We will use your selections as a guide in placing student applications and you will always have a chance to review the application before accepting a specific student. Please make any comments below or on the back of this sheet. Please remember that students and their families base plans for a year of their lives on the students' acceptance into the Youth Exchange Program and that both students we accept and students we send benefit greatly from a year of living in a different culture. In order to have opportunities to send out, we must, as a District, be willing to host students here. We ask that each club take any commitment (s) made on this form **very seriously** and that the statement of intent be signed by the President Elect as well as by the Youth Exchange Chairman and treated as a contract.
