37 years after the first proposal to allow female members into Rotary, on May 4, 1987, the US Supreme Court ruled that Rotary Clubs could no longer exclude women from membership on the basis of gender.

That same year the Rotary Club of Duarte, California elected the first female club president.

The annual District 7120 Oratorical contest was held Saturday, March 2nd at FLCC. There were nine participants who gave speeches based on the Rotary 4-Way Test. The top three winners will receive scholarships to participating colleges. The remaining recipients will receive a \$100.00 check from the District for their participation.

Opening remarks were made by Janet Tenreiro, District Governor Nominee Designate and Gloria Dancause, Contest Chair.

The first place winner was Margaux Eller and second place Michael Eller. The Ellers are siblings from the Seneca Falls Rotary. Third place winner Andrew Hazell is from the Hilton Rotary. The other participants were Emareilys Rodriguez and Jaidalisse DeJesus both from the Rochester Latino Rotary, Jasmine Kiley and Jessica Dawson from the Penfield Rotary, Meredith Conklin-Bloomfield Rotary, Rachel Mahoney-Seneca Falls Rotary (Submitted by Jodi Kaufman)

Rotary Foundation News

MAY 2019

The District Conference is over. We had 69 items in the Silent Auction that brought in over \$4000 to the Foundation. Added to that were cash donations made to the Giving Tree, a very generous donation made by the Youth Exchange students of over \$1400 (I always knew I loved Youth Exchange! . . . maybe something to do with having been the chair a few years back) and an anonymous gift matching the students' amount, the auction brought in a total of \$7305. Many, many thanks to all who were so generous!!! The foundation will do even more good in the world because of all of you!

Congratulations to PDG Mark and Linda Wyse from Ontario-Walworth who received their Major Donor Recognition. It was such an honor to be able to present it to them as they are, in addition to being good friends of mine, a couple who exemplifies Service Above Self. They donate of their time, talent and treasure generously and tirelessly.

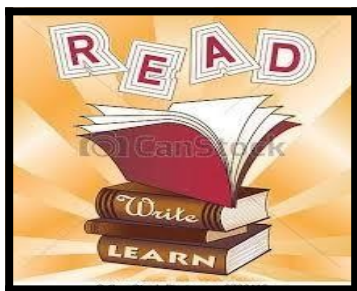

You too can achieve Major Donor status. You can give an outright gift of \$10,000 or accumulate donations over the years. Make your plan now. Regular giving over 20 years can become your Major Donor recognition. (I have another Major Donor recognition to present at a club meeting per the donor's request. Stay tuned for that announcement!) Don't hesitate to contact your foundation area directors (FADs) for a program on the foundation and please thank them for all they have done for the foundation.

In the coming Rotary year, the FAD duties are being reassigned to the Assistant Governors.

I am truly grateful for all the Foundation Area Directors have done and I know they will continue to inspire giving in the years to come.

Have a great month and go out and be the inspiration to others. **YOU** make a difference.

2020 Governor Elect Hospitality Program

By PDG John E. Hall, Chair

The 2020 District 7120 Governor Elect Hospitality Program, also known as the Milt Matthews Governor Elect Hospitality Program, will be celebrating its 51st anniversary this coming year. The program invites Governors Elect from countries around the Rotary world to be hosted prior to their attending the International Assembly in San Diego, CA for their training to become District Governor of their home districts. These DGE visitors will be in our district from January 10 to January 18, 2020 to experience a week of D7120 Rotary hospitality.

Currently we have 12 future District Governors registered and here is your opportunity to host a DGE from Australia (4), India (1), Lesotho (1), Pakistan (1), Sweden (2), Uganda (1), Wales (1), or Zambia (1). The first hosting period is from January 4th to January 8th followed by the second period from January 8th to January 12th. On Tuesday afternoon January 14th, all hosts and guests gather at the Finger Lakes Community College in Canandaigua for the changeover lunch after which our guests move on to their 2nd host.

Our visiting DGE's make great speakers for your club and provide your club members an opportunity to exchange Rotary ideas with someone from another country. Also, many hosts have had the opportunity to visit their guests in their home countries.

Would your club like a program on the Governor Elect Hospitality Program? Any member of the MMGEHP Committee would be willing to come to your club and present more information. Please contact Chair PDG John Hall at jehall13@gmail.com to arrange a program. To sign up as a host, please click on the following link or copy it into your web browser: <https://docs.google.com/spreadsheets/viewform?fromEmail=true&formkey=dFdEb3NVbUIMZEE4OEJITtlyQzN5aWc6MA>

District Literacy Newsletter May 2019

"Planning for the summer months and how to promote Literacy in our clubs and communities during this time". Many community libraries have already started planning their summer events! Have we as clubs thought about how we can continue promoting literacy in our areas?? Just because we have submitted our accomplishment's and received our literacy citations we can't rest!! Literacy is a continuing issue that we all need to address every day! Two interesting programs to check out below. Summer reading and Library summer programs.

Summer Reading Program's**The benefits of a summer reading programming for children:**

- **Children are motivated to read.**
- **Children develop positive attitudes about reading, books, and the library.**
- **Children maintain their reading skills during summer vacation.**
- **Children have access to experiences that further their sense of discovery.**
- **Children have access to experiences through which they can learn to work cooperatively.**

Putting together a cohesive summer reading program doesn't need to be complicated!!A Universe of Stories 2019 Summer Learning Program (Celebrate Space Exploration)**DATES JUNE 1-AUGUST 31 NATION WIDE**

In the summer of 2019, many libraries across the country will celebrate space exploration in their summer reading programs. The slogan "A Universe of Stories" was chosen by library professionals to help inspire children of all ages to dream big, believe in themselves, and create their own story.

The Collaborative Summer Library Program (CSLP) (<https://www.cslnreads.org>) is a consortium of states working together to provide high-quality summer reading program materials for children, teens, and adults at the lowest cost possible for their public libraries. CSLP actively shares innovative and age appropriate ideas, resources, and programs for four age groups, from babies to adults. State libraries and systems join CSLP to empower libraries to foster community. CSLP reaches 16,000 libraries through these state libraries and systems. The theme for summer 2019 is "A Universe of Stories."

CSLP and the STAR Library Network (STAR Net) are partnering to share science- and technology-related activities and resources to libraries across the nation.

Are you interested in partnering with your local library? Find hands-on activities and other library program resources on STAR Net's STEM Activity Clearinghouse (<http://clearinghouse.starnetlibraries.org/143-universe-of-stories>). Keep up-to-date on forthcoming resources for the 50th anniversary of the Apollo Moon landing on STAR Net's "Year of Space" resource page (<http://www.starnetlibraries.org/universe-of-stories>).

Fathers Turn Pain Into Healing Solutions

Rotary Members Destigmatize Opioid Recovery

By **Arnold R. Grahl** Photos by **Alyce Henson** 30 April 2019

A father's concern and fear propelled sleepless Ben Lowry, an attorney in Portland, Maine, out into the streets one evening searching for his eldest son.

Just a year earlier, his son had been in college studying engineering when he began using drugs, including opioids. Lowry's family spent more than \$100,000 on treatment and recovery programs before Lowry gave his son an ultimatum: stop using or move out. His son moved out.

Now, hearing the wail of sirens on this cold fall night, Lowry feared the worst.

"Someone said there was an overdose nearby, and I hurried over, thinking it was my son," Lowry said, his voice cracking with emotion. "There was a young woman dead in the street, probably in her 20s. It's a very difficult thing to see, especially when your son is living out there."

According to the U.S. Centers for Disease Control and Prevention, Maine and New Hampshire recorded nearly 800 opioid overdose deaths in 2017 – a terrible toll, but a small fraction of the 47,600 opioid deaths across the United States that year.

As a member of the Rotary Club of Portland, Lowry decided to do more than just address his own situation. He joined a group of Rotary members in the New England area who have come together to prevent overdose deaths.

In partnership with public health agencies, the District 7780 Recovery Initiative Committee organizes seminars that educate the community on the dangers of opioids, supports education campaigns in public schools, and raises money to train recovery coaches who assist drug users who are trying to turn their lives around.

"I don't know if I will be able to help my son," Lowry says. "But if I can help others in a similar situation, I want to."

Combatting stigma

Robert MacKenzie, a member of the Rotary Club of Kennebunk, Maine, and the town's police chief, has also been personally touched by the crisis. One of his daughters struggled with heroin dependency and is now in recovery. But that process, he says, is a long and uncertain one.

MacKenzie has been instrumental in organizing District 7780's Overdose Recognition and Response seminars. His main goal is to reduce the stigma associated with opioid use, which, he says, can be a significant barrier to drug users getting help. He thinks Rotarians can spread the message that the opioid epidemic is not a criminal justice issue, but a public health issue.

Prattsburgh Rotary's March "Student of the Month"

The Prattsburgh Rotary Club is proud to announce the March Student of the Month at Prattsburgh Central School. The student is Grace DiRisio, daughter of Michael and Anna DiRisio of Prattsburgh.

This young lady is a senior who has been involved in Soccer, Academic All Stars, and Drama Club. She has been a very active member of Student Council, including her time as President. Grace has been a Literary Festival winner, a Bausch and Lomb winner and placed first in the Steuben County Speaking Contest.

She was also nominated and received the Daughters of the American Revolution (DAR) Good Citizen Award. Additionally, Grace is involved in volunteer work with the Girl Scouts, St. Patrick's Catholic Church, the Class of 2019, and as an indoor soccer coach for younger students. She also helped with the 3rd grade play in the past as a make-up artist and concession stand worker. (Submitted by Howard Selleck)

Watkins-Montour Students of the Month

Watkins-Montour Rotary Club honored Watkins Glen Senior Maggie Barrett at their March 14th meeting as Student of the Month. Barrett was accompanied by her parents Ruby and Andy Barrett and introduced by teacher Melissa Kissell. Melissa told the group that she is “very proud of this young lady...she has come very far in her academics and shown growth in all areas”. She stated that Maggie has “blossomed” and is now known to be a student who “puts herself out there and helps others, has become confident, has found herself, and has an amazing heart”.

Maggie is in her 2nd year of the BOCES Culinary Arts Program, and plans to attend CCC this Fall to get her Associates degree. From there, she has set her sights on attending Cornell University School of Veterinary Medicine. Maggie told the group that she was very honored to receive this award and then turned her gratitude toward her parents for their having “helped me through so much in High School”.

Watkins-Montour Rotary Club honored Odessa-Montour Senior, McKennah Lott at their March 28 meeting as its Student of the Month from Odessa-Montour. Lott was introduced by teacher, Greg Gavich, who described Lott as a, “caring, hard-working, excellent student who doesn’t seek attention.” Lott is in the top 10 of her class academically, plays for the school soccer, basketball, and softball teams, and is a member of Student Council, National Honor Society, and co-president of the Rotary Interact Club.

Lott plans to attend Tompkins-Cortland Community College to major in accounting and play soccer before transferring to a 4 year college. Lott acknowledged Rotary for its continued recognition program of students. She also thanked her parents for the support they’ve given to her throughout high school, to her teacher, Greg Gavich for nominating her for the award and providing great support to all students and athletes. Honeoye Lake Rotary Students of the Month for December, January and February

Angelene Merrick, Katie Cosman and James Hallett

It is always fun time to welcome our Students of the Month to our dinner meetings so we can celebrate their achievements and service to the community. On April 11, we welcomed these juniors who were selected by their teachers as examples of those who fit so much into their lives while modeling Rotary's Four Way Test and exemplifying our motto, Service Above Self. These Students were joined by their parents and other family members who were also recognized as motivators to their children.

Our Student of the Month for December is James Hallett, son of Terry and Marlene Hallett. James is very active in sports participating in cross country, indoor track and outdoor track. He is a member of the National Honor Society and enjoys taking part in the National Youth Leadership Training Program. He is a boy scout and works for his dad at Hallett Automotive in the summer. James intends to attend a four year college where he will continue his cross country running and looks to major in computer science.

Angelene Merrick joined us at our meeting with her parents Hylene and Donald. As Student of the Month for January, Angelene was recognized for all she does at school and in the Honeoye community. Angelene enjoys varsity volleyball, Youth2Youth and student council. Through these activities she is able to help better HCS and help the Honeoye community. Outside of school, she enjoys being part of a robotics group. Angelene plans to attend college but is undecided as to her major.

Katie Cosman and her parents, Sue Baron and Eric Cosman, were also welcomed at our special event. Katie is in band, choir, pit band and jazz band. Music is a passion for her and will be part of her college program along with archeology. Katie runs varsity indoor track and holds a school record. She also plays tennis and soccer. In the community Katie plays in the Finger Lakes Concert Band and the Honeoye Community Band.

All our students of the month manage to maintain exemplary grades while filling their lives with so many activities in and outside of school. Congratulations to these students and their parents for being recognized as HLRC Students of the Month.

Press Release From Dundee Rotary

The May 1st meeting of the Dundee Rotary Club was a very special day. Not only did Past District Governor Norma Madayag-Reilly and husband Gary attend the meeting (we always enjoy their company), but so did Area Rotary Foundation Chair, Jeff Cassim, who presented our Club with a DSG check for \$1,171 for the Resident Shoppe that the Club set up at Terrace Dundee Senior Citizen Housing.

Member Bruce VanDyne was the speaker for the day. Bruce talked about the history of the Dundee Rotary Club over his 41 years of membership and also spoke about his career at Seneca Foods, where he was the head of research and quality control for many years.

Bruce's daughters, Debbie and Kathy, were also on hand to watch Bruce receive his third Paul Harris award. Bruce served for many years as the Club Treasurer and Foundation Chair and has exemplified the Rotary motto of "Service Above Self". President-Elect Kate Ring presented Bruce with the award and noted that it has taken 3 people to take his place! Congratulations, Bruce. (Submitted by Lauren Snyder)

Red Jacket Rotary

The Red Jacket Rotary Club was privileged to hear Claudia Schaefer at its Tuesday morning breakfast meeting on April 16. Ms. Schaefer is with the Ontario County Department of Social Services and works in the area of foster care and adoption.

The title of her presentation was "Help a Child Step into the Future with Hope." She detailed how children at risk are identified and steps that are taken to assess the need for removal from an unhealthy situation. She emphasized the need for people who are able to foster or adopt. A brochure was distributed which clarifies how to become a foster/adoptive parent. (Submitted by Jeff Crawford)

Youth Exchange News From Newark

Eliana is one of Newark Rotary's two inbound exchange students and is from Italy. She lives on the Island of Sardinia in the city of Cagliari, where she attends a semi private school where she will receive a double diploma for her studies in Italian and French. At Newark High School she has participated in new sports, volleyball and lacrosse. Her plan is to attend college in the Netherlands.

Elliott is Newark's other inbound student and is from Sweden, also living for a time near London. In Newark he has enjoyed skiing and soccer. After returning to Sweden he will have two years of high school remaining. He is interested in attending the University in Scotland to study Business and Chemistry. Rotarians Lynn Freshman and Debbie Lewis with a completed floral basket

Rotary founder Paul Harris urged all Rotarians to commit themselves to serving others. He also reminded them that nothing prevented them from having fun while doing it.

As club members prepared for their major fund-raising event of the year, the "Taste of the Finger Lakes", Rotarian Kim Yourch followed the guidance of Paul Harris. Kim organized a social evening for Victor-Farmington Rotarians that involved learning the ins and outs of floral design while creating an attractive floral piece that could subsequently be used to facilitate the club's fund-raising efforts.

Nine club members participated in the event and they created nine floral baskets created with professional guidance, using quality flowers and materials. The workshop was hosted by a local florist, Flowers by Stella. The flower baskets were donated to the club's "Taste of the Finger Lakes" fundraiser as door prizes. (Submitted by Dave Luitweiler)

The Victor-Farmington Rotary Club recently held its annual fundraising event, the Taste of the Finger Lakes, at the Ravenwood Golf Club in Victor.

This was the eighteenth consecutive year for the event that provides guests the opportunity to sample wines from various Finger Lakes wineries, craft beers from local brewers and samples from distilleries. They sampled food offerings from local restaurants, caterers, food vendors and markets while bidding on silent auction items.

All attendees were eligible for the nine door prizes that were awarded when bidding on the silent auction items was closed. The door prizes consisted of floral baskets that had been created a few days earlier by Rotarians who participated in a floral workshop.

Rotary members Jim Crane, Bruce Chapman, Solitaire Murphy and Kim Yourch served as co-chairs for the event.

Newark Pancake Breakfast A Hit!

It's been going on every year since 1958 and the Newark Rotary club counts the event as a major fundraiser. The annual St. Patrick's Day Pancake Breakfast was held March 16 at the Newark High School and raised a total of \$5745 for the club.

Volunteer Rotarians flipped between 1500-1800 pancakes, served 2000-3000 sausages, over 1000 scrambled eggs, hundreds of muffins and gallons of coffee and milk.

A silent auction raised \$1,759 and the Interact Club presented a Shelter Box display, adding to the fun.

All of Newark Rotary projects will benefit from this event. Submitted by John Zornow

Red Jacket Rotary

Amy James, Community Education Manager for the Finger Lakes Donor Recovery Network, spoke at the breakfast meeting of the Red Jacket Rotary Club on April 30. Ms. James pointed out that April was "National Donate Life Month." Her main focus was to raise awareness of the importance of making a donation decision. She shared many surprising facts regarding organ donation: donations always occur from an unexpected event; cancer is the only thing that can prevent a donation; age and health are not generally restricting; in order for a donation to happen the donor has to pass while hospitalized and on a ventilator. Finally, several examples were cited regarding the gratitude and joy of both recipients and donor families. (Submitted by Jeff Crawford)

BACK TO WORK FOR THE HLRC

The Honeoye Lake Rotary Club had a very busy ending to the month of April. The fun began on April 26th when Jeanne Hamele, Marilyn Passer and Cathy Pestle joined with the C.O.R.A.L. group to bag the white pine trees we obtained to distribute to our elementary students. Each tree was bagged then labeled with a tag indicating it was a gift from the HLRC. Trees were then divided into classroom groups, delivered to classrooms and sent home with students for planting. This project is always a fun time sharing good conversation and a cooperative work atmosphere with the C.O.R.A.L. kids and staff. This annual event gives our club an opportunity to find out how we can help the C.O.R.A.L. program as well. (Submitted by Jeanne Hamele)

C.O.R.A.L. Bagging Trees with HLRC

From there, our focus went to dismissal time when students walk out of school carrying their trees --- they are so proud to have them and are always anxious to plant them. It is also rewarding to share this day with older students who received trees as elementary students and share how their trees are doing in their yards years later.

Rotary Club Honors Four Members

The Canandaigua Rotary Club recently honored with the Paul Harris Fellowship. This award is given to those living individuals who exemplify community inspiration and who as brought leadership and service to our community.

Pictured are Rotary District Governor Mike Slovak, Kim Tenreiro, Janet Tenreiro, Bruce Kennedy, and Dan Kelley. (Submitted by Jack Kellogg)

What is a Paul Harris Fellow?

The Paul Harris Fellow recognition acknowledges individuals who contribute, or who have contributions made in their name, of \$1,000 to [The Rotary Foundation](#).

Rotary established the [recognition](#) in 1957 to encourage and show appreciation for substantial contributions to what was then the Foundation's only program, Rotary Foundation Fellowships for Advanced Study, the precursor to Ambassadorial Scholarships.

The first Paul Harris Fellows included past RI Director Allison G. Brush, who served during the 1937-38 Rotary year, and longtime RI Treasurer Rufus F. Chapin, both for donations made in 1946. Mrs. Adan Vargas was the first woman to receive the recognition, for a gift made in 1953. Mrs. Harry L. Jones was the second, and one of only five people recognized for contributions actually made in that inaugural year.

Geneva Rotary News

Geneva Rotary Club celebrated its 100th anniversary recently with a Gala Celebration at Club 86 in Geneva. A crowd of more than 200 people listened to keynote speaker Don Alhart, a past district governor.

The highlight of the evening was the presentation of the Springstead Award for exceptional community service to John Hicks (second from left, seated), retired Ontario County administrator. Attending the dinner was Barbara Springstead (third from right, seated). The award is named for her husband Ralph Springstead.

Another highlight of the evening was the honoring of 24 Paul Harris Fellows in honor of the 100th Anniversary.

District Governor Mike Slovak and Alhart took part in the ceremony.

Rotary Club of Rochester SouthWest Cleans Up the River for Earth Day!

Members of the **Rotary Club of Rochester SouthWest** braved a cold Saturday morning to contribute to National Earth Day by cleaning up the Genesee River waterfront in SouthWest Rochester. Joining with members of the University of Rochester's **Rotaract Club**, located just across the river, over 20 large heavy-duty bags of garbage were collected along the riverfront.

Assistant Governor Lisa Norwood took time to photograph the trash for the Litterati app that was introduced to us by our **Rotary Club of Rochester NorthWest** partners. Litterati was created by for users to identify, collect and geotag the world's litter using a crowdsource-cleaning strategy.

An added bonus was that Channel 8 News showed up and interviewed **President-Elect, Eleanor Coleman**.

Rotary SouthWest is currently working on an initiative that successfully brought the community together last year using local musicians. **"Beats @ Brooks"** will take place near the riverfront next to Staybridge Suites and offer food (Rotary fundraiser), a venue for connecting the University of Rochester students with the SouthWest community, an activity for the nearby senior housing building and information about community resources and initiatives. (Submitted by Eleanor Coleman)

Stay tuned for our **"Taste of the Islands"** event in September highlighting our many Caribbean restaurants in the SouthWest area.

Rochester Deaf Rotary Club's SIP & SIGN FUNDRAISER WAS A GREAT SUCCESS! WAVING HANDS!

The Rochester Deaf Rotary "Sip & Sign" fundraiser Sunday, April 7th, @ RIT Inn, was a great success! Those that attended enjoyed themselves with games, tastings, food, and also a VIP wine/food pairing presentation. Thank you to all who supported our great event! Waving hands!

The proceeds from this event will support Miracle Field, in Webster (rochestermiraclefield.org). This complex - multi-use baseball field, concessions stand, outdoor playground - benefits people with disabilities to enjoy, and have fun equally with others. Once complete, it will be totally accessible to people in wheelchairs, walkers, etc.

Welcome New Member Kevin Van Allen

April 2, 2019

Kevin Van Allen was born and raised in Hornell, NY. He moved to South Lima in 1998 shortly after graduating high school. At that time he began working at the Presutti Law Office while he attended St. John Fisher College.

He later attended University at Buffalo Law School where he graduated in 2006. In 2011 he formed the law firm of Cannon & Van Allen, LLP which became Van Allen & Hoffmann, LLP in 2017.

He currently lives in Avon with his wife Kara and their four daughters Tessa, Elyse, Audrey and Molly (their T.E.A.M.). Service to his community has been part of his life for many years.

Please join us in welcoming Kevin to Avon Rotary! (Submitted by Laurie Vonglis)

A dollar and a cell phone- Each spring the Newark Rotary Club participates in a highway cleanup on Rt. 88 North. Club members walked Rt. 88 from the village edge to Pulver Road picking up the spoils of winter. This year a one dollar bill and old cell phone top the list of unusual items found. Avon Rotary Honors Program

April 9, 2019 Submitted by: Bob Mellen

A pair of innkeepers, a multitasking volunteer and avid gardener, and a food bank director were among residents honored April 9 for their contributions to the Avon community. Three people, Jennifer Palmer, C. Thomas Moran and Ginny House, received Paul Harris Fellows, which recognize those who exemplify the ideals and professionalism of Rotary International. It also means that \$1,000 each has been donated to the Rotary Foundation, which enables Rotarians to advance world understanding, goodwill and peace through the improvement of health, the support of education and the alleviation of poverty.

Avon Rotary also bestowed two Building Awards for building renovation and new construction, one to the Avon Inn owners and one to Evening Star Coffee Roasters.

Jennifer Palmer

Palmer, who began as a volunteer in the Avon food pantry, eventually took over as its director. During her time there she has seen the service grow from delivering food to about 30 families to serving 85 families in its store where shoppers choose the groceries they need. A staff of about 30 volunteers helps her with this mission.

Moran, a lifelong resident of Avon, was honored posthumously. Before his death last year he had spent years as a volunteer parent at St. Agnes School and had been a long-time volunteer for youth sports. A highly respected member of the community, he was employed by the Village of Avon for 40 years.

An Avon Lions Club member for 42 years, he held leadership positions including two terms as president, three terms as secretary and two as treasurer.

Matt, Tracy, Katie
Children of C. Thomas Moran

Ginny House & Rotarian
Bob House

House, an Avon teacher for 30 years, now serves in retirement as a member and past director of the Avon Preservation and Historical Society along with being an active member of the Avon Garden Club. Every spring she helps plant flowers and

shrubs in the Circle Park and then continues to care for them throughout the summer.

She is also active in the Avon United Methodist Church, being part of the choir and the bell choir and contributing extensively in church fundraising activities that allow the church to better serve the community. Ginny and her husband Bob also pick and donate bushels of apples each year for church dinners and help deliver holiday food baskets and Meals on Wheels.

Building Award winners Jim and Jennifer Krause were honored for their commitment to renovating the gracious Avon Inn and returning it as a viable part of the village.

Built about 1840, the Avon Inn was extensively damaged by a fire in 1979. It was restored and changed ownership until being bought by the Krause's, then underwent extensive renovations before it reopened last New Year's Eve.

Also receiving a Building Award were Jody and Christine Wolfanger, whose Evening Star Coffee Roasters grew from a business in their garage to a new dedicated building. Their business began in 2008 and, according to its web site, moved in 2017 to Tec Drive where they built "one of the most modern, clean and organized business designs in all of New York State."

On April 6 Avon Rotarians traveled to Wayne Central School for the annual District Training Assembly. We all enjoyed the many breakout sessions and learning opportunities.

Many thanks to our very own instructors—Heather & Jake Ayers, Tom Vonglis & Kirk Vanderbilt, Rob Lupisella and Julie Carney. Each team provided very popular, well attended sessions.

On April 20 Rotarians and Community Members worked side by side planting trees in the Village Driving Park as part of a grant project to replace the ash trees.

Many thanks to Heather, Janis, Dave, Marcia, Trisha and Hans for braving the weather and helping plant trees.

Community Involvement

April 14th: Members volunteered at Catwalk for Kidneys

April 27th: Members assisted with Sunshine Campus Cleanup. Our members helped clean dorms, unpack to pool house, open the pool, and set up the archery nets in preparation of summer campers.

Rotary Relations

April 6th: Five of our board members attended the District Assembly where we were able to network with other Rotarians while learning more about what being a Rotarian is all about and how to better support our individual club!

April 7th: Members attended the Sip and Sign fundraiser for the Rochester Deaf Rotary Club

RCR is looking to work more closely with other clubs in the district in the upcoming year. If you have any events coming up please contact Julie Zink at RocCityRotaryRelations@gmail.com.

Club Meetings

April 16th: Guest speaker Patrick Kieffer from Paychex presented our club with interviewing tips and skills for future interviews. We also collected pasta and sauce for the food shelf that we support through Greece Community Education. We also honored two new members Marissa Peters and Valarie Palermo.

Upcoming Meetings:

May 21st: Insurance 101 Nick Mieney from State Farm

THIRD GRADE STUDENTS RECEIVE BOOKS

Third grade students at Pine Brook Elementary School proudly display their new books.

Greece Rotarians continued their annual tradition of enhancing literacy in Greece schools through their Book program.

This year brought a new and exciting change— replacing the usual dictionary with Kids Road Atlas. The Atlas provides lots of useful information on the States, games, puzzles and actual road maps— all offering classroom learning opportunities and at home fun! With financial support from Senator Joseph Robach over 1,300 books were given to third grade students in Greece and Hilton school districts.

Greece Rotarians were on hand at every presentation to personally present the books. (Submitted by Judie Van Bramer)

Rotary's GEM Project Seeks Local Donors

"Changing the World One Child at a Time," is the mission of International Voice of the Orphan, founded by Perry native Dwight Saunders, and the goal of its affiliated GEM Foundation in Uganda.

Rotary Club of Perry is making a public appeal to support the installation of water and sanitation facilities in Uganda for the GEM Foundation there. The GEM "Village" purpose in Uganda is to provide a loving home for disabled and abandoned or rejected orphans and provide education

Generous donations have allowed GEM Village to begin construction of new facilities in October, but its funding need is still huge. Housing and a medical clinic are being built and it is Rotary's desire to provide safe water and appropriate sanitation facilities in support of those.

Perry Rotary's hope is that individuals and businesses will provide significant financial support to the worthwhile endeavor to help these often-rejected children. Donor dollars will stretch because Rotary will be able to provide matching funds. Help Rotary raise its goal of over \$20,000 locally and make a real difference in meeting the serious needs in another corner of the world. This special appeal is to supplement Perry Rotary's efforts, as most of its fundraisers are directed at local needs. But in the GEM case, we have a connection, and our area has a connection that is unique and we feel we can make a special difference. With community support and Rotary matching possibilities, a big need will be met.

Perry's Rotary Club is proud to be part of an international organization with 35000 clubs in 200 countries and territories in the world all doing what they can in their communities and in the greater worldwide community to "make a difference" in basic quality of life. Rotary, with partners, has nearly completed the eradication of polio from the earth, being 99.9 percent of the way there from where we were 25 years ago, and it is actively pursuing projects in peace and conflict resolution, disease control and providing safe water and proper sanitation, among many valuable service efforts.

No gift is too small or too large. We hope to meet our goal in the next few weeks. To make your contribution to our efforts for GEM Foundation, please send your support payable to Perry Rotary Foundation, PO Box 103, Perry, NY 14530.

About The GEM Foundation and Village:

The GEM Foundation is a home for abandoned special needs children in Uganda. It exists to love the broken, strengthen the weak and encourage the weary. Last year GEM Foundation raised the funds for three homes to be built on the 88 acres that it purchased in 2016. This past October, The GEM Village officially broke ground. This year it is trying to build a medical clinic to provide life-saving 24/7 care to children, staff and the surrounding community and villages.

The Nutritional and Prenatal Center will bring malnourished children back to nutritional health. Often families hid their children with special needs away and in turn the children are neglected and starved leading to severe malnourishment. GEM Village will educate and train families and prevent malnutrition. Prenatal care as well as maternity care will also be offered. A significant reason children are born with special needs is due to unsafe deliveries.

The Therapy center will be where children are worked with and encouraged daily by licensed therapists to reach their full potential.

The General Medical Center is where general medical needs will be met and out-reach to educate and train families in how to best care for their children and help them to thrive.

The GEM Foundation was started by the daughter of a Perry native son and graduate, Dwight Saunders, about the needs and worthiness of these "gems" of children. Rotary raise its goal of over \$20,000 locally and make a real difference in a member of the prominent long-time resident Saunders family whose father, Vern, was a beloved Perry math teacher. The entire Saunders family is well known and loved by Perry area residents. meeting serious needs in another corner of the world. This special appeal is to supplement Perry Rotary's efforts, as most of its fundraisers are directed at local needs. health. It is a new science of the role of bacteria, our microbiota that convert sugars, crowd out pathogens, maintain pH balance and more. Now Vonnie returned to her health care professional roots with her new business, True to You Health, through which she offers holistic health coaching. Initial consultations are free. Services also include grocery store tours and pantry makeovers and group sessions of five or more. She can be reached at 585-975-9959 and Vonnie.trueto you@gmail.com.

"Recognize you're a living, breathing ecosystem; everything you do has an impact," she told Rotarians.

Dear Friends of Camp Haccamo,

You can help support Camp Haccamo and provide:

- Free camping experience for 260 children and young adults with special needs
- Respite time for families and caregivers of the 260 campers
- Opportunity for hands on development of camp counselors

We believe you are someone who cares about the needs in our community and we hope you will answer our call for help for individuals with special needs and their family members. By supporting Camp Haccamo you have an opportunity to support the efforts of sixteen Monroe County Rotary Clubs in their fundraising efforts to provide a free week long summer camping experience for children and young adults with special needs at the Sunshine Campus in Rush and give them the dream of a summer camping experience he or she will never forget.

We are asking for your support! Camp Haccamo is a place where smiles grow and where individuals are welcomed and embraced for who they are. However, providing the financial resources that allow Camp Haccamo to continue as a garden for growing smiles is no small challenge. We need your support to continue this program to pay for the camping experience of 260 campers.

The Monroe County Rotary Clubs are holding their "7th Annual Camp Haccamo Car, Truck, and Cycle Show" on June 1st, 2019 at the Greece Mall. We would be extremely grateful if you would consider becoming a sponsor to our event or attending the Car Show as a vendor. (Additional form with sponsorship levels and vendor opportunities attached) By becoming a sponsor you will be helping the dream of summer camp come true for an individual with special needs.

Please remember that 100% of the money raised by these events benefit Camp Haccamo. If you have any questions or would like more information about Camp Haccamo or our events please contact Chuck Krause at 585-703-0918 / Krause.Chuck@pmlmail.com or visit our website at www.camphaccamo.org.

Again, thank you for your support of Camp Haccamo. As a not-for-profit 501 (c) (3) organization, we count on and benefit significantly from the assistance of contributions such as yours.

Your generosity will change lives!

Sincerely,

Chuck Krause, Chairman
