Linda Kohl, District Governor

Issue 11

Ken and Linda Kohl

Greetings everyone! Happy May!

May is Youth Services Month. This is a time when Rotary Clubs around the world focus on youth services, Rotaract, Interact, RYLA and Youth Exchange. COVID-19 has significantly disrupted many Rotary youth programs. School closures have shut down Interact clubs. Rotaract clubs have been affected by university closures. The Rotary Board of Directors has decided to suspend the Youth Exchange Program through June, 2022. However, Rotary International President Holger Knaack optimistically wrote "Our ability to meet in person is limited now, but we know Rotary Opens Opportunities. Now is the time to get ready, so that when the pandemic is behind us, Rotary's exchange programs will come back stronger than before, serving a world yearning to connect."

This past weekend the first Virtual Rotary District 7120 District Conference was held. On Friday night we held our yearly District Business Meeting, followed by fellowship and fun with the first District Wide Trivia Contest. Thanks to all who attended. Congratulations to the winning Trivia team, "It Doesn't Matter" and the 2nd place winner "Stop Dogs." It was a lot of fun.

On Saturday the District held its first virtual Rotary District Conference. Being that the first Virtual District Training Assembly had breakouts on subjects dealt with during our year, we concentrated on recognition of clubs and individual Rotarians.

We recognized two outstanding Rotarians for leading the two new Districts Committees. Dr. Sim Covington from the Canandaigua Rotary Club was recognized for stepping to be the chair of the District Diversity, Equity & Inclusion Committee. Gary Anderson was recognized as the first chair of the District Environmental Action Committee.

We also recognized the respected Assistant Governors: Lisa Norwood, Tom Vonglis, Barb Harper and Mary Green who chose to retire from their positions at the end of the Rotary year.

We recognized clubs that had a successful fundraisers and service projects during this challenging year. The top 3 finalists chosen by a judging committee were

#1 the Perry Rotary Club's "Give the Gift of Rotary",

#2 the Naples Rotary Club: "The walk of life"

#3 the Corning Rotary Club: "Filling the need".

Awards were announced by Public Image Chair Tom Brown for Facebook and Websites.

Awards by the District Literacy Committee were announced.

Grants Chair Bruce Spector discussed the Rotary Foundation & announced what clubs were receiving District Grant this coming year.

Rotary District was awarded a Covid 19 Disaster Relief Grant by Rotary International for PPE to go to the

participating ARC listed in the grant. DGE Janet Tenreiro spoke of presenting John Quinlan with a Paul Harris Fellow. This recognition was bestowed upon John for his work coordinating and distributing PPE to 10 ARCs in the District.

There was also a touching Memorial Service recognizing Rotarians who had passed during the past 2 years.

All of this and more will be up on the District 7120 Website once we receive the file of the presentation. So, please be on the lookout for it.

I cannot thank my District Conference team from my home club of Penfield Rotary enough for working on the District Conference for 3 years as it changed from being an in person meeting in Tarrytown, NY to a potentially hybrid Conference in Corning to ultimately a Virtual Conference, live from CMI Communications with pre-recorded video.

Thank you to my District Conference Co-Chairs Marie Cinti and Paul Marinucci, Treasurer Dennis Shew, sage advisor PDG Don Milton, Laurie Dietrich, Judi Marinucci Sharon Mathiason, Nancy Aumann and Club President Barbara Power, Neal Gorman, Pastor Steve Brotzman, Jerry Christopher and Ken Kohl. In addition thanks to Robyn Whittaker and Joe Corona from Webster Rotary and Assistant Governor JoAnn Terry, East Rochester Rotary. Finally, thanks to everyone who presented and contributed to the success of the District Conference.

On that note I shall conclude my column wishing you a wonderful month of May.

Yours in Rotary,

Linda

Rotary: Open for Business?

Many Rotary clubs are transitioning from pandemic Zoom to recovery “in person,” or at least hybrid, meetings. Questions remain. What is safe? What is responsible? What is fair to all concerned?

Who among us Rotarians would want to be responsible for transmitting CoVid-19 to another person? Imagine the consequences if a Rotary meeting or event proved to be the epicenter of disease transmission in a community.

Heed the warnings! Don't defy the health advisories! Those over 65 years old and those with diabetes, obesity, respiratory disease, and immune conditions are at increased risk. Masks and hand sanitizer work.

MASKS should cover both your mouth and your nose completely and fit snugly enough over your nose, around your cheeks, and under your chin so that the front of the mask sucks in toward you when you inhale. Adjust your mask before the meeting and then leave it alone! If you are not comfortable with this, if you feel claustrophobic, if you have that “I can't breathe” feeling with a mask on, then stay home and practice with it on! You will adapt. If your mask keeps slipping out of position, you've got the wrong mask. Do not remove your mask when speaking. Just project your voice more loudly. Do not remove your masks for pictures. Smile with your eyes!

HAND SANITIZER should be readily available at any meeting. Use it before and after touching any common use items at a meeting: tabletops, laptops, keyboards, hand-held microphones, podiums, money, and ticket stubs. These fomites can carry infectious particles for a short period of time. Resist touching your face.

MICROPHONES on a stand are better than the hand-held versions. Project your voice loudly and keep the microphone from contacting your mask.

SOCIAL DISTANCE of at least 6 feet radius is important, excepting your family. Your family is your household. Your third cousin, once removed, is not family; nor is your daughter-in-law or your nephew, unless you live in the same household.

Stay safe, Rotarians. Live to serve another day!

Join the District 7120 Monthly Club & District Events and Fundraising Forum

(The THIRD Friday of every month at 4:00 pm). Specific topics will vary, but it will always be about helping clubs with various online-fundraising ideas or specific problem-solving.

To attend the meeting click <http://bit.ly/Tom-Zoom>.

During this monthly meeting we will share best practices in fundraising initiatives throughout our District. We will have guests to answer questions related to your Club's specific fundraising projects. We will look at ways to take your current and existing fundraising & service projects online and really grow your events.

Our focus on the first meeting will be on our newest District fundraiser, the Online Auction leading up to the District Conference. We will also take a Deep View of the District's Eventgroove Events Ticketing Service and how we used it for the Rotary Comedy Night.

As our District and our clubs continue their planning for spring and summer fundraising initiatives, we continue to look at ways our Clubs can think outside of the box and engage its communities in interactive connections that drive funds, membership, and tell Rotary stories that are so important to our work around the world.

So, please SAVE THE DATE and add this monthly gathering to your calendar. Now! And, feel free to bring along all members of your fundraising and community service, and membership teams.

We look forward to seeing you there.

EARTH DAY/ARBOR DAY Activities for Honeoye Lake Rotary

Once again the amazing HLRC came through with flying colors as its members participated in three community service projects with 24 hours of each other. It was a busy time for club members as they bagged trees for their annual Arbor Day seedling distribution at HCS, cheered on the Rally Round the Valley walkers/runners, and managed to clean up a long stretch of County Rd. 37.

On Friday, 100 white pine seedlings were bagged and tagged by Dick and Jeanne Hamele which they then delivered to school for distribution to UPK, first and second graders. The rest of the elementary school will be receiving theirs over the next couple of weeks.

Saturday morning found members donning boots and jackets, gloves and vests to walk the shoulders of County Rd. 37 picking up trash and other types of debris. Among items collected were a couple of bags of returnable bottles and cans so this could also be seen as a fundraiser. Thanks to Jacquie and Mike Dobbertin, Linda and Andy Evenski, Jeanne and Dick Hamele, and Gary and Sandy Hubble for giving up their Saturday morning to complete this annual project.

While highway cleanup was taking place, runners/walkers were also participating in the annual Rally Round the Valley. The club had some participants in the actual run while others volunteered to keep everyone on course. Brent Ames and Jerry and Marilyn Passer helped with registration, Elaine Ackroyd-Kelly followed through with welcoming participants to the finish line while Ide Marshall also helped out so our club was well represented once again at RRTV. Friend of Rotary Daryl Marshall welcomed recyclables to the town hall collection area where he helped sort and unload metal scraps.

It was a busy time for us but once again our small club proved its giant worth.

BATH ROTARY CLUB PLANTS TREES ON ARBOR DAY

On April 30, four Bath Rotarians helped the Bath Shade Tree Committee under the chairmanship of Lee Cornaire and staff from the Bath Electric Gas and Water Systems plant trees around the Village of Bath in celebration of Arbor Day.

Four Bath Rotarian helped plant 30+ trees in the Village of Bath on Arbor Day and attended the ceremony at the Village Skate Park at the conclusion of the planting.

The crews worked for approximately four hours planting 30+ trees throughout the village and finishing with a ceremony at the Village Skate Park. Haverling 5th graders attended the ceremony to hear about the importance of Arbor Day and plant a tree at the park. "The Bath Rotary Club recently became a part of Rotary District 7120 Environmental Sustainability Rotary Action Group (ESRAG)," said Tess McKinley, Bath Rotarian who organized local club members to help with the tree planting project which supports ESRAG's mission.

Nancy Latour, Bath Rotarian, supports the trees planted in the Village of Bath on Arbor Day as members of the Bath Shade Tree Committee and staff from the Bath Electric Gas and Water Systems complete the planting of one of the 30+ trees planted that day.

Four members of the Bath Rotary Club gathered at the Village of Bath Street Department to help the Bath Shade Tree Committee and staff from the Bath Electric Gas and Water Systems plant 30+ trees throughout the Village of Bath on Arbor Day. Avon Rotary – People of Action in April

We are lucky, as Avon residents, to live in such a beautiful community and we have the responsibility to keep it as clean as possible.

On the morning of April 3rd, Avon Rotarians joined together to clean our section of NY Rt 39 as part of the state's Adopt a Highway program. Thank you to those who turned out to make our little section of Avon much cleaner.

Avon Rotarians received some exciting news at our April 13th meeting. We are officially the sponsor club for the Rochester Institute of Technology Rotaract Club. Rotaract clubs bring together college aged students to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service. In communities worldwide, Rotary and Rotaract members work side by side to take action through service.

We can't wait to see this club grow and develop future Rotary members. Congrats RIT Rotaractors!

Take me out to the ball game! Several Avon Rotary members gathered at the Avon Downs on April 17th to do some spring cleaning and some painting in preparation for the youth baseball and softball seasons that starts May 1st. Many of these kids haven't played ball in over a year, so we have to make their facilities look good right?

Thank you to the volunteers that helped out yesterday and good luck to all our little sluggers as they take the field this spring!

While other Avon Rotarians volunteered to clean up the Genesee River access point, another hard working team assembled the new bleachers for the Avon Driving Park ball fields.

This year's District Simplified Grant project is nearly completed. Thank you volunteers!

Jazmin Ruiz and Luisa Baars delivered books to the Lincoln Public Library

The Rochester Latino Rotary Club has modified its service projects in order to serve the community safely. All the events took place while following the COVID-19 restrictions.

A book drive to collect books written by Latino authors was conducted from October 7 to November 7 during the Hispanic Heritage Month. About 50 books were collected and delivered to the Lincoln Public Library on Joseph Avenue in Rochester.

On November 24, December 20, and April 1, club members cooked and pre-packed dinners that were served out of the Heart and Soul Church on N. Clinton Avenue. The menu on these dates consisted of roast chicken, different types of rice, macaroni salad, potato salad, green salad, bread, and desserts. About 70-80 individuals and families benefited from the dinners. The Thanksgiving Day dinner also benefited the House of Mercy in Rochester.

Perry Rotary

The Dewitt Clinton award is given by the Fraternal Order of Masons in the State of NY to organizations not associated with masonry in recognition of outstanding commitment to their local communities. Perry Rotarian and past president Wes Kline believed that the club's pandemic program, Give the Gift of Perry, that helped hundreds of families and food pantries was a deserving organization. Wes prepared and submitted an application to the state-level order months ago. He announced on Thursday, May 6, 2021 that the Masons agreed. He is making arrangements for an in-person presentation as this article goes to Grapevine's press. Perry Rotarians present during the announcement were happy to hear the news and grateful.

News Flash! Perry Rotary Club is partnering with the Arts Council for Wyoming County, Village of Perry, the fire and police departments to host the 2021 Letchworth Arts & Crafts Show and Sale over Columbus Day weekend (Oct. 9, 10, 11) right in Perry this fall! The State Park is no longer willing to host the three-day event then due to use-constraints so the Arts Council sought a new site to continue one of the nation's top 50 arts and crafts events on the traditional weekend. It is a massive coordination in many aspects so committees are forming now for the transition. Perry Rotary has been part of the LACS for many years and looks forward to many more. Arts and crafts vendors are already committing to it excitedly. Spread the word, Perry is the place to be this October holiday! We hope to see you there. We will be operating our traditional food concession. Stop by, say hello and enjoy some good food. – Lorraine Sturm, Perry Rotary Club, Secretary and Public Relations Chair

GANANDA ROTARY CLUB

BY PATTI HOLDRAKER

Gananda Rotary put together and delivered their Annual Easter meals for families in need within the community. Proceeds from their many fundraisers allow the club to be able to shop for Easter meal items, and kids and family holiday items to give back to those the community who need a little assistance.

Assistant Principal John Tichacek helped the Gananda Rotary follow through on their annual "Dictionary Project" for third graders at Richard Mann Elementary School. Although, with COVID rules in place, the Club was not able to meet with the students in person, the school found a way to "personalize" the dictionaries with the students' names and the bookplate noting that they were a gift from the Gananda Rotary Club.

According to the Dictionary Project website, the Gananda Rotary has given 1200 dictionaries to date over the 20 years that they have been donating to the school.

John Tichacek is shown delivering the first dictionary, and pictured are some students reading through their new treasures.

Earth Day Activities

A group of Fairport Rotarians had a great Earth Day event at Waste Management's High Acres Landfill in Perinton, NY. On Thursday, April 22nd approx. 30 people, including Waste Management employees, ecologists, college students and community members, attended to complete a variety of Earth Day activities, including invasive species monitoring, tree planting and litter picking. Everyone had a great time doing something good for both our planet and our souls! In addition, Fairport Rotary participated in the Great Lakes Watershed Cleanup as part of Earth Day on Saturday, April 24. We had great weather and a great time as 10 Rotarians (and 2

future Rotarians) cleaned up garbage alongside the east and west banks of the canal in the Village.

Fairport Club played host to the Brighton and Spencerport Rotary Clubs in the annual gathering of the "Monday nighters," on March 29th.

President Mark greeted all and began with a brief summary of our club's activities, centering on our fund-raising efforts and our charity initiatives. Presidents Kosmos Mihalitsas of Spencerport and Ram Shrivastava, president-elect of the Brighton Club, both discussed their clubs' activities.

Our guest speaker was, Mary Beth Growney Selene, to talk a little about her club of Madison West Towne-Middleton in Wisconsin, which she proudly proclaimed, "the coolest Rotary Club in the world." Mary Beth's address this evening centered on Rotary's WASH program – the acronym standing for Water, Sanitation and Hygiene. Cindy says "John owns his own helicopter and lives in Webster. John is a very generous person who donates to various charities every year. Among them are The Rochester Breast Coalition, Camp Good Days, Camp Haccamo, Cystic Fibrosis, Webster Comfort Care, Child Advocacy Care, Golisano Special Times, and many, many more. [Volunteers lend building expertise to Rotary Sunshine Campus | WHAM \(13wham.com\)](https://www.wham13.com)

On a rainy Friday, the sunshine at Rotary Sunshine Camp in Rush was generated by the beaming faces of volunteers. They are building 200 units to hold the personal items of campers with different abilities. Rotary member Nicole Rongo said, while building is a new area of expertise for her, she jumped at the chance to help. "I'm learning quickly, and I'm really enjoying connecting with some fellow Rochesterians and helped out the Sunshine Campus," she said.

The big surprise Friday came from Primalyn Enterprises, which delivered \$15,000 worth of lumber and materials. When they saw what the camp is all about, they ripped up the invoice. And Terry Dacey of Hadlock Paint donated a sprayer and materials for the coatings.

Dundee Rotary CHALLENGE

Dundee Rotary club is starting a new CHALLENGE for community members It was suggested by Robyn Ballard, a Rotary member and grandmother of Jaxon Ballard.

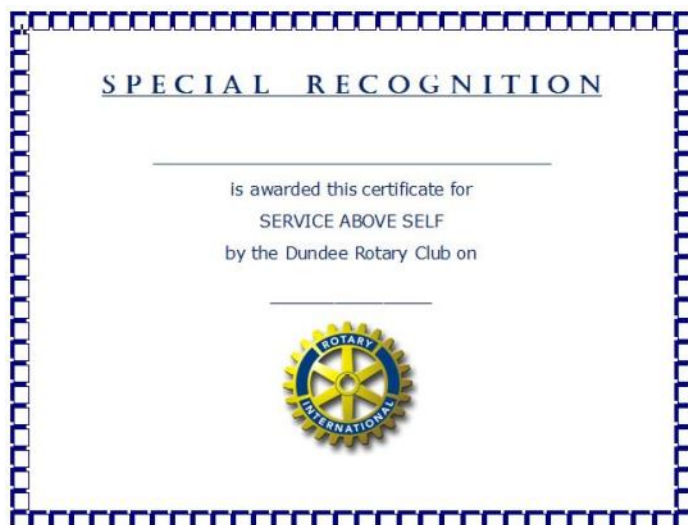

Earlier this spring, Robyn decided one beautiful Sunday afternoon to pick up trash along the road in front of her home on Bath Rd. Jaxon lives next door so she asked him if he wanted to help. He did so off they went in the gator (a big boy toy) a few plastic bags, a grabber, boots and gloves. They were able to pick up about four garbage bags of trash (rather big pieces and lots of small items) and were pleased with their accomplishment.

Robyn got to thinking that Jaxon's willingness to help should somehow be recognized in some small way. Not only would the deed itself be hopefully remembered in the future when he had a thought of littering, but having someone beside Grandma thank him for his service to the community, would motivate him to do other acts of kindness, more service above self activities. She created a simple certificate from the Rotary, and sent it in the mail anonymously. His family was surprised and pleased. with what he had done.

Robyn also talked with Joy Perry, the Barrington Town Clerk and she agreed to send him a handwritten note to thank him for his service to his community. She did and he received it in the mail. Again he was pleased for the recognition. Something so simple, yet so far-reaching.

Robyn took the idea to Rotary and they gave her the go-ahead to spread the word. Please find below a copy of the certificate. All anyone (any age)needs to do is pick up a copy at the Our Town Rocks office at __Main St., Dundee, fill it out with the "doer's" name, and a date that the service was done. If you want the certificate to be awarded anonymously, put it in an envelope and send it. If you want the "doer" to know who the "catcher" was, please take the certificate with you and award if personally.

In order to be able to keep track of the outcome of this challenge, we ask that each "catcher" who takes a certificate to complete a brief form for our records. The form simply asks for the "Doer's" name, the "catcher's name, the date of the service, and a brief description of the service. Pittsford Rotary Club Launching Online *Cheers! Auction* Fundraiser May 20

The Rotary Club of Pittsford's online *Cheers! Auction* goes live May 20, offering a wide variety of wine, spirits and other winning items to raise funds for the numerous community organizations the club supports. The public is invited to register now and preview the list of items by visiting PittsfordRotaryClub.org/Auction and clicking on the preview link.

"The pandemic forced us to cancel our annual 'A Taste of Pittsford' fundraiser this year, and we're conducting this online auction in its place so the community organizations we support may continue to benefit at the highest possible level," said Pittsford Rotarian Jim Murphy, coordinator of the event for the club. "We're offering some of the finest wines and distilled spirits from around the world for auction in addition to exceptional other items. The European wines are excellent and rarely available in the U.S."

All of the wines and spirits in the auction have won a medal in competition hosted by Raise-A-Glass Foundation, which has donated unopened bottles to the club from competitions. Top winners are marked with gold and platinum medals. All others have won either a silver or bronze.

Auction bidding begins May 20 at 8 a.m. and ends May 26 at 9 p.m. Winning items will be available for pickup for the two days following the event.

To donate an item or experience for the auction, contact Jim Murphy at 585-450-7262 or jfpmurphy8@gmail.com.

Sponsors of the event to date include Renaissance Hotels; Wegmans; Dolce Cupcakery; Cheesy Eddies; PaneVino; Philly Pretzel Factory; Trader Joe's; Root 31 Café and Eatery; The Mueller Restaurant Group; Simply Crepes; and the Coal Tower Restaurant.

The Pittsford Rotary Club's fundraising events support numerous organizations in the community, including the Pittsford Food Cupboard; Pittsford Volunteer Ambulance Service; Pittsford Volunteer Fire Department; Little League; Special Olympics; Habitat for Humanity; and many more.
