2019 RYPEN Challenge

**Friday 29 November to Sunday 1 December,
Borambola Sport & Recreation Camp**

RYPEN is a Rotary Youth program aimed at year 9 students who show some qualities of decency, courage, persistence, sincerity and application in everyday life, and who are deserving of further development.

We need your help to find Students to participate in this extremely worthwhile program. The program accommodates around 60 students from across our Rotary District and we hope for an even mix of boys and girls.

RYPEN aims for the average student and not for the outstanding few. We are sure there are some kids at your School that are worthy of this opportunity? The attached information may help to identify those students you think would benefit from the program. If you need help with the guidelines for selecting students for RYPEN please contact your local Rotary Club.

For details about the camp please refer to the **Information For Applicants** form. All forms are available via the Rotary District 9700 web site under Youth\RYPEN, along with photos and videos from previous RYPEN camps.

Advertise the Camp in your staffroom and encourage your teachers to assist in finding participants to attend. Through sponsorship with your local Rotary Club there is (usually)no cost to the school or the Student.

Your local Rotary Club is responsible for the selection of RYPEN participants in their area and will discuss arrangements for the payment of the \$360 nomination fee. The Club may provide partial or full sponsorship and all applications must be endorsed by a Rotary Club.

Please return your students' **Application Form** to the sponsoring Rotary Club early, and remind students/parents to complete the online **Medical Consent Form for Borambola Sport & Rec Camp** no later than when forms are sent in. If you do not have a Rotary Club contact and wish to know more, please contact the RYPEN co-coordinator.

Return application forms to your sponsoring Rotary Club by 25 October

DON'T FORGET TO COMPLETE the online [Medical Consent Form](#)
