Julie M. Carney, District Governor

Issue 1

Imagine Rotary...

Creating Hope in The World.

What a great transition of Rotary Themes from one year to the next. President Jennifer Jones asked us to Imagine a Rotary where members act to make their dreams become reality and make the most of their club experiences. During her year, her four presidential initiatives were to Imagine Rotary: advancing our commitment to Diversity, Equity, and Inclusion; creating a welcoming club experience; empowering girls; and expanding our reach.

Thanks to Ralph's guidance our District has accomplished so much this past year and truly embraced the shared vision to Imagine Rotary.

Now, as we look at Rotary's Seven Area's of Focus, let's work to CREATE HOPE in the WORLD.

HOPE...that no one will ever suffer from life threatening diseases like Polio, HIV/AIDS, and malaria ever again.

HOPE...that mothers and children receive basic health care to help stop the nearly 6 million children who die needlessly each year due to malnutrition, inadequate health care, and poor sanitation.

HOPE...that our environment is protected and remains sustainable through innovative projects, planning and policy changes supported by Rotary.

HOPE...that no nations are at war with each other and that conflicts can be prevented in our communities through adults and young leaders trained by Rotary.

HOPE...that all people have safe water for drinking and hygiene through the many projects supported by Rotary.

HOPE...that all individuals have access to basic education and literacy to be able to provide for themselves and make a better, stronger future for their families.

HOPE...that all communities have opportunities for productive work for young and old, and support for local entrepreneurs who help strengthen the local economy.

The Seven Areas of Focus for Rotary provide HOPE because of the actions of Rotarians just like you. Someone waking up tomorrow with HOPE of a better day because of what we do today.

Rotary International President Gordon McInally chose CREATE HOPE in the WORLD as our theme this year and, along with the perfect way Creating Hope fits with our seven areas of focus, it also fits perfectly with one of his presidential initiatives this year, Prioritizing Mental Health. When I first met Gordon and his wife Heather about two years ago, I felt an instant bond with them, and I was so happy to hear that Mental Health was going to be one of his priorities as we have experienced the battle with mental health within our own family as well as watching friends and their families struggle through the daily hardship of mental health. I shared with Gordon and Heather that night our own family's story that I really had never shared outside of our family, and Gordon and Heather, they both hugged me and cried with me. It was not until my husband Jim and I attended the International Assembly in Orlando this past January that I knew of Gordon's whole story and how mental health problems caused Gordon's brother Ian, his only sibling, to take his own life on February 8<sup>th</sup>, 2014, while on a business trip.

An important part of Gordon's message for us is that we need to create a space within Rotary, our communities, and our families where people feel safe talking about mental health issues. He wants us to work with our clubs and district to take actions to erase the stigma around discussing emotional wellbeing, raise awareness of mental health needs for ourselves and those in our communities and to work together on proven prevention techniques and improve access to quality mental health services. Gordon wants us to be sure to ask the question "How are you?" but don't just leave it at that, ask the question "How are you, REALLY?" I look forward to kicking off this initiative throughout this coming year because I believe that it is so important. I am in the process of creating a District Committee on Mental Health. As Gordon says, "It's a Big Ask, it's an Important Task and he's asking us to be champions of this effort."

*(Continued on page 2)*

(Continued from page 1)

I want you to know this, moving forward, this is not Gordon McNally's year. This is not my year. This is not your club president's year. This Rotary year belongs to all of us! This is our year to take our dreams of projects, programs, ideas and make them our reality.

Do you have a dream of how Rotary can make a difference but don't know how to approach it? Talk to me and let's see if we can make it happen.

Do you have an aspiration of where you would like to go in Rotary but don't know how or where to start? Talk to me and I will point you to the right people who can help get you going in the direction you're trying to find.

Rotary must constantly be ready to make changes as our members change. E-Clubs, Satellite Clubs, Passport Clubs, these are all the result of changes that were made to reflect our diverse membership and the changing needs to support the lifestyles of our members. Breakfast clubs work for some but not others, dinner clubs can be difficult for some with families that have sports, rehearsals, scout meetings or more. More types of clubs open the doors to more members, active members who can find a club that fits them. I don't want to hear "We can't do that because we have always done it this way!". If that's the attitude everyone has, our clubs will die off. We must be open to change.

Rotary continues to move forward; we are making great strides on multiple fronts. It may look different from the Rotary you remember joining. But the one thing that looks the same is our desired outcome of our efforts.

The Rotary International Vision statement reads as follows:

"Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

We want a world without Polio.

We want a world with safe drinking water for children.

We want a world where all seven areas of focus have been addressed.

Together, we can handle any changes that come our way.

Together, we will all have a voice that will be heard.

Together, we can accomplish this year's task.

Together, we can and will CREATE HOPE in the WORLD.

DG Julie M. Carney  
Rotary District 7120  
District Governor 2023-2024

## Meet District Governor Julie Carney

Julie joined Avon Rotary in 2009 after experiencing, firsthand, the Interact Program. She jumped right into the Interact Program and ran the local club at Avon High School with fellow Rotarians. In 2010 she was asked to be the District Chair for Interact and held that position until 2012.

At the Club level, Julie started out as the Club Counselor/Youth Exchange Officer and held that position from 2011-2013. In 2012 Julie joined the YEX District Committee and was the Outbound Chair 2012-2015, the Inbound Chair 2015-2018, and the District Chair 2018-2020. During that time, she was also the Country Officer for Argentina, Bolivia, Ecuador, and is currently the Country Officer for Belgium. Julie and her family have hosted 6 Exchange Students from 2010-2015. Their daughter went on Exchange to Belgium in 2017-18.

RYLA has been a big part of her and Jim's life since their son attended in 2010. At the closing ceremony, Roger Ressman (RYLA Chair) asked if anyone wanted to get involved. They immediately raised their hands and jumped right in. They became one of the "Mom's" and "Pop's" from 2011-2020 and Julie took over as District Chair of RYLA 2017-2020. Their daughter also attended in 2016.

As you can see, Julie does not like to stay idle and is a recipient of her Clubs Rookie of the Year 2010, Rotarian of the Year 2011, and a Paul Harris Recipient 2012 and 2020. Julie owned her own catering business for 15 years and is now retired. Julie attended MCC and SUNY Brockport for Marketing. Julie also was part of the Walt Disney World College Program from 1985-86.

Julie's husband Jim is the retired Police Chief in Avon and currently is the Supervisor for NYSDOT contractor. He is an active member of the Avon Lions Club and is also active in Rotary as a "Pop" for RYLA as well as being the ARO for the Youth Exchange Program 2014-2020. Jim is also a Paul Harris Fellow recipient 2020.

Julie and Jim reside in Avon and have four children. Joshua and his wife Sawyer and their two sons Hollis and Finch live in Medina, Jacob lives in Rochester, Hannah and her husband Eddie and their son Fritz live in Fairport and their daughter Sarah attends SUNY Brockport.

Julie and Jim are excited to keep the momentum of Rotary moving forward!

## Public Image update!

- If your club or project is not using the new Rotary Logo, here are the top templates in [Brand Center](#). Be sure to check it out for a unified look and feel across our district and clubs.

- [Rotary club logo](#)
- [People of Action Facebook post](#)
- [Rotary club brochure](#)

- Social media is more effective when you post on a regular basis. A useful tool that you can share with your clubs is a social media calendar. An example is here (<https://bit.ly/7120-Sample-Social-Calendar>) -- clubs can use this as a model and update the content for their own promotion. We recommend posting at least once a week, and be careful about posting too often, particularly on the same day!

- The Rotary Public Service Announcement (PSA) campaign features Rotary ads that show the public that we're people of action. PSAs are aired by media outlets at no cost to Rotary. Since launching in March 2020, Rotary's PSA campaign has reached millions of Americans through TV, radio, and print, with a total donated media value of **\$22.6 million!** Visit the [PSA Download Center](#) to access the PSA videos that you can share. To learn which stations have run Rotary PSAs in your market, contact [PR@rotary.org](mailto:PR@rotary.org).

- The [Learning Center](#) is continually being updated. Updated courses include *Our Logo: Representing Rotary and Leading Change*. New courses this year include *Promoting Rotary on Social Media*. These courses are appropriate for all Rotarians, not just club Public Image Chairs and teams.

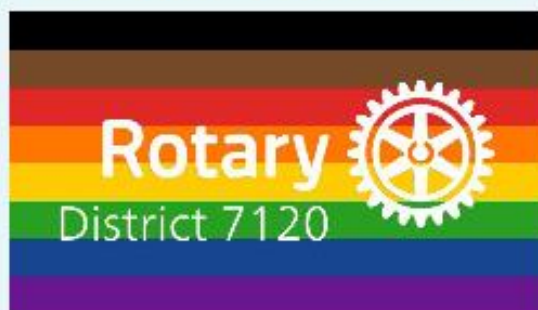

- Copyright trolls are pursuing Rotary Internet usage, looking for copyright infringement for images and videos. **Over 40% of the U.S. Rotary Club & District Liability Insurance Program's open claims now pertain to copyright infringement.** Please review your district and club social media and websites and remove anything that does not have the copyright owner's permission. This includes bulletins, newsletters, and other documents and forms, even if they are 10+ years old!

**Question of the month:** Does Brand Center support QR code creation?

**Answer:** Brand Center does not. However, there are many free apps and tools that you can use, including [QR Code Generator](#), [My QR Code](#), and even the Google Chrome app on your smart phone:

1. Download the Google Chrome app.
2. Navigate to the URL you want to share.
3. Tap the Share button on the upper right-hand corner.
4. Select Create QR Code.
5. Either hold it up for someone to scan or tap Share.

## Literacy Corner

“Reading changed my life,” declared the twelve-year-old boy from the back row of the class. This reaction was in response to asking students what they thought about the books that Rotary club and district programs provided to their classrooms in rural Guatemala. In addition to quality children’s and adolescent literature, these programs provide professional development for teachers – training and support in strategies to inspire and engage their students as readers. These students and their teachers are learning that ‘reading’ is not rote identification of words on a page, but an opportunity to get involved and be inspired by stories, learn about far-away places, and meet people who have changed the world. Education is the key to opening doors to the world, yet many cannot access that opportunity. Rotary members change lives by ensuring that students have access to books, to technology, and to well-trained, inspiring teachers.

**INFECTIOUS DISEASE UPDATE:**

COVID-19, INFLUENZA, and POLIO

June 6, 2023

**PDG DAVE HANNAN**DISEASE PREVENTION  
AND TREATMENT**COVID-19:**

1. On May 11, 2023, the COVID-19 Public Health Emergency ended, according to the US Department of Health and Human Services. This does not mean the disease went away. Population levels of immunity, whether from vaccination or from the disease, are high enough to warrant this action. Over 85% of people have had at least 1 dose and over 73% are fully vaccinated. Unvaccinated and under vaccinated people are still at risk for contracting this deadly disease.
2. The Original (Monovalent) Vaccines are no longer available. Updated (Bivalent) Booster Vaccines are now available for those 6 months and older. If you are over 65 years, or immunocompromised, you should get a second Updated (Bivalent) Booster 4 months after the first one. It provides additional protection against the Omicron variants BA.4 and BA.5, for those who have previously been vaccinated. If you are a "late-adapter" or "health risk-taker," I strongly encourage you to reconsider and start your vaccine series now, even if you have already experienced the disease!

**INFLUENZA:**

1. Seasonal Influenza Vaccines will be available by late August. Influenza can be serious and deadly. Those over 65 years old should receive the High-dose version. It can be given at the same time as the COVID-19 Booster in the opposite arm. Infants over 6 months old should get their first half-dose and then a second half-dose 4 weeks later.

**POLIO:**

1. A resident of Rockland County, who had not traveled overseas, contracted Polio in 2022 and the Polio Virus was detected in sewage samples in Rockland, Orange, Sullivan, and Nassau Counties, and in New York City. Fortunately, there have been no other cases in the US.
2. Polio is a paralyzing and potentially deadly disease. The IPV (Salk) Polio Vaccine is safe and effective. It has been used for decades, is required for school entry in NY, and is available to anyone over 2 months old. Protect yourselves and your families. If you had the full Polio Vaccine series as a child, you do not need a booster at this time.

## Strategic Planning Workshop

The Rotary District 7120 Strategic Direction/Planning Committee assists and guides the development and updating of the strategic direction of the district and its Rotary clubs.

Do you dream of your Rotary Club being known as the premier service organization in your community? Would you like to retain and attract more members to your Rotary club? You can achieve all this and more when you discover the value and importance of an effective Strategic Plan. These concepts have helped many clubs grow membership and become a sought-after leader in their community.

Making a commitment to keep or regain vibrancy within your Rotary Club is the beginning of an attitude mind-shift that will allow your club to transform the results of its efforts from average to EXTRAORDINARY.

A well-designed strategic plan allows the club to more effectively use its budget dollars, member's skills and community resources to make a positive difference locally and internationally. The process sets the stage for continued strategic visioning and organizational growth development.

## ROTARY CAMP ONSEYAWA NEWS

We are pleased to announce that another wonderful camp season is just around the corner with 70 young people now signed up. Our new location at Camp Whitman is creating plenty of excitement and preparations are well underway. This is no small task with many important projects now under construction by Rotarians and camp staff. Our monthly board meetings have been, most of the time, well attended. The participation of all club directors is crucial to our continued success.

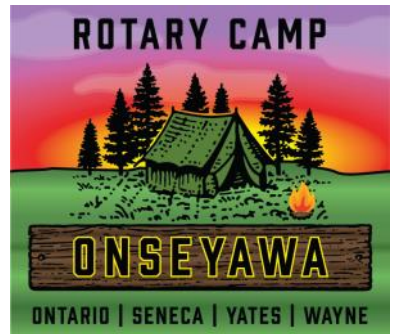

**BUDGET REPORT:** We have sent 2023 assessment invoices to all 21 Rotary Clubs based on information from our district. The 2023 budget was approved by the Onseyawa Board in April and has been enclosed with your assessment invoice. It also shows the 2022 final results and planning for 2024. With the move to Camp Whitman and rising cost, the board continues to successfully balance the budget. The outreach to foundations to generate new budget income sources has brought two \$20,000 grants in the last two years. Annual fundraising events such as the Golf Outing, Annual Dinner, Raffle, and general donations continue to bring success. Club Assessments have not increased in 17 years and the Board must look at this source of revenue in its future planning. Our goal of charging \$0 camper fees is a worthy one. The 3-year capital project campaign is well on its way to raising \$60,000 and donations are needed. We thank the seven Rotary Clubs who have supported these special projects by securing \$17,000 from the Rotary Foundation Simplified Grant program. A project list is available upon request. At this moment we need a few clubs to sponsor a few items; AED \$1,400, Medical Cart \$800, 10 Folding Tables \$800, 4 Lifeguard Rescue Tubes \$250, Plastic Storage Bins \$600. Call Robin or Victor with your news.

Please take the time to visit and tour Camp Whitman. Camp begins August 14 and ends on the 20<sup>th</sup>. Call Robin Mark to confirm your plans.

**ANNUAL DINNER:** How can you help now? As we plan for our Annual Dinner on November 10, corporate and business sponsors are needed in order for us to reach our fundraising goal. Please think of your contacts and connections to find major donations of \$500 or more. Call Dinner Chairman Rosemary McCullough 315-651-0310 with your questions and proposals.

We thank the many Rotarians who continue to give so much to the fiscal and program challenges. Thank you so much for your unwavering teamwork and support.

**Robin Mark, Board President 585-370-2389**

**Victor Arsenault, Board Treasurer 585-919-4186**

During the recent June Camp Onseyawa Board meeting, a special \$20,000 gift was presented by the Farash Foundation. This grant is to support the 2023 annual budget. As the Board of Directors continues to search for new sources of funding, this is the second major foundation grant in two years. In 2022, a \$20,000 grant was secured from the Golisano Foundation.

*Want to play a role? We are Recruiting!*

The Rotary Clubs of Monroe County are pleased to host Camp Haccamo for its 67<sup>th</sup> season. This year's dates are July 31 - August 4 for ages 7 to 18, and August 7-11 for adults ages 19 to 30. Please call us now!

With 24-hour nursing care and a ratio of one counselor per two campers, Haccamo provides a safe environment while caregivers are given an opportunity to rest, knowing their loved ones are in good hands having fun, making friends, and developing skills, confidence, and independence.

And all the iconic activities are returning: ziplining, swimming, arts and crafts, carnival night, prom night, a talent show, campfires, and much more.

Are you interested in being part of Camp Haccamo? "We are always looking for an extra set of hands for gardening, camp support, paperwork, chaperoning, and more," says Dolly Kujawa, executive director. "It takes many hands to make smiles grow!"

"There's a great need for programs like Camp Haccamo geared specifically for emotionally fragile and behaviorally challenged children and adults. That's why we are extremely pleased to welcome campers back for another memorable summer," says Robert Williams, President of Camp Haccamo's Board of Directors and a Webster Rotarian.

## Victor-Farmington Rotary

The Victor – Farmington Rotary Club continued its annual tradition of recognizing graduating seniors at Franklin Upper School in the city of Rochester by bestowing “Be The Change” awards on five seniors. The awards, that are not based on academic grades, recognize the accomplishments of the students in developing leadership qualities that will better-provide them tools for their future endeavors. Hopefully, they will be able to strengthen their community and become a driving force in working for desired change.

Each of the students received a \$100.00 scholarship from the club’s foundation fund. Rotarian Karen Parkhurst, who spoke on behalf of Rotary at the event, provided the funds in memory of David Groff, a family member who died in a tragic accident. The club also awarded a “Distinguished Educator Award” to the faculty class advisor, Melinda Caparco, for her continuing involvement with senior class members and her inter-action with the Victor – Farmington Rotary Club to provide students at the school with programs and activities that broaden their horizon. As Rotarian Karen commented when presenting the award, “Melinda’s efforts exemplify the meaning of Rotary’s motto, Service Above Self”.

## AVON ROTARY FOUNDATION DRIVE

To close out this Rotary year, Avon Rotary organized a special fundraising drive in June in memory of three remarkable Rotarians who sadly passed away this year: We held our drive with the aim of raising funds for the annual fund of the Rotary Foundation in honor of Jerry Dougherty,

Dr. Robert Hayes, and C.A. Krenzer. We are thrilled to announce that together, we raised an incredible \$4000!

In addition to honoring these three great men, we also took the opportunity to honor Rotarians with Paul Harris Fellow pins for their continued contributions to the annual fund. Paul Warren received his first Paul Harris pin and Janis McMIndes received her Paul Harris +6 pin.

Our Rotary Foundation Champion, Bruce Amey, also took the opportunity to use his accumulated Paul Harris Fellow points to bestow several Avon Rotarians and one community member with Paul Harris pins. Rotarian Jaime Lovullo received her first Paul Harris pin, community member Ginny House received her Paul Harris +1, and these Avon Rotarians received plus pins: Josh Tonra +2, Katie DeGraff +1, Laurie Vonglis +6, Kirk Vanderbilt +3.

Congratulations to all and thank you for your continued contributions and service to the Avon Rotary Club.

## Canandaigua Rotary Awards Paul Harris Fellowship

The Canandaigua Rotary Club recently presented the fourth of five Paul Harris Fellowships to a non-Rotarian. The estate of former Rotarian John Spare left money to the Rotary Club to honor five non-Rotarians from the community.

This Award went to Kevin Olvany as Manager and for his leadership in the Canandaigua Lake Watershed Council. Since 2001 he has been advising municipalities that surround the lake on environment, drainage, filtering, capturing run-off before it drains into the lake, etc. The Watershed Council and its member municipalities have been successful in obtaining over \$1 million in state grant funding to help implement many priority actions that have been highlighted throughout the Plan update. The intermunicipal agreement that brings the municipalities together has been reaffirmed every five years since 2000. The watershed tributaries drainage is estimated at 350 miles.

Terry Bilancio, a member of the Bath Rotary Club, contributed another \$1000 to the International Rotary Foundation and was recently presented a Paul Harris Fellow +7 Award by Tess McKinley, 2022 – 2023 Bath Rotary Club President. “Over one million people worldwide are Paul Harris Fellows; however, only a select few are at the seventh level,” stated McKinley. “It is indeed my honor to present Terry with this pin inlaid with two rubies. A big thank you, Terry, for your unfaltering dedication to the Rotary community, both locally and worldwide.

Bilancio joined the Bath Rotary Club in July 2018 upon the dissolution of the Hammondsport Rotary Club. From 1991 – 2018 he

had been an active member of the Hammondsport Rotary Club. During his membership he had served as president as well as other board positions.

Upon joining the Bath Rotary Club, Bilancio has continued his service to the community and the world. He served as Program Chair and worked at several of the club's projects and fundraisers. From 1974 – 1983 he was employed by Phillips Electronics in Pennsylvania and New Jersey. In 1983 he transferred to the Bath location of Phillips Electronics and was employed there until his retirement in 2004.

Graham had transferred her membership from the Corning Rotary Club to the Bath Rotary Club in 2021. At that time she volunteered to serve as the 2021 – 2022 Vice-President and the 2022 – 2023 Present-Elect. During her rather brief time as a Bath Rotarian, she has helped with several club projects and fundraisers as well as participating in District 7120 and Camp Star Golf Tournaments.

He stated that the club held its first organizational meeting in March 1923 and was granted its Rotary International charter on May 23, 1923. He also noted that he knew that club will be forever indebted to the Corning Rotary Club for its drive back in 1923 to sell prospective Bath Rotarians on the ideals and values of Rotary.

Even with many changes happening around us and in our own club, the members remained steadfast in providing time, talent, and treasure to help local, national, and international communities. I am also grateful that I was able to include my work and my family in the many wonderful things this club does." She then passed the gavel onto Brandi Graham, the 2023 – 24 Bath Rotary Club President. "I look forward to continuing the good work that has led the Bath Rotary Club to 100 years of 'Service Above Self' in the Bath community and the world," remarked Graham. "To paraphrase Winston Churchill, may I remind all we make a living by what we get, but we make a life by what we give."

## Geneseo Rotary

The 50/50 drawing at the Geneseo Rotary Summer Festival raised money for a children's camp.

According to Rotarian Bonnie Swanson the 50/50 total was \$1,402. \$701 to the winner and \$701 to Genesee Valley Rotary Camp (GVRC). Turns out the winner was the VP of GVRC. And Rotarian Steve Weiner. Steve donated his winnings to GVRC. So total to the Camp is \$1,402. **Back story:** Steve told me he didn't buy the ticket. A festival goer handed the tickets they purchased to Steve because they had to leave early. This festival goer told Steve to give all the money to the camp if the ticket was drawn. Steve put the tickets in his pocket never thinking that ticket would win.

The GVRC is a one week summer camp for young people (ages 8 – 21) with various disabilities. GVRC is a not-for-profit organization that became incorporated in 1963 and has served children and young adults from four surrounding counties (Livingston, Steuben, Wyoming, and Allegany) ever since.

The camp this year begins on August 13th.

## Honeoye Lake Rotary

July has been a busy month for the HLRC as we prepare for our 38<sup>th</sup> Annual Golf Tournament, host the weekly concerts at the gazebo and prepare Treasure Boxes for some of our elementary students.

Our golf tournament is July 31<sup>st</sup> at Old Hickory and we do our best to ensure a good time for our teams. Besides having a fun round of golf, we have a silent auction, a raffle and conduct a 50/50 drawing as well as enjoy a super steak dinner. Golfers also receive a little bag of goodies to help get them through the day. These bags have been filled and are ready to give to our teams as they register to share a day of fun and fellowship with the HLRC. There is still time to register so check out the form further in the Grapevine.

This is also the time of year we put together the Treasure Boxes given to students who need a boost for going back to school in September. We learned about this at a Literacy Workshop a few years ago and continue to fill plastic shoe boxes with essentials and then place these in a tote bag with folders and composition notebooks. These bags are then taken to school for distribution. Shopping for goodies takes place as soon as school supplies go on sale!

Our hosting of our summer concert series takes place at the town gazebo on Friday evenings through the end of August. We have "bagged" a variety of bands to entertain the crowds who faithfully join us weekly for a good show and to enjoy time with friends and family. Concerts begin at 7PM and are generally over by 9PM.

## SILVER ALERT!! SILVER ALERT!! JOHN HALL HAS ABSCONDED!

John Hall was last seen on June 29 hurriedly leaving the Jewish Home. After six weeks since an "unfortunate incident" left him away from his lovely home and his beautiful wife Maureen, John felt he had enough. He maintained that he could rehab at home and was eager to leave the facilities.

He was last seen wearing a turquoise Vineyard Vines tee shirt, black shorts, white sneakers and riding in a deluxe black wheelchair.

If you see this man, please approach carefully.

## Silver Alert Update – Alert Cancelled!

John was found later that same day resting comfortably at home with Maureen by his side. He's hoping for a good night's sleep without machine's beeping and neighboring TVs on high volume. He's looking forward to Maureen's delicious home-cooked meals – no more hospital food.

Feel free to drop off some food to help Maureen out or schedule a visit so Maureen can have a few minutes to herself!

## Fairport Rotary Club

The HSLC Interact Club has had a very successful year. It selected the Spencer Crest Nature Center as its primary local community service project, and groups of students have volunteered to maintain, repair and clean up the trails during several work sessions over the course of the year.

The Club chose the NOMI Network as its international project. The non-profit organization has a mission "to end human trafficking by creating pathways to safe employment, empowering women and girls to break cycles of exploitation in their families and communities." The Club raised a total of \$720 from t-shirt sales and other fundraising activities for this organization.

In the third trimester alone, Interact students logged a total of 459 hours of community service, a remarkable achievement. The students served at various Rotary-sponsored activities throughout the year, including the Spelling Bee, the Holiday Evening with Rotary, and the River Cleanup.

## Corning Rotary Inducts New Member

Corning Rotary recently inducted Katrina Mancini as a club member. A person of action, Katrina joined Rotary nearly a decade ago to volunteer her experience in marketing and to become a nomadic member of the communities her companies serve. A guest of many clubs, she's wandered across Pennsylvania and New York in search of one to call her own after she sorrowfully closed the Montrose (PA) Rotary Club in 2018 as their final president.

Katrina is the Customer Affairs Manager at Corning Natural Gas Corporation. Despite what her title may imply, she is the Public Relations and Marketing Manager for all three Corning Energy Corporation subsidiaries: Corning Natural Gas Corporation, Leatherstocking Gas Company in Montrose, Pennsylvania, and Pike County Light & Power in the Poconos. A graduate of Empire State College, she earned her BS in International Business Relations and minored in Marketing, which drives her professional philosophy of creative problem-solving through the psychology of consumer behavior. Viewing the world through the lens of service before self, she invests her resources in various social issues with the hope of changing even a single life for the better.

Additionally, Katrina is the first vice-president of the Pike County Chamber of Commerce in Milford, PA; an executive board member of the Energy Solutions Center in Washington, D.C.; and a general member of the Corning Area Chamber of Commerce. A seasoned public speaker, she presents on numerous topics, including New York State's Climate Leadership and Community Protection Act.

Katrina Mancini is welcomed into the Corning club by Bill Boland and Ernie Danforth.

## PENN YAN ROTARY CLUB

Penn Yan Rotary Club held their change over officer's night on June 27, 2023. It was held at Main Deck in Penn Yan, New York. The Main Deck was a very interesting place. The bar was a boat with a wooden boat hung on the ceiling above it. Officers selected were: Past President Mary Ellen Morgan, President Carl Schwartz, President Elect Alicia Slate, Vice President Patrick Tolbert, Secretary Sue Andersen and Treasurer Stacy Wyant. Assistant District Governor Jim Dixon was present.

Mary Ellen Morgan presented Special Honors to Board Members and Officers for the past year of service. A special certificate thanking them for Great Team Work, Together Everyone Achieves More and Penn Yan Rotary Club Baseball hat was presented to each honored Rotarian.

A thank you plaque was given to Assistant District Governor Jim Dixon for his service to our club this year. Sandi Perl received the Rotarian of the Year Award for her outstanding service above self to family, work and community. Sandi is Executive Director of the Living Well and is a retired Minister. She coordinated programs with the Living Well and Penn Yan Rotary Club.

Penn Yan Rotary Club presented three \$1000.00 Scholarships to Penn Yan Academy Seniors.

Penn Yan Rotary Scholarships went to Morgan Andersen and Maddie Smith. The Dean Morgan Scholarship went to Trevor Campbell.

### ROBERT COLE, JR. JOINS BATH ROTARY CLUB

Robert H. Cole, Jr., Retired Attorney and Retired City Court Judge, was recently welcomed as a member of the Bath Rotary Club, having transferred his membership from the Corning Rotary Club.

Robert H. Cole, Jr. is welcomed into the Bath Rotary Club by Tess McKinley, 2022 – 2023 Bath Rotary Club President.

Cole first joined the Bath Rotary Club in 1983 with Jack Conklin serving as his sponsor. After a brief hiatus in membership, he joined the Corning Rotary Club in 1995 with Ray Defendorf serving as his sponsor.

Cole was raised in Bath and graduated from Bath-Haverling Central School in 1971. In 1975 he graduated from the University of Virginia with a Bachelor of Arts in Economics, and in 1978 he graduated from Syracuse University College of Law with a Juris Doctorate. He practiced law in Bath and Corning from 1979 – 2015 and served as City Court Judge in the Seventh Judicial District of Western New York from 1994 – 2015.
