**Linda Kohl, District Governor**

**Issue 1**

**Ken and Linda Kohl**

Happy Rotary New Year!

July 1 began the Rotary New Year with the appropriate theme Rotary Opens Opportunities.

Rotary International President Holger Knaack introduced his theme in January at International Assembly for Rotary year 2020-21 as "Rotary Opens Opportunities"

He said "Rotary is not just a club that you join. It is an invitation to endless opportunities. It opens opportunities to

serve in a project as big as END POLIO NOW and also in a small community project where you plant a tree. Everything we do opens another opportunity for someone somewhere."

At International Assembly, the District Governor Elects were asked to convey to their clubs the message that Rotary Opens Opportunities.

Such opportunities are to:

- 1) Create new, innovative club models, to help expand outreach by creating a satellite club or a community based Rotaract Club
- 2) Ensure that each club have at least one strategic meeting-asking "What should our Club look like in 5 years and what steps should we take to achieve this vision? What value do we bring our members?"
- 3) Select new members carefully. Make sure they are a good fit with your club and that the club meets their expectations. Engage them and take care of them
- 4) Continue your clubs efforts to end polio by donating to END POLIO NOW. We must fulfill our promise that we made to the children of the world.

It is now 6 months since International Assembly. Our lives have changed but the goal to "open opportunities" has not.

We are Rotarians and must remain optimistic, and continue to seek opportunities to engage members, grow Rotary membership, fundraise and perform service projects.

Rotary clubs who are able to embrace change and enthusiastically support opportunities will come out stronger than before.

For those of you who missed or would like to re watch the first virtual District 7120 Change Over Celebration that was held on June 27, the link to watch the recording is up on the [penfieldrotary.org](http://penfieldrotary.org) website.

Many people have remarked about wanting to listen again to the interesting and inspiring remarks by Immediate Past Rotary International Director Jeffry Cadorette.

I want to thank my amazing home club and its members for hosting and participating in the District Change Over Celebration.

*(Continued on page 2)*

*(Continued from page 1)*

As I begin my year as District Governor, I am attending in person club meetings as well as continuing to meet with clubs on Zoom.

My plan is to have my official District Governor visits with the clubs by Area on Zoom this summer. During these uncertain times, I believe it is in the best interest of clubs to meet together and share their club status and their ideas for new opportunities. However, we need to be flexible. I am open to attend in person meetings/activities of our District Rotary Clubs.

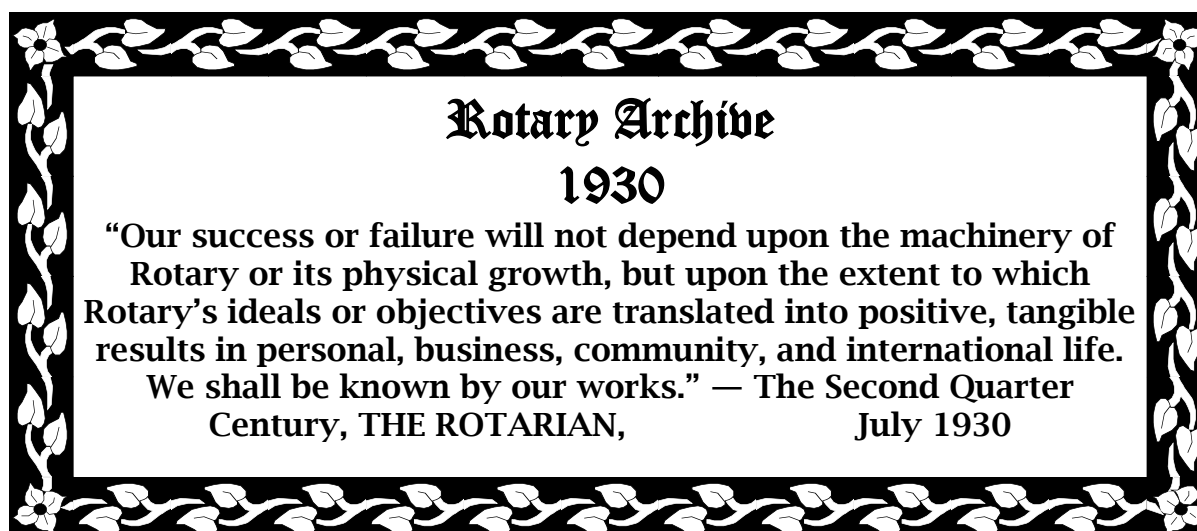

In conclusion, I look forward to this challenging New Year as District Governor and working with you to open opportunities.

Yours in Rotary,

DG Linda

District Governor 2020-2021

Rotary District 7120

# The Rotary Foundation

## District 7120 Competitions, Awards & Contests

### Rotary Citation 2019-2020

Deadline August 15, 2020

(For Rotary Clubs, Rotaract Clubs, & Interact Clubs)

### Welcome to Rotary

### The District Membership Development Committee (Submitted by Gary Reilly)

The District Membership Development Committee is pleased to welcome and congratulate the following new members/transfers for June:

**First, the District Membership Development Committee would like to welcome and congratulate Pam Sivret, from the Fairport Rotary Club, who was not included with the May new members/transfers in the last Grapevine.**

ROTARY INTERNATIONAL NEWS 18 June 2020

## Clem Renouf, the RI president who inspired Rotary's polio eradication efforts, dies

Sir Clem Renouf, the 1978-79 Rotary International president who helped propel Rotary toward its top goal of eradicating polio worldwide, has died at age 99.

Renouf was a member of the Rotary Club of Nambour, Queensland, Australia, for 70 years. He served as RI director, Foundation trustee, district governor, RI committee member and chair, and International Assembly discussion leader.

In early 1979, on a flight home from the Philippines, Renouf read a magazine story about the eradication of smallpox. He wondered if Rotary's new Health, Hunger and Humanities (3-H) Grants could be used to eliminate another disease. They, for the first time, allowed Rotary projects to be taken on by more than just one club or district.

Renouf consulted with a friend, John Sever, who was a district governor in Maryland, USA, and chief of infectious diseases at the United States National Institutes of Health. Sever happened to be friends with Jonas Salk and Albert Sabin, who developed polio vaccines in the 1950s and 1960s. After doing some research, Sever said that polio would be the best disease for Rotary to work on.

"Clem then set his sights on polio eradication as a Rotary worldwide project," wrote Ray Klingensmith, 2010-11 Rotary International president, in a tribute to Renouf. In November 1979, the RI Board agreed to set the eradication of polio as a primary goal of the 3-H program.

Renouf was instrumental in raising funds for the early effort. "In order to raise money, Clem asked all the clubs to contribute some cash, which was about \$15 per member, for service projects, and the appeal raised the surprising amount of \$7 million," Klingensmith wrote. "Part of that money was then used to fund the first polio immunization project in the Philippines ... The success was real"

In 1985, Rotary launched the PolioPlus program, and it later spearheaded the Global Polio Eradication Initiative with its partners — national governments, the World Health Organization, U.S. Centers for Disease Control and Prevention, and UNICEF. The GPEI continues to pursue worldwide eradication of polio.

Renouf served in the Royal Australian Air Force during World War II. After the war, he was an accountant and partner in the firm of Renouf and Clarke. He was an associate of the Chartered Institute of Secretaries and Administrators and a fellow of the Australian Society of CPAs, later called CPA Australia. He was also a founder of Sundale Garden Village for the elderly.

Rotary honored Renouf with the PolioPlus Pioneer Award for his extraordinary service to PolioPlus, as well as the Service Above Self Award, Rotary Foundation Citation for Meritorious Service, and Rotary Foundation Distinguished Service Award. He was a Rotary Foundation Benefactor and Major Donor and a member of the Paul Harris Society and the Bequest Society.

Klingensmith described Renouf as quiet but a natural leader.

"Clem was always kind and supportive of younger Rotarians, and he is the one who gave me a chance to travel the Rotary Road," Klingensmith wrote. "Rotary would not be at the high point it is today without the improvements made by Clem and his team."

(Source: [www.rotary.org](http://www.rotary.org))

ROTARY INTERNATIONAL NEWS 25 June 2020

The Rotary Foundation Trustees and Rotary International Board of Directors have both unanimously approved adding a new area of focus: supporting the environment.

More than \$18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

Supporting the environment becomes Rotary's seventh area of focus, which are categories of service activities supported by global grants. It joins peacebuilding and conflict prevention; disease prevention and treatment; water, sanitation, and hygiene; maternal and child health; basic education and literacy; and community economic development.

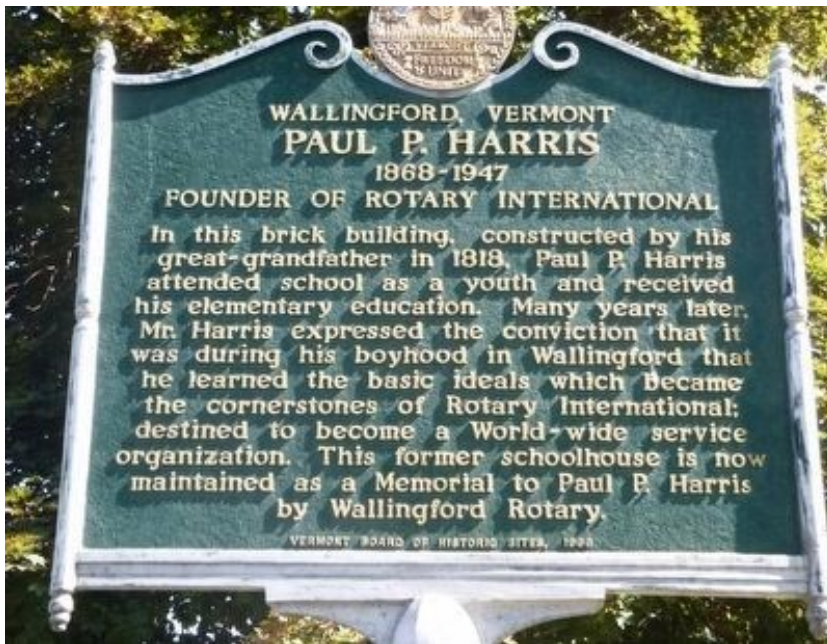

Grant applications for projects will be accepted beginning on 1 July 2021. Gifts and commitments from Rotarians and others will be sought to provide global grant support for the new area of focus.

More information about this new cause will be announced soon.

## PAUL HARRIS HISTORICAL SITE

## Paul P. Harris 1868-1947

- **Inscription.** 🔊

In this brick building, constructed by his great-grandfather in 1818, Paul P. Harris attended school as a youth and received his elementary education. Many years later, Mr. Harris expressed the conviction that it was during his boyhood in Wallingford that he learned the basic ideals which became the cornerstones of Rotary International; destined to become a World-wide service organization. This former schoolhouse is now

maintained as a Memorial to Paul P. Harris by Wallingford Rotary.

## Penn Yan Rotary 2020 Scholarship Awards

This year Penn Yan Rotary was able to honor three outstanding individuals of the graduating class at Penn Yan Academy with Scholarship funds: Jonathan Droney, Triana Burgos-Farnan and Kayla Andersen. It was also a privilege to recognize Emilie Trab, our Rotary Youth Exchange student from Denmark.

In order to maintain social distancing, we met at the Village of Penn Yan Indian Pines Park. We enjoyed a beautiful lakeside setting with family, friends, Rotarians and students.

For Emilie many wrote her a message which she could take home with her. Emilie enjoyed the year, playing volleyball, being in the play but mostly it was her smile and spirit that made it a great year. She even took the Covid-19 crisis in stride. What a delight to witness the strength of a young person as an international ambassador.

Jonathan Droney was honored with the first Dean Morgan, Vocational Scholarship award. Jonathan intends to study welding. He came with his mom Sara and Grandma Kathy and Ron. Dean's wife Mary Ellen was so pleased to honor Dean and said how pleased he would be to see this award go to a deserving youth person like Jonathan. Dean who passed away in June 2019 retired from the Elmira Schools. He recognized the importance of Vocational training and it was important to the family to recognize that on his passing.

Triana Burgos-Farnan was given a scholarship based on her academics and her extensive involvement in Interact. Her plans will take her to SUNY Cobleskill where she will study animal science. She hopes to be a large animal veterinarian. She was joined by former Rotarian and Penn Yan Academy Asst. Principal Warren Kinsey.

Kayla Andersen was given a scholarship check based on her involvement in Interact and volunteer activities in the community. She was joined by her mom, Sue, dad, Dave and sister Morgan. Kayla learned at an early age that community and giving back was a priority. She has decided to attend SUNY Geneseo in the fall and major in physics and chemistry.

These hardworking students are going to do great things in the world and we salute them each.

DG Dave Hannan and Jackie Shrader

## Penn Yan Rotary Literacy Project

Penn Yan Rotary donated one hundred books to Kindergarten graduates at Penn Yan Central School and twelve for the students at St. Michael's Catholic school. These books were distributed with each kindergartener's final packet through the school delivery system.

Gift card and books

Funds for these new books was given to the Penn Yan Rotary Club by the 2019-2020 Rotary District Governor David and his

wife, Pam Hannon. Prior to Covid-19, the club had decided to use these funds to place book cases in the two Penn Yan Laundromats.

However, a new initiative was proposed once schools closed. The idea was to purchase a new book to give each student completing their Kindergarten year. Each distribution included a note to the student congratulating them on completing their year and hoping they enjoy the book.

Special thanks to Stephanie Lipari and Christine Hallings and Principal Debra Marvin at St. Michaels School for helping to make this happen. We thank the Hannon's for the seed money; it reminded us each how important books are especially to

young readers as they discover new venues of inspiration and enrichment where the mind can freely imagine.

### New Newark Rotary President

Sworn in at their June 25th meeting was Donna Johnson as the 95th President of the Newark Rotary Club. Donna replaces Holly Kreuser who served in the 2019-2020 year, leading the club through major difficulties due to the pandemic. Newark has 112 active members and is the 2nd largest club in our district.

Donna Johnson lives in nearby Williamson and is a Wealth Manager for Lyons National Bank.

(Submitted by John Zornow)

## WELCOME NEW MEMBERS

### New Newark Rotarians

Two new Rotarians have been added to the Newark club's roster recently.

Lucina Hallagan, a Human Resources Manager for the Hallagan Manufacturing Company decided to join the Newark club as a result of a positive experience she had while working on the Facemask Project with Rotary. She was sponsored by then President Hally Kreuser and her interests are Club Service, Youth Service, and Community Service.

Peter Blandino, a retired former Newark Mayor, has re-joined the club and is ready to give back to the community once again. He interests are Community Service and Club Service. He was sponsored by Kurt Werts.

## Paul Harris Fellows

## Fairport Rotary Paul Harris Fellow Recipients

Becky Wilson

Dave Scheirer

Newcomb Losh

Domenick Cecconi

Mark Fuerbacher

Tom Wolanski

Lewis Heisman

Pat George

Bob Hartnett

Eight Fairport Rotarians - three of whom for the first time - received Paul Harris Fellow recognitions in the month of June. The presentations, conducted by Foundation Chair, **Tom Weldgen**, took place during our Zoom sessions June 22<sup>nd</sup> and June 29<sup>th</sup>. The eight recipients are pictured above around **Mark Fuerbacher**, who was inducted June 22<sup>nd</sup> as our 2020 - 2021 President.

Among the first-time recipients was Past President, **Becky Wilson**. During her Presidential tenure, Wilson motivated club members to get involved in long-time, as well as new club initiatives. With her direction, our club became the recipient of a Presidential citation.

As President, Wilson proved apt at building bridges between our Fairport club and community. She established numerous programs such as the Fairport Police T-shirt project, which involves local police handing out tie-dyed "Service Above Self" t-shirts to youth witnessed doing random acts of service. Wilson also conceived the Jefferson Elementary PenPal program. This project

began as an essay contest among 2nd graders on the topic of "Service Above Self," and morphed to a monthly exchange of handwritten letters between Rotarians and the young students. The initiative Wilson cites as being most proud of, however, is the Pines Of Perinton Back-Pack Fill Drive. Late last August, in partnership with Learning Links, Rotarians gathered to fill over a hundred new backpacks with school supplies in preparation of a give-away event that took place days later at the Pines.

Wilson infused fun and productivity into our weekly meetings throughout the Rotary year. She ran workshops, conducted team-building games, pushed members of the Board of Directors to update our club By-Laws, and provided an opportunity for members to get creative with themed meetings. When the pandemic began to spread across US soil in early 2020, Wilson marshaled our club to be among the first in the District to hold virtual club and board meetings, and even induct new members by virtual means. Thanks to Wilson's guidance, our club remained active, maintained our charitable focus and fluently reacted to crisis needs caused by the Covid-19 virus. As Weldgen stated, "All of us were energized by [her] leadership, and the ability to continue to help in true Rotary fashion."

(Submitted by Kareen Zeitounzi)

### Fairport Rotary Club

Our Fairport Rotary Club was pleased to induct Pam Sivret into our club on May 18, 2020. Pam is our second member to be inducted via Zoom, or “Zoom-ducted,” during our present virtual meeting structure. Two of Pam’s four kids, Cassie and Jenna, as well as her sister, Teri Yasses, were in attendance.

Pam is an Education and Disabilities Specialist, currently employed by Wayne County Action Center’s Early Head Start program for children age 18 months to 5 years, which is held in Newark. She is a former member of Batavia Rotary and now lives in Penfield. (Submitted by Karen Zeitounzi)

### Honoring Our Members

When Fairport Rotary members **Doug Whitney** and **Ed Johnston** checked into our club's weekly Zoom meeting on June 15th, they were in for a surprise. Unbeknownst to them, their children from across the U.S. and the world started to pop up in the Zoom gallery, along with our regular Rotary members, and a presentation began.

Club President **Becky Wilson** played a short YouTube video of events that occurred in 1970, back when Nixon was President and the World Trade Center was just breaking ground, and then followed by showing photos of Whitney and Johnston at various Rotary functions throughout the past five decades.

Both Whitney and Johnston joined Rotary in 1970 and are completing a half century of service to the community and the world. Johnston's wife, Carol, and Whitney's wife, Jean, presented the honorees with special pins and a memento.

In addition to their long-time Rotary service, including being Paul Harris Fellows and past Presidents, Whitney and Johnston have lived next door to each other in the Village of Fairport for more than 50 years. Johnston is a retired self-employed contractor, and Whitney is a retired local attorney.

In a "turn the tables" manner, our Past President, **Becky Wilson**, was met with a litany of surprises during our Change Over Dinner conducted via Zoom the following week, on June 22nd. Newly inducted President, **Mark Fuerbacher**, had arranged for Wilson's husband, Steve, to present his wife a plaque on behalf of our club, honoring her for the phenomenal work she did leading Fairport Rotary this past year, particularly through the tumultuous times of the first half of 2020. Joining us for the Zoom presentation - as an added surprise to Wilson - were her children, Jackie Smith and Eric Wilson, from their homes in Rochester and North Carolina, respectively.

(Submitted by Kareen Zeitounzi)

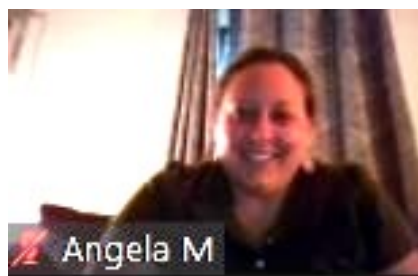

## THOMAS BECOMES BATH ROTARY CLUB PRESIDENT

The Bath Rotary Club recently held its Annual Changeover Ceremony virtually at which time Jessica Thomas was announced as 2020 – 2021 Bath Rotary Club President, and several members were awarded special recognitions.

The ceremony began with an inspirational invocation delivered by John Gould, the Pledge of Allegiance recited by Nancy Latour, and "God Bless America" sung by Cheryl Muller.

Due to the coronavirus pandemic the Rotarians participated in the ceremony from their own homes via Zoom. However, Jane Russell, 2019 – 2020 President, and Jessica Thomas, 2019 – 2020 President-Elect, safely met at Thomas' home.

"My goal for the year was to get the Bath Rotary Club's website fixed and current; thanks to Angela Mattoon, our newest club member and recently appointed Webmaster, that goal has been accomplished" remarked Russell. "After Covid-19 set in I decided to set my sights on keeping our Rotary club in touch with each other via Zoom meetings and to keep the Bath Rotary Club alive."

Rookie of the Year

Recognition was given by President Russell to those local Rotarians who have strived to achieve the ideal of humanitarian service and high ethical standards under the Rotary motto of "Service Above Self". Russell presented plaques to Angela Mattoon, Rookie of the Year, and Jack Wheeler, Rotarian of the Year.

Rotarian of the Year

Russell also bestowed Paul Harris Fellow Awards to the following nine local Rotarians: Amanda Chafee, Joe Latham, Angela Mattoon, Tess McKinley, Cheryl

Muller, Heather Schneider, Emy Lou Snyder, Jessica Thomas, and Jack Wheeler.

Club members who had earned perfect attendance/participation recognition for 2019 – 2020 were announced by Bill White, Sergeant-at-Arms and Membership Co-Chair. Those members, receiving a Rotary attendance pin with a hanging tab imprinted with the number of years the recipients have had 100% Attendance/Participation in the Bath Rotary Club, were: Terry Bilancio (1); Willie Bilancio (1); Angela Mattoon (1); Tess McKinley (1); Jessica Thomas (2); Cheryl Muller (3); John Gould (4); Larry Bates (5); Nancy Latour (5); Jane Russell (5); Elaine Tears (10); Bill White (15); Mike Slovak (16); June Bates (18); Al Johnson (18).

The Roll Call of Bath Rotary Club Past Presidents in attendance was delivered by Elaine Tears, Bath Rotary Club President 2016 – 2017 and present Public Relations Chair: Don Snyder, 1997 – 1998; Dave Stewart, 2005 – 2006; Al Johnson, 2006 – 2007; Mike Slovak, 2007 – 2008; Joanne Sheehan, 2009 – 2010; Robin Lattimer, 2011 – 2012; Benita Nesbitt, 2014 – 2015; Elaine Tears, 2016 – 2017; Nancy Latour, 2017 – 2018. It was also announced that the following had served as president of another local Rotary Club before they joined the Bath Rotary Club:

Larry Bates, Hammondsport; Terry Bilancio, Hammondsport; Willie Bilancio, Hammondsport; Jane Russell, Prattsburgh; Chauncey Watches, Canisteo.

The Bath Rotary Club continued to support many activities during the 2019 – 2020 Rotary year, including: Adopt-A-Highway Cleanup, Bath Beautification Project, Bath Youth Baseball, Camp Star Cookout and Golf Tournament, Community Garden, Crop Walk, Dormann Library, PolioPlus, Project Care Shopping for the Elderly, Red Door Soup Kitchen, Sponsorship of Bath-Haverling Interact Club, Student Scholarships and Loans, Tourist Booth, Turning Point Food Pantry and Back to School Supplies, Tyrtle Beach, STEPS Walk, and Wineglass Marathon.

Upon receiving a plaque as the 2020 – 2021 Bath Rotary Club President by Russell, Jessica Thomas stated, "My vision for the Bath Rotary Club this year is based on the Rotary International theme of Rotary Opens Opportunities. I see this theme as an opportunity to focus on the youth in the community and young, potential members to our club. I would like to inspire the youth to help one another, be more forgiving of one another, and be a helpful force in our community."

The Bath Rotary Club, chartered March 16, 1923, looks forward to the 2020 – 2021 Rotary year with Holger Knaack of Germany as Rotary International President, Linda Kohl as Rotary District 7120 Governor, and Thomas as Bath Rotary Club President. At this time the club plans to continue to meet virtually at noon every Thursday.

## Bloomfield Rotary's Students of the Month

After an intro by our own Carol Creswell, Dan McAlpin, Principal at Bloomfield High School, presented the Students of the Month for February through June. Each will be mailed a certificate, and a check for \$50 will be sent to the charity of their choice. These students are chosen for their scholarship, citizenship, community service and leadership. They are nominated by their teachers and the principal.

February's honoree is Peyton Acoff. Peyton is valedictorian of her class. She is going to miss her small school but is excited about the opportunities she will have in college. She plans to attend MIT to study Science. Her chosen charity is Lollypop Farm because it's close to home, she loves animals, and Lollypop does a good job helping strays find new homes.

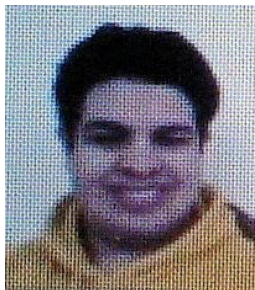

March's honoree is Juliana Barzac. She has enjoyed the art and music programs at Bloomfield and will miss her small town, but is excited to experience city life. She plans to attend the SUNY College of Environmental Science in Syracuse. Her chosen charity is also Lollypop Farm because she loves animals, and they rescue and rehabilitate animals coming from bad situations. She added that they're always in need of donations, especially now.

April's honoree is Aubree Hottois. One of her favorite things at Bloomfield was going to visit the elementary school to work with the lower grades. After graduation, she plans to enter the work force. Although she will miss "always having something to do", she is excited to apply her academic experiences to real life and be an adult. Her chosen charity is Direct Relief, which is a nonprofit, nonpartisan organization with a stated mission to "improve the health and lives of people affected by poverty or emergency situations by mobilizing and providing essential medical resources needed for their care." She noted that their Covid-19 stockpile is dangerously low.

May's honoree is Lily McFadden. She really enjoyed the IB Art program, as well as the science and history programs at Bloomfield. She will miss the community and all the supportive teachers. She is excited to continue with community service and research at college. She plans to attend St. John Fisher for Veterinary Science. Her chosen charity is Pet Pride, which is a small organization that houses strays, rehabilitates them and gets them ready for adoption.

June's honoree is Christian Ryes-Pagan. He enjoyed being a part of the stage crew in Drama Club, working with the kids who became like family. He will miss his friends and teachers at Bloomfield, but is looking forward to making even more friends in college and learn new skills. He plans to attend Elmira College with the ultimate goal of becoming a pediatric nurse. His chosen charity is St. Jude's Hospital, which treats children with cancer and other pediatric diseases.

June's BOCES honoree is Robert Torno. A highlight of his Bloomfield experience was visiting the elementary school and working with the younger kids. He will miss his friends here in Bloomfield, but is excited to travel. He has joined the Air Force and is leaving in September. His chosen charity is the Wounded Warrior Project, which helps veterans and active duty service members.

## BATH BEAUTIFICATION PROJECT SUPPORTED BY LOCAL ROTARY CLUB

As part of the Bath Beautification Project, the Bath Rotary Club provides wrought iron, hanging baskets of beautiful flowers along historic Liberty Street in downtown Bath.

As part of its service to the community the Bath Rotary Club continues to support the Bath Beautification Project, in which it first participated in 2013. The club provided twenty-two wrought iron, hanging baskets of beautiful flowers which were hung on the light poles along historic Liberty Street. The lovely, floral barrels throughout the downtown area were furnished by the Bath Village Beautification Endowment Fund.

The floral arrangements were made by TNT Greenhouse in Bradford which also provides fertilizer and advice during the summer to help the Rotarians keep the flowers looking beautiful. The baskets were hung this year by the Village of Bath Street Department under the guidance of Tom Gutow.

Becky Stranges, Bath Rotarian and Chair of the club's beautification project, remarked, "Bath Rotary is proud to provide the Village of Bath with these hanging baskets. The flowers add a visual pop to our downtown, and Rotary hopes they bring hope and a bright spot to its residents during these trying times."

"On behalf of the club I would like to recognize the watering teams, made up of Bath Rotarians, village and area residents, and some shopkeepers, for their continued dedication throughout the spring, summer, and early fall to maintain the flowers. They are true volunteers and without their help the colorful blossoms would not be possible," added Stranges. Anyone interested in helping with the watering of the flowers is urged to contact Stranges at [bstranges@gmail.com](mailto:bstranges@gmail.com). Additional volunteers are always needed to help water the flowers. No experience is required. Only a desire to help Bath be a better place is needed.

The best reason for becoming a Rotarian is the chance to do something for somebody else while experiencing self-fulfillment and friendship in the process. The local Rotarians will feel great pride and joy as residents and visitors enjoy the flower baskets and barrels throughout the summer and into the fall.

## Lamp Post Signs on Lake Shore Drive

A collaboration of Canandaigua community members and organizations have supported the creation of a series of lamp-post banners to line Lakeshore Drive. This project highlights the works of Canandaigua City Schools' Visual Arts students; however, with the support of the Canandaigua City Schools Art Department teachers, and the city Department of Public Works. In this series, one will see the top of the banner representing the theme "Our Community."

Earlier in the 2019-2020 school year, Visual Arts teachers posed the question to select K-12 art students, "How would you represent the idea of community?" The young artists reflected on this topic and came to solutions completely their own.

One will see their interpretations were vast, colorful and unique.

This year the Canandaigua Rotary and Kiwanis Clubs funded the project. (Submitted by Jack Kellogg)

## AVON ROTARY CORNANTINE ROAD RALLY/SCAVENGER HUNT

### August 8, 2020

When we made the heartbreaking decision to cancel the Corn Festival for the first time in 33 years, we asked you to keep an eye out for a new Avon Rotary event to promote social distancing and provide family fun.

Join Avon Rotary on August 8th for our 1st Road Rally Scavenger Hunt (Cornantine Classic). A rally to wonderful local businesses and beautiful locations around Livingston County. This will be a fun family and community event to raise money and support the causes of Avon Rotary. Teams must have a minimum of 2 people, but may be up to the LEGAL capacity of your vehicle. The price will be \$35 per adult, \$10 per child. Price includes a Cornantine T-Shirt, a ticket to the after party at the Avon Inn, chances at fabulous door prizes, swag bags, prizes for best cars, themes and many others. Basket raffles will also be available!!

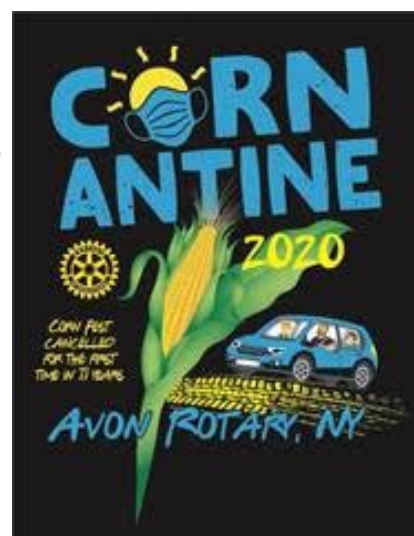

Also on the 8th, in partnership with the Avon Lions Club, we will host a community chicken barbeque. The meal will combine the Avon Lions Club's famous BBQ chicken with some of your favorite Avon Rotary Corn Festival Booth sides. Presale tickets only - see a Rotarian for tickets!!

Many details are yet to come, but save the date, share this with your friends, and get your teams ready.

Click the link to register, order T-shirts, buy chicken BBQ tix - 1-stop shopping!!

## Re-planting at Outhouse Park

On a recent Saturday morning a bunch of Canandaigua Rotarians got their shovels, spades, tillers, and new plantings together and went to Canandaigua's Outhouse park. A couple of hours later the ground was tilled, plants planted and mulch spread around the exercise equipment. The Memorial Outhouse Park sign also got a make over with the special help of Marty Potter.

Pictured below are: Kim and Janet Tenreiro, George Herren, Don Raw, Steve Smythe, Dick McCaughey, Marty Potter, Ken Poole, Jack Kellogg, Lynn Holcomb and Nate, Rick Hawks, and Mark Vahey. (Submitted by Jack Kellogg)

## Spencerport Rotary

Two local non-profits helping our animal friends received donations recently from Spencerport Rotary Club. Partial proceeds from the very successful Geranium Sale were sent to:

The Kathleen Anne Tenny (K.A.T.) Animal Shelter, which is a non-profit organization dedicated to the promotion of animal welfare and the creation of a more responsible and humane community. For more information on this shelter, their website is [katshelter.com](http://katshelter.com)

Educating, Supporting, Caring

Rochester Hope for Pets, whose mission is improving the quality of life for Rochester area companion animals by providing grants for veterinary care to pets whose owners are in times of need. For more information on this service, their website is [rochesterhopeforpets.org](http://rochesterhopeforpets.org)

## Linda Kime Memorial Scholarship

Linda Kime was a special member of the Avon Rotary Club and this community. She truly lived a life of "Service above Self". Linda volunteered her time and resources without hesitation and always with quiet humility. Honesty and integrity were always guiding principles for Linda and never let her health difficulties get in the way of her desire to give back to her community through her leadership of the Avon Interact Club and the Rotary Foreign Exchange Student Program.

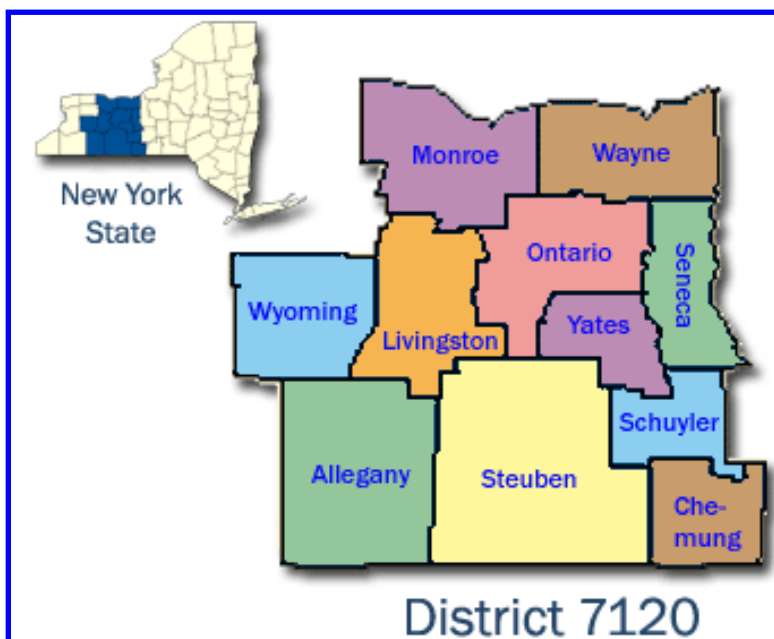

This \$1000 Scholarship aims to honor Linda by recognizing hard work and service to others, and it is our hope that you carry these values with you into your future.

The 2020 scholarship is presented to Abbey Decillis

*Dear Rotary,  
Thank you so much for this opportunity and this scholarship. I am so thankful and will use it to help me in college next year. I am so grateful that I became a part of Interact Club my freshman year, and that it got me involved with Rotary, and gave me so many experiences. I have learned so much from my time with the Rotary Club, and I will cherish every moment. Thank you so much for everything. Abby Decillis*

## Geneva Rotary Continues Long-Time Tradition

A long-time Geneva Rotary Club tradition continued at the club's July 1 meeting. The late Fred Toole, a Geneva attorney and Rotarian, began the practice of reading the Declaration of Independence at the meeting closest to the Fourth of July. Club member Paul Kirsch, past president and secretary, took over the tradition and supplemented the reading with a program on some aspect of the making of the Declaration and the people involved.

This year, Rotarians Mike Rusinko (left) and Dick Austin took turns reading Kirsch's essay.

## GENEVA ROTARY CLUB ELECTS OFFICERS AND DIRECTORS

The Geneva Rotary Club recently elected new officers and new members of the Board of Directors for the 2020-2021 Rotary year.

Dave Cook will be taking over as President from Mary Lawthers. Cook, retired Geneva Social Security Office Manager, has been involved in many Geneva Rotary projects, including the Santa Train and Camp Onseyawa for disabled children.

Stephanie Hesler assumes the President-Elect office, which means she will be president next year. Hesler is a development assistant with the Office of Advancement at Hobart and William Smith Colleges. She is the adviser to the Rotaract Club at the colleges. Rotaract is the college version of Rotary.

Joining the officer ranks as Vice President is Gerald Forcier, a Geneva attorney who joined Rotary after moving to Geneva to establish a law practice.

Joining the Board of Directors for three-year terms will be Dr. Richard Kasulke, Ruth Leo and Mary Gere-Penna. Returning to the Board is Scott Avedisian. Leaving the Rotary board after three-year terms are Charles Bartishevich, Jim Dickson and Paul Kirsch.

Recently elected new officers of the Geneva Rotary Club are (right to left) President Dave Cook, President-Elect Stephanie Hesler and Vice President Gerald Forcier.

## V-F ROTARY SALUTES LAW ENFORCEMENT OFFICERS

The Victor – Farmington Rotary Club has recognized two local area law enforcement officers for outstanding service to the residents of the Victor – Farmington community. The Rotary club has annually recognized an officer from the Ontario County Sheriff's Department and the New York State Police who have been nominated by their agency for exceptional performance of assigned duties.

The 2020 recipients are Deputy Dana Egburtson of the Sheriff's road patrol and Investigator William Sheets of the Bureau of Criminal Investigation (BCI) at Troop E. Both recipients received Rotary's "Service Above Self Award" and were recognized as Paul Harris Fellows.

Ontario County Sheriff Kevin Henderson addressing group

Katrina Egburtson (spouse), sons Cohen & Nicholas, and award recipient Deputy Dana Egburtson

V-F Rotarians Galen Powers & Karten Parkhurst, Deputy Dana Egburtson, AG Mary Green, DGE Janet Tenreiro, President Jim Crane, Investigator William Sheets

Several representatives from local government were present for the event that was held at the Ravenwood Golf Club in Victor. These included Ontario County District Attorney Jim Ritts, Farmington Town Supervisor Peter Ingalsbe, Gary Hadden, Mayor of Victor, Victor Central School Superintendent Tim Terranova, and retired County Court Judge William F. Kocher. Each spoke briefly, thanking the officers for their service and noting the excellent relationship between the local governmental authorities and the deputies and troopers who daily provide protection to the Victor – Farmington community.

Deputy Egburtson was introduced by Sheriff Kevin Henderson and Under Sheriff David Frasca who outlined the deputy's outstanding service record. Senior Investigator Mark Eifert, Investigator Sheet's immediate supervisor in the BCI at Troop E, introduced the investigator and reviewed his exemplary record of service.

Investigator William Sheets and spouse Kirstie

The Paul Harris Fellow awards were presented by Victor – Farmington Rotarians Karen Parkhurst and Galen Powers, assisted by Rotary District 7120 Governor Elect Janet Tenreiro and Assistant Governor Mary Green from the Canandaigua Rotary Club.

Governor Elect Janet Tenreiro expressed the gratitude of all local Rotary clubs for the officer's service and dedication to duty. Club president Jim Crane concluded the ceremonies by adding his personal thanks to the officers and announcing that the club looks forward to hosting the 5<sup>th</sup> Annual Law Awards recognition ceremony in May of 2021.

## ROCHESTER SOUTHWEST REVIVES LOCAL COMMUNITY GARDEN

In 2016, a once-vacant lot on the corner of Kirkland Road and Kenwood Avenue in southwest Rochester was transformed into a community garden through Cornell Cooperative Extension's (CCE) Blocks in Bloom Program, an inner-city community beautification initiative. Members of the Southwest Garden Group had recruited neighbors and students from Adelai E. Stevenson Elementary School #29 located directly across the street to assist them. The City of Rochester roto-tilled the space and dropped off topsoil, mulch, rocks and a wooden bench. Perennials were donated by members of the Garden Club and Lowes. Fourth graders planted, mulched, watered and created stone pathways. Additionally, a Little Free Library (LFL) was installed in the garden and is dedicated to one of the teacher's five-year-old niece, Kayley, who had recently survived two successful bouts of chemo, and underwent another one before she was all done.

Four years later, the garden is overgrown, the LFL sits door-less and nearly empty, and the permit for the garden has expired. Due to the Covid-19 pandemic, neighborhood children have not attended school since mid-March. Rotarian and principal of School 29, **Joe Baldino**, knew that when his students eventually returned to school, the garden could help them rebuild their school pride, sense of community and self-efficacy. In the interim, the little library could fill a critical educational need if it could be kept reliably stocked with age-appropriate books.

In late-June when we were still social distancing, he sent an email to his colleagues and fellow Rotarians asking for assistance. Not only did the Rotary Club of Rochester Southwest agree to spearhead the redevelopment of the flower garden and LFL, but several members offered to rebuild raised beds in which vegetables could be grown on land behind the school! The garden has been weeded, the bench stained, the little library is full of donated books which are protected by a new door!
