LITERACY IS THE TICKET OUT OF POVERTY!

Dear Rotarians, Rotaractors, Interactors, and Friends of Rotary,

In August I visited the following clubs: Rochester AM, Brighton, Dansville, Chemung County Sunrise, Horseheads, Rochester Latino, Bath, Friendship, Fairport, Rochester Deaf, Victor-Farmington, Belmont, Brockport, Wayland, Wolcott, Newark, Clyde, Lyons, Seneca Falls, Avon, Dundee, and Nunda. I pitched in at the Clifton Springs Steam Pageant booth and the Avon Corn Festival booth. Honeoye Lake had a progressive picnic with a nice boat tour and Rochester Latino held

a late Changeover Picnic with an induction of their new member, Elaine Hanford. I had two visits to Rotary Camp ONSEYAWA, one for a Board meeting and another to help restore the site to Boy Scout Camp Babcock-Hovey. The latter was followed by a quick trip to Avon to greet the inbound Youth Exchange students and their host families. We held our monthly Governor's Tract meeting and the bi-monthly Multi-District President-Elect Training Seminar Committee meeting. Wow! I am energized by each step of this journey.

Elmira hosted a multi-club and business leader luncheon on August 13 for an address by Wade Norwood, the CEO of Common Ground Health. The poverty in Chemung County and its adverse impact on longevity and quality of life gave focus for Rotary activities in the area. There is no simple antidote to poverty, but Rotary can be part of the solution in our communities.

I believe that literacy is the ticket out of poverty. One of the six areas of focus for The Rotary Foundation of Rotary International is Basic Education and Literacy. As I make my visits to clubs around District 7120, I am asking each club to contemplate a new initiative in the arena of education this year.

Many of our clubs have long embraced youth service in the form of scholarships, youth exchange, Interact, Rotaract, summer camps for those with different abilities, district and global grants for educational purposes, and projects to enhance our libraries and schools. There is always more that can be done, and I am encouraging you to do so!

Our District LITERACY Committee is hosting a SEMINAR on SATURDAY, SEPTEMBER 14, at 8:45am, at the Clifton Springs Hospital, second floor, 2 Coulter Road, Clifton Springs. There is no fee and no advance registration. I encourage you to attend and share your ideas on this topic.

DG Dave Hannan

Looking For A Foundation Program?

PDG Jeff Krans

Our Foundation subcommittee on the endowment has been active this spring making presentations on Rotary's endowment to six clubs and answering questions from more. Our purpose is strictly educational. Clubs are surprised when we visit and the first thing we do is congratulate them on their overall historical giving to the Foundation with a tag line: And no one is asking you to dig into your wallet today!

It has been interesting to field questions as we make our presentations. People are asking about grants, Paul Harris recognition for endowment gifts, options for steering an endowment commitment to one or another of the areas of focus for grants or polio eradication, using an IRA to make a tax free gift, and many other subjects. One person said, somewhat facetiously, "wish *I could get a \$1,000 plus return for a \$25,000 investment*" and was **surprised** to learn Rotary could do that for him with a Charitable Gift Annuity!

At any rate, our presentation turns out to be a good introduction to the Rotary Foundation in general and many members appreciated the opportunity to get some questions answered! Any club interested in a presentation can contact someone on our committee and we will be happy to oblige! The members and their contact information is as follows:

International Literacy Day –
September 8, 2019

September is Literacy Month. The International Literacy Day is celebrated annually, shines a spotlight on global needs, which goes hand and hand with the International Literacy Association's mission: literacy for everyone, everywhere. Literacy is the ability to identify, understand, interpret, create, compute and communicate using visual, audible and digital materials across disciplines and in any context.

The ability to read, write and communicate connects people to one another and empowers them to achieve things they never thought possible. Celebrate during the month of September by either doing a literacy project or a presentation to our club. Check out their website - LiteracyWorldWide.org.

Remember – "Reading is a Gateway to Opportunity"

Remember the Literacy Seminar on September 14, 2019 in Clifton Springs Hospital Rotary Room being at 8:45 a.m. See you there!!

NEWS FROM THE DISTRICT MEMBERSHIP DEVELOPMENT COMMITTEE

As of 31 August, District 7120 has a net gain for the first two months of the Rotary year of 19 new members among our 69 clubs. Our total membership now stands at 2280.

Welcome and congratulations to the following new members of Rotary:

Maxine Appleby: Sodus
Kathy Barrick: Clifton Springs
Jeremy Bittel: Canisteo
Carla Boerman: Ontario-Walworth
Chris Brooks: Clifton Springs
Kathy Coler: Honeoye Falls-Mendon
Tom Dombek: Waterloo
Rose Giovannini: Waterloo
Karen Hansen: Victor-Farmington
Ed Magin: Wolcott

Ted Marks: Watkins-Montour
Bruce McLellan: Naples
Kimberly Miranda: Irondequoit
Alexandra Piwonski: Spencerport
Bridgett Varner-Her: Prattsburg
Matthew Weibel: Elmira
Dale Wexell: Corning
Jessica Wright: Wolcott
Betty Zillman: Naples

In July the Membership Development Committee met, reviewed membership numbers for our 69 clubs, and identified clubs that might need some assistance in recruiting and building their membership base. We have reached out to some of these clubs to let them know the committee has experienced Rotarians who would be happy to visit and meet with the club to discuss and assess the situation. We would also be happy to help develop a plan to help the club in membership attraction and engagement.

The members of the Committee are:

Drew Ashley: Honeoye Falls-Mendon Rotary Club
Antwan Williams: Rochester Southeast Rotary Club
Carl Grovanz: Ontario-Walworth Rotary Club
Dan Kelley: Canandaigua Rotary Club
Gary Reilly: Newark Rotary Club
John Hall: Fairport Rotary Club
Kevin Mooney: Newark Rotary Club
Sara Visingard: Fairport Rotary Club

The next meeting of the Membership Development Committee is set for 25 September at 4:00PM at the Lyons National Bank Community Room, 3225 E. Lake Road #215, Canandaigua. This meeting is open to any interested Rotarian.

He is an endowment/major gifts adviser and was co-chair of the Host Organization Committee for the 2019 Rotary International Convention in Hamburg. Knaack and his wife, Susanne, are Major Donors to The Rotary Foundation and members of the Bequest Society.

Rotary Friendship Exchange Brazil hosting need & additional OPPORTUNITIES

The Rotary Friendship Exchange (RFE) is a Rotary International program for Rotarians, spouses and friends. The RFE provides participants with the opportunity to better understand other cultures and promote world peace by staying in the homes of Rotarians in other countries and experiencing their people and district. In turn, their team members are hosted by us to showcase a visit to our district.

The Brazil RFE team will be here for three hosting sessions of 4 nights, 3 nights and 4 nights beginning the morning of Saturday, October 12. We still need a couple of hosts for the 1st session on October 12, 13, 14 and 15 and 2nd session on October 16, 17 and 18. The Brazil team includes four couples, two single women and a single man.

Please indicate your availability to host the first or second session for the Brazil District 4670 visit to our district in October. We are also accepting requests for a visit to Brazil between February 26 and about March 11, 2020.

Please reply as soon as possible if you can host for Brazil or have any questions or interest in hosting or participating in a future exchange. Host volunteers have highest priority for RFE outgoing trips and 2020 exchanges are being planned to Brazil, Australia and Albuquerque.

Thank you,
Carl Grovanz

14 Days in England: Rotary Friendship Exchange District 7120 – District 1190

Have you ever traveled and asked yourself “How do the locals REALLY live? What makes this community thrive?” Have you ever wanted to truly learn about the many aspects of a culture—through friends that live there, rather than the hurried conversations of busy hotel clerks, overworked cab drivers, or waiters? Have you ever tired of living solely on restaurant food and sleeping in a succession of hotel rooms when you travel?

In June 2019, eight District 7120 Rotarians and their spouses were fortunate to get those questions answered as part of a Rotary Friendship Exchange (RFE) team to the Lake District of England. The RFE program is designed so that Rotarians and their families carry out reciprocal visits, living for a few days in the homes of Rotarians and their families in other countries. By doing so, it advances international understanding, goodwill and peace through person-to-person contacts across national boundaries.

This RFE team consisted of team leaders, Bill and Helen Gormont of the Greece Rotary Club; Bob Howard of the Bloomfield Rotary Club and his wife, Barb; Lisa Norwood from the Rochester club; Mary Ann Mady, of Penfield Rotary, Jean McMillan of Wayland Rotary, and Dianne Sloan, from the Palmyra-Macedon club. The team was able to make lasting friendships and gathered ideas for other international activities and service projects.

District 1190 covers the counties of Lancashire and Cumbria in the far northwest of England, which stretches from the Scottish border in the north to the edge of the metropolitan areas of Manchester and Liverpool in the south. It was an unseasonably cold and rainy spring, with temperatures during the two-week visit ranging from 45 to 70 degrees Fahrenheit. The landscape also varied, from sheep farms to beautiful lakes and mountains to market towns and manufacturing areas. Local Rotarian hosts treated the team like family as they shared their communities, their Rotary projects, their events and celebrations.

Highlights of the trip included:

- Visits to tourist spots such as Henry Wordsworth’s house, Castlerigg Stone Circle, Keswick Market, Surprise View, Ashness Bridge, and Honister Slate Quarry;
- Seeing the ruins of centuries-old castles and Hadrian’s Wall, which once marked the border between Scotland and England.

Continued next page

- Walking the fells to take in scenic views of Derwentwater, Ullswater and Crummock Lakes, while mingling with Herdwick and Swaledale sheep and observing colorful flowers.
- Practicing pouring a "perfect pint," a skill that came in handy when the team spent several hours volunteering at a beer and banger festival, a fundraising event for a local Rotary club;
- Traveling to Lockerbie, Scotland, to honor the memories of students from the University of Rochester, and two Rochester-area residents who were killed by terrorists when Pan Am Flight

103 exploded over and crashed into the town on December 22, 1988. The team laid a wreath at the memorial with the following note: While there, the RFE team members met a couple of women from Syracuse, as well as Colin Dorrance, a police officer who witnessed the explosion and was one of the first emergency responders at the crash scene. (The flight was en route from London to New York. All 243 passengers and 16 crew members were killed as well as 11 Lockerbie residents. In 2003, Libya admitted some responsibility for the bombing that brought down the plane and paid compensation to the victims' families.)

- Learning about efforts to reintroduce ospreys into England after becoming extinct in the 1840's. The first new birds were bred in 2007 and there are now 20 pairs breeding in England;
- Discovering England's role in the Atlantic slave trade by visiting Whitehaven, the last mainland town in Britain to be attacked by America's navy. This failed attack led by John Paul Jones in 1778 attempted to set the town's entire fleet of ships on fire. The RFE team was presented with a copy of the honorary pardon Jones received in 1999 for his raid on the town.

Plans are underway for exchanges with South Africa and Australia in the coming year, and we will be hosting an inbound 11-person team from Brazil, October 10-22, 2019. If you're interested in being an RFE team member or hosting a visiting Rotarian, contact District RFE Chair, Carl Grovanz, at cgrovanz@rochester.rr.com.

Fairport Rotary

In 2016, the Fairport Rotary commissioned the creation of a mural to be completed at the Global Mural Conference held in Rochester by the Global Mural Arts and Cultural Tourism Association. Our efforts were led by Bob and Cindy Hunt, working with the club and the artist Fernanda of Argentina. The mural has just been placed on the north side of "T Fooths" in the Village of Fairport, a location for all to see when entering Fairport from the north. More to follow on this as we complete the installation.

Fairport Rotarian Mark Fuerbacher, when not at Universal Imports, leads a band called Rise Again, who played at the Iron Smoke Distillery on August 29th. All proceeds from this show were donated to our club for Learning Links. The attendees enjoyed a great venue, great spirits and great music. Thank you, Mark, and the band.

In conjunction with our clubs Learning Links program, the club held its meeting at the Pines of Perinton, at which we enjoyed a barbeque dinner, after which we the club filled 96 backpacks with school supplies for the upcoming school year. The club thanks Harris Beach for their support in donating the backpacks. At the event, we all wished our own Kareen. Two students Amin and Anisc are shown here with Ms. Boouhone, presented by Kareen on her Birthday. Happy Birthday Kareen!!!

Silver sponsors are Long Run Communications, Ted Goldwyn Writing, Wendy Winnett of Coldwell Banker Horizons Realty, and Cutler's Carpeting. (Submitted by Ted Goldwyn)

Geneseo Rotary Participates in District Golf Tournament

For the first time in recent years, Geneseo Rotary fielded two teams in the annual District Golf Tournament held at Lima Country Club on Friday, Sept. 6th.

More than 25 teams from around the District participated. Geneseo foursomes were President Mike Kolberg, Don Livingston, Craig Chichester, and Art Hatton on one team and Tim Hayes, Tom Cox, John Lanpher, and Bloomfield Rotarian Dean Huff on the other. Craig Chichester provided the highlight for Geneseo by sinking a long putt in the putting contest. He made the putt on the very first shot in the contest and was the only golfer among more than 100 players who made the putt. Congrats to Craig.

A very nice buffet dinner ended the event and a good time was had by all.

Honeoye Lake Rotary Treasure Boxes Ready For New School Year

Once again the HLRC came through with 30 treasure boxes to be distributed to students who would benefit from having a supply of school tools ready to go the first day. Each year Rotarians shop for goodies to fill a plastic shoe box --- pencils, pens, markers, crayons, scissors, rulers, glue sticks, bottles of glue, highlighters, index cards, pens, and colored pencils are among the many items included in the boxes. The box is then put into a reusable tote bag along with various colored folders, a spiral notebook and a composition notebook.

Treasure boxes are then delivered to the elementary office for distribution to students who would appreciate them most. We have done this for several years and are able to produce at least 30 boxes annually.

Another perk to accomplishing this community service project is that every shopping trip gives our club some recognition from the general public as usually at least one person comments on "how many kids" do you have. It is a proud moment to say that our Rotary club provides these materials to our elementary students. This brings a smile not just to the Rotarian shopper but to the person who is commenting as well – a great way to get the Rotary word out there! (Submitted by Jeanne Hamele)

Canandaigua Rotary Announces Rotarian of the Year

The Canandaigua Rotary Club recently announced their Rotarian of the Year Award goes to Mr. Richard McGavern. He was cited for his dedication to the 4-Way Test for Canandaigua School students and developing a committee to explain and show how the 4-Way test can work for students as well as adults. This program is perhaps the stunning achievement of the Club this year and its inspiration and execution is because of Dick and his commitment to the ideals of the 4-Way Test.

He was also cited for independently conceiving of the idea for a need for Camp Onseyawa to have a more solid financial situation, so he launched a campaign to raise a million dollars to be held in an endowment which would assist with various costs and Camp improvements. Camp Onseyawa is the camp on Seneca Lake for persons with disabilities who attend free of charge.

One may also recall that Mr. McGavern was also chosen by the Chamber of Commerce as the 2019 Mr. Canandaigua.

BATH ROTARY CLUB SUPPORTS CAMP STAR

Camp STAR, located on the scenic and rural setting of the Watson Homestead Retreat Center, was bustling with 50 campers, ages 6 – 12, and 20 skillful counselors and staff August 11 – 16. A senior counselor and several junior counselors lived and slept in the retreat's cabins and were available to the campers around the clock.

The annual camp provides its weeklong program, complete with overnight accommodations, daily meals, group athletics, swimming, hiking, crafts, and nature study, for children who have a physical or developmental disability that usually precludes them from enjoying the camping experience. The program is carefully designed to provide needed recreation that is compatible with a wide range of therapies that the special-needs campers may be undergoing. Particular emphasis is placed on developing the initiative and self-reliance of campers.

This special camp for children of the Southern Tier, founded in 1963, is sponsored by the members of ten local Rotary Clubs. In addition to the Bath Rotary Club, the Canisteo, Chemung County Sunrise, Corning, Elmira, Elmira Heights, Hornell, Horseheads, Prattsburgh, and Watkins-Montour Rotary Clubs fund the weeklong event so that no camper is charged to enjoy this special place.

"Camp STAR is a great opportunity for the campers to feel like a kid. They are at a place where their disability does not matter," stated Kris Earl, Camp Star Director. "Along with the enjoyment the campers receive, the parents get a little bit of respite. Often they are the sole caretaker for their children. They can rest at ease knowing their child is well cared for during camp time."

On July 15 four members of the Bath Rotary Club, Nancy Latour, Robin Lattimer, Cheryl Muller, and John Stranges, participated in the Camp STAR Benefit Golf Tournament at the Indian Hills Golf Club. Tournament organizers estimate that the event raised more than \$10,000 for the camp.

On Thursday, August 15, the Bath Rotarians provided the campers and staff with a picnic of grilled hotdogs and hamburger/cheeseburgers, chips, fruit cups, and a beverage. Those participating from the local club included: Jane Russell, President; Carol Berry, Immediate Past President; Cheryl Muller, Vocational Service Director; Mike Slovak, International Service Director and Immediate Past District 7120 Governor; Bill White, Club Service Director; Elaine Tears, Public Relations Chair; Al Johnson, Historian. They were joined by Maureen Johnson, wife of Al Johnson, and Charlie and Jan Clemens, present residents of Virginia and former members of the Elmira Heights Rotary Club.

The participation in the Camp STAR experience allowed the Bath Rotarians to continue their involvement in community service projects, to enjoy a spirit of fellowship, and to display dedication to Rotary's motto of "Service of Above Self".

Canandaigua Rotary Club Announces Non-Rotarian of the Year

Every year the Canandaigua Rotary Club likes to look outside the Club to honor someone who meets the 4-Way Test. The 4-Way test comprises of: Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all? The Club is pleased to announce that Nash Bock was one of many in our community. Mr. Bock is the Executive Director of the Canandaigua Habitat for Humanity. At Habitat, he qualifies certain homeowners with upkeep, oversaw construction of three Habitat homes in Ontario county, manages over all operations of Habitat including outreach, and organizing volunteers. Mr. Bock, with the aid of the board of directors, also interfaces with Habitat International. (Submitted by Jack Kellogg)

Genesee Valley Rotary Camp (GVRC), is a one week summer camp for young people (ages 8 – 21) with various disabilities. BATH ROTARIANS SERVE THE YOUNG AND OLD

Just as parents and students were preparing for school to open, so was Turning Point, a service priority of Catholic Charities of Steuben whose mission is to build communities that care for all people by strengthening and enriching the quality of life for individuals, families, and children; working to reduce poverty; advocating for social justice.

Again this year, Bath Rotarians purchased school supplies and at an August, luncheon meeting presented them to Turning Point representative for its Back-to-School Supply Drive which helped eligible children in grades Pre-K – 12, who are residents of Bath and surrounding communities. The items included: backpacks, binders, colored pencils, composition notebooks, crayons, eraser toppers, glue sticks, highlighters, hygiene items, index cards, loose leaf paper, markers, mechanical pencils, pencil boxes, pocket folders, rulers, scissors, and subject notebooks.

"Providing school supplies to Bath and surrounding area students is another example of not only Bath Rotary's generosity but also our club's commitment to community service," said Robin Lattimer, Community Service Director. "We strive to enhance Rotary's contributions to the community by helping others and working to make Bath and surrounding communities better places in which to live."

Tess McKinley, Turning Point Director, noted that in 2018 the Back-to-School Supply Drive helped 161 students receive many supplies needed for a successful, school year. The goal of this year's drive was the collection of enough items to match or surpass those of last year.

"We at Turning Point greatly appreciate all donations which will help our local youth have a great start to a new school year so that they can focus on learning and being successful at school," said McKinley, who herself joined the Bath Rotary Club last year and was recognized as Rookie of the Year at its Changeover Dinner in June. "We work to be good stewards of the material goods and financial contributions that are received. A special thank you to the Bath Rotary Club for identifying the school supply drive as an important, educational project."

combed the aisles of Tops Friendly Market in Bath, looking for the items on the shopping lists, provided by seniors who were unable to get to the store to do their own weekly, grocery shopping. After the checkout procedure was completed, the Rotarians delivered the items to the seniors and often spent a few minutes conversing with them.

"It is through community service that Rotary clubs address local needs and work with their communities to bring lasting improvements," said Robin Lattimer, Bath Rotary Club Community Service Director. "The Project Care Shopping for the Elderly program not only satisfies the needs of the senior but also provides great satisfaction to Rotarians. We are very pleased to extend a helping hand to those in our community who are in need of this service."

Project Care Shopping for the Elderly, sponsored by the Steuben County Office for the Aging, is a community action program which reaches out to seniors age 60 and over with solutions for grocery shopping. The program's mission is to assist seniors in the greater Bath area to remain in their homes as long as possible through a grass-roots network of local volunteers.

These two programs support one of Rotary's primary purposes, i.e., a global network of volunteers who provide humanitarian service. The Bath Rotarians indeed experienced the fulfillment that came from giving back to the youth and seniors of the community.

The club received a generous contribution of three-hundred and twenty-four pounds of clay from Victor Insulators, Inc. The clay was donated to the camp for craft activities. Club members had previously participated in setting up the camp the previous week.

The Rotarians who work on the projects at the camp have as much fun as the campers. It is a service project that exemplifies Rotary's founder Paul Harris' adage that nothing prevents you from having fun while engaged in service for others.

The Victor- Farmington Rotary Club continued a four-decade tradition when five members participated in the annual carnival at Camp ONSEYAWA in mid-August. Club members Bonnie and Ross Cottone, Nancy Zavaglia, Galen Powers and Dave Luitweiler were at the carnival to help with the day's festivities. They shucked bags of fresh corn for an evening barbecue later that evening.

DISTRICT GOVERNOR VISITS VICTOR-FARMING ROTARY CLUB

District Governor David Hannan, MD, recently visited a noon meeting of the Victor – Farmington Rotary Club as part of his official visit to all clubs in the district. Governor Hannan was accompanied by his wife, Pam.

He discussed what he hopes to accomplish during his term and how the Victor – Farmington club can work as a team to achieve the overall goal of Rotary to be a positive force in service to others.

In his comments the governor made note of the Rotary theme for 2019-2020, “Rotary Connects the World”, and how it reinforces the Rotary International Vision Statement, “Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.”

The governor reminded the club members that these words and visions apply to 1.2 million individual Rotarians as well as the more than 34,000 clubs located in over 220 countries around the globe. He encouraged them to work together to bring more young adults into Rotary and provide them the opportunity to serve in leadership positions.

He encouraged club members to work to promote a public image of Rotary as an agent for good in their local community. He reminded the club members that service to others is the primary objective of Rotary. The commitment to service begins at the local level.

The governor reminded the Rotarians that through their membership in Rotary, their local and international service projects, and their financial support of the Rotary Foundation, individual Rotarians unite to form a formidable instrument for doing good around the world.

In concluding his presentation, Governor Hannan presented club president Jim Crane his personal donation to be used towards the club's efforts to enhance literacy and education in the local community. (Submitted by Dave Luitweiler)

Greece Rotarian Named 2019 Woman of Distinction

Greece Rotarian Kathy Graupman was honored at a recent Rotary meeting with a special presentation by Senator Joe Robach. Ms. Graupman was the recipient of NYS 2019 Woman of Distinction Award, representing the 56th Senate District.

The Woman of Distinction program was created in 1998 as part of our state celebration of Woman's History Month to honor exemplary women from across the state whose professional and personal achievements, commitment to excellence, and accomplishments merit special recognition.

Ms. Graupman, Superintendent of the Greece Central School District, was Senator Robach's selection due to the passion and commitment she brings to all her endeavors--from leading the school district to enthusiastic participation in all Rotary events and to meaningful involvement in the Greece community. Red Jacket Rotary News

PDG Scott MacDonell and Norma Madayag-Reilly were guests of Red Jacket Rotary on August 20th. Together they discussed ways to build club membership. Scott is our District 7120 Membership Development Chairman. Along with reaching out to our youth through Interact and Rotaract, they suggested several other approaches such as holding meetings at different times and locations to help attract interested community members who might have a conflict with established Club meeting days or times. Another approach Scott suggested was to look beyond friends and neighbors and try to identify what types of businesses and professions were not represented in current Club membership rolls and then approach people in these areas to help build membership and diversity. Together Scott and Norma gave us many good ideas to help grow our Club. (Submitted by Dick Stearns)

Elmira Rotary

The Elmira Rotary Club was honored to host a visit from Wade Norwood, CEO of Common Ground Health, the nation's oldest health care community health planning group. Elmira Rotary invited community leaders to attend the presentation and more than 70 people came to hear details on the connection between poverty and health. Mr. Norwood addressed issues such as housing stock, transportation and education and how they relate to the health of a community. He left us with several ideas on how to pursue new initiatives to impact our community.

Avon Rotary - Making a Difference

Fellow Rotarians,

We want to thank the entire club for your continued support of literacy in the impoverished country of Nicaragua. Since the first construction, Avon Rotary has been there, supporting this effort every step of the way over the past eight years. The attached pictures are before and after images of the old and new schools in the community of San Miguelito. Avon Rotary, Fairport Rotary and Rochester Rotary donated generously to the 2019 project, and provided for half of the entire cost of construction. Avon Rotary has been a significant contributor to all of the ten projects since 2011. Linking Hands for Learning just last year started a college scholarship program, which is enabling students from these mountain communities to now attend universities in nearby cities. Because of their incredible generosity, Avon Rotarians have already begun stepping forward and have asked to sponsor students. Attending university is a dream come true for people living in these mountain communities. Rotary is making an incredible difference in the lives of people throughout the world!

Penfield Rotary

Penfield Rotary Club Members engaged in several service projects over the summer months and we enjoyed teaming up with other community organizations and neighboring Rotary Clubs to fulfill our mission of Service Above Self.

School supplies for school #54

We opened the summer season in June by teaming up with several community organizations for the second year in a row to plant flowers in the Four Corners of Penfield. Members of the Penfield Community Victory Garden, Girls Scout and Boy Scout Troops,

the Town of Penfield, and the First Baptist Church of Penfield NY completed a town beautification project in the Four Corners of Penfield. We planted seven planters of flowers and maintained them throughout the summer.

NUCOR House Dinner

Camp Haccamo Prom

In July, we partnered with the Spencerport and Avon Rotary Clubs for the third straight year to provide lunch to campers at Camp Open Arms, an annual camping event hosted by Gilda's Club for children whose lives are affected by cancer.

New Garden at Haccamo

Later that month, our club prepared dinner for residents of NUCOR House, a residence for veterans affected by Post Traumatic Stress Disorder. The Club tries to honor our veterans by preparing several meals at NUCOR during the course of the year. July's meal was a summer barbecue with lots of side dishes prepared by Club members.

August was even more eventful, with three service projects. Our Club collected school supplies to fill 100 book bags for the students of School #54 on Otis Street in Rochester. We gathered at Rotarian Mary Ann Mady's home to fill the bags and we were joined by Girl Scout Troops #61001 and 60219 who helped us with collecting and packing the bags. Several Club members also helped out at the Haccamo Prom on August 22 and helped campers get ready for and attend their prom.

Lastly, Nancy Marrer, Penfield Rotarian and owner of The Root Tender, designed and broke ground for a new garden at Camp Haccamo. She has been joined in this project by several Penfield Rotarians and members of the Penfield Community Victory Garden. In addition to creating the garden, Club members designed Fairy Houses to display in the garden for the campers' enjoyment. (Submitted by Marie Cinti)

Avon Rotary Corn Festival

On August 10th Avon Rotary hosted our 33rd annual Corn Festival. After 8 months of planning, this major fundraiser, which is held in downtown Avon, went off like a well-oiled machine! The street was filled with arts and craft vendors, the food court was full with a wide variety of delicious meal choices, and there was live music everywhere you turned. Our club is fortunate to have great support from many of our local businesses. Several contribute as Corporate Sponsors which helps pay for our main concert featuring the Skycoasters. Others contribute as Entertainment sponsors helping to defray the cost of our live entertainment on 3 different stages throughout the day. Each year we create and publish our Corn Festival Program which provides pages of club information, photos, patrons and local business ads. It acts as a reference guide for the day and a nice 'historical' booklet for the club. The festival is organized by a committee of club volunteers, and we have been led by our Chairman, Rodney George for the past few years. It takes all hands on deck the day of the festival, from stirring butter, serving corn fritters, helping vendors set in, and scores of other opportunities to pitch in. For the past 2 years we've added a Beer Garden to our festival for the visitors to enjoy, and it has proven to be a positive addition and a good money maker after careful planning and staffing.

I write this to thank our club volunteers for all their hard work, especially the leadership and teamwork involved. This is one of our major fundraisers which provides our club the ability to give back to our community, support area projects and make significant contributions to the Rotary Foundation and PolioPlus programs. Also, many thanks to our District leaders who visit the festival each year and support us in the corn booth or just stop by to say hi. Hope to see you all next year!

Past President and Chair of the Beer Garden, Kirk Vanderbilt with our District Leaders, Don Milton, Linda Kohl, Jo & Mike Slovak.

SUNSHINE CAMPUS 5K TRAIL MIX

The Sunshine Camp Trail Mix 5K will take place Sunday, Oct. 13, 2019 at Rochester Rotary Sunshine Campus, a fully accessible summer camp located at 809 Five Points Road in Rush, N.Y. In addition to supporting children and young adults with disabilities, participants also will have an exclusive opportunity to see some of the 157 acres of this private camp — through a mix of paved sidewalks and natural dirt trails.

“Sunshine Camp is the only local camp of its kind that gives children with special needs unique overnight camping experiences,” Rochester Rotary President Julie St. Germaine. “We hope the community will come out and support this new event and help kids with disabilities just be kids while at summer camp, without any barriers to fun.”
