

Ermelo Phoenix Rotary Club

During December Ermelo Phoenix Rotary Club visited 3 orphanages - CMR Ermelo, Bamabanani Village and Children of the Dawn Ermelo to spread the Christmas spirit of giving and to bring a smile to these children during the festive season.

Members of the club spent time interacting and playing with the children before Santa arrived to hand out the gifts as well as lunch for the children. Over 180 children each received a Lego Set and also a party pack. The day was a huge success with many smiles everywhere.
