

Ermelo Phoenix Rotary Making a difference

Ermelo Phoenix Rotary, joined forces with Food for Life Ermelo on Saturday, 22nd August 2020 to serve food and donate blankets to the community of Nyibe.

During the afternoon we distributed over 200 meals & 100 blankets to the children. Each year during winter Ermelo Phoenix partners with Food for Life Ermelo to distribute food & blankets to the less fortunate.

Food for Life is an International based Society; feeding over a million plates daily of vegan/vegetarian meals to the needy worldwide.

These two organisations challenge other organisations and businesses to become a part of this project to enable them to serve food to the less fortunate communities on a weekly basis.

If you can assist, contact Lakesh Maharaj (Ermelo Phoenix Rotary) on or Prabhupada Priya dasa (Paddy) (Food for Life) at 081 395 6101.
