June 2019 District 7120 DG Mike's Final Newsletter Article

Where are we going and how will we get there?

It's been another challenging Rotary Year and I'm proud to say that many of our club and district leaders rose to the occasion to help us tackle those challenges and make a difference in both our local and international communities. Our thanks go out to all of you who contributed to The Rotary Foundation leading to per capita giving of more than \$100 for the District overall. Your generosity will help us fund even more global and local service projects. Please

continue your generous giving into the future to continue supporting our six Areas of Focus. Your generosity will inspire others to do the same.

As we get ready to celebrate our accomplishments of the 2018-2019 Rotary Year and pass the baton to David Hannan, our next District Governor at the District 7120 Changeover Dinner on June 28th, Jo and I would like to challenge you and your family to evaluate what your goals were when you started this year and evaluate where you wound up with regard to them. You may not have accomplished everything you set out to do, but take time to celebrate those things your did accomplish! As you work on establishing goals for the coming year, here are a few questions to ask yourself: What's important to you? Are you concerned about the neighborhood you live in? Does it support efforts to ensure the safety of your family? Are your family members and friends provided opportunities for quality education? Do all families have enough food and decent shelter to live comfortably? If not, let's get creative and find ways to address these issues. These are just a few suggested questions to start your thought process for the new year.

As you think of the things that are important to you and your family, take some time to think what your Rotary Club could be doing to support many of those things for not only you but for all members of your club and community. Working together we can make our world a better place to live for everyone. We need to continue to grow our collaborative opportunities and to inspire others to join us in the many global and local projects and initiatives we have ahead of us.

Jo and I would like to say thanks to all of you who have made this a special year for us.

Yours in Rotary Service,

Mike & Jo Slovak

District Membership Development Committee...

I would like **to thank all the Rotary Clubs of our District 7120** for their continued efforts in attracting new members and in ensuring that the current members appreciate the value of their Rotary membership. Due to these efforts, District 7120 continues to remain one of the very few districts with a membership net gain in Zone 29. **Great job, Rotarians!** Thank you for all that you do in making your clubs better, bigger and more vibrant!

To continue to keep this membership net gain, Rotary clubs must continue to provide members with positive club experience, ensure that members see and feel the value of their Rotary membership and that they are truly making a difference in the lives of people in their local community and the world through their service projects.

It has been a pleasure working with the District Membership Development Committee members. Thank you to the following committee members: *Andrew Ashley, Daniel Kelley, Carl Grovanz, Gary Reilly, Antwan Williams, Chris MacDonald and PDG Glenn Balch* (until he returned to California in 2018). I would like to thank them for sharing their time, talent and expertise, presenting at District Assembly breakout sessions, Membership seminars and/or at the One Rotary Summits. Thank you for all that you have done and continue to do for Rotary, particularly membership. *Thank you for your services!*

NEW LEADERSHIP IN DISTRICT MEMBERSHIP DEVELOPMENT... I am stepping down as the DMDC Chair and would like to **introduce PDG/District Trainer Scott MacDonell who will assume the District Membership Development Committee Chair effective July 1, 2019.** Meantime, I have been asked by DGE Dave Hannan to assume the position of District Trainer. Yes, PDG Scott & I switched jobs!!!! look forward to taking on this new district assignment.

In conclusion, the success of your Rotary Club begins with each one of YOU through sharing your Rotary stories... your passion... your commitment in making a difference in people's lives... being an inspiration to change the world ... and talking about **WHY YOU ARE A ROTARIAN**. It has been an honor and my pleasure to have served as your District Membership Development Committee chair! *Thank you!*

Yours in Rotary Service, PDG Norma

Rotary Friendship Exchange (RFE) Brazil OPPORTUNITIES

The Rotary Friendship Exchange is a Rotary International program for Rotarians, spouses and friends. The RFE provides participants with the opportunity to better understand other cultures and promote world peace by staying in the homes of Rotarians in other countries and experiencing their people and district. In turn, their team members are hosted by us during a visit to our district.

The government in Brazil reported that citizens of the United States no longer need a visa to enter this South American country. This change will go into effect on June 17, 2019. There is no better time to plan a trip to Brazil than now. This country is one of the top growing destinations in the world and is about to become even more popular with this change.

Please indicate your availability to host a session for the Brazil District 4670 visit to our district in October. We will also be accepting requests for a visit to Brazil between February 26 and about March 11, 2020.

The Brazil team will arrive late evening October 11 and the exchange begins the morning of Saturday, October 12 with departure Wednesday October 23rd. We will have three hosting sessions in the northern, southern and central areas of our Finger Lakes District.

There will be several hosting opportunities with four couples: Cleiza and Abel, Jane and Josemar, Gilberto and Susana, Alice and David, plus four singles: Luís Cunha, Andréia, Rosângela, Barbara. Photos and summary team details are included.

Please reply, by June 28, if you have any questions or interest in hosting or participating in an exchange. Host volunteers have highest priority for future RFE trips and several outgoing exchanges are being planned including England in process plus Brazil, Australia and Albuquerque in 2020,

Thank you,
Carl Grovanz

ROTARY INTERNATIONAL NEWS 3 JUNE 2019

Value of Rotary Volunteering

A special report prepared for Rotary International by the Johns Hopkins Center for Civil Society Studies estimated the value of Rotary member volunteer hours at \$850 million a year.

That Rotary members log a lot of volunteer hours should come as no surprise to anyone familiar with the organization. But a new report just released by Johns Hopkins University provides a powerful look at the impact of all those volunteer hours.

The special report prepared for Rotary International by the Johns Hopkins Center for Civil Society Studies found that Rotary members had volunteered a total of 5.8 million hours within a four-week survey period. Extrapolating those results over an entire year, the report gave a conservative estimate of nearly 47 million hours of volunteer effort generated by Rotary members in a typical year.

The report then analyzed the economic impact of all those hours and estimated the value conservatively at \$850 million a year, if communities had to pay for the services that Rotary volunteers provide.

Rotary, with the help of Johns Hopkins University, is the first global service organization to conduct an empirical analysis of its volunteer's impact using an internationally sanctioned definition of volunteer work. The authors of the report noted in their conclusion that at each stop, the analysis had chosen the most conservative estimates.

"This makes the results reported here all the more remarkable," the authors noted. "Translated into economic terms, Rotary is annually generating a scale of social and economic problem-solving effort that is worth nearly nine times more than it costs the organization to produce."

Rotary General Secretary John Hewko said the figure doesn't even include the in-kind contributions and the money that Rotary clubs and the Rotary Foundation raise every year. In addition, the figure doesn't include the volunteer work of the many relatives and friends of Rotary that members often involve in a project, or that of

Rotary Foundation News

JUNE 2019

Here it is June...the end of the Rotary year. At this time of year, Don Alhart and I become somewhat obsessed with the Foundation Giving to the Annual Fund.

We tend to check it daily...or even twice a day!....to see how the district is doing and compares to last year and the year before. We currently.. as of 5 minutes ago on May 30 the day I am writing this...have achieved a \$95. per capita. Since we always reach for a \$100 per capita for the district, you can see we are a bit short (\$5 x 2314 (the number we started with last July) for a total of \$11, 570 more to make the \$100 per capita).

Also at this point there are 6 clubs that have not donated ANYTHING ... ZERO ... ZILCH ... NADA to the Rotary Foundation. While it is tempting to name them, I will not. You know who you are who are not carrying any part of the district's weight here. I ask you to please think about this and give SOMETHING....either as individuals or as a club. You are Rotarians...this is YOUR charity. You would be hard pressed to find a better one.

There are also 13 clubs (in addition to the 6) who do not have a \$25 per capita to the Annual Fund. Please remember that to be eligible for a district grant, you must have a \$25 per capita to the ANNUAL FUND. While some have given to other parts of the Foundation, our grant money is generated from gifts to the Annual Fund and so eligibility is determined by Annual Fund donations. I will contact those clubs after this is published to remind them.

Now that I am done with the less than good news, I will share the good news. The good news is that our giving numbers over the last three years have gone up. We have become more knowledgeable about the Foundation and have given more generously because of all the Foundation does with that money. We are more aware and have reached out more to help our neighbors no matter where they live.

I am very proud of our district and all it has accomplished. It has been my privilege and pleasure to be the District Rotary Foundation Committee Chair for the last three years and I wish Tom Rogers well as he begins his term on July 1.

Please continue to do good on the world and inspire others to join us.

Yours in Rotary service,

Ellen Hughes, DRFCC

Rotary's GEM Project Seeks Local Donors

"Changing the World One Child at a Time," is the mission of International Voice of the Orphan, founded by Perry native Dwight Saunders, and the goal of its affiliated GEM Foundation in Uganda.

Rotary Club of Perry is making a public appeal to support the installation of water and sanitation facilities in Uganda for the GEM Foundation there. The GEM "Village" purpose in Uganda is to provide a loving home for disabled and abandoned or rejected orphans and provide education

Generous donations have allowed GEM Village to begin construction of new facilities in October, but its funding need is still huge. Housing and a medical clinic are being built and it is Rotary's desire to provide safe water and appropriate sanitation facilities in support of those.

Perry Rotary's hope is that individuals and businesses will provide significant financial support to the worthwhile endeavor to help these often-rejected children. Donor dollars will stretch because Rotary will be able to provide matching funds. Help Rotary raise its goal of over \$20,000 locally and make a real difference in meeting the serious needs in another corner of the world. This special appeal is to supplement Perry Rotary's efforts, as most of its fundraisers are directed at local needs. But in the GEM case, we have a connection, and our area has a connection tat is unique nd we feel we can make a special difference. With community spoort and Rotary matching possibilities, a big need will be met.

Perry's Rotary Club is proud to be part of an international organization with 35000 clubs in 200 countries and territories in the world all doing what they can in their communities and in the greater worldwide community to "make a difference" in basic quality of life. Rotary, with partners, has nearly completed the eradication of polio from the earth, being 99.9 percent of the way there from where we were 25 years ago, and it is actively pursuing projects in peace and conflict resolution, disease control and providing safe water and proper sanitation, among many valuable service efforts.

No gift is too small or too large. We hope to meet our goal in the next few weeks. To make your contribution to our efforts for GEM Foundation, please send your support payable to Perry Rotary Foundation, PO Box 103, Perry, NY 14530.

About The GEM Foundation and Village:

The GEM Foundation is a home for abandoned special needs children in Uganda. It exists to love the broken, strengthen the weak and encourage the weary. Last year GEM Foundation raised the funds for three homes to be built on the 88 acres that it purchased in 2016. This past October, The GEM Village officially broke ground. This year it is trying to build a medical clinic to provide life-saving 24/7 care to children, staff and the surrounding community and villages.

The Nutritional and Prenatal Center will bring malnourished children back to nutritional health. Often families hid their children with special needs away and in turn the children are neglected and starved leading to severe malnourishment. GEM Village will educate and train families and prevent malnutrition. Prenatal care as well as maternity care will also be offered. A significant reason children are born with special needs is due to unsafe deliveries.

The Therapy center will be where children are worked with and encouraged daily by licensed therapists to reach their full potential.

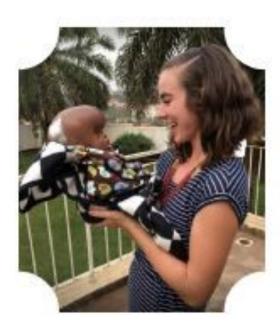

The General Medical Center is where general medical needs will be met and out-reach to educate and train families in how to best care for their children and help them to thrive.

The GEM Foundation was started by the daughter of a Perry native son and graduate, Dwight Saunders, about the needs and worthiness of these "gems" of children.Rotary raise its goal of over \$20,000 locally and make a real difference in a member of the prominent long-time resident Saunders family whose father, Vern, was a beloved Perry math teacher. The entire Saunders family is well known and loved by Perry area residents. meeting serious needs in another corner of the world. This special appeal is to supplement Perry Rotary's efforts, as most of its

Red Jacket Rotary News For May

The month of May has been an eye-opening and joy-filled time for the Red Jacket Rotary Club. On separate occasions the club hosted speakers who captivated our attention regarding important outreach.

First, we heard Sarah Utter, Victim/Witness Assistance Coordinator for the Ontario County District Attorney's Office. "Turning Tragedy into Triumph" was the theme as we benefited from the wisdom and experience of someone who has helped victims of crime for thirty-one years. All kinds of services were detailed including providing significant funding from the millions of dollars the federal government receives from big bank fines, etc.

Later in the month we had the privilege of having Laura Stradley, Executive Director of the Veterans Outreach Center located in Rochester. Information regarding the navigation of the many layers and types of VA benefits amazed club members and friends.

Ms. Stradley made us aware of services for veterans like counseling for PTSD and housing, clothing and the provision of

food. She also stressed the availability of employment training, including retooling for a different job.

Finally, Mary Ann Trickey and Jack Hale, from the town of Hopewell, spent time thanking the club for its substantial annual gift

which enables a wonderful Halloween party at the fire hall. This year's party will be the 42nd and involves all kinds of children and adults. (Submitted by Jeff Crawford)

ANNUAL RALLY ROUND THE VALLEY

Saturday, April 28th, found Rotarians Janelle Deal, Jeanne Hamele, Jerry Passer and Marilyn Passer serving food to the participants in Rally Round the Valley – a fundraiser for the HCS Cross Country and Indoor Track team at Honeoye Central. This run engaged about two hundred runners who chose to run around Honeoye Lake or take part in the event as part of a relay team. The 18 mile course was a challenge in the cold, snowy weather but the comfort food served after the race made for a lot of smiling faces.

Many complements were received from those who ran and helping ensure the food was served in a timely fashion was a great community service project for the Honeoye Lake Rotary club again this year

BATH ROTARY CLUB AWARDS \$12,000 IN SCHOLARSHIPS

Eight graduating seniors from four area schools were awarded \$12,000 collectively in scholarships by the Bath Rotary Club as part of the service organization's continuing commitment to help students further their education.

The 2019 scholarship recipients, accompanied by their parents, were honored during a special June 6th Rotary luncheon at the Bath Presbyterian Church Fellowship Hall. The students were recognized for their outstanding achievement and extraordinary involvement in school and community activities.

Nancy Latour, Bath Rotary Club Co-President-Elect and Scholarship Chair, welcomed all guests and Bath Rotarians and led them in the Pledge of Allegiance. Rev. Dr. Stanley Bhasker, Pastor of the Bath Presbyterian Church and a Rotarian, delivered an invocation commending the students, their parents, teachers, and all who have had an influence in the scholarship recipients' lives. Finally, Cheryl Muller, Bath Rotarian, led all in the singing of "God Bless America".

After lunch, prepared by Bath Rotary Club Co-President-Elect Jane Russell and her Around the Corner Catering staff, Latour delivered remarks about each scholarship, including specific information about the memorial scholarships in the names of Frank E. Nicklaus, Wes Payne, and Ted Markham whose families have generously endowed these scholarships in order to commemorate their relatives' devotion to the community and Rotary. Leigh Markham Peck, daughter of the late Ted Markham, and her husband, Henry, were recognized and thanked by all in attendance for their family's continued support of the Ted Markham Memorial Scholarship.

Latour then introduced each recipient and announced the scholarship each had been awarded as well as the student's high school and college plans. The awards announced were as follows:

Avon Rotary Blue Jean Ball—May 18, 2019

Submitted by Laurie Vonglis, From the Avon Rotary June Newsletter

your generosity and time. Your call to service helped ensure that Stone's Closet will continue to serve the children of Avon for years to come. You also helped carry on the legacy of Liz Green to help each and every child have the resources they need to learn. Thanks to the record attendance and generosity of many, we raised just over \$14,000! These funds will be used for

years to come to serve our youth.

President Heather Ayers presenting a Paul Harris Fellow

The Fourth Annual Avon Rotary Blue Jean Ball has come and gone. What an event it was! This by far was our most successful yet. I first want to thank Julie and Dan Welch for allowing us to have the event at Oak Knolls Manor. What a first class venue, and the perfect location to have our event. We can't thank you both enough for all you did to make our

On behalf of the Blue Jean Ball Committee, I also want to thank all the club members. Those that donated items, bought tickets, volunteered to work the event, recruited others to help, and purchased items at the event. We are grateful for

event as successful as it was.

President Heather Ayers presenting a Paul Harris Fellow posthumously to Liz Green's family.

Chairman Jake Ayers & Secretary Laurie Vonglis

The night was one of celebration, but was also very emotional due to the circumstances of Liz's passing. Thanks to Rob Lupisella, Marcie Williams and Heather Ayers for giving such heart felt messages about what Liz meant to the children and staff of Avon and presenting her family with a Paul Harris Fellow. I know it wasn't easy to deliver the messages you spoke, but I know in speaking to Liz's family, they were very appreciative for everything that night.

We started the Blue Jean Ball four years ago. Some of you have been on the committee since the beginning, some have joined the past few years. Each of you have played an important part in making the event what it has become today. After four years, I will be stepping down as Chairman of the Blue Jean Ball. I am

confident that the event will continue to be in great hands and allow the club to raise funds for worthy local and regional charities every year. Again, thank you for living up to the Rotary motto of Service Above Self!

Yours In Rotary Service,

Jake Ayers, Chairman

Bloomfield Rotary

Our newest member, Marce Chavez, was inducted into the club on April 29, 2019.

Marce's sponsor is Martha Powers, but Martha was unable to attend the meeting, so IPat Overmoyer stood in for her. That's her pinning Marce's new Rotary pin on her shirt collar.

Marce is the owner of "Maid it Clean" Cleaning Service, as well

as the Vice Coordinator of Bloomfield's American Heritage Girls troop.

President Elect Jaylene Steele presenting Bloomfield Rotary's Citizen of the Year award to Michelle

Rhoda. Listed is the information from the nomination form.

Why I believe this person is worthy of the Citizen of the Year Award:

- She has also volunteered with Embrace Your Sisters, an organization that provides emergency funds for those struggling with breast cancer.
- She is also a very active Christian, not limiting herself to just one church, but attending several, in their turns, and always serving the Lord.
- Ways this person is a role model to others:
- She has been a very positive role model for countless girls over the 11 years she has been a leader in American Heritage Girls. She is also a positive role model for the adults in the troop with her can-do attitude and determination.
- Personal attributes: She is honest, passionate, enthusiastic, hard-working, trustworthy, loyal, and very giving of her time and resources. She is also very funny!
- Other noteworthy information: Michelle has suffered many hardships over the years, but always has a positive and sunny attitude, no matter what. She has also passed her passion for volunteering on to her children.

Newark Rotary Inducts New Member

Anne Rogers was inducted into Newark Rotary club on 6. Sponsor Carole Nary is on the left, Anne Rogers in the middle, and club President Linda Werts on the right.

Anne Rogers, sponsored by Carole Nary is a retired elementary school teacher. Since retiring she worked for FLCC teaching GED. She is local coordinator of Family Promise and Red Kettle.

Having witnessed the great things that Newark Rotary has done, she looks forward to being involved in the club.

WAVING HANDS for Rochester Deaf Rotary Club's 15th Anniversary!

Everyone had a wonderful time on June 8th celebrating our 15th Anniversary with a BBQ cookout at Martin Road Park, W. Henrietta, NY and what a beautiful day it was for everyone! We started with bocce games and snacks, then we enjoyed the hot dogs & hamburgers with lots more food for everyone! Reflections and recognitions were shared with everyone and we look forward to our 20th! Waving Hands!

Fairport Rotary

The Fairport Rotary Club recently revamped our website thanks to help of Newcomb Losh. The site's update was long overdue and now represents our club and organizations identity. Ned Hill will be taking over the management of the site. Please check it out, at https://fairportrotary.com/.

It has become a tradition, the Fairport Rotarians once again are honored to assist our veterans at the Fairport Memorial Day Parade. The club's volunteers assist the veterans into their parade vehicles and after the parade to the Memorial Day observance ceremony, then to their vehicles. A true honor and privilege to help those brave men and women who served our country.

Becky Wilson, our club's president elect, is shown here with Veteran Phil Barcom, and a local scout.

Cindy Hunt and Marg Kerr had the honor of presenting Mallory Kingsley and Andrew Eakin each a \$1000 scholarship. Mallory will be attending the University of Vermont and Andrew will be going to Ithaca College. We wish them well and are confident that they will be successful.

Also contact Marianne Kalec if you would like to help sponsor the Annual Camp STAR Golf Tournament.

Dear Sponsor,

The Camp Star Board is planning its Annual Golf Tournament. The Golf Tournament will be held at the Indian Hills Golf Course on Monday July 15, 2019. Sponsorship donations and golfer entry fees will be used to support 60 children for six days at camp.

Camp Star is a summer camp for handicapped children between the ages of 7 and 12 years of age that otherwise cannot attend camp. This camp is held annually at Watson Homestead in August and the funds from this tournament will help to allow us to offer this camp at no cost to the camper. The cost is over \$500.00 per camper for an entire week of fun.

Depending on your level of Sponsorship (see enclosed flyer for Sponsorship levels), your business may receive valuable publicity such as:

- 1. Signage at the event
- 2. Product booth at the event
- 3. Recognition in printed materials
- 4. Advertising and links on our Camp Star Website

One of our Camp Star Board Members will contact you about helping sponsor the Annual Camp Star Golf Tournament.

Respectfully yours, Marianne Kalec Camp Star Golf Tournament Chairman PO Box 697 Horseheads, NY 14845
