

Peace Pole Ordering

Peace Poles can be a variety of sizes and materials. Below are a few options for obtaining a Peace Pole for your community.

A standard peace pole will have graphics on each of the four sides of an 8-foot post. The post and sleeve will be buried in the ground ~ 1 1/2 ft. of post and six inches of sleeve will then be secured with concrete. Another option instead of using cement is to dig a two feet hole and put gravel in the bottom and pack the dirt back in and around it.

Option One: Order from the Local Community using a vinyl sleeve over a pressure treated wooden post (*Estimated cost: \$110*)

Order a white composite vinyl post sleeve from **Lowe's (Item #1)** and have it sent to **Fuse Creative in Spencerport** (191 S Union St. Spencerport, NY 14559, Attn: Harry Sotomayor).

Contact Create@fusecreativeco.com or phone 585-333-9140 to make arrangements (provide expected delivery date, design and graphics for each side). Estimated cost for printing - \$10/side plus \$10 for the Rotary logo - \$50.
