

Invitation to Register and Join the Network

The International Service Global Support Network is a member-led worldwide collaborative platform connecting Rotary international service practitioners to share expertise, resources, and support for international service projects.

- The network fosters learning, global communication, and collaborative assistance among Rotarians to enhance project successful outcomes with impact.
- The network links clubs and districts globally, enabling Rotarian members to seek help and offer expertise for international service projects aligned with Rotary's seven Areas of Focus.
- This network promotes the development and expansion of District Resource Networks (DRNs) where local Rotarians identify experts in all phases of international service that include: Area of Focus expertise; Community Assessment processes; Preparation of grant application; Project planning experience; Measurement techniques to assess all phases of project work, etc. This is all aimed at providing sustainable positive post-project impact.

You are invited and encouraged to join us for our informative and educational programs on the second Thursday of every month at 3:00 pm Eastern Time Zone.

REGISTER

A onetime registration is required to join. After you register, you'll receive login information and monthly notices of upcoming programs.

Please register now by simply clicking on this link [International Service Global Support Network Registration Link](#) or using the QR Code.

There is no fee for registration or participation.

Please share this network opportunity with your district & club International Service Chairs, Foundation Chairs, Grants Chairs, Cadre of Advisors, Rotary Action Group and Fellowship members, and others who invest their expertise passionately in International Service. We invite them to join our growing network of Rotary leaders committed to lasting impact.
