

Rotary Friendship Exchange Host Application

The Rotary Friendship Exchange (RFE) program gives Rotarians and their spouse/partner the opportunity to experience other cultures firsthand by participating in reciprocal visits with Rotarians and their families in other districts throughout the world. A RFE provides Rotarians with the opportunity to form personal, contacts and long-lasting friendships while exploring the world. By staying with Rotarians in their home and being escorted by Rotarians, there is significant cost reduction, a more secure stay and often access to sights and activities not normally available on self-vacations and tours. This Rotary International program, introduced in 1984, aims to advance international peace and understanding among Rotarians.

As a host your responsibilities include opening your home to your guests and transporting them to the pre-arranged group activities. Guests are responsible for paying for their own restaurant meals, activities and admission cost. Breakfast and coffee are great for the morning and perhaps a snack or glass of wine in the evening as you discuss the day's adventures with your guests. On at least one evening, you should be prepared to have dinner at home with your new RFE friends!
