

## DISTRICT CONFERENCE 2018 IN LEETON

The District Conference will be a wonderful opportunity to experience great ideas, exceptional speakers and learn about amazing projects. We are preparing a program that will showcase Rotary and inspire us to not only continue our service to humanity, but also to have a go at something different.

The District Conference will be a great experience for new Rotarians to develop a stronger understanding of Rotary activities and for the experienced Rotarian to catch up with what is happening in the Rotary world, with acquaintances and enjoy the fellowship of conference attendees.

The avenues of Rotary we are focusing on are:

1. **Youth**—inspiring and helping our Youth
2. **Foundation**—our projects e.g.. East Timor
3. **Club**—Strengthening and inspiring our clubs

So put these dates in your diary

4th May arrive in Leeton,

5/6th May at Leeton Roxy Theatre for our District Conference.

Please quote Rotary Conference when booking accommodation in Leeton as we have block booked most of the motels.

Conference Chair: Graeme Kruger
