Come and Celebrate

Rotary District 7120 Conference

Pocono Manor, PA May 3 - May 5, 2019

Please join in our Rotary commitment to Service Ybove Self.

OVERVIEW

In May 2019 four hundred men and women are expected to assemble at the Rotary District 7120 Conference to exchange ideas and learn about the continuing efforts to address the needs of communities locally and worldwide. The conference's main focus will be to bring awareness to clubs' efforts and celebrate Rotary's accomplishments.

Rotary connects 1.2 million members from more than 200 countries and geographical areas. Its work impacts lives at the local and international levels.

Your participation will show the community that you stand with Rotary in its commitment to solving challenges and problems faced by communities worldwide. From literacy and peace to water and health, Rotarians are always working to better our world.

OVERCOMING CHALLENGES & PROBLEMS

A child wears a Rotary anti-polio cap during a Subnational Immunization Day in Moradabad, Uttar Pradesh, India.

Children wash their hands at the new wash station at Rancho Alegre school in Guatemala. The schools will have classroom water filters, hand washing stations, toilets, septic tarks, and drainage systems. The project includes: consulting with local residents, community advocates, employees, and the students' parents to assess the priorities of each school and community.

Polio

In 1985 there were approximately 1,000 new cases of polio each day in 125 countries. Since that time it has been Rotary's mission to eradicate this disease.

- 2.5 billion children have been vaccinated against polio.
- It is estimated that vaccination programs have prevented 17 million new cases. In 2018 only 29 cases of polio were reported worldwide.
- Each vaccination only costs approximately 60 cents.

Clean Water, Sanitation, and Preventable Disease

In 1990 approximately 32,000 children died worldwide each day due to malnutrition, poor health care, and inadequate sanitation. Due in part to the efforts of Rotary, that number has fallen to 16,000 each day.

Literacy

Currently, more than 775 million people over the age of 15 are illiterate. Rotary helps build schools, provides educational materials and teacher training, and participates in adult literacy initiatives.

- Each day thousands of Rotarians spread their love of reading to children through volunteer and outreach programs.
- Rotary members in the United States partnered with ProLiteracy Detroit helping 500 adults raise their reading levels by three grades.

Locally

In Rotary District 7120 clubs work in their local communities to further the mission of Rotary International. Below are just a few of the initiatives they support:

- Dictionaries to third graders at their schools
- Local food pantries, community gardens, soup kitchens, etc. to provide nutritional meals for children, homeless, and seniors
- Scholarships to graduating seniors to support their continued education
- Adopt-a-Highway cleanup
- Community park cleanups/renovations
- Project Care Shopping for the Elderly
- Rotary Youth Exchange (inbound and outbound students)

R.I. Foundation Endowment Information

Much of what the Rotary Foundation's endowment does is not well known. Our foundation endowment subcommittee would like to shed light on the subject and make it easier to understand.

Rotary Foundation News April 2019

Well the District Conference is fast approaching.

Will your name be on the Sustaining Member poster?

Don't forget to get together your Silent Auction item(s) for the District

Conference. Last year we had a great selection of items. Let's do it again!

Remember each club is asked to donate an item...and each member to donate whatever you have that you would like to donate.

Please be generous!

A short story...last year two pieces of Spanish porcelain were donated. They were listed as separate items. Since I collect them, but really don't bid..(I mean I close the auction, let's be fair!) I put them out of my mind. Well my husband won one (after his wife suggested there might be something he could bid on)and put it away for my birthday. Well my birthday came and went....no gift. A few weeks later my sister asked what Jim had given me. Nothing, I replied. I added, I know he had something but I have yet to see it. He forgot he had it and didn't know where it was! Luckily after some searching it was found!

Many thanks to PDG Jeff Krans who has become the chair of the Endowment Committee. This committee had their first meeting recently. If you are interested in information about your Rotary Legacy, please contact him. jkrans228@gmail.com

Don't hesitate to contact your foundation area directors (FADs) for a program on the foundation. If they are not available, I would be happy to come.

Have a great month and go out and be the inspiration to others. YOU make a difference.

Ellen, DRFCC

2020 Governor Elect Hospitality Program

By PDG John E. Hall, Chair

The 2020 District 7120 Governor Elect Hospitality Program, also known as the Milt Matthews Governor Elect Hospitality Program, will be celebrating its 51st anniversary this coming year. The program invites Governors Elect from countries around the Rotary world to be hosted prior to their attending the International Assembly in San Diego, CA for their training to become District Governor of their home districts. These DGE visitors will be in our district from January 10 to January 18, 2020 to experience a week of D7120 Rotary hospitality.

Currently we have 13 future District Governors registered and here is your opportunity to host a DGE from Australia (4), Finland (1) India (1), Lesotho (1), Pakistan (1), Sweden (2), Uganda (1), Wales (1), or Zambia (1). The first hosting period is from January 4th to January 8th followed by the second period from January 8th to January 12th. On Tuesday afternoon January 14th, all hosts and guests gather at the Finger Lakes Community College in Canandaigua for the changeover lunch after which our guests move on to their 2nd host.

Our visiting DGE's make great speakers for your club and provide your club members an opportunity to exchange Rotary ideas with someone from another country. Also, many hosts have had the opportunity to visit their guests in their home countries.

Would your club like a program on the Governor Elect Hospitality Program? Any member of the MMGEHP Committee would be willing to come to your club and present more information. Please contact Chair PDG John Hall at jehall13@gmail.com to arrange a program. To sign up as a host, please click on the following link or copy it into your web browser: https://docs.google.com/spreadsheet/viewform fromEmail=true&formkey=dFdEb3NVbUIMZEE4OEJITTlyQzN5aWc6MA

Rotary District 7120 Literacy News April 2019

If you weren't at the DTA last weekend and didn't attend the Literacy breakout session you missed a dynamic discussion on the topic <u>Does cells phone fixation have an Impact on Learning???</u> Lynn Girolama a Technology teacher from Greece School District led our session. We learned several new acromion's SEWB (social emotion well-being) and FOMO (fear of missing out) and how it affects our students. I also learned how technology plays into the learning to those born after 1980!!

Thanks to the committee and to all the fellow Rotarian's attending the session.

The Annual Literacy Seminar is scheduled for September 14th 2019 at the Clifton Springs Hospital Rotary Room. Mark your calendars!!

Last date to submit your 2018-19 Literacy Recognition is April 15th. Please send them to JoAnn Terry (jotee218@aol.com).

News From Avon Rotary

Avon's Newest Paul Harris Fellow

On March 5th Janis McMindes was presented with her 1st Paul Harris Fellow. She is a generous supporter of the Rotary Foundation, having reached this milestone so soon after joining Avon Rotary in 2016. Many thanks to Janis for her dedication to the Foundation.

In-Meeting Service Project

At our March 5th meeting we did an in-meeting service project and packed weekend food bags for Avon Central School Stone's Community Resource Closet. Many thanks to Marcie Williams for heading this up with her excellent organizational skills. We packed almost 80 bags in no time at all with the help of the Rotarians in attendance.

Welcome New Member David LeFeber

Inducted into membership—February 26, 2019

I am a lifelong resident of Avon, graduating from Avon Central School, SUNY Morrisville and Cornell University. Since graduation I have been involved in the family dairy and crop farm. Currently my Mother and I are shareholders in the corporation. I reside on Littleville Road with my wife Andrea, who coaches Avon girls sports and is a teacher for Genesee Valley BOCES. Since January 2000 I have been in Avon Town government and since 2002 involved in Livingston County government. I have always recognized the good efforts of Avon Rotary in the Avon community and around the world. Thank you for accepting my membership and I hope I can contribute and advance the initiatives being worked on by the Avon Rotary Club.

Avon Rotary Club Literacy Program 2019

It's a rite of passage to receive a Rotary dictionary in 3rd grade. On March 20, 3rd graders gathered at St. Agnes and Avon Elementary School to receive their Rotary gifts. At the elementary school, Rob Lupisella started the presentation with an introduction about Rotary. He put together a slideshow explaining the purpose of Rotary, it's history and our mission. Marcy

Williams and I read through the slides for the students. In addition, the presentation highlighted our fundraising events. Most students were familiar with the Avon Rotary Corn Festival. Rob explained that by attending the Corn Festival, students and parents were supporting our fundraising and charities. Rob mentioned Avon's Interact Club and encouraged the students to think about joining when they are in high school.

Later in the morning, I visited the 3rd grade class at St. Agnes. I used Rob's presentation to introduce the 3rd graders to our Rotary Club. The students were so excited to receive their dictionaries. Several started looking up words and of course there was a challenge to find the longest word in the world! Afterwards,

we took a group picture and the students thanked me for their gifts.

Thank you to the Avon

Rotary Club for continuing this time honored tradition. The children still love to receive this gift from us!

Dundee Rotary

Dundee Central School Elementary Principal, Laurie Halbert (left) accompanied Peace Essay Contest winners Tyler Strickland (second from left,3rd place), Marley McAvoy (center, 1st place), and Aiden Webster (right,2nd place) to the March 6th Dundee Rotary Club meeting. As family members looked on, each of the winners read their essay to the Club and each received a monetary award for their work.

Dundee Rotary members are so proud of the caliber of the composition these 6th grade students produced as they described what peace means to them at home, in school, and in the world. The Peace Essay Contest is one of the many projects undertaken by Dundee Rotary each year to promote literacy in area youth. (Submitted by Lauren Snyder)

Rochester Rotary South West

The Rotary Club of Rochester South West welcomes their first "young adult" representing the Catholic Family Center's YouthBuild construction program for 17-24 year olds. Rashid is 22 years old and a graduate of the the first YouthBuild cohort that started last April. Living up to the spirit of "SERVICE," Rashid has stepped into a role as volunteer Alumni Coordinator, doing an exceptional job maintaining connection with previous

graduates and participating as a mentor in current classrooms. Rashid was recently hired by Catholic Family Center as a Resident Aide where he is working in a recovery house for men. He has a passion for addressing the opioid epidemic which we, as a Club, hope to address in collaboration with the Rochester Northwest Rotary Club. Rotary SW is currently working on our first Strategic Plan and definitive goals and objectives will determine our direction.

Formally connecting Rashid with our University of Rochester Rotoract Club will be a continuation of our commitment to reaching out to the "younger crowd." We are looking forward to Rashid's enthusiasm and ability to motivate others. (Submitted by Eleanor Coleman)

Rotary International Night Held

The Newark Rotary Club, in partnership with the Newark Public Library, recently held an International Night as an evening meeting. Local Rotary youth exchange students were invited to introduce themselves and their countries and share cultural information and ethnic foods with Newark Rotarians and guests. Seven students participated including Eliana Catigiu and Elliot Dahl from the Newark Club, Joaquin Ellena from the Victor Farmington Club, Elisa Sonnay from the Ontario Walworth Club, Ignacio Illanes from the Palmyra Macedon Club, Arianna Ferretti from the Clifton Springs Club and Carson Jordan, Newark High School senior who will study in Slovakia next year.

The evening featured an international dinner buffet, delicious desserts served by Interact students Jasmine Bueso, Emma Correia, and Alex Ventura as well as cultural displays by club members Hannelora and Helmuth Reinhardt representing Croatia and Norma Madayag and Gary Reilly representing the Philippines.

Newark Rotary embraces the Rotary Youth Exchange Program by hosting inbound students as well as sponsoring outbound students yearly. Currently the Club is supporting Newark students Grace Kreuser studying in Denmark and Lindsay Whiting studying in Italy. The program invites local families to host inbound students for a portion of the school year. (Submitted by John Zornow)

Garrett Golden YEX Outbound From Penn Yan in Germany

- This month I celebrated my birthday on February 15. My host family was awesome and had decorated the house American style! We ate Pizza and had a party with a small gift from my host family and my parents in the U.S.
- With the weather getting slightly warmer the inbounds and I have been visiting the beach. We swam in the freezing cold water just for fun and enjoyed the sun. It was very cold for all the inbounds. We went to the Danish border and we also built a stone tower on the beach. These stone towers are all decorated along the beach. We also signed the tower and we took pictures.
- We helped with a presentation in another school and talked about our home countries. I wore Carlos's (Mexican inbound) sombrero and had my flag. Carlos said I was a Texan. It was kinda funny for me!
- I went with my host family to the Lion King in the theater. I'm really thankful that they brought me to see it with them.

The inbounds and I went to see what a protest was about. It was a protest for climate change. The name was "Friday's for Future". This has been getting more and more popular in Europe and becoming international. (Submitted by Diane Krans)

Fairport Rotary Grapevine Contribution for April 2019

At a recent meeting, the Fairport Rotary Club hosted several District 7120 dignitaries, including District Governor Mike Slovak, District Governor Elect Linda Kohl and Joe Corona, who follow Linda as our District Governor. In addition, former District Governor Don Milton and our current club President Steve Haas. Also shown is Enzo Scollo, who shared with the club the impact that Rotary has made, locally, regionally, nationally and worldwide, with our fundraising efforts and individual contributions to the Rotary Foundation.

The guests shared with the club, the honor of acknowledging members of our club who received Paul Harris awards. George Wolf, Judge Vincent Barone and Bill Fanning each received the recognition and John Hall received a Paul Harris +8. All these gentlemen are examples of what Rotary stand for, we are proud of all of them.

Mark Fuerbacher had the honor of welcoming his son Hunter, as a member of the Fairport Rotary Club. Hunter becomes a third generation Rotarian, following in the footsteps of his grandfather, Guenter, who we know was sharing the moment with us, from above.

The Fairport and Penfield Rotary clubs shared an evening of fellowship at the Fairport Triphammer Bierwerks last month, good times were had by all. Here shown are Becky Wilson and Marybeth Christiansen from Fairport and Marie Cinti from Penfield.

Greece Rotary Distributes The Kids Road Atlas

Greece Rotarians are introducing a new version of their extremely successful dictionary program. This year for the first time third grade students in the Greece and Hilton School districts will receive The Kids Road Atlas, (replacing the dictionary) giving teachers new and exciting opportunities for curriculum connections. The program for distribution features a magic show from Rotarian Bill Gormont and a visit from Senator Joseph Robach, who assists with project funding through a NYS Grant. The program involves all Greece Rotarians, as there are many presentations over a two week timeframe.

Rotarians Brenda Herman, Rita Garretson and John Zink joined the work session to prepare the books, adding a book plate and a letter for parents

Victor-Farmington Rotary Provides Greater Accessibility to Park

V-F Rotary Partners With Parks & Recreation To Promote Accessibility

The Victor-Farmington Rotary Club initiated a joint project with the Parks & Recreation Department of the Town of Victor to provide greater accessibility to Victor Municipal Park for individuals with developmental disabilities. The goal of the project was to provide a greater accessibility for individuals in wheel chairs who are attending concerts and picnics. The club initially approached the Parks & Recreation Department with a proposal to fund the initiative. The project involves the construction of a concrete pad in the open lawn area of the park's community band shell and amphitheater. Construction on six custom designed picnic tables will provide greater accessibility for the disabled.

Using funding resources from the Rotary Designated Simplified Grant program and the Victor-Farmington Rotary Foundation, financial resources were provided to purchase necessary materials to construct the tabled. Employees of the Victor Parks & Recreation Department provided the labor to build the tables. Four of the tables will be in Victor town parks and two will be in Farmington town parks.

The total budgeted cost for the project was \$6,425.00 with a total of \$3,500.00 supplied by the Victor-Farmington Rotary Club and the balance by the Town of Victor.

Robert S. "Bob" Costello

Age 91 and longtime resident and proprietor of Elmira Heights passed away March 15, 2019. Bob was born in Connellsville, PA to James and Mary (Toth) Costello. He was predeceased by his best friend and longtime business partner of over 50 years, Richard Miller on Dec. 8, 2012. Bob is survived by nieces and nephews, and sister-in-law, Cora Costello and a host of long time business employees, patrons and friends. Bob and Richard began their business career with Griswold's Florist later expanding into cards and gifts. They opened stores in Bath, Syracuse, Binghamton, Endicott and the Arnot Mall which included Griswold's Hallmark stores, Nature's Own and Yesterdays. Bob was a Veteran of the <u>US Navy</u> and a long time member of Elmira Heights Rotary (joined in 1968) where both he and Rich were fixtures at their evening meetings at Pierce's Restaurant. Rotary's GEM Project Seeks Local Donors

"Changing the World One Child at a Time," is the mission of International Voice of the Orphan, founded by Perry native Dwight Saunders, and the goal of its affiliated GEM Foundation in Uganda.

Rotary Club of Perry is making a public appeal to support the installation of water and sanitation facilities in Uganda for the GEM Foundation there. The GEM "Village" purpose in Uganda is to provide a loving home for disabled and abandoned or rejected orphans and provide education

Generous donations have allowed GEM Village to begin construction of new facilities in October, but its funding need is still huge. Housing and a medical clinic are being built and it is Rotary's desire to provide safe water and appropriate sanitation facilities in support of those.

Perry Rotary's hope is that individuals and businesses will provide significant financial support to the worthwhile endeavor to help these often-rejected children. Donor dollars will stretch because Rotary will be able to provide matching funds. Help Rotary raise its goal of over \$20,000 locally and make a real difference in meeting the serious needs in another corner of the world. This special appeal is to supplement Perry Rotary's efforts, as most of its fundraisers are directed at local needs. But in the GEM case, we have a connection, and our area has a connection tat is unique nd we feel we can make a special difference. With community spoort and Rotary matching possibilities, a big need will be met.

Perry's Rotary Club is proud to be part of an international organization with 35000 clubs in 200 countries and territories in the world all doing what they can in their communities and in the greater worldwide community to "make a difference" in basic quality of life. Rotary, with partners, has nearly completed the eradication of polio from the earth, being 99.9 percent of the way there from where we were 25 years ago, and it is actively pursuing projects in peace and conflict resolution, disease control and providing safe water and proper sanitation, among many valuable service efforts.

No gift is too small or too large. We hope to meet our goal in the next few weeks. To make your contribution to our efforts for GEM Foundation, please send your support payable to Perry Rotary Foundation, PO Box 103, Perry, NY 14530.

About The GEM Foundation and Village:

The GEM Foundation is a home for abandoned special needs children in Uganda. It exists to love the broken, strengthen the weak and encourage the weary. Last year GEM Foundation raised the funds for three homes to be built on the 88 acres that it purchased in 2016. This past October, The GEM Village officially broke ground. This year it is trying to build a medical clinic to provide life-saving 24/7 care to children, staff and the surrounding community and villages.

The Nutritional and Prenatal Center will bring malnourished children back to nutritional health. Often families hid their children with special needs away and in turn the children are neglected and starved leading to severe malnourishment. GEM Village will educate and train families and prevent malnutrition. Prenatal care as well as maternity care will also be offered. A significant reason children are born with special needs is due to unsafe deliveries.

The Therapy center will be where children are worked with and encouraged daily by licensed therapists to reach their full potential.

The General Medical Center is where general medical needs will be met and out-reach to educate and train families in how to best care for their children and help them to thrive.

The GEM Foundation was started by the daughter of a Perry native son and graduate, Dwight Saunders, about the needs and worthiness of these "gems" of children.Rotary raise its goal of over \$20,000 locally and make a real difference in a member of the prominent long-time resident Saunders family whose father, Vern, was a beloved Perry math teacher. The entire Saunders family is well known and loved by Perry area residents. meeting serious needs in another corner of the world. A Rotary Club Project with Minimal Cost

Support Crutches 4 Africa

Enable disabled in developing countries to have hope, dignity, health and access

Once you have collected 20 or more of these items send me an e-mail and I will make arrangements to have them picked up.

Members of your club who are coming to the District Training Assembly on April 6th, can bring the items you have collected. We will have a trailer there to pick collect them and take them to a 40' sea container parked at the Webster Recreation Center that we hope to fill.

In addition, if each club in our District was to contribute at least \$150 we would have enough funds to cover the cost of transporting the container to its destination in Africa.

> Please contact me at richecomins@amail.com with any questions.

Yours in Rotary Service, Rich Rich Comins, Project Coordinator Webster Rotary Club

At the Rotary International Convention in Toronto this year there was a project that I became very interested in. I would appreciate it if all of our Clubs in District 7120 would join and assist the Webster and Ontario-Walworth Rotary Clubs in making this project a reality. The project is called Crutches 4 Africa. It entails each club collecting any unused

- CANES, CRUTCHES, WALKERS, WHEELCHAIRS (no electric / battery operated),
- BABY JOGGERS (the three wheeled kind),
- STROLLERS, LEG BRACES, PROSTHETIC LIMBS (Collapsible only not battery operated).

You can go to www.crutches4africa.org for more information.

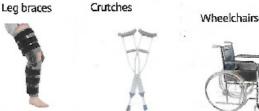

Support Crutches 4 Africa Inc..

Mobility Devices Needed

Although our name is Crutches 4 Africa, we collect and distribute many different types of mobility devices besides crutches. Please consider donating any of the following types of mobility devices. We've met hundreds of people in Africa who need them.

Walkers

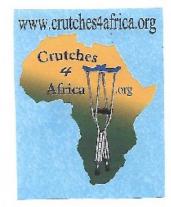

Prosthetic limbs

Baby joggers & strollers

https://www.crutches4africutorg/mobility-device

Mobility Devices for Africa

(Wheelchairs, Walkers, Crutches, Baby Strollers...)

A. Have Your Club Commit to the Project

- 1. Review the overall project, present it to your club or board of directors and encourage them to consider participating in it.
- 2. Contact me, Rich Comins of the Webster Rotary Club (richecomins@gmail.com) or (585-899-9336), to let me know if your club would like to be a partner in this project.

B. Promotion Processes

- 1. Create a public service announcement to promote this project or modify the one available from Rich Comins of the Webster Rotary Club to meet your needs.
- 2. Contact your local radio station to run the public service announcement. Ask if they would be one of the partners in this project and donate the radio time.
- 3. Ask one of the ministers in your community to contact the rest of the ministers and find out if they have any of the items we are collecting in storage and if they would like to donate some of them. Also ask if they would be willing to announce this initiative to the members of the congregation, hopefully at church services.
- 4. Put posters in store windows announcing the project and the day for a community drop off of mobility devices.

C. Funding Aspects of the Project

1. Getting the forty foot cargo container to Africa is estimated to cost \$3.00 per "unit" or \$10,000. That represents about 3,333 items or units. If any club wishes we would appreciate any monetary donation made to the Crutches 4 Africa Foundation. C4A foundation is a 501c3 organization. Checks can be sent to the C4A Foundation at 384 Franklin ST Denver, Colorado 80209 We will put the word out to all clubs in the district asking for their support by requesting they consider contributing toward this part of the project as well.

D. Collection Process in Your Community

- 1. Find several members of your club to identify a few pickup trucks, vans, box trucks and/or trailers to carry the donated devices and get a commitment to use them the morning of the "Community Drop-Off".
- 2. Ask a few club members to help on collection day.
 - a. The devices should be sorted if possible or at least segregated on the trucks.
 - b. The crutches should be tied together with their mates with ribbon or yarn.
 - c. Any donated items that are not reasonably clean and in good condition should be rejected. The condition of the donated items should be covered in the PSA as well as on all posters. The donor should be thanked politely and if they insist on leaving the item(s) anyway, gladly accept it for another purpose or disposal.
 - d. We recommend your team of volunteers has some wipes available to wipe off basic surface dust.
- 3. All collections should be completed with enough time to get the donated items to the District Central Collection Point by the assigned time.

E. Transportation to the District Central Collection Point

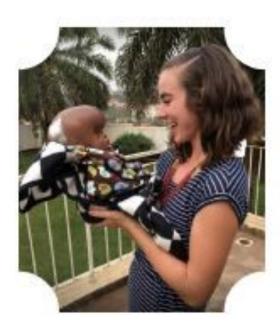

- 1. WE have a 40' sea container donated for a period of 4 months. This container is located at the Webster Recreation Center 1350 Chiyoda Drive, Webster, N.Y.. If anyone is planning to attend the District Assembly in Ontario N.Y. in April if you bring the Items you have collected we will have a trailer there to transfer them to the container, or we can arrange to meet you at the container before or after the assembly.
- 2. If you collect more after the Assembly please let me know so that I can arrange for pick-up before the 15th of May so that we can get them into the container before the 25th of May. We will follow packing instructions we are given by those who have done this process before. We do anticipate most items will be shrink wrapped with other items.

We look forward to having you and your club members join us on this great collaborative project! Yours in Rotary Service,

Rich

HANDICAPPED CHILDREN'S CAMP FOR MONROE COUNTY, INC.

Dear Friends of Camp Haccamo,

You can help support Camp Haccamo and provide:

- · Free camping experience for 260 children and young adults with special needs
- · Respite time for families and caregivers of the 260 campers
- Opportunity for hands on development of camp counselors

We believe you are someone who cares about the needs in our community and we hope you will answer our call for help for individuals with special needs and their family members. By supporting Camp Haccamo you have an opportunity to support the efforts of sixteen Monroe County Rotary Clubs in their fundraising efforts to provide a free week long summer camping experience for children and young adults with special needs at the Sunshine Campus in Rush and give them the dream of a summer camping experience he or she will never forget.

We are asking for your support! Camp Haccamo is a place where smiles grow and where individuals are welcomed and embraced for who they are. However, providing the financial resources that allow Camp Haccamo to continue as a garden for growing smiles is no small challenge. We need your support to continue this program to pay for the camping experience of 260 campers.

The Monroe County Rotary Clubs are holding their "7th Annual Camp Haccamo Car, Truck, and Cycle Show" on June 1th, 2019 at the Greece Mall. We would be extremely grateful if you would consider becoming a sponsor to our event or attending the Car Show as a vendor. (Additional form with sponsorship levels and vendor opportunities attached) By becoming a sponsor you will be helping the dream of summer camp come true for an individual with special needs.

Please remember that 100% of the money raised by these events benefit Camp Haccamo. If you have any questions or would like more information about Camp Haccamo or our events please contact Chuck Krause at 585-703-0918 / Krause.Chuck@pmlmail.com or visit our website at www.camphaccamo.org.

Again, thank you for your support of Camp Haccamo. As a not-for-profit 501 (c) (3) organization, we count on and benefit significantly from the assistance of contributions such as yours.

Your generosity will change lives!

Sincerely,

Chuck Krause, Chairman
