Janet Tenreiro, District Governor

Issue 12

RI Convention Wrap Up! Houston was abuzz with Rotary dignitaries this week, and DG Janet and First Dude Kim got to meet up with quite a few! Of course, incoming **RI President Jennifer Jones** is one of our favorites, and she always has a smile! My DG cohorts from our neighboring districts were also there, and we took the opportunity to grab a

quick pic with **President Shekhar and wife Rashi!** Also pictured here are DG Bruce McConnalee from 7190, and DG Dana Jerrard from 7150.

And then there is the historic first lady in Rotary – **Sylvia Whitlock**, along with PDG Terri Hall and Rotarian Steve Straight:

(Continued from page 1)

As always, it was great fun to catch up with old friends and meet many new ones! The first picture is of Mark and Linda Humphries from near Melbourne, Australia, where we will be travelling next year for a 2 week **Rotary Friendship Exchange** prior to the convention (May 10 – May 25) – the convention is May 27-31. **See Carl Grovanz in the Ontario-Walworth club if you are interested in learning more about Friendship Exchanges!** The second picture is our new friends Etienne and Caroline Rougeot from the L'Oise District northeast of Paris. They visited us for a few days just prior to Houston, and we met up with them again during the convention. As you can see, Etienne likes beer, and he joined the Rotary Beer Fellowship! We'll be travelling to France sometime in 2023 or 2024 to complete our exchange!

If you have never been to an International convention, I strongly encourage you to do so – especially if it is in a foreign country! Houston was fun, but even more fun is visiting places you've never been and experiencing the different cultures!

So, this is my farewell column, and I have to say that it has been a real pleasure serving as your District Governor this year! Thank you – each and every one of you for allowing me to take this role – it's been the most fun I've ever had! From throwing out the first pitch at a Red Wings game to travelling to the RI Convention – it's been a fabulous year.

Thank you, thank you, thank you! And don't just be in Rotary to **Serve to Change Lives**, but think much bigger than that, and **Imagine Rotary!**

Major Gifts News -- Unique benefits and tax incentives?

Josh Olewiler, Planned Giving Officer at the Rotary Foundation, recently noted that there have been increased numbers of Rotarians interested in **Donor Advised Funds** and **Charitable Gift Annuities** this past year. A Donor Advised Fund gives the owner control over how grants using their funds are distributed. Gift Annuities offer peace of mind by providing a regular income stream back to donors and their spouses for the rest of their lifetimes.

Both these options provide interesting and unique benefits as well as tax incentives. As we approach the end of the tax year, talk with your tax advisor to consider the financial advantages of these programs for you! Anyone interested in more information can contact Jeff Krans at jkrans228@gmail.com or Josh Olewiler at josh.olewiler@rotary.org

What is the Rotary Foundation's Endowment Fund?

Gifts to the Rotary Foundation's Endowment Fund ensure that future Rotarians will have the resources they need to design and implement sustainable projects year after year. Donations to the Endowment Fund can be made as an outright gift or a planned gift, such as a bequest in your estate plan. As of the 2018-2019 year, Rotary's Endowment totals \$374.5 million, with \$828.9 million in commitments.

Contributions to this fund are invested for the future. Only earnings on investments are used to support Rotary programs so that your generosity goes on to do good in the world in perpetuity.

What is YOUR Rotary legacy? Our Endowment Fund committee can help you make your lasting impact and we are just a phone call away! **(Submitted by PDG Jeff Krans)**

STRATEGIC ACTION PLANNING WORKSHOP

SHIFT YOUR CLUB FROM AVERAGE TO "EXTRAORDINARY"

Do you dream of your Rotary Club being known as the premier service organization in your community? Would you like to retain and attract more members to your Rotary club? You can achieve all this and more when you discover the value and importance of an effective Strategic Action Plan. This process has helped clubs grow membership, ignite engagement, become more effective & most importantly have **FUN!**

The facilitators use data from an easy to complete Club Health Check survey and engaging activities to guide your club members as they identify your current state and the future vision for your club. The facilitators then lead your club members through the development of an action plan to help your vision become a reality!

Here are a few comments from previous participants of the D7120 Strategic Action Planning Workshop.

- *This is the best seminar workshop I've experienced in my 42 years in Rotary!*
- *Learning how to strategically plan to grow our club was amazing. It is a process, not a race! Once we had the guidelines, and under the direction of our facilitators, we actually discovered our strengths, our threats, and more.*
- *The highly engaging and interactive style helped our club focus with a clearer lens on areas for opportunities for growth in our club.*
- *The process was just what we feel our club needs. This was time well spent and will help insure the future of our club. Thank you sooooooooooooooooooooo much.*
- *This workshop was extremely valuable and kept on schedule. It is allowing us to take a realistic look at our club.*
- *This workshop is essential if a club wants to improve.*

The Strategic Planning Workshop is available as either an in-person or virtual format.

If you're interested in having your club participate in a Strategic Action Planning Workshop, would like one of the facilitators to present an awareness overview to your board of directors / club, or you'd simply like more information, please contact ...

COVID UPDATE:
KNOW YOUR COVID-19 COMMUNITY LEVEL

May 10, 2022

PDG DAVE HANNAN

There has been a marked increase in the incidence of COVID-19 infections throughout the 11-counties of Rotary District 7120.

As of May 6, 2022, nine counties in District 7120 (MONROE, WYOMING, LIVINGSTON, WAYNE, ONTARIO, SENECA, YATES, and CHEMUNG) have a HIGH level of infection in the community. For these communities, the CDC recommends the following:

1. Wear a well-fitting mask indoors in public settings, regardless of vaccination status;
2. Stay up to date with COVID-19 vaccines;
3. Get tested if you have symptoms;
4. Take additional precautions if you are at high risk for severe disease.

SCHUYLER County is at MEDIUM risk and ALLEGANY County is at LOW risk. In those communities you should still stay up to date with COVID-19 vaccines and getting tested if you have symptoms.

Please show consideration to those Rotarians who have higher health risks!

Even though Governor Hochul has rescinded the mandate for masks in most venues affecting Rotary club meetings, fund raisers, and service projects, compliance with CDC recommendations is strongly encouraged. For more information, the U.S. Center for Disease Control and Prevention (CDC) has created a tool to help communities decide what preventive steps to take based on the latest data for hospital admissions, bed occupancy, and the number of new COVID-19 cases in the area. Each county is determined to have a LOW, MEDIUM, or HIGH level of infection based on these data. Recommendations vary with the level of infection. County levels are modified each Friday based on the most recent data: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html>

Canandaigua Rotary Club Inducts New Members

At a recent meeting the Canandaigua Rotary Club inducted two of its newest members Tracey Dello Striho and Sean Buck. Tracey was raised in Gorham, is married and has two boys. They like to take the boys to the library or a local park or a family restaurant. Tracey has worked in the corporate world in the wine industry and most recently enjoys the non-profit world where she works for the Partnership for Ontario County. She was sponsored by Ellen Polimeni.

Sean is from a multi-generation of Canandaigua resident family, attended RIT, worked in Rochester. He is very glad to be back in Canandaigua and is on the Events Committee at Sonnenberg Gardens, the Cleanup Committee for Kershaw Park. For fun Sean rides and drives horses, and teaches Latin dancing. It's also rumored that he plays a hot harmonica. Sean was sponsored by Kent Gilges.

Perry Rotary thanks its generous communities

Perry Rotary asked community members if they wanted to donate to the Rotary International Ukraine Relief Fund. And, boy, did the communities respond — to the magnificent sum of more than \$15,495.

Perry Rotary will add \$2,000 from its Foundation to that generous amount, making the communities contribution more than \$17,495.

“Once again the Perry community has shown its amazing generosity, not only supporting its own members, but our international community as well,” said Jane Kelly, Perry Rotary president. “The call went out to help the citizens of Ukraine, and people answered. Their willingness to help those in need is just what this community does. Part of Rotary's vision is people uniting and taking action to create lasting change — across the globe, in our communities and in ourselves. Perry certainly embodies that vision.”

Donations collected will be used to meet Ukrainian's basic needs in the war-torn country and in neighboring nations that have taken in millions of refugees.

Community members' unfailing support of Perry Rotary projects never disappoints. Whether it's buying Rotary Show ads and tickets or supporting Rotary's annual raffle, which, by the way, is coming up soon, community members step up. And in so doing, Perry Rotary can give back to our communities. Here are just a few of the club's projects:

- Enrichment grants to Perry, Warsaw and Letchworth high schools
- Elementary school dictionary donation at all local schools
- Support for Warsaw Little League Fields
- Castile Doughboy Memorial
- School Milk Program
- Perry Clean Sweep
- Perry splash park
- Perry Public Beach renovation project
- Read Around Perry (RAP)
- Perry Family Literacy Center
- Three scholarships to Perry High School seniors

Webster Rotary

On May 14, the Webster club along with 8 high school students came together to help the Webster Union Cemetery. Home to at least 4 Revolutionary War heroes, the Webster Union Cemetery was looking for help in cleaning some of the build up on many of the headstones that left many of them unreadable. Armed with buckets of cleaning solution and brushes, a crew of 20 descended on the cemetery to lend a hand. In 2 plus hours, the crew was able to clean about 45 headstones.

Although there is more work to be done, this project truly highlighted how Rotary, our high school students, and our community come together on many local projects!

BATH ROTARIANS WORK AND PLAY TOGETHER

The Bath Rotary Club is proud to be an active participant in the ideals of Rotary International and strives to serve its community and the world. Within the month of May it carried out two of its regular, community service projects, Adopt-A-Highway and Red Door Community Kitchen, as well as provided a night of fellowship for its members.

On May 19th between the two above-noted, community service projects some of the local Rotarians met in the evening at the Bath Country Club to enjoy a social gathering. This get-together allowed the Rotarians simply to enjoy each other's company, share some personal experiences, laugh at some good stories, and get to know even better their fellow Rotarians in a less structured environment. They also enjoyed a glass of wine or a mug of beer while munching on the delicious hors d'oeuvres, prepared by Cheryl Muller, the club's Vocational Director. Although this event did not represent a community service project, it did allow those present to enjoy fellowship and build bonds for future Rotary activities and projects.

The Bath Rotary Club, founded in 1923, looks forward to celebrating its 100th anniversary next year and continuing to represent the ideal of "Service Above Self".

Pal-Mac Rotary

The last Sunday of each month Zion Episcopal Church in Palmyra hosts a Community dinner. All are welcome and there is no cost. The dinners are usually prepared and served by Zion congregants. Every once in a while an outside organization will volunteer to host - as the Pal-Mac Rotary Club did recently.

We prepared approximately 40 lbs of a pork roast, Bob Sloan's famous smashed red potatoes, vegetables, apple sauce, a dinner roll and each Rotary member brought in either brownies or cookies. It is a take-out meal and we served around 80 meals.

Bob Yost did all of our grocery shopping and Zion had the kitchen and the roasters for all the food. We cooked and packaged each meal individually for the take-out containers.

Service with many smiles!

Avon Elementary School Garden Project

2021-2022 District Simplified Grant Project

Saturday, May 14: This was an incredible day of service from Avon Rotarians, 2 Interact Club members, our outgoing foreign exchange student, workers from Vonglis Enterprises, LLC, and an ACS staff member. All these volunteers came together to construct twelve raised garden beds at Avon Elementary school. These gardens will provide students of all ages an opportunity to learn how to grow, harvest, and prepare a variety of fruits and vegetables. In addition, students will learn composting and nutritional skills. The food grown will also be used as part of the school district's backpack program to provide healthy foods for kids that may be facing food insecurity at home. Thank you to everyone that turned out for this project that will benefit our community for many years...you truly exemplify our motto: "Service Above Self."

Corning Rotary raises funds for PolioPlus and Ukraine Disaster Response Fund.

Corning's Suds for Service Committee, in coordination with the Community Engagement and Foundation committees, planned and held a Pints for Polio fundraiser on **March 30**. The event was a success, with roughly 50 attendees visiting each of the three local partnering breweries. Over \$1,500 was raised for Rotary International's PolioPlus initiative.

The International Committee held a Ukrainian Potato Pancake and Kovbasa dinner to raise funds for Rotary International's Disaster Response Fund on **April 7th**. A resounding success, over \$10,350 was raised through sales of the dinners and additional donations. Proceeds were sent to the Rotary International Disaster Response Fund for Ukraine. Pre-event on-line sales and reservations for the dinners made it possible for the dinners to be sold out within a half hour. A second Perogia and Kovbasa dinner was held May 19th. Profits from the dinner came to \$3,566 and were sent to World Central Kitchen. Sent by Jan Harvey

Geneva Rotary News

The Geneva Rotary Club welcomed new member Linda Sutherland (center) into the club at a recent meeting. Taking part in her induction ceremony were President Stephanie Hesler (left) and her sponsor, Foundation Treasurer Kelsey Journell. Sutherland owns the Wildflower Inn bed and breakfast in Geneva.

After being absent for two years due to the Pandemic, the Geneva Rotary Club's Service Above Self event returned recently on a glorious evening at Rose Hill Mansion. This year, a Garden Party replaced the traditional dinner. The event, co-chaired by Helen Kelley and Kelsey Journell, raised \$17,000 for the club's grants program. The highlight of the evening was the presentation of the Springstead Award to Robert Schick, chairman of the board of Lyons National Bank. The award honors people for meritorious community service to Geneva.

The wonderful weather allowed guests to be both inside and outside the beautiful mansion on the east side of Seneca Lake.

It was a rewarding experience for Rotary volunteers, teachers, and students.

The club supports children, kindergarten through second grade, by providing curriculum themed books each month. The Corning club also participates in classroom reading sessions, special programs, and celebrations. Corning Rotary has adopted two schools, Winfield Street Elementary and Severn Elementary. The Rotary Reads program encourages parent/caregiver involvement. The books provided, have a page for the child to read and a page for a caregiver to read.

Flower Planting at our “adopted” School”

Elmira Rotary Club enjoyed our annual flower planting project with the students of Diven Elementary School. This is a project we have done for many years and we were thrilled to get to do it again after a 2 year hiatus due to COVID 19. Each of our student helpers removed plants from their individual containers, planted them, fertilized them and watered them. It was a wonderful day with lots of laughs, a little bit of gardening learning, and long-lasting, beautiful flower pots! Sent by Laurie Liberatore

RED RAIDER PICNIC PLATE, RRPP, A SUCCESS!!!!

Thanks to the sponsors, the industrious members, the chairman Bob Linder, AND the 400+ customers, the RED RAIDER PICNIC PLATE of May 14th ended without a hot dog to spare. In addition to those plates sold, hundreds were donated and delivered to the Pines of Perinton and the House of Mery. Starting the Thursday before, a steady flow of Fairport Rotary Club members stepped up to the plate. From the tasks of securing, delivering, and preparing the ingredients...to the Club members who worked tirelessly all-day Saturday to prepare the plates for the drive through pickup...Kudos to you all!

COVID may have put a "dent in the armor" by having to postpone the Savor the Flavor event, but the Club members rallied last year, and again this year to produce the finest fund raiser possible. All that's left to do now is distribute the proceeds to charities in the Fairport area. "We are looking forward to having our Savor the Flavor event return next year" the members said, "BUT, if for some reason we cannot do so, rest assured the RED RAIDER PICNIC PLATE will rise to the occasion again!"

MEMORIAL DAY PARADE ROTARY TRADITION CONTINUES

Once again, The Fairport Rotary Club has participated in the Day's activities.

Ron Roberts' posse of wheelchair and golf cart shuttle drivers from the Club, were ready to transport the Veterans from a convoy of convertibles to the Memorial Services at Potter Park.

Conversations with the Veterans while transporting them, were lessons learned, and a little frightening.

Indeed, it warmed the hearts of all of our Club members, to know that we, in our own way said, "THANK YOU FOR YOUR SERVICE!"

FAIRPORT ROTARY MEMBER NEWS

1st Lt. John Hall...front and center!

Thank you for your Service! His recent trip to Washington on **HONOR FLIGHT** is indeed a testimony to his service history. Our current president and all-star Fairport Rotarian, was accompanied by his son John Jr., honoring him for his military service to our country. From graduation at Norwich Military Academy as a 2nd Lt, through his 12 month tour of duty in Vietnam, to a promotion of 1st Lt., and an honorable discharge in 1980. You are now a civilian, who is reporting to his Commanding Officer, wife Maureen. We are all honored and appreciate John's service to our country and serving as an example to all of us as Rotarians.

New Fairport Rotarian

The Fairport Rotary Club welcomed a new member recently with the induction of Civil Attorney **Dan Galan**, joining the ranks of four other attorneys in the club, plus a judge, which we're proud of them all.

Dan found the Club on our Fairport Rotary website and was attracted by the Rotary statement of **Service Above Self**. Sharing his life with him is his girlfriend, Ryann McCallen, who joined Dan, for the induction ceremony.

Dan's hobbies include cooking, and here's a switch...his favorite food is Italian.

Dan has traveled throughout the United States, Europe, and the Caribbean, but decided to eventually end up in Fairport...to our delight.

He looks forward to starting his day with exercising, reflection... later a dinner with Ryann, and cannot wait till Monday when he can get to the Rotary meeting. **Welcome Dan!**

Camp Haccamo's 9th Annual Car, Truck, and Cycle Show Another Tremendous Success Raising Much-Needed Donations to Support the Important Work Done at the One-Of-A-Kind Camp

Thanks to perfect weather last Saturday (June 4), dozens of generous sponsors, and a lot of hard work from Chuck Krause, the event's Chairman, and our volunteers, the [9th annual Camp Haccamo Car, Truck, and Cycle Show](#) at Greece Ridge Mall was a success. The event is the camp's primary fundraiser and this year attracted 255+ spectators and more than 206 vehicle exhibitors, another record-breaking year like last year.

The team handed out 67 trophies and awards for a variety of categories including Best of Show, Camp Haccamo Choice, and 50 People's Choice awards!

Although the final numbers have not been fully tallied yet, Chuck Krause estimates the auto show raised in excess of \$17,500.

Camp Haccamo is a place where smiles grow and where individuals are welcomed and embraced for who they are.

The yearly auto show typically takes place the first Saturday in June so mark your calendars and stay tuned. In the meantime, please feel free to learn more about Camp Haccamo and its annual overnight summer camping experience for individuals with special needs by liking us on Facebook at <https://www.facebook.com/haccamo>. Camp will be held this summer on July 25-29, for ages 7 to 18, and August 1-5, 2022, for adults ages 19 to 30. Families interested can learn more or register online at <https://www.camphaccamo.org/applications>. **It's a summer camping experience that your loved one will never forget!** Submitted by Neal Gorman

Naples Rotary Club's 6th Annual Walk of Life

Plans are in the making. Naples Rotary prepares to hold its Sixth Annual Walk of Life. The Annual Event will take place on two different occasions this year, with many things for the Naples Community, (and visitors), to see and do!

On July 10th, exciting things will happen. "Sweets, Speakers, Songs and Supper" at Arbor Hill and Brew and Brats! To be more specific, that means a Pulled Pork Dinner, Desserts by Rotary Members, Music by Local Musicians, Speakers from Hospeace House, and Margery Pawluk Cancer Fund, and a Live Silent Auction! On July 16th, there will be more events, including a 5-K Run, a Pet Parade, a Chicken Barbecue, and a Go-Go Goat Bingo Contest, all within the Naples Area! There will be the Sale of Pinwheels, (to show your support), at various locations and times.

The Walk of Life supports Hospeace House and the Margery Pawluk Cancer Fund. Come one, come all, and show your support for these two worthy causes!
