

District Grant Reporting

District grants give Rotarians freedom in determining how to best spend funds donated to The Rotary Foundation in their district. Each Rotary year, districts may apply for one district grant, which can be used to support one or more projects, based on that district’s interests and needs.

The Rotary Foundation funds district grants with District Designated Funds (DDF). Each year, your district may request up to half of your available DDF, which in turn represents half of your district's Annual Fund donations from three years earlier. This system, known as SHARE, enables Rotarians to benefit from the short-term investment of their donation dollars.

Applying for a district grant is an easy, online process. Note, however, that the application requires specific information about your spending plan, bank account, and account signatories, so it’s best to have this information available before you begin.

Also note that district grant applications must be authorized by the district governor, district Rotary Foundation committee chair, and district grants subcommittee chair. Before starting this application, please ensure that your district governor has identified these officers and that the officers have registered with Member Access.

2025-26 District Grant Amount

60,193 USD

Spending Actuals

#	District/Club	Activity or project category	Location	Planned amount (USD)	Amount spent (USD)
1.	Avon	Community development	United States	3,500	0
		Activity or project type Construction/renovation	Activity description The Avon Scout House is in need of essential repairs and upgrades to enhance its safety, functionality, and long-term durability. The labor to complete this work will be a collaborative effort between Rotarians and the scouting		Beneficiaries Children/youth

community of Avon.

2.	Bath	Education	United States	2,000	0
	Activity or project type School supplies/equipment		Activity description To purchase an additional freezer for the Bath Central School District food pantry. The freezer is an Atosa Freezer, reach-in, two-section, 54-2/5"W x 31-7/10"D x 83-1/10"H, bottom-mount self-contained refrigeration, 44.77 cu. ft., (2) locking hinged solid doors. This would match the freezer that the pantry currently has.		Beneficiaries Children/youth
3.	Belmont	Community development	United States	1,500	0
	Activity or project type Construction/renovation		Activity description The bathrooms used by community members, athletic teams and spectators at Wilmac Park (community sports and recreation facility) are desperately in need of renovations. 	Activity or project type Construction/renovation		Activity description To built and install two (2) memorial park benches in Casey Park, Ontario, NY for people in the park to enjoy while visiting the park. The benches will also give memorial recognition to two (2) Past Presidents of the Ontario-Walworth Rotary Club who contributed a great deal to the Town of Ontario, The Ontario-Walworth Rotary Club, and Rotary District 7120, and the Rotary Foundation.		Beneficiaries General population
19.	Palmyra-Macedon	Community development	United States	1,000	0
	Activity or project type Food/hunger		Activity description The Weekend Wellness Backpack Program provides a bag of non-perishable food to children in the Palmyra-Macedon School District		Beneficiaries Student(s)

			every weekend and on school breaks/holidays. Each bad of food contains items like shelf stable milk, cheese, crackers, peanut butter. The program acknowledges that some students in our local school district do not have easy access to food when not at school.		
20.	Penfield	Community development	United States	1,500	0
	Activity or project type Food/hunger		Activity description We will be funding the costs of fresh fruit provided weekly to youth during the Food Shelf's Summer Youth Program. We will also be putting together recipe cards collaborating with the food shelf to support having needed ingredients for recipes that support healthy eating choices. We are exploring educational resources such as booklets that we will provide to families.		Beneficiaries Children/youth
21.	Perry	Community development	United States	3,750	0
	Activity or project type Sports/recreation/playgrounds		Activity description Provide funding support to make the activities provided by Horses Healing Hearts more available and affordable for needy youth and veterans. This project seeks to meet the needs of approximately 45 individuals and their families with hands-on experiences that build confidence, reduce stress, and increase self-awareness and independence through their building close relationships with horses.		Beneficiaries Children/youth
22.	Roc City (Rochester)	Health	United States	500	0
	Activity or project type General		Activity description The purpose of this project is to make groundskeeping at The Isaiah House more functional and easier for staff, as well as create a peaceful and joyous space for hospice residents to enjoy. This project includes		Beneficiaries Elderly

				purchasing a new shed and participating in gardening activities with the Isaiah House. The Isaiah House is a non profit organization that provides hospice care.	
23.	Rochester Northwest	Community development	United States	250	0
		Activity or project type General		Activity description The purpose of this project is to educate Rotary clubs and the broader community about homelessness, its root causes, and actionable steps to address it. By increasing awareness, we aim to foster greater community engagement, reduce stigma, and encourage proactive solutions to homelessness.	Beneficiaries General population
24.	Rochester Southwest	Peace	United States	100	0
		Activity or project type Leadership development/education		Activity description The peace pole is an international symbol of the hopes and dreams of the entire human family standing in silent vigil for peace on earth. This peace pole is meant to unite people of different cultures, faiths and ideals to celebrate humanity and manifest peace on earth. Placement of a 6-8 foot tall pole with at least four languages at the corner of Kirkland Road and Kenwood Avenue.	Beneficiaries Economically disadvantaged
25.	Rush-Henrietta	Community development	United States	3,000	0
		Activity or project type Construction/renovation		Activity description Replace the gazebo at Tinker Park. Original gazebo was build over 25 years ago and has outlived it's usefulness. The Rush-Henrietta Rotary has maintained the adjoining garden over 25 years. Also, we will rework the pavers so they are level again.	Beneficiaries General population

26.	Seneca Falls	Education	United States	1,500	0
	Activity or project type School supplies/equipment		Activity description Back to School Bash to promote a jump start to children and families starting the school year. This even will provide school supplies, clothing, and sharing of available community resources.		Beneficiaries Student(s)
27.	Spencerport	Community development	United States	1,086	0
	Activity or project type Safety/emergency preparedness		Activity description The Spencerport Fire District, in partnership with the Rotary Club of Spencerport, seeks funding to enhance firefighter training safety and effectiveness by acquiring two Seek FirePRO 300 thermal imaging cameras (TICs). These cameras will be used by instructors during live fire training in our Class A burn building facility, where recruits learn essential interior firefighting techniques.		Beneficiaries General population
28.	Victor-Farmington	Community development	United States	2,000	0
	Activity or project type Construction/renovation		Activity description This project will greatly enhance the living conditions in the campsite at Camp Onseyawa to ensure the health and safety of the campers. Water, electric, sink, and covered area will provide a cleaning area for personal hygiene. This comes with a strong recommendation from the Health Department.		Beneficiaries Children/youth
29.	Waterloo	Community development	United States	2,000	0
	Activity or project type Construction/renovation		Activity description Build a sink enclosure on the property of Camp Whitman for Camp Onseyawa to provide a cleaning area for personal hygiene. This comes with a strong recommendation from the Health Department.		Beneficiaries Children/youth

30.	Wayland	Community development	United States	407	0
	Activity or project type Food/hunger		Activity description Community Raised Bed Garden At The Wayland Free Library. Will install and fill raised beds for food and pollinator plants with trellises for climbing plants. Proposed project will consist of purchasing raised bed kits and filling with appropriate material to plant and grow vegetables, herbs and flowers. We plan to lay wood chip mulch between the beds for weed control.		Beneficiaries Economically disadvantaged
31.	Wolcott	Community development	United States	1,200	0
	Activity or project type Food/hunger		Activity description The purpose of this project is to support the Cougar Cupboard's Backpack Program in providing needed food items to enrolled students and their family in the North Rose Wolcott School District (NRW). Currently there are 130 students enrolled in this program. Rotarians, staff, and students (Interact) collaborate to coordinate, pack, and distribute food items for each bag.		Beneficiaries Economically disadvantaged
