**Important Reminder to all Clubs**

As you are developing your plans for your District Grants, please consider utilizing that tool to help fund programs that will support our Child Hunger Initiative that we began last year. Thanks to your help last year we had a successful beginning. We must continue to work to aid these young children with our help.

There are a number of ways that you can do that....join with your school districts that utilize special programs such as the "back pack" program, provide aid to food cupboards/shelves in your communities or ask your local churches if they would like our support to assist them in reaching out to those in need, or just as effective create a new program of your own to address this critical need.

Thank you so much,

Don Milton, Immediate Past District Governor

## Rotary Foundation News

January 2019

As we start the new year, perhaps you are in need of a resolution. Well do I have an idea for you! Decide NOW that you will do good on a higher level. So, no matter what you do to support The Rotary Foundation, let's us take our support to a higher level in 2019. That may be increasing your giving or just stepping up to help...maybe as your club Foundation chair or at the district level by working with the District foundation committee. YOU are one of Rotary's People of Action!

The Foundation Brunch went very well. It was a pleasure and an honor to recognize PDG John and Maureen Hall as Major Donors. Through the giving tree and donations for a beautiful centerpiece (Thank you, Jackie Stauring!) we were able to donate to the foundation. My thanks to all who came and to all who helped make it a success whether by working with me or presenting during the dinner.

### GRANT OPPORTUNITIES

I just returned from a Rotary Friendship Exchange to South Africa. Many district grant opportunities there if your club doesn't have one, such as the one I addressed in the November issue of The Arbor

Job available (or fabulous volunteer opportunities): Interested in helping out at the district level?

Need a Foundation Area Director for Area 2.2 (Canisteo and Hornell) and Area 4 (Dansville, Geneseo, Mt. Morris, Nunda and Perry). Must be in one of the area clubs or willing to travel to those club meetings. Step up to Rotary beyond your club level.

Have a great month and go out and be the inspiration to others. YOU make a difference.

## INTERNATIONAL ROTARIANS GATHER IN CANANDAIGUA

On January 8th, Finger Lakes Community College was the setting for a gathering of Rotary members and guests that included Rotarians from Australia, India, Argentina, Chile, Pakistan, Togo, Uganda and Indonesia. The group gathered for the annual Rotary Fellowship Brunch that is held in conjunction with the Rotary District 7120 Governor Elect Hospitality Program.

Nine incoming Rotary Governors are in the Rochester/Finger Lakes area for eight days prior to moving on to their training conference in San Diego, CA. They are being hosted by the Rotary Clubs of Canandaigua, Victor-Farmington (2), Newark, Rochester, East Rochester, Waterloo, Corning, Watkins-Montour, Rush-Henrietta, Penfield, Geneva, Spencerport and the Rochester Latino Rotary Club.

This year marks the 50<sup>th</sup> consecutive year that District 7120 Rotarians have welcomed their international counterparts for a week of Rotary fellowship. The international guests travel to the local area and discuss common issues of concern with local Rotarians. Each guest is hosted for two, four day segments by a local Rotary club. This provides them an opportunity to interact with local Rotarians and community members and broaden their understanding of Rotary projects and objectives.

During their eight day visit the guests will have the opportunity for visits to the Corning Museum of Glass, the George Eastman House Museum, The NY State Police Troop E Headquarters & Forensic Building and possibly Niagara Falls.

Governor Elect Hospitality Chair John Hall (Fairport Rotary) extended greetings to the guests and spoke briefly on the importance of the program in fostering better understanding around the world.

District 7120 Governor Mike Slovak (Bath Rotary) and incoming District 7120 Governor Dr. David Hannan (Newark Rotary) presented each of the nine guests a district banner and lapel pin to commemorate their visit.

Each Governor Elect spoke briefly concerning goals for their term in office. They thanked the Rotary hosts for the opportunity to spend a week in their homes. They also invited the local Rotarians to visit them in their country.

Three of the visiting guests are being hosted in Ontario County. Governor Elect Richard Akpoto-Koughleno (Togo) and his spouse Georgette are being hosted by the Canandaigua Rotary Club. Governor Elect Ros Kelly (Australia) and Governor Elect Miguel Angel Cruz Jr. (Argentina) are being hosted by the Victor-Farmington Rotary Club.

Several of the speakers spoke of the need to support the Rotary Foundation. The funding derived from the Foundation is critical in helping Rotary fund these service projects around the globe in furtherance of the Rotary motto of "Service Above Self".

District 7120 Governor Elect Dr. David Hannan told the assembled guests that he was looking forward to joining them as a fellow classmate in San Diego for their upcoming training conference.

Committee Chair John Hall closed the event by reminding the assembled Rotarians, both local and international, that the contacts made through this program can be used to initiate joint service projects between their clubs that will have a lasting impact on less fortunate people around the world.

## Fairport Rotary News

Our club had the honor of hosting 4 distinguished Rotary guests at our last regular meeting on January 7<sup>th</sup>. Our President Steve Haas is shown here exchanging club flags with DGE Mubarik Ali Shahid and his wife Seemi, from D3272 Pakistan. The couple has been hosted our PDG John and Maureen Hall.

Also joining our club, was DGE Richard Akpoto-Kougbleno, D9102, of Togo and Georgette Sobj. They were hosted by former Rotarian Ray and Val Griswold.

Our club took some time out and during the Holiday season to hold our annual Stone Soup dinner. The club enjoyed the fellowship for this casual fun event.

In addition, several of the club members volunteered as Bell Ringers at East View Mall.

You "Can" Help, Books for the World: Bob and Cindy Hunt have led the efforts for this great cause and recently set up an account at Can Kings, located on Fairport Road to benefit Books for the World, Western New York. If anyone would like to help the BFTW WNY cause of sending gently used books to schools in countries around the world who need them, you can drop your cans and bottles off at Can Kings and say they are for the Books for the World account. ## Dundee Rotary Presents Paul Harris Fellowship

At the regular January 2nd meeting of Dundee Rotary, District 7120 Governor Mike Slovak (R) presented George Lawson (center) with a Paul Harris Fellowship for his service to the community. George was joined by his wife, Melissa (L).

George is well known in the community for his years of involvement with the Dundee Area Youth Center, serving on the Board of Directors and spending innumerable hours remodeling the Youth Center's building. George has been an official in the Town of Starkey for many years and is currently serving as the Supervisor. Under George's leadership, the Town has received a \$100,000 NYSEDA grant to install solar panels

and take other steps to save energy. Other municipalities in the area are planning to follow the lead of George Lawson and the Town of Starkey. George is one of only 8 non-Rotarians to become a Paul Harris Fellow since Dundee Rotary began in 1938. What a great way to start the new year! (Submitted by Lauren Snyder)

## Avon Rotary Literacy Project

Each year we donate funds to John James Audubon School #33 in Rochester for their Principal's Book of the Month Club. This is a joint venture with the Rush-Henrietta Rotary Club as they donate money too. With the funds, the school's librarian chooses books the students will be interested in reading, and buys several copies of each book. The Principal displays posters announcing each month's book at the main entrance for all to see. Students read the books and talk about what they enjoyed in each story.

(photo L to R: Jean Antkowiak, Mark Evans, Barbara Herman, Tom Vonglis)

The Rotary Clubs were invited to the school on December 12 for a program to thank us for our generosity. The program featured a Christmas skit performed by a group of 4th and 5th grade students. The students were dressed in Christmas costumes, and there was even a Santa Claus! The Principal spoke and thanked us for the donations. At the end of the program we all sang a Christmas Carol and enjoyed refreshments.

Once again, another proud moment for our Avon Rotary Club and the good work we do to promote literacy in our community. I was so happy to be able to attend with Barb, Mark and Tom. If we are able to donate again next year,

and there is a program, consider joining us and helping to celebrate literacy and the holidays. Oh, and if you didn't already know...Barb attended this school years ago when it was originally School #11.

## Avon Rotary News

### Avon Rotary's Newest Member Karen Vanderbilt, December 18.

Many of you already know me as Kirk's wife. However, you may not know that I am CEO, CFO and event planner for the Vanderbilt estate, a chauffeur for two beautiful princesses and chief poop picker upper and dog walker for a spoiled Vizsla named Odin. Along with these very important jobs I also work full time at the University of Rochester Medical Center in a very small lab that has a very important job. Ninety percent of the cases that come through the electron microscopy lab are to diagnose kidney disease, the other 10% is muscle, nerve and the rare case where pathology has no idea what's going on and ask us to take a closer look.

Now that my two princesses, Ella and Maggie, are a little older I feel I have a little more time to give back. Ever since Kirk joined Rotary in 2003, I have always felt a part of the Avon Rotary family even though I was not a member and rarely could lend a hand. It is the members of this club that inspire me and make me want to become a better person. And there's no better way to start than joining the Avon Rotary Club.

### Avon Rotary's Paul Harris Fellows

On December 18th we recognized three deserving Avon Rotarians and their continued support of the Rotary Foundation.

Congratulations to Kirk Vanderbilt on receiving his Paul Harris plus 1 pin, Bruce Amey on receiving his Paul Harris plus 3 pin and Jerry Dougherty on receiving his Paul Harris plus 4 pin.

Their generous contributions to the Foundation are an excellent example for all.

## Spencerport Rotary News

One of the newest "Boots on the Ground" service projects performed by the Spencerport Rotary Club was to cook a dinner for residents at the Hope Lodge Hospitality House.

The American Cancer Society Hope Lodge program provides a free home away from home for cancer patients and their caregivers. More than just a roof over their heads, it's a nurturing community that helps patients access the care they need. Each Hope Lodge community offers a supportive, homelike environment where guests can share a meal, join in the evening's activities, or unwind in their own private room. Patients staying at a Hope Lodge are in active cancer treatment, and reside more than 40 miles or one hour away from their cancer treatment center. Each patient is accompanied by a caregiver.

## Livonia Rotary News

On Monday night, December 17, 2018 the Livonia Rotary Club held their annual Christmas Gathering and Meeting at Leisure's Restaurant in Lakeville, NY.

The event was well attended by members and guests and during the evening one well known, community oriented Rotarian was recognized for 50 years of membership. Ralph Parker, proprietor of the Livonia Inn, was presented a plaque to honor his 50 years of commitment to the club. Ralph joined the Livonia Rotary Club in 1968 and has remained active ever since.

President Steve Gerould presented the plaque to Ralph and members Sam West, Bill Brennan, and Gary Patterson offered some accolades of Ralph's many years of volunteerism to the club and community. It was noted that with his expertise in the restaurant industry Ralph was always very active in setting up and running the Rotary Food Stand at the Hemlock Fairgrounds among many other events the the club takes part in.

Ralph accepted his plaque and never short on words, he mentioned some of his memories.....Ralph mentioned that he purchased the lumber yard on Commercial Street at an auction in 1968 with his brother and needed to open a bank account. Local banker and Rotary member Chet Haak opened the account for Ralph and then said "by the way, you're joining Rotary."

Ralph stated that he is very grateful for that introduction to Rotary that has over the years given him the opportunity to, in Ralph's own words "meet people, nice people, and these people all became my friends". He mentioned that he enjoys Rotary as he likes to help out, likes the camaraderie and is always made to feel welcome! (Submitted by Steve Gerould)

## Penn Yan Rotary

Penn Yan Rotary recently had the pleasure to hear about Sandi and Dave Perl's trip to visit their daughter, Allie in Uganda. Allie has been working as a Peace Corp volunteer in Uganda for over two years. Their slide show was extensive and amazing, but most exciting was to hear the story of Allie working with children in the classroom playing Simon Says.

Many of you know Dave and Sandi. Sandi is the Pastor at The Living Well in Penn Yan. She has been recognized for community service in our local community and recently celebrated five years of operation. In addition, she is the minister of the Bluff Point Church.

Dave is a New York State Trooper out of Troop E in Canandaigua. He has previously explained to Penn Yan Rotary the changes that have occurred since the creation of the NYS Troopers. He would be a great traveling partner as he might be able to foresee problems before they happen.

Every picture of the community and landscape and people were amazing. Allie had host parents although she lived in the school where she worked. She had a sleeping area, where she also cooked and ate and a showering area. Her pit latrine was in the building in back of her house. (Submitted by Diane Krans)

## VICTOR-FARMINGTON ROTARY CLUB HONORS YOUTH LEADERS

In keeping with the Rotary emphasis on recognizing the contribution of young leaders and encouraging their involvement with Rotary, the Victor-Farmington Rotary Club held a luncheon meeting that included a special program and official recognition for two Victor Senior HS students who have been making a difference in the world. Kataichary Rohena Marquez and Joelymar Ruiz are co-recipients of the "Alan C. Rosbrook Student Leadership Award."

The students established a project - "Walk for Water" - to build a rainwater filtration tank in

Uganda. Through their efforts they raised over six thousand dollars to fund the project. They are now working on a similar project for the coming year.

This award, funded by the V-F Rotary Foundation, is presented by the Victor Central School district and is named in honor of the late Al Rosbrook, a long-time Victor-Farmington Rotarian. Al was active in numerous club service projects in the local community. He was also a strong supporter school's sports teams. The award, given for the first time in 2018, recognizes students who make a meaningful contribution towards serving people in need. The club's donation of five hundred dollars was applied to the project. (Submitted by Dave Luitweiler)

## VICTOR-FARMINGTON ROTARY CLUB CHRISTMAS PROJECTS

*Rotarians Jim Crane, Ross Cottone, Russ Perrin – Elizabeth Hatcher, staff member at Ontario County Health*

*Rotary Giving Tree at Tops Market in Farmington*

*Center in Canandaigua – Rotarian Galen Powers*

The Victor-Farmington Rotary Club continued a thirty year tradition during the Christmas season by once again maintaining the Rotary Giving Tree at the local Tops Market in Farmington. The tree contained hundreds of 3 x 5 cards with Christmas/holiday wishes from residents and clients of many of the institutions and service organizations that partner with the Victor-Farmington Rotary Club.

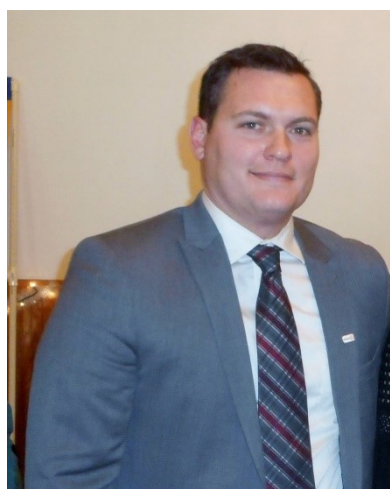

Commencing in late November the tree provides a central location for community residents to select a card from the tree containing information on the Christmas wish of a person who might otherwise be forgotten during the holiday season. The recipients include shut-ins, the elderly and low income families.

In addition to the Rotary Tree, Rotary Club members prepared over 230 Christmas stockings stuffed with coloring books, toys, crayons, etc., for children residing at the Wilson Commencement Park in Rochester and children who are affiliated with the Friendship House of Middlesex in Yates County. The club also provided over 200 pairs of winter hats and gloves for the children.

Overall, the club provided approximately 1,400 gifts to those who might otherwise have been forgotten during the holiday season. (Submitted by Dave Luitweiler)

### Roc City Rotary Club

**Roc City Portraits** On December 10<sup>th</sup>, Roc City Rotary held their second Roc City Portraits event at Rochester Academy of Medicine. The event offered young professionals in the Rochester area with professionally done portraits in a variety of poses. The cost of the event was \$5 for non-members and used as a fundraiser for the club.

**Christmas Caroling** On December 13<sup>th</sup> members of the Roc City Rotary joined the

Rush-Henrietta club to partake in Christmas caroling at St. Johns. It was a great experience to be able to collaborate with another club while giving back to the community. RCR is looking to work more closely with other clubs in the district in the upcoming year. If you have any events coming up please contact Julie Zink at [RocCityRotaryRelations@gmail.com](mailto:RocCityRotaryRelations@gmail.com).

**Club Meeting** On December 18<sup>th</sup> the club had its monthly meeting. At this meeting the club collected over 80 items for the Greece Food Shelf as well as gifts for an adopted family through the Salvation Army. At this meeting the club also recognized three new members!

## Honeoye Lake Rotary Grows its Membership

December proved to be a great month for growing membership in the HLC as we inducted another new member to

our club. On December 6th, Callie Rabe was inducted as our first new member for the 2018-9 Rotary year. Callie is very familiar to our club as we have worked with her for the past ten years due to her travels to Costa Rica to do community service with the villages and schools there. Callie is an educator and recognizes the value of supporting early intervention with students to enable them to do well in school. As a result, she requested support from the Rotary clubs of Lima and Honeoye Lake to gather folders, notebooks and pencils so Costa Rican children in remote areas can enter the school doors each year. Honeoye Lake has continued to collect these items annually and has also added flip flops to the collection as the students walk to school barefoot. Each year Callie has come to a meeting to reassure us that these items are greatly appreciated and each year she attends a meeting to share how the distribution of the supplies went. Now she will be part of the planning, collection and distribution of these school supplies in person!

When asked to become a member of our club Callie could not contain her excitement. Callie will be a very welcome addition to the HLRC club as she will become involved in our Adopt a School activities as well as other community service projects. Sponsor Jeanne Hamele is very proud to have Callie join us and all our members are eager to “put Callie to work” for us and our service projects.

Thanks to Past President Marilyn Passer and President Elect Sandy Hubble for inducting Callie Rabe as the club’s newest member as sponsor Jeanne Hamele was not able to attend the meeting. (Submitted by Jeanne Hamele)

## TOYS FOR TOTS

On December 13<sup>th</sup>, the Honeoye Lake Rotary Club took time to celebrate the holidays together and also remember those who may not be as fortunate as we are. While sharing good times and playing some games like unscramble the letters and name that tune, members also donated a variety of items to the club’s Second Annual “Toys for Tots” collection. Our table of items gathered shows, once again, that the HLRC members are generous in nature and creative in their thinking. Such a variety of “gifts” was great to see and was very much appreciated by the Marines collecting the toys. Many thanks to Co-president Linda Zukaitis for coordinating this new club community service project with retired Marine Dave Brisbane. This will be a fantastic activity for our club members to participate in for many years to come!

## Honeoye Lake Rotary Club Distributes Thesauri to Sixth Graders

On October 24<sup>th</sup>, Rotarians Elaine Ackroyd-Kelly, David Bills, Sandy Hubble and Jeanne Hamele presented each Honeoye Central school sixth grader with their very own thesaurus. It was very rewarding to discover how much these students know about Rotary and our club. Many of them are RRR alumni and were interested in what we are continuing to do for our community, what we have already done and what plans we might have for the future. Some excellent suggestions were shared and our club will definitely consider these ideas.

These thesauri are a very useful tool for these students as they improve their writing skill and develop vocabulary. Teachers are always excited to have these in hand so they can conduct lessons knowing they have the same resource book for each student. The books are usually left in school as they are available for daily use and lessons.

Many of these students received a dictionary for our club as third graders and were just as excited to add a thesaurus to their personal libraries. The HLRC looks forward to this annual community service project knowing they are promoting learning and sharing an important life skill with these students. (Submitted by Jeanne Hamele)
