Rotary International Youth Exchange Program District 7120

Why Rotary Youth Exchange?

Rotary International is a network of clubs around the world dedicated to serving others and advancing international goodwill. Rotary's motto is "Service above Self."

The Youth Exchange program is a cornerstone for our international effort in promoting contact and dialog among different countries and cultures. Youth Exchange students become good-will ambassadors of the United States as they learn and experience how other people live and view the world.

Students stay with 1 to 4 different families (to experience different lifestyles) and are given food & lodging. They receive a monthly stipend of \$50-100 spending money. They have the opportunity to travel and see different parts of the world at reduced rates.

Ride an elephant in Thailand - Hike through the Australian outback - Steam in a Finnish sauna - all of these are possible (and have been done!) by exchange students.

This year 7,000 young people will see the world the way it is best seen — personally — through the youth exchange program. This could be your year! For less than the cost of a semester in most universities you can spend a full year in another land as an exchange student! Come on, apply for Rotary's Youth Exchange program.

You may never have another chance to live in a different country.
