities that make each person unique.
- Transparency is our compass; we acknowledge where we are in our DEI journey and strive to learn and improve continually.

As we celebrate Paul Harris, let's build bridges, break down walls, and create a world where unity and lasting change flourish. Commemorate his legacy with a gift to The Rotary Foundation at [www.rotary.org/donate](http://www.rotary.org/donate)

## Literacy Corner

Notes from your District Literacy Committee:

FYI – Whereas the literacy rate in Cuba is 99%, it is about 40% in the U.S. with 20% of older Americans in the Rochester area functionally illiterate.

So, save the dates:

APRIL 13 (7:30 a.m. to 12:30 p.m.) at the DTA at the Canandaigua Academy. Our Committee will present at both a session and a booth.

SEPTEMBER 28 is the Literacy Seminar (9 a.m. to noon) at the Clifton Springs Hospital.

respectively submitted by Nancy Aumann on behalf of the District Literacy Committee

## Strategic Planning Workshop

The Rotary District 7120 Strategic Direction/Planning Committee assists and guides the development and updating of the strategic direction of the district and its Rotary clubs.

Do you dream of your Rotary Club being known as the premier service organization in your community? Would you like to retain and attract more members to your Rotary club? You can achieve all this and more when you discover the value and importance of an effective Strategic Plan. These concepts have helped many clubs grow membership and become a sought-after leader in their community.

Making a commitment to keep or regain vibrancy within your Rotary Club is the beginning of an attitude mind-shift that will allow your club to transform the results of its efforts from average to EXTRAORDINARY.

A well-designed strategic plan allows the club to more effectively use its budget dollars, member's skills and community resources to make a positive difference locally and internationally. The process sets the stage for continued strategic visioning and organizational growth development.

For more information or to schedule a workshop for your Rotary Club, contact ...

LETTER OF COORDINATION

**Subject: Spring 2024 Environmental Project**

Submitted by Gary Anderson

1. BACKGROUND. Each year, the district Environmental Action Committee sponsors a fall and spring project. This year the District Governor has expressed a desire to combine the annual spring Great Lakes Watershed Clean-Up with a project to plant Milkweed in unused areas to encourage the Monarch Butterfly population. Milk weed is a main source of nourishment for the beautiful and endangered species, but its habitat has been diminished due to development in many places.

2. OBJECTIVE. To continue the district's ongoing efforts to keep the Great Lakes Watershed in our area and related watersheds clean and to increase the population of Milkweed in the district.

3. EXECUTION

- a. Each club is asked to select a clean-up project area during the Earth Day (22d) or a time of their choosing as well as identify unused area where Milkweed can be grown and plant seeds.
- b. As always, the clubs will be asked to decide where their efforts are best spent.
- c. Clubs are asked to provide their own resources in their areas, but the Environmental Action Committee will assist with answering questions and inter club coordination.

4. LOGISTICS. Clubs will provide their own resources, but some suggested sources of Milkweed seeds are listed below:

5. COMMUNICATIONS, COORDINATION. AND PUBLIC AFFAIRS

- a. Coordination contact point is Gary Anderson (EAC Chair) gwa1948@aol.com phone 571-212-0483
- b. Clubs are encouraged to submit pictures and stories of the spring activities the Marilyn Lyon at the Grapevine to share with the rest of the district Marilyn Lyon <lyon@geneseo.edu>
- c. Clubs are also encouraged to share their activities with local news outlets.

Note: This list is not all-inclusive, and clubs that have other sources are welcome to share them

INFECTIOUS DISEASE UPDATE:

COVID-19, INFLUENZA, RSV, and POLIO

March 10, 2024

PDG DAVID HANNAN

DISEASE PREVENTION  
AND TREATMENT

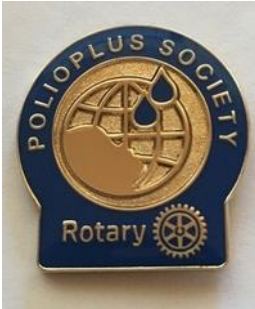

COVID-19, INFLUENZA, RSV, and Other Respiratory Diseases:

The U.S. Center for Disease Control and Prevention has revised its guidance for when to stay home and when to return to normal activities after respiratory infections including COVID-19, Influenza, and RSV.

1. Individuals should stay home and away from others, including people they live with who are not sick, if they have respiratory virus symptoms that are not better explained by another cause. These symptoms include fever, chills, fatigue, cough, runny nose, and headache.
2. Individuals can go back to normal activities when, for at least 24 hours, both of the following are true: a.) Symptoms are getting better overall, and b.) They no longer have a fever, without the use of fever-reducing medication.
3. When going back to normal activities, individuals should take added precautions over the next 5 days, including taking additional steps for cleaner air, hygiene, masks, physical distancing, and testing when they will be around other people, especially older adults, young children, and those with weakened immune systems. Children under 2 should never wear a mask.
4. Keep in mind that people may still be able to spread the virus that made them sick, even if they are feeling better, so it is important to take extra precautions after resuming normal activities.
5. If individuals develop a fever or start to feel worse, they should stay home and away from others again. They should use the same criteria for returning to normal activities as when they first had symptoms and take added precautions over the next 5 days.
6. There is additional guidance for healthcare workers.
7. Additional information is available at [CDC.gov](https://www.cdc.gov) and [health.ny.gov](https://www.health.ny.gov)

POLIO:

1. A resident of Rockland County, who had not traveled overseas, contracted Polio in 2022 and the Polio Virus has been detected in sewage samples in Rockland, Orange, Sullivan, and Nassau Counties, and in New York City. Fortunately, there have been no other cases in the US.
2. Polio is a paralyzing and potentially deadly disease. The IPV (Salk) Polio Vaccine is safe and effective. It has been used for decades, is required for school entry in NY, and is available to anyone over 2 months old. Protect yourselves and your family. If you had the full Polio Vaccine series as a child, you do not need a booster at this time.
3. There were 12 cases of Wild Polio Virus Type 1 worldwide in 2023, the last in Pakistan on October 24, 2023. No cases have been identified in 2024.
4. I will be giving a detailed presentation on the PolioPlus Campaign of Rotary International at the District 7120 Training Assembly in Canandaigua on Saturday, April 13.

**Our wish is to have at least one member of the PolioPlus Society from every club.**

Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.

As a founding partner of the [Global Polio Eradication Initiative](#), we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.

Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.

**By the numbers:**

- \$3 average cost to fully protect a child against polio
- 430 million children in total vaccinated in 39 countries in 2017
- \$100 million cost to conduct polio surveillance worldwide

**District 7120 now has a PolioPlus Society recognized by Rotary International. To become a member, you pledge to donate \$100.00 or more per year until Polio is eradicated in the world. October 24<sup>th</sup> is World Polio Day – please consider participating by making this pledge. The commitment form is below! Remember that every dollar is matched 2 to 1 by the Gates Foundation.**

## The Polio Plus Society

As a Rotarian and supporter of Polio Eradication, Rotary's Number One Priority,  
I wish to participate in the Countdown to History as a member of the

### PolioPlus Society of District 7120

I hereby commit to making an annual donation to the PolioPlus Fund of The Rotary Foundation as follows (select one):

- \$100 USD per year (minimum amount to become a society member)
- A contribution of \$ \_\_\_\_\_ per year to PolioPlus (more than \$100)

I pledge to help Rotary make history by continuing to contribute the above amount each year until the World Health Organization certifies that polio has been fully eradicated because ...

***Until the world is polio-free, every child is at risk.***

Society members will receive a PolioPlus Society membership pin. Your contribution qualifies for Paul Harris Recognition and Major Donor credit.

To make your tax-deductible donation go to [my.rotary.org/donate](https://my.rotary.org/donate) and click on "Polio Fund". You can choose a one-time donation of \$100 or more, or a recurring donation in the amount and frequency of your choice (We suggest \$10/month as the "easy way" to become a PolioPlus Society member.) **OR, you can mail your check to: The Rotary Foundation, 14280 Collections Center Drive, Chicago, IL 60693, USA along with the Contribution form that you can download here:**

**Celebrate 2024 with the Custom Rotary License Plate Available to All New York State Rotarians (Please share!)**

The Rotary International plate is available via mail through the DMV Custom Plates Unit. You can find details at: <https://dmv.ny.gov/plates/rotary-international>. (You will need to mail in a letter of proof of membership from your president on Rotary letterhead. Scans and PDFs are accepted.)

You can download the PDF order form <https://dmv.ny.gov/forms/cp30.pdf>, which you will mail in along with your letter of proof of membership.

Rotarians who currently have the old Rotary plates and want to switch to the new one should call the DMV Custom Plates Unit at 518-402-4838, Monday through Thursday between 8 a.m. and 4 p.m.

The Rotary International plate is also available with the International Symbol of Access (ISA) (formerly "handicapped" plates) on it for any registrant with a disability who qualifies for such a plate. Any individual qualifying for an ISA must contact the Custom Plates Unit at 518-402-4838 before submitting their application.

Personalized custom plates at an extra fee (you pick the characters, i.e., "RTRY"), and custom plates that include the Symbol of Access for individuals who qualify, are also available.

If you have any questions, please email me at [ny-rotary-plate@potdamrotary.org](mailto:ny-rotary-plate@potdamrotary.org).

## Please Note:

If you are creating posters to submit to the Grapevine they **must** comply with the Rotary International Brand Center Rules. This includes Rotaract and Interact

Please review the examples on these two pages.

You can go to the Rotary International Brand Center and use their templates to create your new Club Logos.

### Your Logos at a Glance

DECEMBER 2020

A consistent voice and visual identity are essential components of a strong brand. By using the design elements in this guide you ensure that our brand is presented in a unified way, helping to build awareness and recognition of Rotary and Rotaract. You can find more information on the Brand Center at [rotary.org/brandcenter](http://rotary.org/brandcenter).

Your club, district, or zone logo is made up of the Masterbrand Signature (MBS) plus the club name, or the district or zone number. Multiple district or zone numbers can also be listed. This logo must be used instead of the MBS alone. No other words should appear above or below the MBS.

You can use either the MBS or the simplified version in your club, district, or zone logo. We recommend using the simplified version if the logo will be smaller than 1.25 cm (0.5 inches) or will be embroidered.

Find templates for creating your logo on the Brand Center at [rotary.org/brandcenter](http://rotary.org/brandcenter).

Lockups are used to show a relationship between your club, district, or zone and partners, sponsors, programs, or events. Only one logo can be featured in a lockup with your club, district, or zone logo.

The lockup should not be used as your club, district, or zone logo.

Find templates for creating your own lockup on the Brand Center at [rotary.org/brandcenter](http://rotary.org/brandcenter).

### NAMING PROJECTS OR EVENTS

When naming a project, event, or website URL, you must include the name of your club or district if you want to include the word Rotary or Rotarian(s). For example, instead of calling your event Rotary Bingo, call it Rotary Club of Evanston Bingo Night. You might also call it We Love Bingo, leaving out any reference to Rotary. These guidelines are outlined in the Rotary Code of Policies. Please note that when using your club name, your club must be in full control of the event or project. The Rotary name cannot be licensed to a third party. For example, if a summer camp is opening in cooperation with your club, don't name it Rotary Camp.

### MARK OF EXCELLENCE

The Rotary wheel is the Mark of Excellence (MOE) and should be considered the secondary logo. When you use it, we encourage you to position your club, district, or zone logo nearby for clarity and recognition. There is no simplified version of the MOE — the words "Rotary International" must always appear in the wheel.

The MOE should appear in Rotary Gold. If you're printing one-color, azure or black can be used. It cannot appear in colors other than those shown here. Information about Rotary's color palette can be found on the Brand Center.

### Webster Rotary Club

On March 21st, the Webster Rotary Club hosted Camp Possibilities International and the Webster Lions Club. Lions Club member, Judy MacKnight, came to introduce the great works that Camp Possibilities International does in Kenya. Camp Possibilities helps children and young adults who are blind or visually impaired through engagement in sports. Led by Helen Kiprono, Founder and Chair of Camp Possibilities International, she is passionate to help children who are blind and visually impaired. They hosted a wonderful program that was informative and inspiring!

### Canandaigua Rotary's First Friday

The Canandaigua Rotary Club and friends frequently celebrates First Fridays locally and socially. This gives members a chance to informally gather and toast, and come up with ideas for Club projects. March's First Friday was convened at Star Cider. April's First Friday is tentatively scheduled for Reason's on Coach St, Canandaigua at 5pm. Visitors looking for information about the Rotary Club are welcome.

### BATH ROTARIANS VOLUNTEER AT FLSPCA

On March 15<sup>th</sup> Bath Rotarians Brandi Graham, John Gould, Mike Slovak, and Terry Bilancio along with Terry's wife, Barbara, volunteered their services for two hours at the Finger Lakes SPCA in Bath.

When Tess McKinley, Bath Rotary Club Immediate Past President, proposed the project to the club, she stated, "Most of the work will involve doing laundry and folding the laundered items. However, there will also be an opportunity to walk through the site and cuddle with some cute animals." The Rotarians folded a room full of blankets, sheets, and towels; there were many giant bags of folded laundry at the end of the two hours.

The FLSPCA helps reunite families with lost pets and provides adoption services for hundreds of dogs and cats. The shelter admits homeless animals from various sources and provides veterinary care, socialization, and enrichment opportunities for the shelter orphans while they await adoption. It also provides rescue and care of a small number of other animals which have been received from animal cruelty cases or other crisis situations.

Michael Hopkins, Executive Director of the FLSPCA, Inc. and a retired priest from St. Thomas Episcopal Church in Bath, was a former Avoca Central School student of Bath Rotarians Elaine Tears and Bill White. Hopkins, who recently spoke at a weekly Bath Rotary Club meeting, remarked that the FLSPCA speaks for those who cannot speak for themselves. Rotary is also connected to the FLSPCA since Nancy Latour, Bath Rotary Club Secretary, serves as Secretary/Treasurer of the FLSPCA Board of Directors.

Barbara Fowler, John Gould, and Mike Slovak also volunteered their service at the FLSPCA in Bath. Indeed, there were many bags of folded laundry at the end of the project.

### Canandaigua Rotary Inducts New Member

At a recent meeting the Canandaigua Rotary Club inducted Margie LaTourette as their newest member. Margie owned Mostly Clay in Pittsford, a studio potter. She was a member of the Pittsford Rotary Club but decided that it was time to join the Canandaigua, having lived here since 1989. She looks forward to her visits with her five-year-old granddaughter.

### Dundee Rotary Awards February Student of the Month

Dundee Rotary's February Student of the Month was Zachery McCormick, a Senior at Dundee Central School whose parents are Jamie and John McCormick. Zach was chosen as the Rotary Student of the Month because he is consistently an honor roll student, a former Participant in Boys State, and a friendly and courteous young man. Zach's future plans include attending FLCC and working towards a degree that will lead to a job in the science/medical field. March Rotary President Robyn Ballard presented Zach with a certificate and \$25 check.

## BATH ROTARY CLUB PARTICIPATES IN AGRICULTURAL LITERACY WEEK

The Bath Rotary Club recently participated in Agricultural Literacy Week, proclaimed by New York State Agriculture in the Classroom to be March 18 – 22. Tess McKinley, Bath Rotary Club Immediate Past President and Executive Director of Cornell Cooperative Extension – Steuben, stated that CCE worked with NYS Agriculture in the Classroom and the Bath Rotary Club to coordinate volunteers and school staff to read the book “I LOVE Strawberries” in second grade classrooms in Bath and Hammondsport. She also noted that the Corning Rotary Club was participating in the same literacy project at primary schools in Corning. Bath Rotarians Brandi Graham, Nancy Latour, and McKinley read the book, written by Shannon Anderson and illustrated by Jaclyn Sinquett, to second graders in the classrooms of Mrs. Barros, Mr. Brown, Mrs. Covert, Mrs. Piraino, and Mrs. Rounds at Vernon E. Wightman Primary School in Bath. Jane Russell and Benita Nesbitt did the same in the classrooms of Mrs. Bush and Mrs. VanValkenburg at the Glenn Curtiss Elementary School in Hammondsport. The Rotarians ended their visit to the respective schools by doing an activity related to strawberries with all of the children participating.

In this fun and educational book the main character, young Jolie, loves strawberries and is on an unstoppable and hilarious mission to grow her own food from seedling to table in a colorful introduction to the joy of growing the popular perennial. Jolie and her faithful rabbit, Munchy, find out how delicious, rewarding, and sometimes complicated it can be to grow your own food.

“This was a wonderful opportunity for Rotarians to help young children learn about strawberries and the importance of agriculture in general,” remarked McKinley. “Since agriculture is the number one industry in Steuben County, it is most important that Rotarians, school children, and all community members support it. This project was indeed a fun time for all.”

## Dundee Rotary Club

Dundee Rotary would like you to meet our newest member-- Sheri Bone. Sheri, who was inducted on March 13th, is not new to Dundee as she lived in the Village for 32 years, took a 12-year hiatus (mostly doing environmental education in Pennsylvania), and is back in Dundee. She is the mother of 3 adult-aged 'kids' (Kate, Sara, and Jeremiah) who attended Dundee Central School, and now they all live in other parts of the state, being the successful folks that their mother knew they would be. Sheri wanted to be a Rotarian because of the good things Rotary does for the community (and the world). She also hopes to find a way to revive the ever-popular Dundee Rotary Show!

Pictured here are March Dundee Rotary President Robyn Ballard (L), Sheri (C), and Past President Walt Verdi (R) who performed Sheri's induction. Welcome to the Rotary family, Sheri!

### Let the GAMES Begin!

Tuesday, March 26, Rochester Deaf Rotary Club hosted a game night with the Spencerport Rotary Club. There was pizza, desserts, snacks, and great game selections! RDR provided "cheat sheets" for the many different signs needed for the games. The competition was heating up! It all worked out great, and many members from Spencerport Club enthusiastically practiced the signs they learned! Everyone left with a big smile!

### Pal-Mac Rotary News - The Honors of March

This eventful month included the reception of a new member and the presentation of a Paul Harris.

At our lunch meeting on March 6, we received Lissa Mills into membership. Lissa is a Financial Advisor with Northwestern Mutual. She lives in Palmyra and is married with two children.

Club member and sponsor, Jenna Skinner, pins new club member, Lissa Mills.

Club Co-President, Dianne Sloan, presents our service apron to Lissa.

At our March 27 evening dinner meeting we presented a Paul Harris to Ilene Stella. She is the sister of club member, Maurina Schmidt, and has donated countless hours of service to and through our club.

### Pal-Mac Rotary Club A Dinner Theatre For The Ages

Hijinks happened at the Kellerman Resort on the evening of March 23rd as the Pal-Mac Rotary players entertained well over 100 with the theatrical presentation of "Dirty Dining," written (sort of) by club member, Marie Fessler. The Palmyra VFW was our dinner venue as we raised money for Camp ONSEYAWA.

### Pal-Mac Rotary Club March Special Guests

During this amazing month we hosted a drama group from our Pal-Mac High School, and Rotarians from India!

At our lunch meeting on March 6, we heard delightful out-takes from the Percy Jackson musical, "The Lightning Thief, What Makes You Weird Makes You Strong." This is being presented by Palmyra-Macedon students.

### Victor – Farmington Rotary Club

L TO R – RTN VICTOR ARSENAULT, PROSPECTIVE CLUB MEMBER ALYSSA BEARDSLEY, RTN KIM YOURCH ASSEMBLING EASTER BASKETS

The Victor – Farmington Rotary Club continued a long-standing tradition of providing Easter Baskets to Wilson Commencement Park (WCP) in Rochester. The baskets, replete with artificial eggs, candy, stuffed animals, and novelties for the children who reside at the WCP housing project were assembled at a recent club meeting. Club members purchased the candy and provided the baskets and trimmings. The project involved direct member participation and an opportunity for newer members to “get involved” with club service projects. Upon completion of the project Rotarian Galen Powers delivered approximately 85 baskets to the WCP .

Wilson Commencement Park offers program-based, affordable housing to low-income, single-parent families in a community environment .

## Watkins-Montour Rotary Club

If ever “it takes a village” applied to a project (or several villages - plus a lot of Rotarians!!), it does here. The Watkins-Montour Rotary Club completed a District grant project over the course of the past 6 months, and they can now be found at the following village locations:

- Beaver Dams – Methodist Church
- Burdett – Park on Church and Barnum Streets
- Montour Falls – Broadway Street at the Bus stop; in front of Romeo Village
- Odessa – Methodist Church
- Watkins Glen – Lafayette Park and Clute Park

Thanks to Rotarian Nancy Loughlin’s vision and writing the District Grant, Rotarian Kevin Murphy’s generosity in giving us a great deal on the materials, and Rotarian Don (& brother Darrin) Stocum’s construction and installation expertise, as well as use of their shop. We are looking forward to having Rotary International emblems and Watkins-Montour Rotary Club name signs to attached to each. They will be registered with the Little Library app, which adds them to the map/network for those looking for a Little Library to donate to, or borrow from.

### Avon Rotary Club

#### FOUNDATION MOMENT

**March 12:** Congratulations to Avon Rotarian Janis McMIndes on receiving her Paul Harris +7 pin.

Janis's commitment to service and generosity exemplifies the spirit of Rotary, making a significant impact in our community and beyond.

Reaching the +7 level is a remarkable achievement, demonstrating Janis's unwavering dedication to Rotary's mission of fostering goodwill and peace.

Thank you, Janis, for your outstanding contributions and continued support. Here's to many more years of service and making a difference together! *Submitted by Mike Ford via social media*

#### REFLECTING ON MULTI DISTRICT PETS

Attending PETS was truly a great experience and believe that even if you're not on the Presidential track, really inspires and fosters ideas for any club. One of the reoccurring themes was to ask "Why?" What is your "Why" for Rotary – each persons may be different, but we all come together for a common goal of Service Above Self. Understanding our club members Why can lead to better engagement, more voices heard, more fellowship, and most importantly Rotarians doing good for others. It was asked, "what would our community look like without us?" and I couldn't imagine Avon without Avon Rotary. As we approach 100 years, our club has been integral to giving back to so many organizations and people (Avon Food Pantry, Avon Community Cares, youth sports and programs, literacy initiatives, mental health, and so much more.) We inspire our future leaders with our Interact Club. We reach beyond our local efforts for change, looking for betterment throughout the world with our contributions to Shelter Box, Polio efforts for eradication, and boots on the ground in Nicaragua building schools- just to name a few.

But PETS also highlighted change. We can still honor our traditions as Rotarians, but as the world is changing, we must also change and adapt. How do we become "Simply Irresistible?" I believe it takes us all as ROTARIANS – not just members of Rotary, to ignite leadership, teamwork, and a true commitment to our club. When we all can come together and use our time and unique talents, we can LEAD, INSPIRE, and INFLUENCE so many to do the same, and with that we GROW as Avon Rotary.

### Newark Rotary Club

The Newark Rotary Salutes Teams have kicked off their 3rd Annual initiative to express gratitude to our community members for their unwavering dedication and kindness towards others! This year, we extend our heartfelt appreciation to the First Responders serving in the Newark area:

Marbletown Volunteer Fire Department

Fairville Volunteer Fire Department

Port Gibson Volunteer Fire Department

Newark Volunteer Fire Department

Newark-Arcadia EMS

Newark Police Department

Our message echoes a profound thank you to all the volunteer firefighters, police officers, and EMS personnel for their selfless commitment to keeping our community safe. Your sacrifices, often unnoticed, are deeply valued. We recognize the time taken away from your loved ones and daily commitments when responding to emergencies. Today, we prioritize you and express our sincere gratitude!

## VICTOR-FARMINGTON ROTARY

At a recent meeting of the Victor – Farmington Rotary Club, Elizabeth Searle, the Executive Director of the Literacy Volunteers Ontario Yates, spoke to the club on the work her organization does in promoting literacy efforts in Ontario and Yates counties. The organization has offices in Canandaigua, Geneva, and Penn Yan.

The mission of Literacy Volunteers Ontario–Yates, Inc. (LVOY) is to provide adults with the literacy skills needed to reach their full potential as individuals, parents, workers and citizens.

Basic education and literacy are one of Rotary’s six areas of focus. The V-F club actively engages in literacy projects, often in concert with the Victor – Farmington Library. Director Searle outlined how her organization actively works to promote literacy in Ontario and Yates counties, a goal shared by all Rotarians.

## Geneva Rotary News

Mark Rokow of Geneva spoke at a recent Geneva Rotary Club meeting on the Genevan of Change Scholarship that he is putting in place for Geneva students. Mark served as President of the Geneva Rotary Interact Club at Geneva High School and went on to American University where he founded a Rotaract Club with the highest number of members ever (121) on Charter Night. They told him it couldn't be done. He did it ... and he is still going strong.

Geneva Rotarian Charlie Bartishevich recently carried on his family tradition of making Easter bread and he auctioned off a loaf at a club meeting to raise money for Geneva exchange student Rendell Belanger-Curran's upcoming exchange to Finland.

The Geneva Rotary Club has had a long-standing policy that baked goods purchased for the benefit of the club have no calories. Rotarian Ford Weiskittel (left) recently purchased at club auction a pie baked by Rotarian Dave Cook to benefit Geneva exchange student Rendell Belanger-Curran's upcoming exchange to Finland.

### Perry Rotary Club

Perry Rotary Club on April 6, 2024 was named an honorary member of Perry Fire Department at its 83rd annual banquet and officer installations. The two organizations teamed up to create the Silver Lake Sea Serpent Arts & Crafts festival to Perry, NY on October 12-13. It will fill a void left by the "paused" Letchworth Arts & Crafts Show & Sale in the Village Park. Much planning is going into a new event that will welcome vendors and visitors. The club is celebrating its 100th anniversary featuring a dinner and entertainment on April 24 when WHAM-TV anchor Don Alhart will be master of ceremonies and we will join Don in celebrating his 80th birthday. The club is working with the Village to open its new Peace Garden downtown featuring bulb flowers and Rotary's world peace mission. The birthday fun continues in June when Perry Rotary has a community picnic in the Village Park for all to enjoy food and fun activities and the drawings for its 2024 raffle.

### Southwest Rotary Club

Reporting from the Rochester Southwest Rotary Club!

Once a month our fellow Rotarians work together on the Canal Clean Sweep Saturday at the Erie Canalway Trail. Special thanks to Donna Sarnacki, Germain Knapp, Joe Baldino, Glenn Cerosaletti and Karen Lankeshofe. This initiative started in 2020 with Glenn Cerosaletti, our current president. Rochester Southwest oversees a two-mile stretch of the trail between Genesee Valley Park and Chili Avenue. This project aims to care for this historic, natural, and cultural resources in our community and increase access for residents while building community and having fun.

That's why I invite you to our next event at the Erie Canal Trail. Be part of the Park and Trails New York, and New York State Canal Corporation 19th Annual Canal Trail Clean Sweep on April 20 th from 10:00 am to noon.

We will meet in the parking lot adjacent to the Genesee Waterways Center, for more details register for this event in Club Runner.

## Spencerport Rotary Club

### CONGRATULATIONS ISABELLA!

Isabella (Bella) Sanginario, sponsored by the Spencerport Rotary Club, was declared the winner of the recent Rotary Vocal Music Competition. The contest was open to high school juniors throughout the Rotary District, and was held in partnership with the Eastman School of Music, Alfred University, Roberts Wesleyan University and SUNY Geneseo.

Isabella decided to join the competition on the recommendations of Ann Murphy and Laura Mance, her chorus teachers at Spencerport High School. According to Isabella, *"It really touched my heart when they said that I was the first person to come to mind when submitting my name for this competition."*

Alicia Thomson is the accompanist at Spencerport High School and according to Isabella *"She does so much to support me and the other students. I don't know what we'd do without her, truly."*

When preparing this Grapevine submission, I asked Isabella if she was nervous at all and her reply was *"I was definitely a bit nervous when first finding out about this Rotary competition because although I've competed in larger groups I've never done it on a solo level, especially when things like colleges are involved. It was a new experience and ever since I have been dying to get back out there and receive more feedback! It was a lot of fun especially with the support system of three amazing teachers and my family of course. When I found out I had won, it felt amazing. Knowing that I am finally starting to fulfill my childhood dreams makes me proud beyond words. I am finally starting to go to the places I know I want to be for the rest of my life. Winning this felt like a step in the right direction. I know that I am exactly where I'm meant to be, which is why I am so grateful to have been given this opportunity to compete!"*

Congratulations again to Isabella – Spencerport Rotary is anxious to see how far your singing takes you in life!

## Dansville Rotary

Dansville Rotarians focus on Literacy in the School late winter/early spring every year. Members sign up to be “readers” in grades PreK through 2<sup>nd</sup> Grade at Ellis B Hyde Elementary. This year, readers picked up their selected book at the Main Office and headed to their chosen classrooms on March 28<sup>th</sup> and 29<sup>th</sup>. Pictured here are students with Rotarian Kaylee Lohrmann, owner of K’s Canine Boarding and Training Center on State Route 36, Dansville. The children remain focused on the book, even though Kaylee brought her canine companion, Berkley.

Stony Brook State Park Ranger, James Jeffrey, spoke to Dansville Rotarians about the coming season at the Dansville Park. Trail clean up has begun, & the Park is accepting applications for maintenance, toll booth,

trail clean up, lifeguards & similar positions. The season begins May 17 when the gate charge for entry resumes. The pool will open by June 25. The Park is also looking for applications to run the food concessions. The upper campground of 85 sites will accept bookings for 9 months in advance; go to [ReserveAmerica.com](https://ReserveAmerica.com) for online camping registrations. Ranger Jeffrey shared the comment that around 250 cars entered the Park at no cost for viewing the April 8<sup>th</sup> eclipse resulting in an approximate attendance of 600 people.

Valentines Day- Chemung County Nursing Facility

Horseheads Rotary Club members assembled over 100 gift bags including Valentine's day puzzles, pencils, snacks, and candy for the residents of the nursing facility. We dropped off the bags which were delivered by the staff to each resident to help brighten their Valentine's day.

## Robotics T-shirts

The Horseheads High School Robotics club reached out to Horseheads Rotary to see if we could help with team T-shirts since budget cuts no longer allowed for T-shirts to be paid for by the school district. Horseheads Rotary Club member Marianne Kalec printed the T-shirts herself and the team wore them to compete. Seneca Falls  
**Rotary**   
*2024 Flag Project*

The Seneca Falls Rotary is proud to announce our new Flag Project. This will be a great way to honor your loved ones who have served our country so selflessly. You will rent the one-time use of an American Flag with a ribbon and card stating the name of your loved one. The Seneca Falls Rotary Club will then display this flag in Academy Square Park for four days over Memorial Day weekend. Imagine what a great sight this will be for all of the community! Due to size constraints, we will limit the rental of flags to the first 100 respondents. Each flag rental will cost \$30.
