Rotary Connects the World!

Rotary International President 2019-2020 Mark Daniel Maloney, from Decatur, AL, USA, introduced his theme for this Rotary year, "Rotary Connects the World," in January while I was at the Rotary International Assembly for District Governors-Elect. Reflecting on that theme, I have asked myself, "What does that mean to the 'rank and file' Rotarian?"

Obviously, Rotary international leaders are traveling the globe and connecting, and club members who are active in The Rotary Foundation Global Grants process are connecting, but what about the rest of us?

I suggest that Rotary, connecting with the world, begins with each Rotarian connecting with her, or his, community. That means more than just

attending club meetings. Engage non-Rotarians in conversation about Rotary, whether at fund-raisers or service events, or while active in your neighborhood proudly wearing the Rotary logo on your clothing. Show yourself on social media wearing Rotary garb and actively serving your village. Familiarizing others with Rotary helps connect you with the world and drives membership. Present Rotary to your neighbors as an irresistible organization. I challenge every Rotarian in our District 7120 to bring a guest to one of your meetings this year and to follow that with an invitation to join.

Another opportunity to consider is attending another club's meeting. Each Rotary club is distinct, and we have much to learn from other clubs. You are likely to learn something to bring back to your home club. So, I also challenge every Rotarian to attend a meeting of another club once this year.

Finally, I ask your support for The Rotary Foundation, but not just with your financial contributions. Half the money contributed from this District ultimately comes back home for community projects. Yet only half of our 70 clubs take the easy steps to qualify for this District Grant money. A club must average at least \$25 per member in contributions to the foundation and also have 2 members (1 for small clubs) attend a training session. Even if you don't have a project in mind for this year, you can apply for scholarship money for one of your college-bound graduating seniors. This will enhance your club's image within the community. I challenge every club in our district to qualify and apply for this district grant money.

I believe District 7120 is "The Premier District" in Rotary Zone 29, and I am proud to serve as your District Governor. Accept these challenges to connect with the world, and take your Rotary experience to the next level.

DG Dave Hannan

## DISTRICT ROTARY CLUBS AID KENYA

In sub-Saharan Africa the needs are great, immediate, and subject to changes for many reasons. With this in mind, a number of D7120 clubs have worked together to fund a project with "Humans for Education" (H4E). The initial project was to fund the sustainability, via a small business of cattle raising, at a school in Kenya's bush country.

The financing of the \$24,000 project was to be 1/3 from Rotary Clubs, Rotarians and friends, 1/3 a Rotary Club match, and 1/3 from Humans for Education. The Rotary Club of Pittsford provided the match of the donations made by Rotary Clubs Brighton, Palmyra-Macedon, Fairport, Red Jacket, and Rochester, as well as from several Rotarians and friends. Rotary's involvement attracted donations directly to H4E by others, thereby increasing the money available and expanding the project to establishing a dental and maternity clinic with a small school attached, including all the water, sanitation, and hygiene facilities, solar power, and a sheep and goat raising business. More important, the project is already underway and will soon be completed.

The scope of this project in the village of Ngoilale, Narok, Kenya is directly due to Rotary Clubs coming together and working together to serve others in a very timely manner. It is hoped this approach will be utilized again to expedite Rotary Clubs coming together and working together to serve others in a very timely manner. It is hoped this approach will be utilized again to expedite international service projects and the satisfaction it can bring to our clubs.

## Mount Morris Rotary

The Mount Morris Rotary club took part in the 8th Annual Francis Bellamy Glory Day parade on June 8th. The theme of our float was Rotary's "Be The Inspiration" and the celebration of the community's 225th Birthday.

The dedication of the wall mural at the celebration is the first piece of art on the Livingston County Inspirations Trail which encompasses all nine towns in the county. Artist Shawn Dunwoody (pictured at right on our Rotary Float) was commissioned to do the piece that includes historical residents Francis Bellamy, author of the Pledge of Allegiance, Mary Seymour Howell, activist for women's suffrage, General William A. Mills, founder of Mount Morris, Ross Barnes, early star of the National Base Ball league and John Wesley Powell, geologist and explorer of the American West. The mural includes the original Pledge of Allegiance as written by Francis Bellamy in 1892. It also honors a local WWII Veteran, Charles Peritore, whose image is placed at the top of the mural. Future plans include more historic figures, Letchworth Falls and the Mount Morris Dam. Submitted by Linda Lomnicki

## Adopt-a-School

To close out the school year, the HLRC spent some time with the elementary school students as part of the Adopt-a-school initiative they have promoted for several years.

## FOURTH GRADE PIZZA PARTY –KIDS WITH CERTIFICATES

Our first activity was pizza parties for those students who read 10 or more books this school year. These students were presented with special certificates recognizing their achievement. We were then able to take part in the Elementary Awards Assembly on June 20<sup>th</sup>. We distributed 26 plaques and 18 trophies to students who read 30 or more books while in third through

fifth grade. In addition, students who achieved the goal of reading over 100 books in that time frame were given ice cream gift certificates and have been invited to a special picnic in their honor where they will be installed as members of the 100+ Book Club. T-shirts will be given to these students as well as reading games and other items to encourage more reading when we celebrate on August 15<sup>th</sup>.

Our club had also set a goal of making sure each second grader was able to add 9 books to their personal libraries. We were able to ensure three books were distributed to each second grader by May but needed to make up the rest in a quick way so we held a shopping spree. We ordered 200 books from Scholastic Books which were put on display in the elementary library on June 21<sup>st</sup>. Second graders came as a group and selected six books that caught their interest. Each book had a label in it indicating it was a gift from the HLRC. Students were so excited as they shopped, wrote their names in their purchases and immediately sat down or laid down to begin reading! It was like Christmas in June. This experience was very meaningful not only to the students but also to the Rotarians who were there to share in the selecting and the smiles and laughter. Plan are to do this again next school year.

## STUDENTS OF THE MONTH

The Honeoye Lake Rotary club honored its last group of Students of the Month in early June. Jordan Gifford, Nevaeh Battistella and Cici Ward were honored to be chosen by their teachers to receive recognition from our club. These students model the Four Way Test and follow our motto "Service Above Self". They are all excellent students and participate in extracurricular activities at school while also serving the local community. Each student plans to attend college and is looking forward to volunteering in many ways as they head into the adult world.

Jordan was our Student of the Month for March. She participates in Youth to Youth, jazz band, pit orchestra, set crew, Masterminds and is a member of the National Honor Society. Outside of school she volunteers for Foodlink and plays in the community band. Jordan seeks a career in architecture or product design.

Nevaeh is sports oriented – she plays soccer and basketball while also participating in the plays at school. She also volunteers for Foodlink. Nevaeh is headed for college or Ameri-corps.

Cici enjoys Drama Club and ExPo Club. She is a girl scout and also volunteers for Foodlink. She likes to write poetry and has a part time job. Her future plans include majoring in Criminal Psychology and minoring in drama and musicals.

In addition to recognizing these students, our club also recognized the important role parents play in making sure their children mature to well-mannered, considerate and responsible adults.

## VICTOR-FARMINGTON ROTARY CLUB AWARD RECOGNITIONS TO ROCHESTER STUDENTS

L to R – Rotarian Jim Crane, Assistant Principal Donna Groff-McNulty, Brett DeBurgomaster and Rotarian Karen Parkhurst.

The Victor – Farmington Rotary Club recently presented seven award certificates that included monetary award stipends to seven senior students at the School of Integrated Arts and Technology in Rochester. The school offers a unique environment of academic rigor, creativity, and entrepreneurial spirit, where students are inspired to become thinkers, innovators, and compassionate agents of social and technological change.

L to R – Melinda Caparco - "Most Impact" recipient Nayelis Arzuaga - Rotarian Karen Parkhurst

One of the goals of the innovative high school is to build an ethic of service and citizenship into the core academic curriculum.

During the past year the V-F Rotary club has arranged for speakers from the NY State Police and State Supreme Court to meet with the students and discussed criminal justice issues. The club involved the class instructor, Melinda Caparco, and her students in a project to provide a Halloween Party for children at the Wilson Commencement Park/Sojourner House facility in Rochester.

When the club became aware that one of Ms. Caparco's students, Jorge Rodriguez, wanted to have a career in aviation, it arranged with members of the Canandaigua Flying Club to have Jorge make an initial flight under a trained pilot's instructions. Jorge is now enrolled in flight lessons.

Award recipient Denne Major Jr. – "Most Artistic" – speaking to attendees

During the year the students were required to complete a project entitled "Being the Change", designed to increase their own level of self-achievement and advance their commitment to their future. All thirty-one seniors in the class participated.

The student's future career ambitions cover diverse fields that include law, literature, music, working with mental illness, serving others in impoverished areas and generational poverty. (Submitted by Dave Luitweiler)

## Pittsford Rotary Club Presents Community Service Awards

*Pittsford Rotary Club President-Elect Harold McAulliffe (photo left) presents an Ed Francis Community Service Award to Wanda Ward during the club's annual Change Over Dinner June 18.*

The Rotary Club of Pittsford has honored retired Pittsford educator and community trailblazer Wanda Ward and the Friends of the Pittsford Library with Ed Francis Community Service Awards this year. The presentations came at the club's annual Changeover Dinner June 18, where new officers are installed for the 2019-20 year.

The club has presented the award annually to an individual since 2004 and for the first time this year also honored an organization. The award is named in memory of a young club member, the late Ed Francis, who exemplified the Rotary International motto of "Service Above Self." The club presents the award to a resident, a person employed in the community or an organization making a notable contribution in community service.

Ward retired from the Pittsford Central School District in 1990, after serving as a master classroom teacher, Director of Continuing Education and administrator at both the building and district level. She was founder and director of the Pittsford District Teachers Center, an in-house program center of educational staff development for teachers. She also has been an active and long-time member of Delta Kappa

Gamma, an international professional organization for Women in Education.

Outside of education, Ward has been active in numerous community service endeavors. She was a founding member of the Women's Club of Pittsford and that organization's Lifetime Achievement Award is now named in her honor.

The Friends of Pittsford Library President Pam Burch accepted the award on behalf of her organization. Also attending from the Friends were Karen White, Kay Layton and Peppy Ehrlich. The 500 active members of the Friends contribute more than 4,500 hours a year to increase awareness and knowledge of the library services, to augment its programs and materials beyond those covered by the library budget, and to provide additional support of the library's numerous functions.

"It's important to recognize that the Friends organization has been a strong supporter of the Pittsford Rotary Literacy effort," said Harold McAulliffe, President-Elect of Pittsford Rotary for 2019-20, in presenting the award. "They have helped our club to obtain and pack more than 4,000 pounds of books that have been shipped to Africa as part of the "Books for the World" program."

The Friends organization has been active in supporting the library since the 1960s, when the library was located in today's Village Hall.

### Rotary Southwest Plans Their Strategy!

Eleven of thirteen members of the Rotary SouthWest spent 5 hours beginning the task of creating a strong foundation upon which to grow our Club. With the help of Rotarian Facilitators PDG Scott MacDonell and AG Kevin Mooney, we were able to identify our Club's (1) strengths, (2) weaknesses, (3) opportunities and (4) threats to come up with Vision Statement draft and a plan of action for moving forward as a strong Rotary Club.

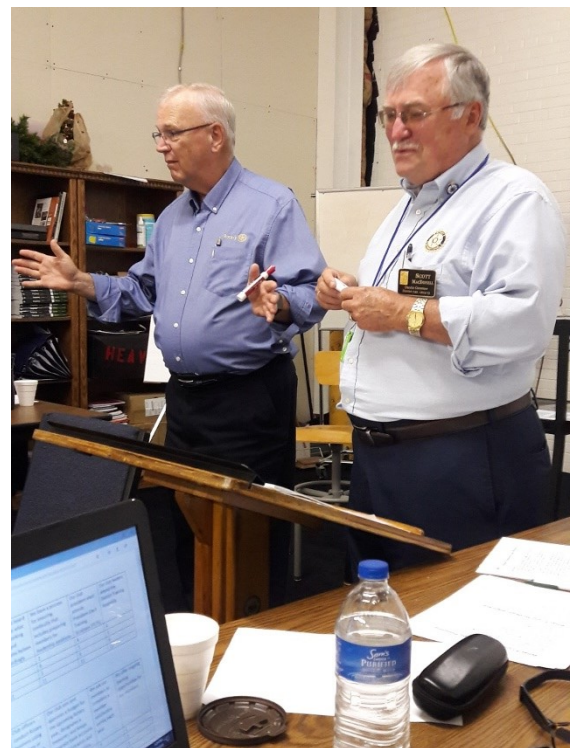

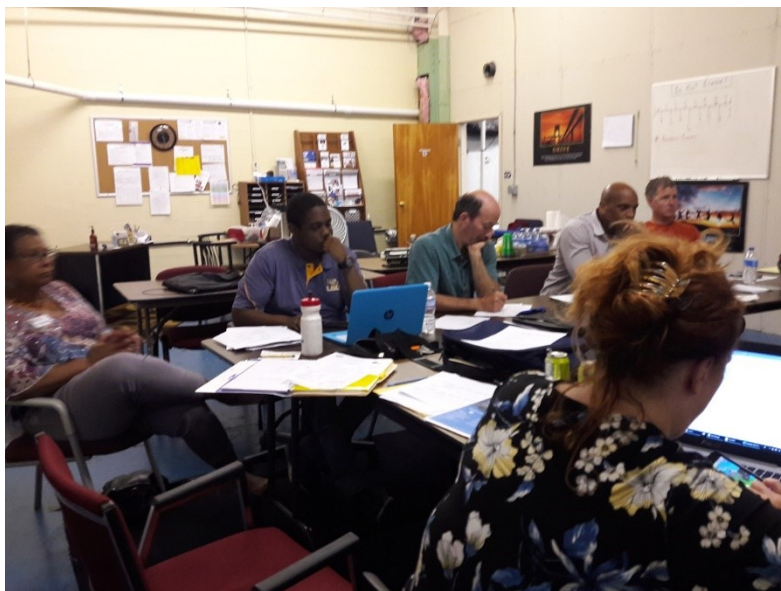

Members who attended were: Chris McDonald (Past-President), Eleanor Coleman (President), Glenn Cero-saletti-Treasurer & Rotoract Advisor, Mary D'Alessandro-Secretary, France McCloskey-Membership Co-Chair, Dan Demarle (Community Engagement Chair), Dave Culeton (Local Business Owner), Donna Sarnacki (History/Archives Chair), John Boutet (Education Chair) and Lisa Norwood (Assistant District Governor).

Our youngest member, Rashid Owens, age 22 and one of the Membership Co-Chairs, was engaged and noted afterwards that he enjoyed himself and learned a lot. Rashid is also a graduate of and the Volunteer Alumni Coordinator for Catholic Family Center's (CFC) YouthBuild program (construction for City youth ages 17-24) and will hopefully orient more young people to the Rotary experience. Because of his contributions, CFC has become a Corporate Sponsor of Rotary Southwest.

A special "thank-you" to Mary D'Alessandro for providing dinner and to Scott and Kevin for donating their time.

Our future meetings will be focused on building on what we've learned, creating a cohesive and connected Club, and identifying projects that support our Vision and Mission.

This past year the BRSF, Inc. awarded collectively \$12,000 in scholarships to eight graduating seniors from four area schools as part of Rotary's continuing commitment to help students further their education.

As the 2018 – 2019 Bath Rotary Club President, Carol Berry welcomed District Governor Slovak and his wife, Jo; David Hannan, District 7120 Governor-Elect, and his wife, Pam; Dave Taylor Smith, Bath Kiwanis Club President and guest speaker for the evening; Fellow Bath Rotarians, spouses and other family members. In her remarks Berry stated, "It has been an amazing year serving as club president. I learned so much from all of you and appreciate my Rotary membership more than I can say. I hope that you have enjoyed the wonderful programs that our monthly coordinators have provided, the social events with other clubs, and the many opportunities to meet new people and gain new friends but most of all to live our motto, "Service Above Self", through the many activities and projects in which we participated."

Before dinner was served by Jane Russell's Around the Corner Catering staff, an invocation was delivered by John Gould, the Pledge of Allegiance was led by Larry Bates, and the singing of "God Bless America" was started by Cheryl Muller.

One of the highlights of the evening was the bestowing of a Paul Harris Fellow Award to John Gould. This award is the most prestigious award given by Rotary and is based on a generous donation to Rotary International in the name of the recipient. Harris was one of the founders of Rotary and was very involved in the development of the organization which grew from a single club in Chicago in 1905 into today's global organization. The award was established in his memory to recognize outstanding contributions to the ideals of Rotary. A Rotarian is named a Paul Harris Fellow in appreciation of tangible and significant assistance given for the furtherance of better understanding and friendly relations among people of the world. Gould, a first-time recipient, received a Paul Harris Fellow Certificate of Service, pin, and medallion hanging from a ribbon lanyard. He was especially cited for serving as one of the club's representatives to the Camp Star Board of Directors and working closely with President Berry on the revision of the club's bylaws and the development of a program aimed at providing information for the mentoring of new members. Gould joins 26 other Bath Rotarians who have received a Paul Harris Fellow Award or multiple Paul Harris Fellow Awards.

President Berry proudly presented plaques to those local Rotarians who had strived throughout the year to achieve the ideal of humanitarian service and high ethical standards under the Rotary motto of "Service Above Self". These recipients included: to be announced, Rotarian of the Year; Tess McKinley, Rookie of the Year; Nancy Latour, Service Above Self Award; Joanne Sheehan, Club President's Award; Elaine Tears, Outstanding Achievement Award. Dave Taylor Smith, Bath Kiwanis Club President, was honored as Citizen of the Year.

Berry also presented framed certificates to other Rotarians as well as some of the Rotarians' spouses who served the local club. Club Service Recognition Awards were presented to Bath Rotarians Larry Bates, Al Johnson, Cheryl Muller, Dave Stewart, and Bill White. Friend of Rotary Recognition Awards were given to Maureen Johnson, Woody Latour, Steve Sheehan, Jo Slovak, Grace Snyder, and Nancy Stewart.

### Avon Rotary's Blue Jean Ball

**June 18** - This year's Blue Jean Ball was done in memory of Liz Green who was the champion for Avon Central's Stones Community Resource Closet. In record setting fashion, the event raised over \$15,000. At our June 18th meeting a check for the proceeds was presented to Principal, Rob Lupisella. These funds will help sustain the closet well into the future, ensuring local children are supported in many ways.

Many thanks to all the Rotarians that helped support this year's fundraiser.

L-R: Heather Ayers, Marcie Williams, Rob Lupisella, Jake Ayers

### **Canandaigua Rotary Club Inducts New Member**

At a recent meeting of the Canandaigua Rotary Club Erin VanDamme was inducted as a new member. Her name may sound familiar because her Mom ran a store on Canandaigua's Main Street for thirty years.

Erin is an Administrator at Cornell Cooperative Extension in Canandaigua. She and her husband Ryan are the proud parents of two.

## Canandaigua Rotary Gives Outhouse Park a Facelift

On a recent Saturday morning some members of the Canandaigua Rotary Club pulled weeds, raked them up, and planted flowers at Outhouse Park. The equipment in the background is for physically challenged persons and was bought and installed by the Club a few years ago. When the members were done it was ready for mulching by town employees.

## Canandaigua Rotary Club Celebrates 100 Years

The Canandaigua Rotary Club recently celebrated 100 Years of Service Above Self. The Club has raised money to support everything from student scholarships to non-profits to special projects throughout the area. This past Rotary year the Club had a goal of supporting 100 projects, which took all year to do.

There were 22 other clubs within the 7120 district that came for the event.

The keynote speaker was Jennifer Jones, past Rotary International Director from Canada.

## Red Jacket Rotary

On Tuesday night, the 25th of June, the Red Jacket Rotary Club celebrated major awards, along with the change of Presidents. George Payne, long time member of the club, was given a Paul Harris Plus Five. George is present and participating for almost every club activity and service project. No matter what physical limitations he deals with, he finds a way to be effective. George lives out the Four Way Test.

Also, on this night, John Stoddard was honored with the Rotarian of the Year Award. John has served for the past five years as the club's Treasurer. He has brought to this position a background in finance. He is exacting and excellent at helping to guide the involvement of the club in all sorts of service projects. In addition, John is there when there is a need for man-power. (Submitted by Jeff Crawford)

### Newark- Paul Harris Award

The Newark club recently awarded a Paul Harris Fellowship to Roger VanDeMortel, an active member since 2013.

Roger has worked "behind the scenes" for many years, arriving early at weekly meetings for set up and staying after to coordinate clean-up. He also chaired a highway cleanup for many years. All this has been done by Roger with no expectation of any recognition.

### Rev. Collinsworth Receives Paul Harris Award

At a recent, luncheon meeting of the Bath Rotary Club Rev. Eleanor Collinsworth, former pastor of the Centenary United Methodist Church in Bath, was presented a Paul Harris Award by Carol Berry, 2018 – 2019 Bath Rotary Club President. This award is the most prestigious award given by Rotary and is based on a generous donation to Rotary International in the name of the recipient.

Harris was one of the founders of Rotary and was very involved in the development of the organization which grew from a single club in Chicago in 1905 into today's global organization. The award was established in his memory.

Collinsworth, a first-time recipient, received a Paul Harris Fellow Certificate of Service, pin, and medallion hanging from a ribbon lanyard.

She was especially recognized for serving on the club's Board of Directors as the New Generations Director whose primary responsibility is overseeing Rotary's Youth Exchange program at the club level. The Bath Rotary Club has sponsored several outbound and inbound exchange students over the years.

At the Rotary District 7120 Conference held this past May at the Kalahari Resort and Convention Center in Pennsylvania Collinsworth planned and led a poignant Celebration of Life Service in memory of the thirty-five District 7120 Rotarians who had passed away within the 2018 – 2019 Rotary year.

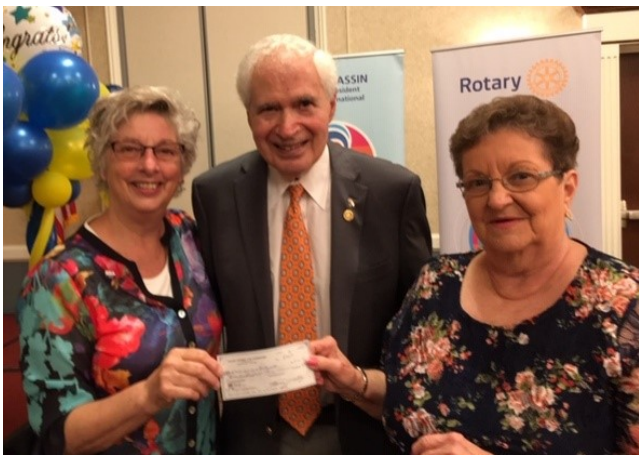

The parishioners at the local church, the residents of Bath, and the members of the Bath Rotary Club will indeed miss this dedicated lady who has left the community of Bath for a new, pastoral calling in Maine.

## Fairport Rotary

On July 1<sup>st</sup>, the Fairport Rotary Club enjoyed a picnic at the Perinton Center Park, at which we had a great turnout. Warren Knapp and Dave Scheirer did a great job organizing the event. As Warren said, **"we have our own families but then there's our Rotary family, and how great it is to be a part of that family"**. Following the picnic, the attendees, enjoyed the Air National Guard Band of the Northeast at the Center Park Amphitheater. A great evening for all who attended.

In her first month as Fairport Rotary President, Becky Wilson was drafted for duty helping our local baseball teams. As part of our clubs support of Challenger Baseball, President Becky, got to throw out the first pitch, which went right over Spike's head. A little extra energy, which helped the Redwings win that night.

Later that week, our very own Fairport Rotary Little League team won their Championship game at which President Becky also threw out the first pitch. It was a lot of fun to watch, weather was awesome again, and the team was exuberant to see Rotarians there and boldly displayed our banner. They ran out on the field with it when they won! And "Fairport Rotary" treated them to ice cream afterwards. (Submitted by Thomas Wolanski)

## Geneva Rotary News

The Geneva Rotary Club conducted its annual Changeover meeting on June 26 with Mary Lawthers (right) taking over as President from Shad Cook. Also at the meeting, the club welcomed new member Kerry Lippincott, director of the Geneva Historical Society.

Once a year the Interact Club at Geneva High School runs the regular Geneva Rotary Club meeting. Interact President Kate Equinozzi got the June 19 meeting started off before a large crowd of students and Rotarians. The program that day was by (left to right) Emily McFadden, Kristen Ikle and Megan Kerr on the Geneva High School Green Club. They discussed the initiatives they worked on this year and what they plan to do next year. Activities included making recycling an easier task, trying to get the schools to stop using styrofoam lunch trays and cleaning up trash from the lakefront. (Submitted by Phil Beckley)
