Welcome

Welcome to the District 9700 Website

District Governor
Michael Milston

This is an experience of two of our District Rotarians, who asked that we warn others.

Remember, our contact details are publicly available and we should, as the Rotarians involved in this interchange did, exercise care and caution when dealing with something not expected - use the phone to check!

In this scam, the name of the Club member ZZZZ is known to the other Club Member XXXX, but ZZZZ's email is not the one used by the Club. Click the Read More to see how the email flow went...
