SERVICE-LEADERSHIP-FUN

Rotary is a global network of more than 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our more than 45,000 clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Improve maternal and child health
- Support education
- Grow local economies
- Protect the environment

We work differently

We see differently: Our multidisciplinary perspective helps us see challenges in unique ways. We think differently: We apply leadership and expertise to social issues — and find unique solutions.

We act responsibly: Our passion and perseverance create lasting change.

We make a difference at home and around the world: Our members can be found in your community and across the globe.
